# Board Cover Memorandum

**To** Board of Education

**From** Kyla Johnson-Trammell, Superintendent  
Sondra Aguilera, Chief Academic Officer

**Meeting Date** June 23, 2021

**Subject** Memorandum of Understanding 2021-2022 – Bay Area Community Resources - After School Program – Fred T. Korematsu Discovery Academy

**Ask of the Board** Approval by the Board of Education of Memorandum of Understanding 2021-2022 between the District and Bay Area Community Resources, San Rafael, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for Fred T. Korematsu Discovery Academy's comprehensive After School Program, for the period of August 1, 2021 through July 31, 2022, in an amount not to exceed \$104,997.00.

**Background** The After School Education and Safety (ASES) is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

**Discussion** This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD's Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office. The school Principal has selected this agency from the list of approved lead agency partners.

**Fiscal Impact** After School Education and Safety (ASES) Grant/Resource 6010 in the amount of \$104,997.00

**Between Oakland Unified School District and**  
**Bay Area Community Resources**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with **Bay Area Community Resources** ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at **172 Fred T. Korematsu Discovery Academy** under the following grants:

- After School Education and Safety Program ("ASESP")
- California Department of Education ("CDE") 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC)
- Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASEP and 21<sup>st</sup> CCLC funds.
- Private grants

2. **Term of MOU.** The term of this MOU shall be August 1, 2021 through July 31, 2022. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.

a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.

b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation. Contingent on OUSD receipt of** California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASES and 21<sup>st</sup> CCLC grant award amount for **Bay Area Community Resources** is **\$ 104997.00**. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$8.88 a day per student through ASEP and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.88 a day for ASEP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2021-2022"). In the event that the school site at which AGENCY has agreed to provide programming is closed for any emergency reason (including but not limited to reasons related to COVID-19), and AGENCY provides programming remotely pursuant to Section 5.4.5 of this Agreement, AGENCY shall calculate attendance based on student participation in AGENCY's remote programming.
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2021-2022 and will not exceed **\$ 104997.00** in accordance with Exhibit B. **Exhibit B** ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2021-2022").

- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

**Program Fees.** The intent of the ASES and 21<sup>st</sup> CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care. Any site receiving 21<sup>st</sup> Century Community Learning Center (CCLC) must report all fees collected (i.e.- registration fees, family fees, application fees, etc.) to OUSD After-School Program Office for CDE reporting.

5. **Scope of Work.** AGENCY will serve as lead agency at **172 Fred T. Korematsu Discovery Academy** will be responsible for operations and management of the ASES, 21<sup>st</sup> CCLC, OFCY, and private grants contracted to AGENCY by OUSD for fiscal year 2021-2022. This shall include the following required activities:

- 5.1. **Student Outcomes.** AGENCY shall achieve the student outcomes as described in the grant application narrative and articulated in documents from the program evaluation team. AGENCY agrees to develop school specific outcomes, as defined in partnership with the principal. AGENCY recognizes that the principal is the chief decision maker for after school and summer programs, and ensures that school site objectives are met.
- 5.1.1. **Alignment with Single Plan for Student Achievement ("Site Plan").** AGENCY will ensure the after school program aligns with OUSD and **172 Fred T. Korematsu Discovery Academy** objectives to ensure the success of students as articulated in the Site Plan. AGENCY will work in partnership with the school principal to ensure that the program components are aligned with and complement OUSD standards and school site curriculum.
- 5.1.2. **Continuous Quality Improvement (CQI).** AGENCY must fully engage in continuous quality improvement (CQI) processes and complete the following steps of the CQI cycle each year, and timely submit corresponding CQI deliverables to the After School Programs Office:
- beginning of year self-assessment using Truth, Hope, Change, Curiosity tool

- development of quality action plan with SMART goals for program improvement
- progress check for program quality e.g. quality coaching

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

Agency staff (Site Coordinators and other agency staff) are also required to participate in any OUSD sponsored CQI training provided by the OUSD After School Programs Office.

