1011 Union Street
Oakland, California

Dear Ms. Comrie:

In accordance with your request, Ninyo & Moore is pleased to provide this proposal for additional environmental services already completed for the Oakland Unified School District (OUSD) Cole Central Administration Center (site). The Department of Toxic Substances Control's (DTSC) requested additional services for Areas of Concern (AOC) throughout the site. Ninyo & Moore completed additional environmental services including additional soil sampling, soil gas probes, and soil gas sampling. A sampling and analysis plan is included in Table 2. Figures 1 and 2 show the AOC and sampling locations discussed below. Our scope of services was as follows:

ADDITIONAL SCOPE OF SERVICES

Based on DTSC's requests additional services were completed to evaluate several AOCs. Services included additional project coordination, field activities, sampling equipment, and laboratory analysis.

Area of Concern 1 and 2 – Current Buildings

Additional laboratory analysis for soil samples collected around the current buildings include the following:

- Arsenic and lead using EPA Method 6010;
- OCPs using EPA Method 8081; and
- PCBs using EPA Method 8082

Area of Concern 3 – Former Buildings

DTSC requested a soil sampling grid of 75 soil sample locations with samples collected at 0.5 and 2 feet below ground surface at each location. Additional effort and associated costs required to evaluate AOC3-Former Buildings in the north parking lot include project coordination, soil sampling field activities, laboratory analysis, and reporting.

Area of Concern 5 – Waste Incinerator

Due to the location of the waste incinerator, the sampling location AOC5-S7 was reevaluated and moved. The proposed location was discussed with DTSC onsite. The scope included coordination, 1 day of soil sampling, utility locate, and drilling. Additional laboratory analysis requested by DTSC for soil samples collected near the waste incinerator include the following:

- Dioxins/furans using EPA Method 8290

Area of Concern 8 – Burned Buildings

DTSC requested additional laboratory analysis for samples collected within the grid in the north parking lot to assess contaminants associated with burned buildings. No additional sample locations were needed. Additional laboratory analysis requested by DTSC included:

- Dioxins/furans using EPA Method 8290

Area of Concern 9-Offsite Northern and Southern Property Boundary

DTSC requested additional soil samples and installing and sampling additional dual nested soil gas probes along the northern and southern property boundaries. The scope included project coordination and two days of field activities to install three additional dual nested soil gas probes, collect six additional soil gas and one ambient air sample, and collect six soil samples. The samples were analyzed for:

- VOCs by EPA method TO-15 (soil gas samples);
- Methane, helium and oxygen using ASTM method 1946-90 (soil gas samples);
- TPH as diesel and motor oil by EPA method 8015M (soil samples);
- TPH as gasoline and volatile organic compounds (VOCs) by EPA method 8260 (soil samples); and
- Title 22 Metals using EPA Method 6010 and mercury using EPA Method 7471(soil samples)

Reporting

Services not completed to date include reporting efforts associated with the additional completed scope. Reporting effort will include analytical data tabulation and evaluation and human health risk assessment.

ASSUMPTIONS

Based on our experience with similar projects, the following assumptions have been made in the preparation of our scope of services:

- Once mobilized to the site, no delays or work stoppages beyond the control of Ninyo & Moore or its subcontractors will occur.
- Soil and Soil vapor samples will be analyzed on a normal 10-day TAT.

Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity, which would otherwise exist as to a party, person, or entity described in this paragraph.

7. **Equipment and Materials.** Contractor at its sole cost and expense shall provide and furnish all tools, labor, materials, equipment, transportation services and any other items (collectively, "Equipment") which are required or necessary to perform the Services in a manner which is consistent with generally accepted standards of the profession for similar services. Notwithstanding the foregoing, District shall not be responsible for any damages to persons or property as a result of the use, misuse or failure of any Equipment used by Contractor or the Contractor Parties, even if such Equipment is furnished, rented or loaned to Contractor or the Contractor Parties by District. Furthermore, District may reject any Equipment or workmanship that does not conform to the requirements of this Agreement and Contractor must then promptly remedy or replace it at no additional cost to District and subject to District's reasonable satisfaction.

