**Subject** Memorandum of Understanding 2021-2022 – Safe Passages - After School Program – United for Success Academy

**Ask of the Board** Approval by the Board of Education of Memorandum of Understanding 2021-2022 between the District and Safe Passages, United for Success Academy, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for United for Success Academy's comprehensive After School Program, for the period of August 1, 2021 through July 31, 2022, in an amount not to exceed \$192,343.00.

**Background** The After School Education and Safety (ASES) is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

The general purpose of the 21st Century Community Learning Centers (21st CCLC) program is to establish or expand community learning centers that provide students with academic enrichment opportunities along with activities designed to complement the students' regular academic program. California Education Code (EC) section 8421 further defines the purpose of the 21st CCLC High School ASSETS program as (1) creating incentives for establishing locally driven after school enrichment programs that partner schools and communities to provide academic support and safe, constructive alternatives for high school pupils in the hours after the regular school day, and (2) assisting pupils in passing the high school exit examination for public school programs.

<b>Discussion</b>	This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD's Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office. The school Principal has selected this agency from the list of approved lead agency partners.
<b>Fiscal Impact</b>	After School Education and Safety (ASES) Grant/Resource 6010 in the amount of \$149,397.00, 21 <sup>st</sup> Century Community Learning Centers (21 <sup>st</sup> CCLC) Grant/Resource 4124 in the amount of \$42,946.00

**After School Template for Elementary and Middle Schools**  
**Memorandum of Understanding 2021-2022**  
**Between Oakland Unified School District and**  
**Safe Passages**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with **Safe Passages** ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at **228 United for Success Academy** under the following grants:
  - After School Education and Safety Program ("ASESP")
  - California Department of Education ("CDE") 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC)
  - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASEP and 21<sup>st</sup> CCLC funds.
  - Private grants
2. **Term of MOU.** The term of this MOU shall be August 1, 2021 through July 31, 2022. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
  - a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
  - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation. Contingent on OUSD receipt of** California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASES and 21<sup>st</sup> CCLC grant award amount for **Safe Passages** is **\$ 192343.00** ., AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$8.88 a day per student through ASEP and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.88 a day for ASEP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2021-2022"). In the event that the school site at which AGENCY has agreed to provide programming is closed for any emergency reason (including but not limited to reasons related to COVID-19), and AGENCY provides programming remotely pursuant to Section 5.4.5 of this Agreement, AGENCY shall calculate attendance based on student participation in AGENCY's remote programming.
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2021-2022 and will not exceed **\$ 192343.00** in accordance with Exhibit B. **Exhibit B** ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2021-2022").

- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

**Program Fees.** The intent of the ASES and 21<sup>st</sup> CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care. Any site receiving 21<sup>st</sup> Century Community Learning Center (CCLC) must report all fees collected (i.e.- registration fees, family fees, application fees, etc.) to OUSD After-School Program Office for CDE reporting.

SECTION 2: PROGRAM OPERATIONS Average Daily Attendance, Program Dates, Minimum Days & Enrollment			
<p>To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.</p>			
<b>Projected daily attendance for 2021-2022 school year program.</b>		148	
<b>Program Operations for the 2021-2022 school year. First Day: August 9, 2021 Last Day: May 26, 2022</b>			
<b>UPDATED ED CODE:</b>	Per CDE Education Code Section 8483.7(c) allows programs to close for a <u>maximum of 3 days during a calendar year (not a school year)</u> for staff development. Families and school site personnel must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets. <b>This should be uploaded no later than 5 business days after the closure day.</b>		
<b>Identify the three days (if any) your program plans to close this year for PD. The program must be open all other days of the school year. (Updates for any date changes are due September 2021).</b>			
1st:	5/23/2022	2nd:	5/24/2022
		3rd:	5/25/2022
<p><b>Minimum Days.</b> When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming. <b>There is an expectation already established for the 36 weekly minimum days, however if the school is planning on more than these and 10 extra days for report card conferencing you should discuss how the staffing fees for these extra days will be funded in partnership with the school day.</b></p>			
<b>Projected Number of Minimum Days for School Year 2021-2022:</b>		65	
<p>Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, identify school-site funds to be utilized to fund these additional hours of programs?</p>			

SafePassages will leverage AmeriCorps members to support all of United for Success (UFS) Wednesday minimum day programming, and any other minimum day programming that are scheduled in the 2021-22 academic school year. AmeriCorps members support the regular school day and after-school programming. The members are on-site to support the full implementation of the after-school program. In addition, hourly instructors may modify their prep time hours to support staff coverage for minimum day programming.

