Electronic Record and Signature Disclosure

CONSUMER DISCLOSURE

From time to time, Stericycle Inc. (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures

electronically from us.

By signing above I acknowledge that I am the Customer's authorized officer or agent and that I have the authority to bind Customer to this Agreement. Customer agrees to be bound by these terms and conditions and comply with Stericycle's Waste Acceptance Policy, both of which are integral parts of this Agreement.

TERMS AND CONDITIONS

Stericycle, Inc., a Delaware corporation, with offices at 28161 N. Keith Drive, Lake Forest, IL 60045 (collectively, "Stericycle"), and Oakland Unified School District with offices at 1000 Broadway Ave #150 Oakland, CA 94607 ("Customer"), hereby enter into and agree as provided in this Services Agreement (the "Agreement") dated as of the 1 day of October, 2021 (the "Effective Date").

1. **Services.** (a) Stericycle will provide Customer the services set forth on page 1 of this Agreement (the "Services") which are incorporated herein and made a part of this Agreement. (b) Customer shall be liable for and shall indemnify, defend and hold harmless Stericycle from and against all demands, claims, actions, losses, damages and expenses, including reasonable attorney fees resulting from any Non-Conforming Waste (defined below) or Customer's failure to properly store, package, label, or segregate RMW. (c) All lab wastes or materials that contain or have the potential to contain infectious substances arising from any agents listed under 42 CFR 72.3 are prohibited from inclusion among RMW to be collected and must be pretreated by Customer prior to disposal. (d) The current version of the Stericycle Waste Acceptance Policy ("WAP") is attached. Stericycle may periodically update the WAP. (e) During the Term, Stericycle shall be the exclusive provider of the Services to Customer at all of its locations, and Customer shall use no other RMW disposal service, method or service provider, whether at the service location(s) set forth herein or at any other current or future location(s) of Customer. As used herein, "Non-Conforming Waste" means any substance, waste or container that is excluded, not accepted or non-conforming under the WAP or otherwise cannot be accepted by Stericycle under any applicable law, rule or regulation. (f) Stericycle may bill additional charges for each non-compliant container (overweight under applicable laws, rules or regulations, each container exceeding 50 lbs, containers holding non-conforming waste, and containers where the waste is improperly segregated or packaged) provided by Customer.

2. **Term of this Agreement.** (a) The initial term of this Agreement (the "Initial Term") will begin on the Effective Date set forth above and continue for Twelve (12) months. ~~This Agreement will automatically renew for successive terms of month to month (each, an Extension Term), unless either party gives the other party at least 60 days' written notice, prior to the renewal date, of its request to terminate this Agreement. The Initial Term and each Extension Term, if any, are collectively referred to as the "Term."~~ (b) Upon the expiration or termination of this Agreement, Customer shall pay Stericycle all amounts due for services and products provided prior to the expiration or termination (and any other amounts due to Stericycle, which may include a final pickup fee). (c) Stericycle shall have the right to retrieve its Equipment (defined below) from Customer wherever located.

3. **Pricing.** Customer shall pay to Stericycle the service fees set forth on page 1 ("Service Fees"). Stericycle may adjust the Service Fees to cover non-controllable costs, including but not limited to taxes, fuel and regulatory fees annually in accordance with the percentage listed on page 1.

4. **Payment Terms.** Customer shall pay in full each Stericycle invoice within 30 days of the date of such invoice. Any invoiced amounts not received by Stericycle within that timeframe will be subject to an interest charge of 1.5% per month (or the maximum amount allowed by law). Customer shall reimburse Stericycle for all costs that it incurs in collecting overdue amounts from Customer. Stericycle may, with notice, suspend services until any overdue amounts (plus interest charges and collection fees, if any) are paid. Customer shall also pay all taxes imposed by any governmental authority with respect to the purchase of any services and products hereunder, including all sales use, excise, occupation, franchise and similar taxes and tax-like fees and charges (but excluding all taxes on Stericycle's net income). Stericycle will cooperate with Customer to determine the applicability of exemption certificates, if any, that Customer provides in a timely manner to Stericycle.