8. **Insurance.** Without in any way limiting Contractor's liability, or indemnification obligations set forth in Paragraph 6 above, Contractor shall secure and maintain throughout the Term of this Agreement the following insurance: (i) comprehensive general liability insurance with limits of not less than **\$1,000,000** each occurrence and **\$2,000,000** in the aggregate; (ii) commercial automobile liability insurance with limits not less than **\$1,000,000** each occurrence and **\$2,000,000** in the aggregate, if applicable; and (iii) worker's compensation insurance as required by Labor Code section 3200, *et seq.*, if applicable. Neither Contractor nor any of the Contractor Parties shall commence performing any portion of the Services until all required insurance has been obtained and certificates indicating the required coverages have been delivered to and approved by District. All insurance policies shall include an endorsement stating that District and District Parties are named additional insureds. All of the policies shall be amended to provide that the insurance shall not be suspended, voided, canceled, reduced in coverage or in limits except after thirty (30) days' prior written notice has been given to District. If such a notice is not given or even if District receives a notice, District may, at its sole option, terminate this Agreement. All insurance policies shall include an endorsement stating that it is primary to any insurance

or self-insurance maintained by District and shall waive all rights of subrogation against District and/or the District Parties. A copy of the declarations page of Contractor's insurance policies shall be attached to this Agreement as proof of insurance.

9. **Independent Contractor Status.** Contractor is engaged in an independently established trade, occupation, or business to provide the Services required by this Agreement and is hereby retained to provide specialized services for District that are outside the usual course of District's business. Contractor is free from the control and direction of District in connection with the manner in which it provides the Services to District. Contractor understands and agrees that Contractor and the Contractor Parties shall not be considered officers, employees, agents, partners, or joint venturers of District, and are not entitled to benefits of any kind or nature normally provided to employees of District and/or to which District's employees are normally entitled.

10. **Taxes.** All payments made by District to Contractor pursuant to this Agreement shall be reported to the applicable federal and state taxing authorities as required. B. The following Contractor and Contractor Parties shall have **more than limited contact** (as determined by District) with District students during the Term of this Agreement and, at no cost to District, have received a TB test in full compliance with the requirements of Education Code section 49406:

Contractor shall maintain on file the certificates showing that the Contractor and Contractor Parties were examined and found free from active TB. These forms shall be regularly maintained and updated by Contractor and shall be available to District upon request or audit.

Contractor further agrees and acknowledges that all new personnel hired after the Effective Date

of this Agreement by Contractor and Contractor Parties are subject to the TB certification requirements and shall be prohibited from having any contact with District students until the TB certification requirements have been satisfied and District determines whether any contact is permissible.

13. **Confidential Information.** Contractor shall maintain the confidentiality of, and protect from unauthorized disclosure, any and all individual student information received from the District, including but not limited to student names and other identifying information. Contractor shall not use such student information for any purpose other than carrying out the obligations under this Agreement. Upon termination of this Agreement, Contractor shall turn over to District all educational records related to the services provided to any District student pursuant to this Agreement.

14. **Assignment/Successors and Assigns.** Contractor shall not assign or transfer by operation of law or otherwise any or all of its rights, burdens, duties or obligations under this Agreement without the prior written consent of District. Subject to the foregoing, this Agreement shall be binding on the heirs, executors, administrators, successors, and assigns of the respective parties.

15. **Severability.** If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision of this Agreement.

16. **Amendments.** The terms of this Agreement shall not be waived, altered, modified, supplemented or amended in any manner whatsoever except by written agreement signed by both parties and approved by the governing board.

17. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of California, excluding its choice of law rules. Any action or proceeding seeking any relief under or with respect to this Agreement shall be brought solely in the Superior Court of the State of California for the County of Alameda, subject to transfer of venue under applicable State law, provided that nothing in this Agreement shall constitute a waiver of immunity to suit by the District.

18. **Written Notice.** Written notice shall be deemed to have been duly served if delivered in person to Contractor at the address located next to the party signatures below, or if delivered at or sent by registered or certified or overnight mail to the last business address known to the person who sends the notice.

Contractor shall comply with all applicable federal, state, and local laws, rules, regulations and ordinances, including but not limited to fingerprinting under Education Code section 45125.1, confidentiality of records, Education Code section 49406 and others. Contractor agrees that it shall comply with all legal requirements for the performance of duties under this Agreement and that failure to do so shall constitute material breach.

20. **Non-Discrimination.** There shall be no unlawful discrimination in the contracting of persons under this Agreement because of race, color, national origin, age, ancestry, religion, sex, or sexual orientation of such persons.