## ENROLLMENT PROCESS & TIMELINE

### Instructions:

Please navigate to the folder for the your school. Once inside the folder, click the pencil button in the top right corner. After the dropdown list appears, select 'Upload or Import'. Next, click on the drag or browse window and upload the Enrollment Timeline file. Please name your file in this format: SchoolName\_EnrollmentTimeline

Please check the box below after completing the above instructions

☒ ~~Enrollment Timeline has been uploaded to Program Plan folder~~

Important dates to include in your timeline

**April - June:** Spring enrollment for 2021-2022 programs.

Families will be notified of 2021-2022 after school enrollment before the **last day of school**, May 27, 2021.

After school programs begin on the **first day of school** when enrollment is at a minimum 75% capacity.

**August - September:** new school year enrollment of families for remaining program slots.

Remaining program slots will be filled by **September 30, 2021**, except for slots reserved for transitional students (i.e., Homeless, foster youth; Newcomers) entering the program for the first time and/or mid-year

All programs must maintain **waitlists** after program slots are filled.

CDE and OUSD have established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. With these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community. Make sure to include a description of 1-3 enrollment priorities that will be made

public and why.

**\*\*This may look different for High School and Continuation schools based on alternative schedules and intersession. Please include the items above that are applicable to your schedule and recruitment process. Describe how your school will identify and recruit students beginning of Spring 2021. Indicate how families will be notified of 2021-2022 enrollment before the last day of school.**

#### SECTION 3b: PROGRAM MODEL (Continued) Average Daily Attendance, Program Dates, Minimum Days & Enrollment

##### Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal **\*McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)**, who is in foster care, or is designated as an unaccompanied minor.
  
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. **\*Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)**
  - Establishes the definition of homeless used by schools
  - Ensures that children and youth experiencing homelessness have immediate and equal access to public education
  - Provides for educational access, stability, and support to promote school success
  - Needed to address the unique barriers faced by many homeless students

Complete the following questions for Section 3b:

- To the best of your knowledge, how many Golden Tickets were distributed in the 2020-2021 school year?

5

- How will you make your program more accessible to serve the needs of Golden Ticket students/families?

The program will tailor enrollment and attendance policies to the needs of foster, homeless, and newcomer students who transition into the school mid-year. Available after school program slots will be offered to these priority target groups of students. 5-10 program slots will be reserved for transitional students who enroll in the school mid-year. Appropriate attendance waivers will be completed to address the mobility of these students. Program staff will work with the appropriate parent, family member, foster parent, and/or guardian as needed towards creating a seamless partnership between the school/after school program and "home." The After School Coordinator will work closely with the Principal to wrap regular day and afterschool supports around these priority students to ease the transition into the school community.

#### SECTION 4: PROGRAM COMPONENTS

CDE requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment** component, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for **physical activity**. (EC Section 8483.3(c)(7))

Educational and Literacy Component that includes tutoring/

Describe how the after-school program will provide the educational & literacy component.

**Respond Below:**

The program implements an assets-based approach acknowledging the strengths student and families bring to schools. The program will provide at least 5 hours of educational and literacy programming through a range of academic supports including tutoring, academic skill-building, homework support, and targeted intervention for underperforming students. Academic support is provided in small groups and on an individual basis.

**Homework assistance in the core subjects (language arts, math, history /social science, etc.)**

How are students building academic skills? How are social-emotional academic development being integrated? *(Include specific strategies for creating a safe & supporting environment through encouragement and active engaged learning.)*

**Respond Below:**

Staff will integrate SEL skills including self-management, self-awareness, social awareness, relationship skills with peers and adults, and responsible decision making. Staff will model these skills for students and reinforce them daily through the program delivery. Specific emphasis will be paid to recognizing student effort and success daily through interactive skill-building activities in a classroom environment where all students feel safe and supported to participate.

**Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)**

How does the after-school program choose which educational enrichment activities are offered? *(Include specific strategies designed to foster skill building; youth voice and leadership and diversity, access and equity.)*

**Respond Below:**

The program will provide a wide range of enrichment activities that allow students to explore many areas of STEAM, youth development/leadership, mindfulness, career exploration, and gender-specific offerings that provide students to explore their identity and receive additional support. Enrichment activities are designed to build skills and resiliency among students. Youth voice and leadership are cultivated to foster youth development and build the capacity of students to become school leaders. These activities also address the diversity and cultural context of the communities we serve. Additional support is available to ensure access and equity within the program for all students.

**Physical Activity other than recess that is structured and supervised with a warm-up, structured physical activities and a cool down. (This should happen for all students in the program.)**

*CDE expects Elementary programs to offer 30-60 minutes of developmentally appropriate, daily physical activity (to help meet CDE recommendation of 60 daily minutes of moderate to vigorous physical activity for youth) This is not "free play" or recess. (We understand Middle and High will vary based on sports programs and scheduling. Please explain how the after-school program will address physical activity in your program, including type, frequency, and target population. All students should have the opportunity for physical activity).*

*Plan and evaluate (review fitness test results, track minutes, etc.)  
Include a variety of activities throughout the year.*

Describe how the after-school program will provide structured physical activity for all participants. (Include specific strategies to promote healthy choices and behaviors.)

**Respond Below:**

The program provides a wide range of sports classes for all genders. Sports classes and teams are structured and taught by experienced youth development athletic instructors who track minutes and review fitness test results. Sports classes are offered throughout the program year. All students participate in sports classes. Sports instructors teach nutrition, health, leadership, teamwork, positive body image and stress the importance of healthy and positive decision making. High-risk behaviors are addressed and healthy behaviors are reinforced on a daily basis.

Family Literacy Component that includes literacy activities and other educational services that engage adult family members of students.

Describe how the after-school program provides opportunities to promote literacy and/or other educational services to adult family members of students?

**Respond Below:**

Outreach to families is ongoing to build positive relations with families. The Family Liaison and program staff provide direct support services and brokerage of services to families to support family engagement in the success of their students. The program has developed a Family Resource Center to provide literacy, educational services, and other support services to families. Student showcases and family engagement events are hosted by the after school program to build a culture of support for student progress and structures for acknowledgment of successes to build student and family ownership.

Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)

How does the after-school program choose which educational enrichment activities are offered? (Include specific strategies designed to foster skill-building, youth voice and leadership and diversity, access and equity.)

**Respond Below:**

The program will provide a wide range of enrichment activities that allow students to explore many areas of STEAM, youth development/leadership, mindfulness, career exploration, and gender-specific offerings that provide students to explore their identity and receive additional support. Enrichment activities are designed to build skills and resiliency among students. Youth voice and leadership is cultivated to foster youth development and build the capacity of students to become school leaders. 1. Complete the program schedule from or upload your program schedule.

a. Make sure your program schedule includes:

i. Class/Activity title i.e. African Dance not just enrichment

ii. Day and time offered

b. Complete this form to design program component attached template to describe program components then link them into this document. Program component description link: linked to the spreadsheet create a drop-box option (a) CDE--academic, enrichment, physical activity "use the same title".

*\*In the fall, sites are required to resubmit updated program schedules. This schedule should be clearly aligned with the supports identified in section 4.*

#### Academic Alignment with School Day and District Priorities

Please provide a short narrative that identifies how the after-school program will support school goals aligned with district student learning goals in the appropriate grade level box below.

- Collaborate with the school site administrator and consult the School Site Plan to align with the school day.
- Consult the descriptions below for the District's priorities for elementary, middle and high school.