5.2. **Oversight.** AGENCY will provide oversight, fiscal management, payroll services, technical assistance, and facilitation of collaboration with other service providers. Agency must ensure compliance with ASEP and 21<sup>st</sup> CCLC funding guideline requirements and follow OUSD after school policies and procedures. This includes compliance with OUSD staffing requirements and policies including No Child Left Behind and other legislative mandates.

5.3. **Enrollment.** AGENCY will enroll **K** through **5** grade students at **172 Fred T. Korematsu Discovery Academy**, to serve sufficient number of students and run services for a sufficient number of days to earn the full core grant allocation of funding.

#### 5.4. **Program Requirements**

5.4.2. **Program Days.** The program shall be offered a minimum of 177 - 180 days during the 2021–2022 school year. AGENCY will close the ASEP and 21<sup>st</sup> CCLC program no more than a maximum of 3 days in the 2021-2022 school year for staff professional development, as permitted by Education Code. Programs that receive 21<sup>st</sup> CCLC Supplemental grant funds or private funding for summer shall additionally operate a sufficient number of days and hours in the summer, on weekends, and during intercession in the manner prescribed by the grant legislation and/or funder, in order to meet attendance goals required by the CA Department of Education and/or the funder.

5.4.3. **Program Components.** AGENCY agrees to provide programming that supports the guidelines as outlined in the ASES and 21<sup>st</sup> CCLC grants for students at **172 Fred T. Korematsu Discovery Academy** AGENCY acknowledges and agrees to provide programming consistent with grant guidelines understanding that:

Enrichment may include but is not limited to arts, youth development, leadership, recreation, sports, music, career awareness, college interest, service learning and other youth development activities based upon student needs and interests. All programs must offer both enrichment and recreation/physical fitness activities as core components of the after school program, and summer program if summer program is provided.

SECTION 2: PROGRAM OPERATIONS Average Daily Attendance, Program Dates, Minimum Days & Enrollment	
To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.	
Projected daily attendance for 2021-2022 school year program.	84
Program Operations for the 2021-2022 school year. First Day: August 9, 2021 Last Day: May 26, 2022	
UPDATED ED CODE:	Per CDE Education Code Section 8483.7(c) allows programs to close for a maximum of 3 days during a calendar year (not a school year) for staff development. Families and school site personnel must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets. This should be uploaded no later than 5 business days after the closure day.
Identify the three days (if any) your program plans to close this year for PD. The program must be open all other days of the school year. (Updates for any date changes are due September 2021).	
1st: 11/19/2021	2nd: 12/17/2021 3rd: 4/1/2022
Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming. There is an expectation already established for the 36 weekly minimum days, however if the school is planning on more than these and 10 extra days for report card conferencing you should discuss how the staffing fees for these extra days will be funded in partnership with the school day.	
Projected Number of Minimum Days for School Year 2021-2022:	45
Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, identify school-site funds to be utilized to fund these additional hours of programs?	
Expanded Learning team will budget accordingly using ASES and OFCY funds.

SECTION 3b: PROGRAM MODEL (Continued) Average Daily Attendance, Program Dates, Minimum Days & Enrollment

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal *McKinney-Vento Homeless Assistance Act* (42 U.S.C. Sec. 1143a), who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. *Subtitle VII-B of the McKinney-Vento Homeless Assistance Act* (42 U.S.C. § 11431 et seq.)
  - Establishes the definition of homeless used by schools
  - Ensures that children and youth experiencing homelessness have immediate and equal access to public education
  - Provides for educational access, stability, and support to promote school success
  - Needed to address the unique barriers faced by many homeless students

Complete the following questions for Section 3b:

- To the best of your knowledge, how many Golden Tickets were distributed in the 2020-2021 school year?

- How will you make your program more **accessible** to serve the needs of Golden Ticket students/families?

Families who have a Golden ticket will automatically get accepted into the program upon verification. School administrator and coordinator will coordinate and communicate which youth will have golden ticket and strategically support their needs. The Whole KDA community will be aware of the Golden ticket rule, we make the necessary adjustment to ensure these families are receiving services from us. Enrollment will take into account of portion of students who qualify as priority/golden ticket and applications will be marked as priority. Extra information and communication will be communicated via talking points and classdojo.

