Rebecca Lacocque, Director, High School Linked Learning
Samuel Berg, Coordinator, Computer Science

Meeting Date June 29, 2022

Subject Revision - Subcontract - WestEd - National Science Foundation (NSF) - Computer Science Connections: Using Data Science to Broaden Participation in Middle School

Ask of the Board Approval by the Board of Education of a revision to the Subcontract S-00018579 of WestEd for the National Science Foundation (NSF) for the terms August 15, 2021 – July 31, 2023, for the amount of \$150,001.00, for the project “Computer Science Connections: Using Data Science to Broaden Participation in Middle School.” Revisions are required to the original submission on April 13, 2022, for exhibits that were not completed:

- Exhibit 3, Small Business Representations
- Exhibit 4, FFATA Questionnaire
- Exhibit 5, Pre-Award Questionnaire

Background Computer Science Connections: Using Data Science to Broaden Computer Science Participation in Middle School, is a Small Researcher-Practitioner Partnership (RPP) of WestEd and the Oakland Unified School District at the National Science Foundation (NSF). This partnership brings together experienced computer science education researchers with experienced middle school teacher leaders to help computer science students connect more deeply with CS content and elevate practices that promote inclusion and equitable participation in CS classrooms through data science. Data science instruction can give students the opportunity to apply their computing knowledge to socially-relevant problems, increasing interest and motivation particularly for underrepresented learners.

Discussion This subcontract will cover all staffing and non-staffing costs associated with Computer Science Connections: Using Data Science to Broaden Participation in Middle School. Benefits include teacher professional development and the creation of instructional resources for students.

Fiscal Impact The total amount of grants will be provided to OUSD schools from the funders. National Science Foundation Grant in the amount of \$150,001.00.

WESTED TERMS AND CONDITIONS

1.0 Allowable Costs: Allowable costs are determined in accordance with the cost principles applicable to the organization incurring the costs, e.g., FAR Subpart 31.2 (commercial organizations), 2 CFR 230 (non-profit organizations), 2 CFR 220 (educational institutions). Specific unallowable costs include, but are not limited to, capitalized equipment with an acquisition cost of \$5,000 or more, foreign travel, entertainment cost, and use of funds to influence legislation or appropriations.

2.0 Certification of Cost & Price: Subcontractor hereby certifies that the fees and expenses charged for the work being conducted for WestEd is the Subcontractor's usual and customary fee. Subcontractor also certifies that Subcontractor is not charging other organizations a lower amount for the same work.

3.0 Records Maintenance, Retention, and Access: Subcontractor shall maintain proper accounting records and supporting documents that reflect all expenditures related to Subcontractor's performance of services under this Subcontract. WestEd may inspect, audit, or engage at its own expense an outside audit firm to review the Subcontractor's books to verify the claimed cost. Subcontractor shall retain all of such records and documents for at least seven (7) years after the final payment under this Subcontract.

4.0 Audit: During the term of this Subcontract and for a reasonable period of time thereafter, WestEd or its agent shall have the right, at periodic intervals and during regular business hours, on Subcontractor's premises, to examine and make copies of all books and records of Subcontractor insofar as they relate to this Subcontract.

5.0 Independent Contractor Status and Responsibilities: In performing its services, Subcontractor shall be an independent contractor with authority and responsibility to control and direct the performance of the services required under this Subcontract, subject to WestEd's general right to inspect work in progress to determine whether the services are being performed in accordance with this Subcontract. All persons hired and/or contracted by Subcontractor shall be Subcontractor's employees and/or subcontractors. Subcontractor shall be responsible for the accuracy, completeness, and adequacy of all services performed by Subcontractor's employees and/or subcontractors and shall ensure that all applicable licensing and operating requirements of the State and County governments and all applicable accreditation and other standards of quality generally accepted in the field of Subcontractor's activities are complied with and satisfactorily met.

Subcontractor voluntarily and knowingly assumes the entire liability (if any such liability is determined to exist) to its employees and/or subcontractors or to other persons for all loss, damage, or injury caused by Subcontractor's employees and/or subcontractors in the course of their employment and/or subcontract. Subcontractor shall be responsible for payment of applicable income, social security, and other State or County taxes and fees, and all statutory benefits including, without limitation, Workers' Compensation, Unemployment Insurance and Temporary Disability Insurance.