#### OUSD Student Learning Goals:

- 1- All students build **relationships** to feel connected and engaged in learning
- 2- All students continuously grow towards meeting or exceeding standards in **English Language Arts**
- 3- All students continuously grow towards meeting or exceeding standards in **Math**
- 4- English Learner students continuously develop their language, reaching **English Fluency** in 6 years or less
- 5- All students grow a year or more in **Reading** each year
- 6- All Students graduate college-, career-, and community-ready

How will the after-school program further these OUSD Learning Goals? (Choose 2-3 to focus on for the 2021-22 School Year)

#### Respond Below:

1- All students build relationships to feel connected and engaged in learning along with the policies, we will connect with not only the student but families. Through the numerous enrichments offered through the program we will connect and support the students. Each student has the choice to choose which enrichment they would like to participate in. In doing so, the student is interested and comfortable along with being able to participate in the enrichment with fellow peers.

5 - All students grow a year or more in reading each year partnering and collaborating with the school day reading literacy curriculum. Check-ins and continuous reading support during afterschool, also, connecting students with the school's librarian, giving them access to resources. Implementing timed or scheduled reading sessions, specifically designated for students to practice reading.

#### SECTION 5: CONTINUOUS QUALITY IMPROVEMENT (Alignment with CDE and OUSD)

To increase the effectiveness of a program, it is critical to engage in an ongoing continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards--the Quality Standards for Expanded Learning in California--which were developed in partnership between the California Department of Education's (CDE) After School Division and the California Afterschool Network (CAN) Quality Committee.

Identify the after-school program data point(s) in the narrative below. Could include: student feedback (youth survey, interviews or focus groups), internal program observation or external observation

**TRUTH**

What is currently happening in the program? Use data to identify the truth about 1-2 self-selected aspects of the program.

**Respond Below:**

Interaction - the interaction between the staff, students, and families is an ongoing occurrence virtually. With food banks, after-school events, and family engagement, we currently support our students, families, and community. Additionally, constant interaction during the school day helps support the after-school program. The ongoing collaborations between school teacher/staff and after-school staff help provide plenty of feedback. Working with our school day teachers/staff, we collaborate in order to retrieve data that is used to help improve the After-School Program. "How can we improve our program so it is more enjoyable for our students?" This is a comment I received from one of my after-school staff, a while back. Due to this type of feedback, I made it a point to implement events, incentives, and dropped off goodie bags to students home during the pandemic. It is important to not only listen to the feedback received but to come up with a solution. In all this, students are at the center of all we do.

**HOPE**

What is the dream for the program in these areas as identified by students, families, parents, staff and site support team?

**Respond Below:**

The hope is always to build a stronger, more efficient quality program that will help our students/community evolve. Creating an atmosphere that provides support for not only students but their families. Through family engagement, workshops, resources, events, and more... It's always a goal to serve our vulnerable community. Our hope is also to help widen and expand the dreams of our students. Not allowing their environments and challenges to determine their future. With this, as student grow and improve, we realize that our goals have been met and ultimately, students move on to the next level, which is a great achievement despite everything they face along the way.

**CHANGE**

*What steps will be taken to make the shifts needed to realize the HOPE identified above?*

**Respond Below:**

We will continue to work collaboratively with all days staff, district, agency, afterschool staff, students, and families. Holding meetings, training, and workshops, we will focus on best practices. This will help ensure quality support during in-person or remote programs and improve as needed. These collaborations will help sustain and increase the quality of service by instilling that the student is at the forefront of our focus. That each party involved is aware and on the same page as we support the student's growth individually and collectively. **Attending and being present during school site meetings, such as: Cost, Leadership meetings, Culture and Climate, and Site Administrative meetings.**

**CURIOSITY**

*What deeper questions or inquiries are coming up? Something that needs more time to think about to make long-term shifts.*

**Respond Below:**

Additional resources for families as we are located in a vulnerable community. Offering more support to our families will help our students grow and have the support needed to become successful. Resources that will help this matter are, ESL classes, guidance for not only students but their families which are geared towards family support or connecting them to the county's offered benefits. This shift is more towards a programmatic shift. With shifting towards improving communication with families which English is a second language. Also, help guide the families for more support at home, the student ultimately benefits from this shift and is given a more supported structure to grow both in and out of school.