- 1) Students that qualify via golden ticket will be automatically accepted.
- 2) Students who receive free or reduced lunch will have opportunity be in program
- 3) Students who need extra academic support will be added
- 4) School Admin and teachers can recommend students to be in the program
- 5) ASP has also become an extra Tier of PBIS and SEL support. Students that are struggling socially and academically have improved by being in the program.

SECTION 4: PROGRAM COMPONENTS	
<p>CDE requires that programs must provide a safe environment and include an <b>educational component</b> that provides tutoring and/or homework assistance; and an <b>educational enrichment component</b>, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for <b>physical activity</b>. (EC Section 8483.3(c)(7))</p>	
<p><b>Educational and Literacy Component</b> that includes tutoring /</p>	<p>Describe how the after-school program will provide the educational &amp; literacy component.</p>

**Respond Below:**

Students will have daily academic support. Students will participate in SEL training the first month of school and revisit these skills once a month moving forward. Staff will work with school day teachers to identify which students need additional support with reading and math. Once students are identified who those students are we will provide extended learning opportunities through writers workshop and extra support. Our quality support coach will support with one on one student interventions and a check in check out for our struggling students. Students will also get to participate in our NBA Math Hoops class and extra STEM opportunities. We will also continue to partner with BookNook. Students will have more opportunities to be reading and writing at grade level through guided literacy sessions via BookNook learning.

Homework assistance in the core subjects (language arts, math, history /social science, etc.)

How are students building academic skills? How are social-emotional academic development being integrated? (Include specific strategies for creating a safe & supporting environment through encouragement and active engaged learning.)

**Respond Below:**

Students will be able to receive academic support from Mon-Thurs for 45 min-1 hour. Extra sessions can be modified on Fridays. Students will continue to work on their SEL skills. We will dig into their social and self awareness in order to support their responsible decision making skills. Ensuring completion and understanding of their academic work. Our team members will continue to provide a safe space (virtual and/or in-person) for students to voice out their opinions/ideas, collaborate with program changes, and intentionally learn from peers and adults. Staff will continue to build relationships with students in order to better support them academically.

Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)

How does the after-school program choose which educational enrichment activities are offered? (Include specific strategies designed to foster skill-building, youth voice and leadership and diversity, access and equity.)

#### Respond Below:

We will have multiple opportunities for students to excel and develop new skills in enrichments that will promote youth leadership such as Upward Roots, Destiny Arts and Sports club. Boy Scouts of America will also be providing services for our students who want to learn some survival skills and grow as a human being. We will also have visual Arts, Lego Robotics via Tiny Techs Club, gardening, cooking, nutrition and Multicultural class along with a multilingual club; learning about different cultures and languages. We will also continue our partnerships with Scientific Adventures for Girls and The Bay Area Writing Workshop from UC Berkeley.

Physical Activity other than recess that is structured and supervised with a warm-up, structured physical activities and a cool down. (This should happen for all students in the program.)

CDE expects Elementary programs to offer 30-60 minutes of developmentally appropriate, daily physical activity (to help meet CDE recommendation of 60 daily minutes of moderate to vigorous physical activity for youth) This is not "free play" or recess. (We understand Middle and High will vary based on sports programs and scheduling. Please explain how the after-school program will address physical activity in your program, including type, frequency, and target population. All students should have the opportunity for physical activity).

- Plan and evaluate (review fitness test results, track minutes, etc.)
- Include a variety of activities throughout the year

Describe how the after-school program will provide structured physical activity for all participants. (Include specific strategies to promote healthy choices and behaviors.)

#### Respond Below:

Students will have structured physical activities every day and intentional SEL based games. Along with Building intentional community activities from our B.I.C curriculum. I will create a google spreadsheet for each class and track students' development throughout the year. Strengths and goals will be added to the spreadsheet. All staff members will have access to spreadsheets. School day staff will also have access. We also have 3 team members that are certified/trained through Coaching Corps to better support our youth through SEL and empathy through physical activities.

Family Literacy Component that includes literacy activities and other educational services that engage adult family members of students.

Describe how the after-school program provides opportunities to promote literacy and/or other educational services to adult family members of students?