6.0 No Alteration of Contract: No alteration, addendum, modification, or waiver of the terms of this Subcontract shall be valid unless made in writing and signed by both parties, and no oral understanding or agreement not incorporated herein shall be binding on either of the parties. No inline delineation or alteration shall be accepted or bind WestEd.

7.0 Termination: 7.1 It is mutually agreed that either party may cancel this Subcontract before performance is completed by giving written notice to the other party at least thirty (30) days before the termination date.

7.2 WestEd may terminate this Subcontract immediately upon termination by the prime funder under which this Subcontract is being performed by giving written notice to the Subcontractor.

7.3 In the event of a termination under Section 7.1 or 7.2, WestEd shall reimburse Subcontractor for work performed under the Subcontract up to and including the date of termination, which are invoiced and submitted to WestEd in accordance with the attached Scope of Work and Budget.

8.0 Subcontracts and Assignments: Except as specifically stated herein above, Subcontractor shall not subcontract or assign any part of the services to be performed under this Subcontract without the prior written consent and approval of WestEd.

9.0 Indemnification: Subcontractor agrees to indemnify and hold harmless WestEd, its officers, employees and agents from all claims, liabilities and losses by whomever asserted arising out of acts or omissions of Subcontractor, its officers, employees and agents in the performance of this Subcontract, except those arising by reason of the sole negligence of WestEd, its officers, employees and agents. This provision will survive termination of this Subcontract.

10.0 Intellectual Property Ownership: Subcontractor agrees to convey ownership to any invention or discovery which is or may be patentable or otherwise protectable under Title 35 of the United States Code that was first conceived or first actually reduced to practice in the performance of the work under this Subcontract. Subcontractor hereby conveys to WestEd any invention or discovery which is or may be patentable or otherwise protectable under Title 35 of the United States Code that was first conceived or first actually reduced to practice in the performance of the work under this Subcontract. Subcontractor agrees that any information, design, expression, computer program or other work that is or may be copyrighted under U.S. copyright law first created or developed in the performance of the work under this Subcontract shall be a work made for hire, as defined by Title 17, Section 101, of the United States Code, for the benefit of WestEd. Subcontractor further agrees that any other information or data first created or developed in the performance of work under this Subcontract, including that which may be subject to protection as a trade secret, shall be proprietary to WestEd. This provision will survive termination of this Subcontract.

All pre-existing WestEd data and materials provided to Subcontractor by WestEd to assist in the performance of this Subcontract shall remain WestEd's property. WestEd hereby authorizes Subcontractor to have access to and make use of the data and/or materials as is appropriate for the performance by Subcontractor of its obligations under the Subcontract. Upon expiration or termination of the Subcontract for any reason, Subcontractor shall request instructions from WestEd regarding whether Subcontractor should: (1) erase or destroy the data files and/or materials maintained by the Subcontractor or (2) return the data and/or materials to WestEd. Subcontractor may not utilize the data and/or materials for any purpose other than in performing services for WestEd pursuant to this Subcontract.

11.0 Warranties: Subcontractor warrants that all services performed under this Subcontract shall be performed consistent with prevailing industry standards. If WestEd determines that Subcontractor has failed in the performance of this Subcontract, Subcontractor will be given fifteen (15) days to complete any required corrective action. If Subcontractor is unable to correct the performance issue, WestEd shall be entitled to terminate the contract immediately at the conclusion of the fifteen (15) day period and to recover all fees paid to Subcontractor for the deficient services.

12.0 Authority to Sign: Both parties executing this Subcontract acknowledge and warrant that they possess the authority to enter into this Subcontract on behalf of their respective companies.

13.0 Governance / Compliance: This Subcontract shall be governed by the laws of the State of California, without giving effect to conflict of law principles. Subcontractor shall also comply with all applicable

WESTED TERMS AND CONDITIONS

Federal and state laws, regulations, standards, orders, and requirements.