**SECTION 6: Facilities**

(a) Plan with the school site administrator which rooms and outside spaces the after-school program will use Monday - Friday from the start of the program to 6. Make sure to include bathrooms and snack areas.

**SECTION 7a: PROGRAM FEES**

Will this after-school program charge program fees for 2021-2022 ☐ Yes ☒ No

If "YES, program fees will be charged," please complete the following assurances. Both the Principal and Lead Agency boxes must be initialed.

Principal	Lead Agency	ASSURANCES
		Our program will <b>not turn away</b> any eligible student from program participation due to the inability to pay program fees. We understand that the California Education Code prohibits program fees from being a barrier to program participation
		Our program will <b>communicate</b> in writing and verbally to parents/guardians that an eligible child will not be turned away from program participation due to the inability to pay. Per CDE, our programs will communicate in writing and publically to parents/guardians program fee expectations in language parents can understand. Keep documents in the event of an annual financial audit and/or Federal Program Monitoring (FPM). Families who receive free and reduced lunch should be prioritized for no cost program admission.

## UFSA OUSD Expanded Learning: After-School Programs

### 2021-2022 Modification Program Plan

#### ELEMENTARY/MIDDLE & HIGH SCHOOLS

#### ASES and 21st Century Community Learning Center (21st CCLC)

**Modification Program Plan:** Given the uncertainty of the school reopening model, this document will:

- Develop a clear work plan that supports students' learning in partnership with the school site to prepare for any model for reopening in the 21-22 school year.
- Support collaboration with schools and Lead agencies to determine their reopening plans.

#### Non-Negotiable Compliance Considerations Expanded Learning Guidelines

When designing the Expanded Learning program model, please consider all of the following factors.

- ASES, 21st CCLC, and ASSETS funding will not increase based on the program model.
- Sites will be required to run 180 days of programming.
- Sub-contractors partnerships and how they will fit into this program model
- No supplanting (Programs are required to provide supplementing/enrichment programs and can not provide any instructional minutes)

#### Expanded Learning Program Models

Given the constant uncertainty due to COVID-19, the Expanded Learning Office is asking all Expanded Learning Partners and Site Leadership Teams to design programming for multiple reopening models to ensure we can meet our communities' needs in the fall.

#### **Possible modified program models:**

- Distance Learning Support
- In-person with modifications based on State and County Safety guidelines.
  - If the sites are in any type of hybrid programming where some are on and some students are off-campus. Expanded Learning funds are to be prioritized for in-person programming.
  - This modification occurs when students come back part-time or not all students come back in person. I.E. small pod instruction with only 12-14 students present in each class.

#### **GUIDING QUESTIONS - Staffing**

Please answer the following questions to help guide program contingency planning. Staffing is the key ingredient to making these decisions for each site.

☐ How many full-time employees does the expanded learning program employ? (i.e., site coordinators)

8

☐ How many part-time employees?

2

☐ How many hours do the part-time employees work?

21 Hrs

☐ Does the program have subcontractors that provide service?

Yes

## MODIFIED SCOPE OF WORK

Please Indicate below how the Expanded Learning Program will support each possible modification. Check all that apply. (Keep in mind that Expanded Learning funds should be used to support enrichment for students. If staff is supporting school day make sure to set aside dedicated for them to provide this service.)

### Distance Learning :

- ☒ Expanded Learning staff will be generally present (via Zoom) from \_\_am/pm to \_\_am/pm
- ☒ Expanded Learning staff will virtually support 1:1 with a student(s) \_\_\_ groups of students \_\_\_.
- ☒ Expanded Learning staff will virtually support teachers directly.
- ☒ Expanded Learning staff will lead and facilitate programming independently of the school day
- ☒ Expanded Learning staff will assist with specific subjects.

List subjects below:

Academic Support and Enrichment, which are Leadership, Tool Time, Basketball, Soccer, Flag Football, Art, and Cooking.