#### Respond Below:

We have access to BookNook and students have really enjoyed the online phonics curriculum, games and guided literacy sessions. We will partner once again with The Oakland Literacy Coalition to continue having Family Reading Nights. We will plan for a virtual or in person event. If in person, we will have multiple activity booths, free books, raffle prizes, and food. We will also plan to have another local author to do a read-aloud, Q&A, book signing (if in person)

Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)

How does the after-school program choose which educational enrichment activities are offered? (Include specific strategies designed to foster skill building, youth voice and leadership and diversity, access and equity.)

**Respond Below:**

We will have multiple opportunities for students to excel and develop new skills in enrichments that will promote youth leadership such as Upward Roots, Destiny Arts, and Sports club. Boy Scouts of America will also be providing services for our students who want to learn some survival skills and grow as human beings. We will also have visual Arts, Lego Robotics via Tiny Techs Club, gardening, cooking, nutrition, and Multicultural class along with a multilingual club; learning about different cultures and languages. We will also continue our partnerships with Scientific Adventures for Girls and The Bay Area Writing Workshop from UC Berkeley.

1. Complete the program schedule from or upload your program schedule.

a. Make sure your program schedule includes:

- i. Class/Activity title i.e. African Dance not just enrichment
- ii. Day and time offered

b. Complete this form to design program component attached template to describe program components then link them into this document. Program component description link linked to the spreadsheet create a drop-box option (a) CDE--academic, enrichment, physical activity "use the same title".

*\*In the fall, sites are required to resubmit updated program schedules. This schedule should be clearly aligned with the supports identified in section 4.*

**Academic Alignment with School Day and District Priorities**

Please provide a short narrative that identifies how the after-school program will support school goals aligned with district student learning goals in the appropriate grade level box below.

- Collaborate with the school site administrator and consult the School Site Plan to align with the school day.
- Consult the descriptions below for the District's priorities for elementary, middle and high school.

**OUSD Student Learning Goals:**

- 1- All students build relationships to feel connected and engaged in learning
- 2- All students continuously grow towards meeting or exceeding standards in English Language Arts
- 3- All students continuously grow towards meeting or exceeding standards in Math
- 4- English Learner students continuously develop their language, reaching English Fluency in 6 years or less
- 5- All students grow a year or more in Reading each year
- 6- All Students graduate college-, career-, and community-ready

How will the after-school program further these OUSD Learning Goals? (Choose 2-3 to focus on for the 2021-22 School Year)

**Respond Below:**

Our team/staff will continue to show our students and families love, empathy, patience, and peace of mind. Returning and/or new staff will implement SEL strategies along with my coaching and guidance. Literacy is a big component to our program. We have a literacy curriculum and are planning to continue our partnership with BookNook. For math we have multiple STEM opportunities including Math Hoops and Math club/chess. Students who need extra support will have an extra enrichment to better support them academically. We will continue to work closely with day school admin and teachers to identify students that need extra support. Program Coordinator will continue to be on COST team and attendance team to better support students.

**SECTION 5: CONTINUOUS QUALITY IMPROVEMENT (Alignment with CDE and OUSD)**

To increase the effectiveness of a program, it is critical to engage in an ongoing continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the Quality Standards for Expanded Learning in California—which were developed in partnership between the California Department of Education's (CDE) After School Division and the California Afterschool Network (CAN) Quality Committee.

Identify the after-school program data point(s) in the narrative below. Could include: student feedback (youth survey, interviews or focus groups), internal program observation or external observation

**TRUTH**

What is currently happening in the program? Use data to identify the truth about 1-2 self-selected aspects of the program.

**Respond Below:**

Students and staff are burning out with this online model. It is slightly difficult to have all students engaged in all daily activities. Most students are engaged but there are a few with connection issues, no response, camera off, not using chat, etc. Students who continue to show up for all activities are enjoying their time online and connecting with their peers and teachers. Parent engagement was going well at the beginning of the school year but gradually declined as the months went by. Students are doing the bare minimum and not going the extra mile as they did in person.

**HOPE**

What is the dream for the program in these areas as identified by students, families, parents, staff and site support team?