5. **Early Termination.** In the event that Customer terminates this Agreement prior to the expiration of the Term other than as set forth in Section 6 Customer shall promptly pay Stericycle (a) all unpaid invoices and any late charges thereon; and (b) an amount equal to 50% of Customer's average monthly charge multiplied by the number of months (including any partial months) remaining until the expiration date of the Term.

6. **Default and Early Termination for Cause.** Either party may immediately terminate this Agreement, in whole or in part, upon written notice to the other party if the other party breaches any material provision of this Agreement and fails to cure such breach within thirty (30) days following receipt of written notice of such breach. Documented service or performance deficiencies by Stericycle or nonpayment by Customer of amounts rightfully owed to Stericycle or Customer's failure to comply with Stericycle policies related to the Services shall constitute a material breach.

7. **Limitation of Liability.** In no event shall either party be liable for any indirect, exemplary, punitive, special, incidental or consequential damages or lost profits, lost revenue, lost business opportunities or the cost of substitute items or services under or in connection with this Agreement.

8. **Compliance Materials; Confidentiality.** To the extent that Stericycle provides Customer with electronic or printed materials ("Compliance Materials"), it provides these subject to a limited license to Customer to use Compliance Materials for its own, non-commercial use. Stericycle may revoke this license at any time. Customer may not copy or distribute Compliance Materials or use or republish Compliance Materials for or to any third party or audience. Customer agrees to return all Compliance Materials to Stericycle at Customer's expense at the expiration or termination of this Agreement. Stericycle may charge Customer a fee for failure to return Compliance Materials. Customer agrees to not disclose to any third parties Stericycle pricing, policies and procedures.

9. **Compliance with Laws and Policies.** Each party shall comply with all laws, rules and regulations applicable to its performance hereunder. Stericycle and Customer shall keep adequate books, records and documentation as required by applicable laws, rules, regulations and guidelines pertaining to storage or handling of RMW and the Services hereunder. Customer shall comply with the WAP applicable to the Services.

10. **Excuse of Performance.** Neither party will be responsible if its performance of any act(s) required hereunder (other than the payment of any amounts due) is interrupted or delayed due to any reason beyond its reasonable control.

11. **Equipment.** Customer shall have the care, custody and control of any containers and other equipment owned by Stericycle and placed at Customer's premises ("Equipment") and accepts responsibility and liability for the Equipment and its contents. Any damage or loss to such Equipment, other than normal wear and tear, will be charged to Customer at full replacement value.

12. **Waste Brokers.** Stericycle reserves the right to deal solely with the Customer and not with any third party agents of the Customer for all purposes relating to this Agreement. Stericycle shall be entitled to terminate this agreement and seek all available legal remedies, including but not limited to disingulated damages, in the amount set forth herein for Customer's breach of this representation and warranty.

13. **Miscellaneous.** (a) This Agreement constitutes the entire agreement between the parties relating to the subject matter of this Agreement and supersedes any prior agreements and arrangements between the parties. (b) This Agreement may be modified only by a written amendment signed by an authorized representative of each party. (c) This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, legal representatives and heirs provided, however, that Customer may not assign its rights or delegate its obligations under this Agreement without the prior written consent of Stericycle. (d) Stericycle's relationship with Customer is that of an independent contractor, and nothing in this Agreement shall be construed to designate Stericycle as an employee, agent or partner of or a joint venture with Customer. (e) Any dispute arising in connection with or relating to this Agreement or between the parties ("Disputes") that the parties are unable to resolve informally, such as via discussion and negotiation between the parties, shall solely and exclusively be resolved by binding and final arbitration before the American Arbitration Association ("AAA"), conducted pursuant to the Federal Arbitration Act (as the parties acknowledge that the services provided involve interstate commerce). All Disputes will be determined on an individual basis (and not as a class member or in any purported class or representative capacity, considered unique as to its facts) and shall not be consolidated in any arbitration or other proceeding with any claim or controversy of any other party, and the arbitrator or tier of fact shall not preside over any form of representative or class proceeding. The exclusive jurisdiction and forum for resolution of any Dispute shall be by arbitration, which shall take place in the state where Customer is located at the closest AAA office. (f) The failure of either party to insist upon the performance of any provision hereof, or to exercise any right granted under any provision hereof, will not be construed as waiving that provision or any other provision, and the provision will continue in full force and effect. (g) No term or condition contained in a Customer purchase order or any other invoice acknowledgment shall be binding upon Stericycle unless agreed to by Stericycle in writing. (h) Each provision of this Agreement must be interpreted in a way that is valid under applicable law. If any provision is held invalid, the rest of the Agreement will remain in full force and effect. (i) The failure of either party to insist upon the performance of any provision hereof, or to exercise any right granted under any provision hereof, will not be construed as waiving that provision or any other provision, and the provision will continue in full force and effect. All waivers must be in writing and signed by the party waiving its rights. (j) Except as otherwise set forth herein, this Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard to the conflict of law provisions.