Please briefly describe how the program will support distance learning:

We will continue to collaborate with school day to support via Zoom, phone, and other virtual platforms. After-school Staff are paired with school day teachers, participate in school day meetings, and grade team meetings. After-school staff are co-host in the virtual classrooms and available during office hours to support school day teacher and students. After-school staff also assist in different forms of communication for parents, sent via talking points, emails, phone calls, robo calls, and letters/etc.

### In-person Modified by State and County Health Guidelines:

- ☒ Expanded Learning staff are in person with a small cohort, based on county POD guidelines
- ☒ Expanded Learning staff will provide programming for 3 hours after the school day ends.
- ☒ Expanded Learning staff will provide distance learning support for student or 1:1 tutoring Expanded Learning staff will support in-person students daily
- ☒ Expanded Learning staff will virtually support students on days when all students are virtual

Please briefly describe how the program will support distance learning:

During in-person we will continue to support virtually by assisting in zoom classes, adjust schedule, and assigning staff to cover in-person, virtual, and/or both.

### SECTION 3: PARTNERSHIP & COMMUNICATION ASSURANCE

How will the site operationalize communication between the lead agency staff and school faculty? Are there existing spaces that the coordinator or instructors should be invited into to improve alignment between the school faculty and expanded learning staff?

- ☒ PBIS
- ☒ Staff Meetings
- ☒ Grade level Collaboration
- ☒ COST

If a shift happens how do you collaboratively transition from fully remote learning to in-person learning modified? (i.e. Keep in mind impact, staff readiness, budget, space, and county/state guidelines.) What are the steps/considerations for the transition?

In an event that remote learning transitions to in-person, we will connect with Administrative team both school site and agency. Planning out logistics for in-person, following and implement state/county guidelines as instructed. Also, communicate with all parties to help allow a smooth transition. Different forms of communication will be sent out to student and families regarding the transition and next steps.

### EAST BAY REGIONAL PARK DISTRICT

#### WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

**Waiver and Release of Liability.** In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

**Assumption of Risk.** I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

**Indemnity Agreement.** In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

**Severability.** I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

**Minor Participants.** If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

**OAKLAND UNIFIED SCHOOL DISTRICT AND \_\_\_\_\_**  
**20\_\_-20\_\_ MIDDLE SCHOOL SPORTS LEAGUE ACTIVITIES**

**RELEASE OF LIABILITY AND ASSUMPTION OF RISK**

In exchange for being permitted to participate or have my child/ward participate in activities and use equipment and facilities, I agree to release, indemnify and discharge Oakland Unified School District ("OUSD"), \_\_\_\_\_, and their respective agents, directors and employees on behalf of myself, my spouse/domestic partner, children, heirs, assigns, and estate as described below.

1. I am familiar with the Middle School Sports League Activities and facility rules and agree that I and my child will follow them. I understand that the recreational activities or use of the facilities or equipment carries inherent risks which cannot be eliminated regardless of the presence of coaches or other care taken to avoid injury. I understand that, in the event that a Middle School Sports League school site is closed for any emergency reason (including but not limited to reasons related to COVID-19), the Middle School Sports League shall provide physical programming remotely, rather than in-person at the school site, and that this remote physical activity likewise carries inherent risks. I understand that OUSD and \_\_\_\_\_ are not responsible for loss, damage, illness, or injury, or death, to person or property as a result of use of the facilities or equipment or participation in the Middle School Sports League activities (including remote physical activity) offered after school and on designated weekend days as scheduled.
2. As parent/guardian, I certify that my child is physically fit and medically able to participate in the Middle School Sports League activities and that parent/guardians have not been advised otherwise by a qualified medical person. I authorize OUSD, \_\_\_\_\_, or Middle School Sports League staff to furnish and/or obtain emergency medical treatment which may be necessary for me or my child during Middle School Sports League activities. Participant and/or parent/guardian agree to pay all costs associated with medical care and transportation for the participant as provided by law.
3. As parent/guardian, I have reviewed the schedule(s) for Middle School Sports League activities and understand that weather permitting the Middle School Sports League activities generally run after school and on designated weekend days of each month as scheduled. Parent/Guardians understand that they are responsible for transporting their child/children and picking up their children promptly at the end of the program and that there is no OUSD or \_\_\_\_\_ supervision for children after the Middle School Sports League program ends.
4. I agree as an adult participant, or the Parent/Guardian of a minor participant, to grant the right and permission to photograph and/or record me or my child/ward in connection with Middle School Sports League and to use the photograph and/or recording for all purposes.