**Respond Below:**

My hope is to engage students/families more. Collect emails from parents and include them in a weekly WAG/newsletter. Continuous updates on class dojo of all enrichments and events. Students keeping the same energy all school year and continue to voice out their opinions and ideas. More collaboration from families and school day partners. We want more community engagement in our expanded learning program. Hopefully, with some in-person/hybrid programming, we can begin re-establishing more positive relationships with parents.

**CHANGE**

What steps will be taken to make the shifts needed to realize the HOPE identified above?

**Respond Below:**

The weekly newsletter is sent out. Monthly surveys for families and students to give input and improve program offerings. School admin and teachers collaborating in expanded learning ideas. Encouraging families to be more active in overall school engagement and provide ideas and feedback via class dojo and talking points. Shifting from the current disengagement that remote programming created to full-on engagement from community members and families.

**CURIOSITY**  
What deeper questions or inquiries are coming up? Something that needs more time to think about to make long-term shifts.

**Respond Below:**

I'm curious to see how effective engagement will be with a hybrid model or traditional in-person program will be. I'm hoping to see more excitement from students and families to continue their learning and skill development.

		Our program will provide <b>receipts</b> to parents/guardians for each payment made.
		The lead agency will <b>manage funds</b> raised by program fees according to standard accounting practices and will provide quarterly income Statements to the Principal and OUSD Expanded Learning Office detailing amount collected from program fees and expenditures. This will be turned in quarterly.
		<b>The Use of Fees:</b> Any fees collected by programs shall be used for program activities, services for students, and program administrative costs. CDE guidance calls for all programs to "keep accurate records of fees collected, and fees should be tracked separately from the grant funds received." Keep documents in the event of an annual financial audit and/or Federal Program Monitoring (FPM). Families who receive free and reduced lunch should be prioritized for no cost program admission.

## 2021-2022 Modification Program Plan

ELEMENTARY/MIDDLE & HIGH SCHOOLS

ASES and 21st Century Community Learning Center (21st CCLC)

**Modification Program Plan:** Given the uncertainty of the school reopening model, this document will:

- Develop a clear work plan that supports students' learning in partnership with the school site to prepare for any model for reopening in the 21-22 school year.
- Support collaboration with schools and Lead agencies to determine their reopening plans.

### Non-Negotiable Compliance Considerations Expanded Learning Guidelines

When designing the Expanded Learning program model, please consider all of the following factors.

- ASES, 21st CCLC, and ASSETS funding will not increase based on the program model.
- Sites will be required to run 180 days of programming.
- Sub-contractors partnerships and how they will fit into this program model
- No supplanting (Programs are required to provide supplementing/enrichment programs and can not provide any instructional minutes)

### Expanded Learning Program Models

Given the constant uncertainty due to COVID-19, the Expanded Learning Office is asking all Expanded Learning Partners and Site Leadership Teams to design programming for multiple reopening models to ensure we can meet our communities' needs in the fall.

Possible modified program models:

- Distance Learning Support
- In-person with modifications based on State and County Safety guidelines.
  - If the sites are in any type of hybrid programming where some are on and some students are off-campus. Expanded Learning funds are to be prioritized for in-person programming.
  - This modification occurs when students come back part-time or not all students come back in person. I.E. small pod instruction with only 12-14 students present in each class.

#### GUIDING QUESTIONS - Staffing

Please answer the following questions to help guide program contingency planning. Staffing is the key ingredient to making these decisions for each site.

☐ How many full-time employees does the expanded learning program employ? (i.e., site coordinators)

1 Site Coordinator

☐ How many part-time employees?

5

☐ How many hours do the part-time employees work?

21 Hrs

☐ Does the program have subcontractors that provide service?

Yes

## MODIFIED SCOPE OF WORK

Please indicate below how the Expanded Learning Program will support each possible modification. Check all that apply. (Keep in mind that Expanded Learning funds should be used to support enrichment for students. If staff is supporting school day make sure to set aside dedicated for them to provide this service.)