14.0 Disputes: The parties will attempt to settle any dispute, claim or controversy arising out of or relating to this Subcontract or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope (hereinafter a "Dispute"), through good faith negotiations. Such negotiations shall take place face to face, between representatives authorized to settle the Dispute, within 30 days from the date one party provides the other party with written notice of a Dispute and the legal and factual basis for such Dispute (hereinafter the "Negotiations"). Only in the event that a Dispute cannot be resolved through such good faith Negotiations, either party may submit the Dispute to arbitration in San Francisco, California. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures. No party shall file an arbitration demand or complaint until the parties have engaged in good faith Negotiations and such Negotiations have ended in an impasse. Judgment on the award rendered by the arbitrators may be entered in any court having jurisdiction. This clause shall not preclude parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction. Notwithstanding the foregoing, no Dispute concerning a party's or a third party's rights in or to intellectual property protected in accordance with Federal law (an IP Dispute") shall be subject to arbitration and any such IP Dispute may be filed only in a federal court of competent jurisdiction, subject to the obligation to participate in Negotiations, as set forth herein.

15.0 Insurance: Without in anyway limiting the Subcontractor's liability pursuant to Section 9.0, Indemnification, of this Subcontract, Subcontractor shall procure and maintain during the full term of this Subcontract the following insurance amounts and coverage:

(a) Comprehensive General Liability with limits not less than \$1,000,000 each occurrence combined Single Limit for Bodily Injury and Property Damage;

(b) Comprehensive or Business Automobile Liability Insurance with limits not less than \$1,000,000 each occurrence Combined Single Limit for Bodily Injury and Property Damage, including coverage for Owned, Non-owned and Hired Vehicles, as applicable;

(c) Worker's Compensation Insurance, with Employer's Liability limits not less than \$1,000,000 each accident;

(d) Professional Liability (E & O) Insurance with limits not less than \$1,000,000 each occurrence;

(e) Subcontractor shall name WestEd as additional insured. Subcontractor shall provide WestEd with appropriate certificate(s) of insurance, including an updated certificate in the event the certificate originally provided expires during the performance period of the Subcontract. Subcontractor also understands and agrees that WestEd may withhold payment for services for any violations of the insurance provisions of this Subcontract.

16.0 Subcontractor Conflict of Interest: **16.1** The Subcontractor warrants that, to the best of the Subcontractor's knowledge and belief, there are no relevant facts or circumstances which could give rise to an organizational conflict of interest, as defined as, activities or relationships with other persons, organizations or any other third party which would cause the Subcontractor to be unable or potentially unable to render impartial assistance or advice to WestEd, or the Subcontractor's objectivity in performing the work might be otherwise impaired, or resulting in an unfair competitive advantage, or that the Subcontractor has disclosed all such relevant information to WestEd.

16.2 The Subcontractor agrees that if an actual or potential organizational conflict of interest is discovered after this Subcontract is executed, the Subcontractor will make a full disclosure in writing to WestEd. This disclosure shall include a description of actions which the Subcontractor has taken or proposes to take, after consultation

with WestEd, to avoid, mitigate, or neutralize the actual or potential conflict.

16.3 WestEd may terminate for convenience this Subcontract, in whole or in part, if it deems such termination necessary to avoid an organizational conflict of interest. If the Subcontractor was aware of a potential organizational conflict of interest prior to the execution of this Subcontract or discovered an actual or potential conflict after award and did not disclose or misrepresented relevant information to WestEd, WestEd may terminate the Subcontract for default, or pursue such other remedies as may be permitted by law or this Subcontract.

17.0 Confidentiality: All materials, products, documents, and other information of WestEd are proprietary and confidential, and may not be used, disclosed, or otherwise published by Subcontractor without WestEd's expressed written consent.

18.0 Non-Discrimination in Employment: The Equal Employment Opportunity clauses of Executive Order 11246, section 503 of the Rehabilitation Act of 1973, and the Vietnam Era Veterans' Readjustment Assistance Act are hereby incorporated by reference if applicable based on the size of this Subcontract and the work to be performed and/or the goods or services involved. **This Subcontractor shall abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability.**

19.0 Severability: If any provision of this Subcontract is found by a court to be void, invalid or unenforceable, this Subcontract will either be reformed to comply with applicable law or the provision in question will be stricken so as not to affect the validity or enforceability of the remainder of this Subcontract.

20.0 Counterparts: This Subcontract may be executed in two or more counterparts, each of which together shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.

