1. **Contractor Services.** Contractor agrees to provide the following services to District (collectively, the “Basic Services”) for the Center project (“Project”): Mayekawa USA, Inc. to conduct a walkthrough, inspection and follow-up training and provide recommendations as necessary for correct functionality of the installed Mayekawa Refrigeration System. The refrigeration system has been experiencing frequent shutdowns. The System is not functioning as designed and therefore investigation and analysis by the specific equipment manufacturer is required. nThe Basic Services include all work described in the May 10, 2022, quotation, which is attached to this Agreement as *Exhibit A*. Contractor may only provide other services related to the Project (“Additional Services”) after authorized in writing by District. “Services” shall mean Basic and Additional Services.
2. **Contractor Qualifications.** Contractor represents and warrants to District that Contractor, and all of Contractor’s employees, agents or volunteers (the “Contractor Parties”), have in effect and shall maintain in full force throughout the Term of this Agreement all licenses, credentials, permits and any other qualifications required by law to perform the Services and to fully and faithfully satisfy all of the terms set forth in this Agreement. Contractor and any Contractor Parties performing services shall be competent to perform those services.
3. **Term.** The term for performance of the Services shall begin on **June 23, 2022**, and shall end on **December 31, 2022** (“Term”), except as otherwise stated in Section 4 below, and Contractor shall complete the Services within the Term. There shall be no extension of the Term without an amendment signed by all Parties and approved by the District’s governing board. Written notice by the District Superintendent or designee shall be sufficient to stop further performance of the Services by Contractor or the Contractor Parties. In the event of early termination, Contractor shall be paid for satisfactory Services performed to the date of termination. Upon payment by District, District shall be under no further obligation to Contractor, monetarily or otherwise, and District may proceed with the work in any manner District deems proper.
4. **Termination.** Either party may terminate this Agreement at any time by giving thirty (30) days advance written notice to the other party. Notwithstanding the foregoing, District may terminate this Agreement at any time by giving written notice to Contractor if Contractor materially breaches any of the terms of this Agreement, any act or omission of Contractor or the Contractor Parties exposes District to potential liability or may cause an increase in District’s insurance premiums, Contractor is adjudged a bankrupt, Contractor makes a general assignment for the benefit of creditors or a receiver is appointed because of Contractor’s insolvency. Such termination shall be effective immediately upon Contractor’s receipt of the notice.
5. **Payment of Fees for Services.** District agrees to pay Contractor based on the hourly rates listed

in **Exhibit B** for Services satisfactorily performed. Contractor shall not increase these hourly rates over the course of this Agreement. Total fees paid by District to Contractor for Services under the Agreement shall not exceed **SEVEN THOUSAND EIGHT HUNDRED FIVE Dollars (\$7,805.00)**, which consists of a not-to-exceed amount of **SEVEN THOUSAND EIGHT HUNDRED FIVE Dollars (\$7,805.00)** for performance of the Basic Services, and a not-to-exceed contingency amount of **ZERO Dollars (\$0)** for performance of any Additional Services. Contractor shall perform all Services required by the Agreement even if the applicable not-to-exceed amount has already been paid and no more payments will be forthcoming. Contractor acknowledges that the not-to-exceed amount for Basic Services, above, includes contingency compensation in the event that more time and costs than originally anticipated may be necessary to complete the Basic Services. District agrees to make payment within sixty (60) days of receipt of a detailed invoice from Contractor based on hours worked and hourly rates, including any additional supporting documentation that District reasonably requests. Contractor shall not submit its invoices to District more frequently than monthly. Contractor shall not be reimbursed directly for any of its expenses, as the fees to be paid under this Agreement include compensation for any and all of Contractor's expenses.

Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity, which would otherwise exist as to a party, person, or entity described in this paragraph.

7. **Equipment and Materials.** Contractor at its sole cost and expense shall provide and furnish all tools, labor, materials, equipment, transportation services and any other items (collectively, "Equipment") which are required or necessary to perform the Services in a manner which is consistent with generally accepted standards of the profession for similar services. \$1,000,000 each occurrence and \$2,000,000 in the aggregate; (ii) commercial automobile liability insurance with limits not less than \$1,000,000 each occurrence and \$2,000,000 in the aggregate, if applicable; and (iii) worker's compensation insurance as required by Labor Code section 3200, *et seq.*, if applicable. Neither Contractor nor any of the Contractor Parties shall commence performing any portion of the Services until all required insurance has been obtained and certificates indicating the required coverages have been delivered to and approved by District. All insurance policies shall include an endorsement stating that District and District Parties are named additional insureds. All of the policies shall be amended to provide that the insurance shall not be suspended, voided, canceled, reduced in coverage or in limits except after thirty (30) days' prior written notice has been given to District. Contractor understands and agrees that Contractor and the Contractor Parties shall not be considered officers, employees, agents, partners, or joint venturers of District, and are not entitled to benefits of any kind or nature normally provided to employees of District and/or to which District's employees are normally entitled.

10. **Taxes.** All payments made by District to Contractor pursuant to this Agreement shall be reported to the applicable federal and state taxing authorities as required.