### Distance Learning :

- ☒ Expanded Learning staff will be generally present (via Zoom) from \_\_\_am/pm to \_\_\_am/pm
- ☒ Expanded Learning staff will virtually support 1:1 with a student(s) \_\_\_ groups of students \_\_\_.
- ☐ Expanded Learning staff will virtually support teachers directly.
- ☒ Expanded Learning staff will lead and facilitate programming independently of the school day
- ☒ Expanded Learning staff will assist with specific subjects.

### List subjects below:

Reading and Literacy Intervention, STEM Support, Academic Support in all subjects.

### Please briefly describe how the program will support distance learning:

Our Expanded Learning team at KDA will provide virtual academic support. We will have a daily Zoom for all students to join and then create breakout groups. Team members and students will be separated by grade levels. The sessions will last from 45min-1hr. Our team will also strategically create opportunities for students who need one on one support and/or extra academic support in the afternoon. Team members will support students with their asynchronous work on Seesaw and other platforms. They will ensure understanding of each given activity/assignment. Each year we will have multiple opportunities for students to excel and develop new skills in enrichments that will promote youth leadership such as Upward Roots, Destiny Arts and Sports club and we will continue providing these opportunities virtually. Boy Scouts of America will also be providing services for our students who want to learn some survival skills and grow as a human being. We will also continue to offer STEM opportunities with our partnership with Tiny Tech and program staff will lead STEM DIY projects. Picking up from where we left off in the spring, we will have students continue attending their favorite enrichments virtually. Our KDA team members will also lead multiple enrichments such as Spanish/multicultural class, Visual Arts, arts and crafts, Health/Nutrition/Cooking, Soccer/poetry with Scores. Our partners and program staff will lead intentional SEL curriculum/lessons while Linking all activities to regular life skills. We will have live zoom sessions with multiple team members leading SEL movement games/curriculum. Depending on what activity is being led, we will have all students do it via zoom (whole group) or lead into breakout groups. We will also be creative and distribute chalk so that our students can create shapes and/or cones to support their physical activity. Team members along with myself will lead dance tutorials and popular songs to keep students engaged. Our partners from scores will also support with leading activities to get our students moving and intentionally getting them out of their seats to have some fun. Students will have the opportunity to choose their own enrichment classes and then decide which classes they want to attend on a daily basis.

### In-person Modified by State and County Health Guidelines:

- ☐ Expanded Learning staff are in person with a small cohort, based on county POD guidelines
- ☐ Expanded Learning staff will provide programming for 3 hours after the school day ends.
- ☐ Expanded Learning staff will provide distance learning support for student or 1:1 tutoring Expanded Learning staff will support in-person students daily
- ☐ Expanded Learning staff will virtually support students on days when all students are virtual

### Please briefly describe how the program will support distance learning:

Team members will lead B.I.C curriculum activities. They will also have SEL based games to support our students SEL development and self esteem. We will also have games that will have them be more engaged such as group games like jeopardy/trivia, charades, name that tune and more. We will also survey families to accommodate program offerings to their work schedule to keep students engaged in the afternoon and support their child's needs. Team members will continue to build relationships virtually and also support with family engagement and wellness checks. Families will be able to see student progress and achievements through ClassDojo, SeeSaw, Google Classroom, and our KDA ASP Google Website <https://tinyurl.com/kdaasp>

## SECTION 3: PARTNERSHIP & COMMUNICATION ASSURANCE

How will the site operationalize communication between the lead agency staff and school faculty? Are there existing spaces that the coordinator or instructors should be invited into to improve alignment between the school faculty and expanded learning staff?

- ☒ PBIS
- ☐ Staff Meetings
- ☒ Grade level Collaboration
- ☒ COST

If a shift happens how do you collaboratively transition from fully remote learning to in-person learning modified? (i.e. Keep in mind impact, staff readiness, budget, space, and county/state guidelines.) What are the steps/considerations for the transition?

Expanded Learning staff will be aware of possible changes in schedule and services. Expanded Learning team will have multiple plans in place for all changes. Our budget will remain the same and only will be adjusted to support with proper PPE supplies. Staff will continue to participate in professional development opportunities. Our partnerships will also have a plan A (remote) and plan B (in person) for their services. In person services will restart following state and county safety guidelines.