21.0 Notices: Any notice or other communication shall be in writing, and will be considered to have been given if delivered by hand or sent by certified United States mail, return receipt requested, or by commercial courier service to the other party at the address stated above or to such other address as may be specified by either party in a notice to the other. Notice is effective upon receipt.

22.0 Entire Agreement: This Subcontract, together with Exhibits hereto, is the entire agreement of the parties and supersedes any prior agreements between them, whether written or oral, with respect to the subject matter hereof.

23.0 Order of Precedence: In the event of a discrepancy between these terms and conditions and any additional exhibits or attachments, the language of these terms and conditions will prevail.

Computer Science Connections

Oakland Unified School District Scope of Work

Oakland Unified School District (OUSD) will participate in *Computer Science Connections: Using Data Science to Broaden Computer Science Participation in Middle School*, a CSforAll research-practice partnership grant to WestEd and OUSD funded by the National Science Foundation (award #2122485). This scope of work summarizes OUSD's tasks as described in the grant proposal.

Project documents that do not contain research data will be stored in a Google Drive that all project staff can access. These documents include meeting agendas and notes, timelines, research protocols and instruments, and manuscripts describing the results of the project work. All research data will be stored on WestEd's Box drive, in accordance with the project Data Security Plan approved by WestEd's Data Protection Office.

Period of performance

August 15, 2021 - July 31, 2023

OUSD Project Co-PI

Sam Berg

OUSD Project Senior Personnel

Courtney Ortega

Brenda Tuohy

Task 1: Preparation and understanding the OUSD context

- The project co-PI and senior personnel will participate in partnership leadership team meetings, held approximately monthly
- The project co-PI will sponsor or otherwise facilitate WestEd's application to conduct project-related research at OUSD

Task 2: Modify data science unit and conduct initial pilot

- OUSD will convene a lesson design team consisting of 3 math teachers and 3 computer science teachers
- The lesson design team will develop a middle school data science unit based on Code.org's *Data and Society* unit in its *CS Discoveries* curriculum and pilot it in their own classes during the 2021-2022 school year

Task 3: Revise data science unit and conduct broader pilot

- The lesson design team will revise the data science unit based on the results of the pilot

- OUSD will launch a data science professional learning community (PLC) for middle school computer science teachers. PLC activities will include:
 - A 3-day workshop in Summer 2022
 - Meetings twice per semester during the 2022-2023 school year to review the data science unit and pilot results
 - Piloting the data science unit with additional teachers participating in the PLC

Task 4: Evaluation and other external review

- The project co-PI and senior personnel will help plan and participate in project advisory panel meetings, held approximately twice per year
- OUSD staff will co-author and co-present peer-reviewed publications resulting from project work

NSF BUDGET JUSTIFICATION

Computer Science Connections: Using Data Science, Discourse, and the Social Good to Broaden
Participation in Middle School
8/1/2021 – 7/31/2023

A-C. Salaries and Wages; Fringe Benefits

Employee salaries and benefits are based upon a calendar-year salary schedule as agreed upon by the Oakland Unified School District and the United Administrators of Oakland Schools (UAOS). Salaries include the actual days worked for each employee and earned leave, e.g., holidays, vacations, sick leave, etc. Salary rates are current actual rates. Benefits include worker's compensation, unemployment tax, retirement, medical/dental, life insurance, disability insurance, and other staff benefits.

Hourly wages for teachers (*Other Personnel*) are based on an agreement between the Oakland Unified School District and the Oakland Education Association (OEA.) Extended contract work outside teachers' regular work hours is to be compensated at a rate of \$38.50 per hour, plus benefits. Actual benefits vary between individuals based on selected health insurance plans, numbers of dependents, etc., but are estimated at 30% of the hourly extended contract rate.

Senior Personnel

Name	Role	YR1 FTE	YR2 FTE
Samuel Berg	Co-PI	15%	15%
Brenda Tuohy	Senior Personnel	15%	15%

Samuel Berg will serve as project director for the external evaluation, at 15% FTE, which is equivalent to 1.5 months or 34 days. He will be responsible for managing all aspects of the project, including communicating with project staff; monitoring progress; overseeing the budget; data collection and analysis; and report writing.

