Interests & Experiences

Please explain briefly your interest in serving on this Committee, Commission or Board:

As a parent to two school-age children in Oakland, I want to help provide an oversight voice that puts the best interests of our students forward as a central north-star when making decisions on resource allocation. Oakland is a vibrant and unique city, and our schools are the heart of our communities, and strong foundation for the minds of our young citizens. I want to do all that I can to make our schools wonderful for the kids.

Please indicate your other community involvement (work with public agencies, volunteering, other Committees, Commissions, Boards, groups, etc.):

I participate in the "Dad's Club" at my son's OUSD elementary school. I am on the Advisory Committee for a non-profit called Environmental Leaders of Color, whose goal is to expose more young students to professions in the clean energy field.