EAST BAY REGIONAL PARK DISTRICT

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

**Waiver and Release of Liability.** In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

**Assumption of Risk.** I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

**Indemnity Agreement.** In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

**Severability.** I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

**Minor Participants.** If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

Middle School Sports Release of Liability and Assumption of Risk

**OAKLAND UNIFIED SCHOOL DISTRICT AND \_\_\_\_\_**  
**20\_\_-20\_\_ MIDDLE SCHOOL SPORTS LEAGUE ACTIVITIES**

**RELEASE OF LIABILITY AND ASSUMPTION OF RISK**

In exchange for being permitted to participate or have my child/ward participate in activities and use equipment and facilities, I agree to release, indemnify and discharge Oakland Unified School District ("OUSD"), \_\_\_\_\_, and their respective agents, directors and employees on behalf of myself, my spouse/domestic partner, children, heirs, assigns, and estate as described below.

1. I am familiar with the Middle School Sports League Activities and facility rules and agree that I and my child will follow them. I understand that the recreational activities or use of the facilities or equipment carries inherent risks which cannot be eliminated regardless of the presence of coaches or other care taken to avoid injury. I understand that, in the event that a Middle School Sports League school site is closed for any emergency reason (including but not limited to reasons related to COVID-19), the Middle School Sports League shall provide physical programming remotely, rather than in-person at the school site, and that this remote physical activity likewise carries inherent risks. I understand that OUSD and \_\_\_\_\_ are not responsible for loss, damage, illness, or injury, or death, to person or property as a result of use of the facilities or equipment or participation in the Middle School Sports League activities (including remote physical activity) offered after school and on designated weekend days as scheduled.
2. As parent/guardian, I certify that my child is physically fit and medically able to participate in the Middle School Sports League activities and that parent/guardians have not been advised otherwise by a qualified medical person. I authorize OUSD, \_\_\_\_\_, or Middle School Sports League staff to furnish and/or obtain emergency medical treatment which may be necessary for me or my child during Middle School Sports League activities. Participant and/or parent/guardian agree to pay all costs associated with medical care and transportation for the participant as provided by law.
3. As parent/guardian, I have reviewed the schedule(s) for Middle School Sports League activities and understand that weather permitting the Middle School Sports League activities generally run after school and on designated weekend days of each month as scheduled. Parent/Guardians understand that they are responsible for transporting their child/children and picking up their children promptly at the end of the program and that there is no OUSD or \_\_\_\_\_ supervision for children after the Middle School Sports League program ends.
4. I agree as an adult participant, or the Parent/Guardian of a minor participant, to grant the right and permission to photograph and/or record me or my child/ward in connection with Middle School Sports League and to use the photograph and/or recording for all purposes.

By signing this document (Release of Liability and Assumption of Risk), I understand that if anyone is hurt or property damaged in connection with Middle School Sports League activities (including remote physical activity), I may be found to have waived my or my child/ward's right to maintain a lawsuit against OUSD, \_\_\_\_\_, or their respective agents, directors, and employees and I am voluntarily choosing to participate.

## BACR TODAY

### MISSION

The mission of Bay Area Community Resources (BACR) is to promote the healthy development of individuals, families, and communities. There are three core components to our mission:

- I. Provide direct services to promote healthy development;
- II. Encourage volunteers to provide service to their community; and
- III. Build and strengthen all of the communities we serve, so that community members and institutions can effect change.

#### *I. DIRECT SERVICES*

BACR direct services are organized into program industry groups, which have a similar focus and common participant outcomes. These programs serve youth and adults in seven Bay Area counties and numerous communities and (K-12) schools. Direct services are delivered in each of the following program groups:

##### AFTER-SCHOOL

Our after school programs offer safe and enriching after school opportunities to young people where they can learn to be productive, build positive adult and peer relationships, and participate in meaningful academic and enrichment activities. BACR provides these programs at more than 100 schools in the Bay Area.