Brenda Tuohy will serve as Senior Personnel on this project, at 15% FTE, which is equivalent to 1.5 months or 34 days. She will be responsible for the ongoing Professional Learning Community of teachers participating in this project, including planning and facilitating ongoing meetings and professional development sessions, as well as providing follow-up and coaching support for individual participants.

Courtney Ortega, who is also serving as Senior Personnel on this project is estimated to be spending 10% of her time dedicated to this project. We are not seeking funds for her salary, as she is funded as a permanent district employee and has the full support of her supervisors to allocate time and resources to this project.

This budget contains support for all of the time that will be needed by senior personnel to execute this project.

Other Personnel

Description	# Staff	# Hours	Rate \$38.50 + 30% benefits	Total Cost
Y1 - Teachers Developing Data Science Unit (Cohort 1)	6	32	\$50	\$9,600
Y2 - Expanded Pilot (Cohort 1)	6	34	\$50	\$10,200
Y2 - Expanded Pilot (Cohort 2)	9	32	\$50	\$14,400

In Year 1, a team of OUSD educators--3 with expertise in middle school computer science and 3 with expertise in middle school mathematics--will be selected as the first cohort of teachers (Cohort 1) in this project. They will meet for 8-two hour sessions in the Fall of 2021 to develop the data science unit, and 8-two hour sessions in the Spring of 2022 to prepare, pilot, and revise the unit.

In Year 2, the first cohort of teachers will be joined by up to 9 additional computer science teachers who will attend a 3-day summer institute (20 hours) to learn about data science and the unit developed to teach data science to middle school students. This training will be facilitated in-part by the teachers from Cohort 1, who will dedicate an additional two hours to the project during the institute (22 hours.) This group of teachers (Cohort 1 & Cohort 2) will meet for an additional 6-two hour sessions throughout the year to prepare to implement and reflect upon the implementation of the data science unit.

E. Travel

Per diem and mileage is charged at Oakland Unified School District's approved reimbursement rates. Airfare estimates are based on current average round-trip coach fares. Lodging is based on average rates for various cities. For each trip, other expenses include ground transportation (including shuttles, taxis, or trains), parking, tolls, and incidentals.

Travel Description	# Staff	# Trips	Days/ Nights	Price/ Trip	Total Cost
PI Meetings (Year 1)	1	1	3d/2n	\$1,420	\$1,420
PI Meetings (Year 2)	1	1	3d/2n	\$1,420	\$1,420

CMC North Conference (Year 2)	2	1	3d/2n	\$620	\$1,240

In Year 1 and 2, Samuel Berg will attend PI meetings. In Year 2, a two-person team comprised on one member of the OUSD Senior Personnel and one teacher from the project will attend the SIGCSE conference and the California Mathematics Council (CMC) North conference to share their process and results with the larger computer science and mathematics communities.

G. Other Direct Costs

G1. Materials and Supplies. This category includes costs of office supplies required for all meetings, teacher collaboration sessions, summer institutes, and leadership team, and advisory team meetings.

G6. Other

Copying and Shared Equipment. This category includes all general office fees for copier leases and usage of scanners, copiers and printers in the OUSD STEM office. Special printing and graphics expenses will be charged directly to the project contract. An outside printing vendor will be engaged to do bulk printing of the unit plan materials that will be provided to the piloting teachers.

Educational Fees. This category includes registration fees for the SIGCSE and CMS-North conferences, attended by two OUSD staff in Year 2.

Refreshments. This category includes light refreshments for teachers participating in the Professional Learning Community and other meetings that take place after school hours, as well as lunch during the 3-day summer institute in Year 2.

I. Indirect Costs

The Indirect Costs are determined by the California Department of Education (CDE) is based on expenditures from previous years. Current Indirect Costs for the Oakland Unified School District are set at 5.56% of the overall award amount.

47.076: EDUCATION AND HUMAN RESOURCES

Objectives

To provide leadership and ensure the vitality of the Nation's science, technology, engineering and mathematics (STEM) education enterprise. The Education and Human Resources (EHR) component of the National Science Foundation sponsors programs that support the development of models and strategies for providing all students with access to high-quality STEM education, and research about those models and strategies. In addition EHR supports scholarships and fellowships for STEM students. The portfolio of EHR programs in STEM education comprises efforts spanning pre-K to 12, undergraduate, graduate and post-doctoral levels, as well as informal e