By signing this document (Release of Liability and Assumption of Risk), I understand that if anyone is hurt or property damaged in connection with Middle School Sports League activities (including remote physical activity), I may be found to have waived my or my child/ward's right to maintain a lawsuit against OUSD, \_\_\_\_\_, or their respective agents, directors, and employees and I am voluntarily choosing to participate.

### ADDITIONAL INSURED – DESIGNATED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

#### SCHEDULE

**Name Of Additional Insured Person(s) Or Organization(s):**

Any person or organization that you are required to add as an additional insured on this policy, under a written contract or agreement currently in effect, or becoming effective during the term of this policy. The additional insured status will not be afforded with respect to liability arising out of or related to your activities as a real estate manager for that person or organization.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A. Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:
1. In the performance of your ongoing operations; or
  2. In connection with your premises owned by or rented to you.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

- B. With respect to the insurance afforded to these additional insureds, the following is added to Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable Limits of Insurance shown in the Declarations; whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**ADDITIONAL INSURED  
PRIMARY AND NON-CONTRIBUTORY  
ENDORSEMENT FOR PUBLIC ENTITIES**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

**SCHEDULE**

Name of Person or Organization:

**A. Section II – WHO IS AN INSURED** is amended to include:

4. Any public entity as an additional insured, and the officers, officials, employees, agents and/or volunteers of that public entity, as applicable, who may be named in the Schedule above, when you have agreed in a written contract or written agreement presently in effect or becoming effective during the term of this policy, that such public entity and/or its officers, officials, employees, agents and/or volunteers be added as an additional insured(s) on your policy, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

- a. Your negligent acts or omissions; or
- b. The negligent acts or omissions of those acting on your behalf;

in the performance of your ongoing operations.

No such public entity or individual is an additional insured for liability arising out of the sole negligence by that public entity or its designated individuals. The additional insured status will not be afforded with respect to liability arising out of or related to your activities as a real estate manager for that person or organization.

**B. Section III – LIMITS OF INSURANCE** is amended to include:

8. The limits of insurance applicable to the public entity and applicable individuals identified as an additional insured(s) pursuant to Provision A.4. above, are those specified in the written contract between you and that public entity, or the limits available under this policy, whichever are less. These limits are part of and not in addition to the limits of insurance under this policy.

**C. With respect to the insurance provided to the additional insured(s), Condition 4. Other Insurance of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** is replaced by the following:

**4. Other Insurance**

**a. Primary Insurance**

This insurance is primary if you have agreed in a written contract or written agreement:

- (1) That this insurance be primary. If other insurance is also primary, we will share with all that other insurance as described in c. below; or

(2) The coverage afforded by this insurance is primary and non-contributory with the additional insured(s)' own insurance.

Paragraphs (1) and (2) do not apply to other insurance to which the additional insured(s) has been added as an additional insured or to other insurance described in paragraph **b.** below.

**b. Excess Insurance**

This insurance is excess over:

1. Any of the other insurance, whether primary, excess, contingent or on any other basis:
  - (a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
  - (b) That is fire, lightning, or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;
  - (c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises temporarily occupied by you with permission of the owner; or
  - (d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of **SECTION I – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE.**
  - (e) Any other insurance available to an additional insured(s) under this Endorsement covering liability for damages which are subject to this endorsement and for which the additional insured(s) has been added as an additional insured by that other insurance.
- (1) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the additional insured(s) against any "suit" if any other insurer has a duty to defend the additional insured(s) against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the additional insured(s)' rights against all those other insurers.
- (2) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:
  - (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
  - (b) The total of all deductible and self-insured amounts under all that other insurance.
- (3) We will share the remaining loss, if any, with any other insurance that is not described in this **Excess Insurance** provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