##### BEHAVIORAL HEALTH ADVOCACY, PREVENTION, & TREATMENT

BACR provides direct services to individuals and families needing support to overcome mental health or substance use problems. Alcohol and Drug, Tobacco, and Mental Health programs deliver prevention and treatment services to youth and adults having a broad spectrum of needs, ranging from the need for basic information to treatment for chronic alcoholism and drug recovery. Specifically, BACR offers school-based counseling and education, community-based centralized assessment and referral to treatment, family therapy, DUI programs, and tobacco education and cessation. Our environmental prevention services aim to change community norms about alcohol, drugs, and tobacco use by advocating for private or public policy adoption.

##### HEALTHY COMMUNITIES

In this industry, school- and community-based health centers serve as hubs of integrated, coordinated services and programs where youth and families can find support, resources, and community. Examples of our hubs include First 5 Centers, Healthy Start programs, high school health centers, community schools, and other family resources and early childhood programs. BACR strives to create vibrant, accessible, inclusive hubs that are safe, open, and nurturing places for participants to belong and call home.

##### NATIONAL SERVICE

Giving back is vital to healthy development. Through BACR's National Service program, participants achieve personal benefits by having opportunities to contribute to community improvement. Youth benefit as well through a variety of academic and youth development services delivered by BACR's AmeriCorps members. AmeriCorps members are placed at more than 70 local schools and programs where these services are provided.

##### WORKFORCE & EDUCATION (formerly Youth Workforce)

Our workforce model ensures that youth have access to five interventions, which are 1) Academic support, 2) Workforce skill building and employment, 3) Civic engagement, 4) Connection to support services, and 5) Meaningful participation in youth development activities. Our participants are resilient, facing multiple barriers that prevent them from accessing opportunities that would allow them to transition into adulthood successfully; healthy, self-sufficient; and free from the justice system. To ensure that services are accessible, our projects and outreach activities are delivered in a range of school- and community-based settings.

#### *II. ENCOURAGE VOLUNTEERS TO PROVIDE SERVICE TO THEIR COMMUNITY*

171 Carlos Drive

San Rafael, CA 94903  
www.bacr.org

415-444-5580

All programs in the BACR family encourage “giving back” to the local communities. We organize community service projects conducted by volunteers, many of whom have been service recipients, who commit to a weekend – or sometimes commit to a year – to mentor or tutor a young person. These projects result in a positive and meaningful experience for thousands of volunteers, as well as build on their skills and commitment to civic responsibility. At the same time, they are making a positive difference in the lives of individuals and in their community.

### III. BUILD AND STRENGTHEN ALL OF THE COMMUNITIES WE SERVE SO THAT COMMUNITY MEMBERS AND INSTITUTIONS CAN AFFECT CHANGE.

Building community in all we do is part of the BACR way. Each program sees itself as part of the community and seeks out community partners with whom to collaborate. Our staff represent the agency on numerous coalitions sharing a common vision of community empowerment and capacity building.

### ORGANIZATIONAL STRUCTURE AND STAFFING

The Board of Directors is the legal entity responsible for the operation of the agency. It develops agency policy, mission, and goals, and ensures that adequate resources are available to carry out such goals.

BACR is led by a Chief Executive Officer, Chief Operating Officer, Chief Financial Officer, and a program-based team of Project Directors. BACR has approximately 1,300 full- and part-time staff members and AmeriCorps members.

The agency's FY 2019-20 budget is approximately \$45 million including in-kind services. Major funding sources include government, corporate and foundation grants, and school contracts.

To Whom It May Concern:

It is the Bay Area Community Resources policy to ensure to the best of our abilities that everyone we bring into our BACR programs to work with our clients are properly screened so as to minimize any risk, either physical or emotional, to the children and other clients we serve. We achieve this through FBI and DOJ fingerprint background checks on all our employees, independent contractors, subcontractors and volunteers working in our OUSD school programs. We are set up to receive subsequent arrest records. In addition, all staff must turn in a negative TB clearance before they begin working with our students in OUSD.

We certify that all staff meet our staff qualifications including TB clearance, and FBI/DOJ clearance before they begin working with the students. We can provide verification upon demand from OUSD. On a monthly basis this information is submitted to our district after school programs office with our invoices, indicating ATI numbers.

Sincerely,

Marisa Ramirez  
Program Director
