To Board of Education

From Kyla Johnson-Trammell, Superintendent

Meeting Date April 27, 2022

Subject **Declaration of Need for Fully Qualified Educators - School Year 2022-2023**

Action Requested Approval by Board of Education of Resolution No. 2122-0136 – Declaration of Need for Fully Qualified Educators, School Year 2022-2023.

Discussion Division VIII of Title 5, California Code of Regulations, Section 80026, requires the governing Board of the school district to adopt a declaration certifying that there are an insufficient number of certified persons who meet the District’s employment criteria for needed positions.

The Board of Education has—among its powers to declare—that there is an insufficient number of certificated persons who meet the District’s specified employment criteria for positions. On June 20, 2001, the Office of Administrative Law for the Commission on Teacher Credentialing amended the California Code of Regulation Section 80026 and 88027. These changes require that the District now include in the Annual Declaration of Need for Fully Qualified Educators Limited Assignment Permits. As referenced in Coded Correspondence 01-0009, the newly titled Limited Assignment Permits allow fully experienced educators to apply for a permit while completing course work or test to add an authorization to their existing credential.

Additionally, the *Williams v. State of California* settlement brings a renewed focus to the requirement that all teachers with EL students in K-12 public school settings must hold an appropriate English Learner authorization. This is regardless of the number of English Learners in the class. The Settlement per EC Section 44258.9(c)(4)(A), requires county offices of education to complete additional assignment monitoring including annual review of assignments and review and collection of data on English Learner

authorizations for teachers of classes with twenty percent or more English Learners in schools with decile 1, 2, and 3. Any teacher assigned to teach one or more English Learners and providing EL services must hold an EL authorization. Teachers enrolled in a CLAD program or registered for the CTEL exam are considered mis assigned and will need to obtain the appropriate certification such as an Emergency CLAD or BCLAD permit.

Fiscal Impact None