Regulated Medical Waste Acceptance Policy

Stericycle policy requires compliance with all applicable regulations regarding the collection, transportation and treatment of regulated medical waste. Federal Department of Transportation (DOT) Regulations require the generator of regulated medical waste to certify that the packaging and documentation of transported regulated medical waste complies with DOT regulations regarding waste classification, packaging, labeling and shipping documentation. To ensure that neither Stericycle nor the generator of regulated medical waste violates applicable regulations, it is imperative that all parties understand the rules regarding proper identification, classification, segregation and packaging of regulated medical waste. The purpose of this policy is to summarize the minimum requirements for preparing your medical waste for collection, transportation and treatment. Additional facility or state-specific waste acceptance policies may apply based on permit specifications. Please contact your local representative for further information or email customercare@stericycle.com.

REGULATED MEDICAL WASTE

Stericycle accepts medical waste generated in a broad range of medical, diagnostic, therapeutic and research activities. The term "medical waste" includes biohazardous, biomedical, infectious or regulated medical waste as defined under federal, state or local laws, rules, regulations and guidelines. Except as defined by specific state regulations, this **excludes** RCRA hazardous waste pharmaceuticals, all DEA scheduled drugs including *controlled substances, bulk chemotherapy, waste containing mercury or other heavy metals, batteries of any type, cauterizers, non-infectious dental waste, chemicals such as solvents, reagents, corrosives or ignitable materials classified as hazardous waste under Federal and State EPA Regulations. In addition, Stericycle **cannot accept** bulk liquids, radioactive materials, or complete human remains (including heads, full torsos and fetuses). Stericycle **cannot accept** these excluded materials packaged as regulated medical waste. All lab wastes or materials which contain or have the potential to contain infectious substances arising from those agents listed under 42 CFR Part 73 (HHS), 7 CFR Part 331 (USDA-Plant Protection and Quarantine), and 9 CFR Part 121 (USDA-Veterinary Services) are strictly prohibited from medical waste by federal law and must be pretreated prior to disposal. Separate protocol and packaging requirements apply for the disposal of non-hazardous pharmaceuticals. Hazardous waste transportation services may be offered in certain geographical locations, under separate contract. Please contact your local representative for details and packaging specifications.

* Un-dispensed from DEA Registrant

WASTE SEGREGATION AND PACKAGING

The generator is solely responsible for properly segregating, packaging and labeling of regulated medical waste. Proper segregation and packaging reduces the potential for accidental release of the contents and exposure to employees and the general public. DOT regulations require (49 CFR 173.197) that all packages of regulated medical waste be prepared for transport in containers meeting the following requirements: 1) rigid; 2) leak resistant; 3) impervious to moisture; 4) of sufficient strength to prevent tearing or bursting under normal conditions of use and handling; 5) sealed to prevent leakage during transport; and 6) puncture resistant for sharps. All regulated medical waste must be accompanied by a properly completed shipping document (See 49 CFR 172.202).

MANAGEMENT OF NON-CONFORMING WASTE

As required by regulation and company policy, Stericycle employees may refuse containers that are non-conforming because of their contents or are improperly packaged, leaking, damaged or likely to create a risk of exposure to employees or the general public. Any waste found to be non-conforming to this Waste Acceptance Policy identified in route to, or at a Stericycle location, may be returned to the generator for proper packaging and disposal, or may be rerouted for appropriate destruction; this may include improperly marked regulated medical waste which should have been identified for incineration (i.e. pathological, chemotherapy or non-hazardous pharmaceuticals). Proper segregation and packaging is essential to ensure compliant and safe handling, collection, transportation and treatment of regulated medical waste.