21. **Attorneys' Fees.** If any legal action is taken to interpret or enforce the terms of this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees and other reasonable costs and expenses incurred in connection with that legal action.
22. **Liability of District.** Notwithstanding anything stated herein to the contrary, District shall not be liable for any special, consequential, indirect or incidental damages, including but not limited to lost profits in connection with this Agreement.
23. **Time.** Time is of the essence to this Agreement.
24. **Waiver.** No delay or omission by District in exercising any right under this Agreement shall operate as a waiver of that or any other right and no single or partial exercise of any right shall preclude the District from any or further exercise of any right or remedy.
25. **Entire Agreement.** This Agreement is intended by the parties as the final expression of their agreement with respect to such terms as are included herein and as the complete and exclusive statement of its terms and may not be contradicted by evidence of any prior agreement or of a contemporaneous oral agreement, nor explained or supplemented by evidence of consistent additional terms.
26. **Ambiguity.** The parties to this Agreement, and each of them, hereby represent that the language contained herein is to be construed as jointly proposed and jointly accepted, and in the event of any subsequent determination of ambiguity, all parties shall be treated as equally responsible for such ambiguity.

Subject: Revised Proposal for Environmental Services
Oakland Unified School District Central Administrative Center
1011 Union Street
Oakland, California

Dear Mr. Nakadegawa:

In accordance with your request, Ninyo & Moore is pleased to submit this proposal to perform environmental services for the Oakland Unified School District (District) Central Administrative Center (Site) based on the recommendations made in our Phase I Environmental Site Assessment Report (Phase I), Oakland Unified School District (OUSD), 1011 Union Street, Oakland, California prepared in December 2019 and the Department of Toxic Substances Control's (DTSC) letter dated October 2, 2020. Our proposal includes the following two tasks: 1) preparation of a Preliminary Endangerment Assessment Work Plan (PEA) and 2) Implementation of and reporting related to a PEA Work Plan. A detailed scope of services for our environmental services follows.

PROPOSED SCOPE OF SERVICES

Task 1 – Preparation of a Preliminary Endangerment Assessment Work Plan

The PEA Work Plan will include an introduction and description of the site, PEA objectives, site background information, building plans, results from site interviews, summary of previous environmental investigations conducted on site, a proposed sampling and analysis plan (e.g. areas of concern, sampling strategies, rationale for specific sampling media, sample documentation, decontamination procedures, waste management, and quality control measures), a human health and ecological evaluation, anticipated outline of the PEA report, and proposed work schedule. A draft PEA Work Plan will be submitted to the DTSC and a final PEA Work Plan will be submitted pending approval of the draft PEA Work Plan.

Task 2 – Preliminary Endangerment Assessment Work Plan Implementation and Reporting

This task includes PEA Work Plan Implementation and reporting, and will be conducted upon DTSC approval of the PEA Work Plan. According to the Phase I, lead, arsenic, polychlorinated biphenyls (PCBs), and organochlorinated pesticides (OCPs) are potential constituents of concern (COCs) around the two site buildings based on the age of the buildings. In addition, other COCs consist of metals, semi-volatile organic compounds (SVOCs), total petroleum hydrocarbons (TPH), and volatile organic compounds (VOCs) associated with the incinerator and the former heating oil underground storage tank (UST). We recommend collecting shallow soil sampling around the two building structures and soil sampling adjacent to the on-site incinerator and adjacent to the former heating oil UST to evaluate the lateral and vertical distribution of site COCs. We estimate that the scoped items will include up to four working days of field activities. The following scope of work is recommended for the Site:

Project Coordination

- Coordinating with a California certified Laboratory;
- Obtaining a soil boring permit with Alameda County Public Works Agency;
- Preparing a site Specific Health and Safety Plan;
- Procuring the field sampling supplies;
- Marking boring locations and contacting underground service alert at least 72 hours in advance of sampling for boring clearance; and
- Project management services including correspondence and meetings with the district, DTSC and other stakeholders.

Soil Sampling Methodology

- Shallow soil samples will be collected at the surface or just under asphalt, 1 foot below ground surface (bgs) and at 2.5 feet bgs around all four sides of each building. The two deeper samples will be placed on hold and analyzed based on the results of the surface soil samples. A total of 24 shallow soil samples will be collected.
- One soil boring adjacent to the incinerator and one soil boring adjacent to the former heating oil UST will be drilled to just above first groundwater at approximately 10 to 11 feet bgs. Soil samples will be collected at 0.5, 5 and 10 feet bgs (six total soil samples).
- Install one soil vapor probe adjacent to the former heating oil UST to 5.5 feet bgs and collect one soil vapor sample.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

d. Primary And Non-Contributory Insurance If Required By Written Contract

If you specifically agree in a written contract or agreement that the insurance afforded to an insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such insured which covers such insured as a named insured, and we will not share with that other insurance, provided that:

- (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
- (2) The "personal and advertising injury" for which coverage is sought is caused by an offense that is committed;

subsequent to the signing of that contract or agreement by you.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy will not prejudice your rights under this insurance. However, this provision does not affect our right to collect additional premium or to exercise our rights of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.