**c. Methods of Sharing**

If all of the other insurance available to the additional insured(s) permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any other the other insurance available to the additional insured(s) does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

Statement of Qualifications

## **Safe Passages - Agency History and Qualifications**

*Safe Passages disrupts the cycle of poverty by engaging youth and families to build and drive a continuum of services that supports student success and community development.*

### **Who We Are:**

Safe Passages is a minority women led nonprofit that advocates for, researches, evaluates, develops and incubates culturally appropriate, cross-agency strategies designed to improve the lives of vulnerable populations, including youth at risk of dropping out of school, at risk or involved in gangs or the juvenile justice system, and likely to be involved in other risky behaviors. For more than 20 years, SP has worked with public and private partners to strengthen the safety net for poor people within and across systems by maximizing and leveraging resources to implement proven strategies that create greater equity.

### **Where We Work:**

We work with disadvantaged communities in Alameda County where up to 80% of children live in poverty, in neighborhoods with the highest levels of health disparities including the highest rates of hospitalization for asthma, teen birth rates, and hospitalization for assaults among youth; where students score far below proficiency and have high rates of school suspension, drop-outs and truancy. 98% of the populations served are students and families of color.

### **What We Do:**

Programs and services are woven together to serve the entire age continuum of children and youth, from birth to college/career, including economic development strategies to fuel economic self-sufficiency for youth and families.

**Early Childhood/Early Literacy Initiative** – Promotes collaboration between multiple public systems and non-profit providers to create a citywide safety net for children (0-5), who are exposed to violence. Services include Baby Learning Playgroups and workshops, case management, mental health services and mental health consultations at pre-school sites.

**School Linked Services** – Aims to integrate education and social services at school sites to support school communities as catalysts for student success and social change within the larger neighborhood context. Through multiple funding streams, Safe Passages has led the effective development and sustainability of full service community schools (FSCS) across the Oakland flatlands. Initially, this work began as the Safe Passages Middle School Strategy, a multi-pronged approach to creating positive school climates and providing students and their families the support needed to be successful in school and life. Over time school linked strategy expanded to schools K-12. From the beginning, afterschool programming was a major prong of the strategy. The initial seven highest need middle schools were selected as partners in 2000 to implement the strategy: Havenscourt (CCPA) and Calvin Simmons (UFSA) were part of the first cohort of implementation schools and 20 years later continue in sustained partnership to work towards improved outcomes for students and families.

The partnership survived many changes in personnel, leadership, and the economy. Over the years, Safe Passages facilitated the development of the Coordination of Services Team (COST) system, case management and mental health services for students and parents, school-based health centers at some target schools and afterschool programs. Several models developed by Safe Passages, like COST, were adopted by OUSD and Family Resource Centers were replicated across the school district. Safe Passages partnership schools, including those where Safe Passages serves as the lead afterschool agency are leaders in OUSD's FSCS Initiative.

**Juvenile Justice Initiative** – Brings courts, school districts, police departments, probation officers, and service providers together to reduce disproportionate minority contact with law enforcement, and lower recidivism among juvenile offenders.

**Career Development** – Work closely with government, universities and private entities to develop new job opportunities for youth during and after school hours, in the summertime, and post-graduation. Students are provided opportunities to learn about diverse career tracks including careers in the arts, teaching, legal services, social work, and in the mental health profession.

### **Successes:**

- 91% of students in the academic support programs experienced academic success.
- Implemented the Elev8 Oakland Initiative, a \$40 Million full service community school model at five high need middle schools in Oakland.
- Elev8 school-based health centers reach 3,000 students plus their families annually.
- Quality after school programs serve over 1,000 students annually.
- 303 Safe Passages AmeriCorps members have served over 1500 high need students through intensive academic supports.
- Placed hundreds of young people in career pathways jobs through Mayor's Summer Jobs Program, AmeriCorps Programs and Safe Passages Career Pathways since 2011.

Safe Passages partnerships with the school communities that are the focus of the contracts currently before the OUSD Board embody over 20 years of partnership.
