Ratification of Services Agreement and Data
Sharing Agreement and Approval of Amendment No. 1
Alliance for Community Wellness dba La Familia*

Background

On March 29, 2022, OUSD posted an RFP seeking vaccination and COVID-19 testing services for the 2022-23 school year. These services are necessary to support OUSD's COVID response activities.

La Familia and three other service providers were selected following an RFP. The RFP and La Familia's proposal are attached to this memo. It is anticipated that La Familia will primarily provide vaccination services (e.g., COVID-19, influenza).

To expedite the provision of services for the beginning of the 2022-23 school year, OUSD approved a services agreement in the amount of \$95,000, as well as a data sharing agreement. The services agreement and data sharing agreement are presented here for ratification.

In addition, an amendment to the services agreement is presented here for approval. The amendment will increase the not-to-exceed amount for the one-year term from \$95,000 to \$1,000,000.

Alliance for Community Wellness dba La Familia

The PARTIES hereby agree as follows:

1. **Term.**

- a. This Agreement shall start on the below date (“Start Date”):
July 1, 2022

If no Start Date is entered, then the Start Date shall be the latest of the dates on which each of the PARTIES signed this Agreement.

- b. The work shall be completed no later than the below date (“End Date”):
June 30, 2023

If no End Date is entered, then the End Date shall be the first June 30 after the Start Date. If the term set forth above would cause the Agreement to exceed the term limits set forth in Education Code section 17596, the Agreement shall instead automatically terminate upon reaching said term limit.

2. **Services.** VENDOR shall provide the services (“Services”) as described in #1A and #1B of **Exhibit A**, attached hereto and incorporated herein by reference. To the extent that there may be a school closure (e.g., due to poor air quality, planned loss of power, COVID-19) or similar event in which school sites and/or District offices may be closed or otherwise inaccessible, VENDOR shall describe in #1B of **Exhibit A** whether and how its services would be able to continue.

3. **Alignment and Evaluation.**

- a. VENDOR agrees to work and communicate with OUSD staff, both formally and informally, to ensure that the Services are aligned with OUSD’s mission and are meeting the needs of

- students as determined by OUSD.
- b. OUSD may evaluate VENDOR in any manner which is permissible under the law.  5. **Data and Information Requests.** VENDOR shall timely provide OUSD with any data and information OUSD reasonably requests regarding students to whom the Services are provided. VENDOR shall register with and maintain current information within OUSD's Community Partner database unless OUSD communicates to VENDOR in writing otherwise, based on OUSD's determination that the Services are not related to community school outcomes. If and when VENDOR's programs and school site(s) change (either midyear or in subsequent years), VENDOR shall promptly update the information in the database.
 6. **Confidentiality and Data Privacy.**
 - a. OUSD may share information with VENDOR pursuant to this Agreement in order to further the purposes thereof. 7. **Copyright/Trademark/Patent/Ownership.** VENDOR understands and agrees that all matters produced under this Agreement, excluding any intellectual property that existed prior to execution of this Agreement, shall be works for hire as defined under Title 17 of the United States Code, and all copyrights in those works are the property of OUSD. These matters include, without limitation, drawings, plans, specifications, studies, reports, memoranda, computation sheets, the contents of computer diskettes, artwork, copy, posters, billboards, photographs, videotapes, audiotapes, systems designs, software, reports, diagrams, surveys, source codes or any other original works of authorship, or other documents prepared by VENDOR, its employees, or its subcontractors in connection with the Services performed under this Agreement. The granting of any payment by OUSD, or the receipt thereof by VENDOR, shall in no way lessen the liability of VENDOR to correct unsatisfactory performance of Services, even if the unsatisfactory character of the performance was not apparent or detected at the time a payment was made. If OUSD determines that VENDOR's performance does not conform to the requirements of this Agreement, VENDOR agrees to correct its performance without delay.
- d. Compensation for any Services performed prior to the Start Date or after the End Date shall be at OUSD's sole discretion and in an amount solely determined by OUSD. VENDOR agrees that it shall not expect or demand payment for the performance of such services.

RFP responses demonstrate a clear understanding of and alignment with the District's objectives.

Value Category 1: Annual Cost to the District (200 Points Available/100 Points to Qualify)

- Total cost to the District under this bid. The cost must be broken down into a "per testing hour" cost at a site or as a "per testing day" cost at a site. For example, a proposer might state that the "per testing hour" cost is \$300 per hour, which would be inclusive of providing all aspects of an hour of testing (as detailed in the proposal). As another example, a proposer might state that the "per testing day" cost is \$1,000 per day, which would be inclusive of providing all aspects of a day of testing (as detailed in the proposal). The inclusive hourly and daily rates for vaccinations should be separately identified if they differ from the inclusive testing rates. Daily rates should indicate how many hours are included in the rate, and how much it would be to request additional hours in the evening or on weekends.

Please indicate what other responsibilities (beyond OUSD) the project coordinator would have. OUSD must be notified before the proposer makes any change to the individual services as the project coordinator.
 - How many locations at one time can the proposer offer testing?*

- How many days per week can the proposer offer testing at the number of locations listed above?*
- For how many hours per day can the proposer offer testing at each location listed above?*
- What type(s) of tests can be offered at each site and how many of each type of test can be offered each day (based on the number of hours listed above)?
- Are there any specific testing locations the proposal must be assigned or can OUSD assign any site at its discretion?*
- Are there any age restrictions on whom the proposer is able to test? If yes, describe.
- Can the proposer provide evening and weekend services as required? Confirm that the proposer can provide the testing services during expanded evening and weekend hours as needed during periods of high transmission and positivity rates. Describe the proposer’s capacity for expanded evening and weekend hours during other periods for testing or vaccinations.
- Confirm that the proposer will use Primary and any other District testing tools for testing.
- Can the proposer use a consent form as determined by OUSD? If the proposer will use its own consent form, please include an example of the consent form the partner proposes to use and how the proposer will collect consents from families.
- Can the proposer administer COVID, influenza, and other vaccines (including providing both qualified staff and vaccine supply)? Describe the proposer’s vaccination services and address each of the Specific Activities Required listed above.

The parties hereby agree as follows:

b. The work shall be completed no later than the below date (“End Date”): If no End Date is entered, then the End Date shall be the first June 30 after the Start Date. If the term set forth above would cause the Agreement to exceed the term limits set forth in Education Code section 17596, the Agreement shall instead automatically terminate upon reaching said term limit.

2. Services.

VENDOR shall provide the services (“Services”) as described in #1A and #1B of Exhibit A, attached hereto and incorporated herein by reference. In accordance with Paragraph 8 (Compensation), the Services performed by Vendor must meet the approval of OUSD, and OUSD reserves the right to direct VENDOR to redo the Services, in whole or in part, if OUSD, in its sole discretion, determines that the Services were not performed in accordance with this Agreement.

5. Data and Information Requests.

VENDOR shall timely provide OUSD with any data and information OUSD reasonably requests regarding students to whom the Services are provided. VENDOR shall register with and maintain current information within OUSD's Community Partner database unless OUSD communicates to VENDOR in writing otherwise, based on OUSD's determination that the Services are not related to community school outcomes. If and when VENDOR's programs and school site(s) change (either midyear or in subsequent years), VENDOR shall promptly update the information in the database.

6. Confidentiality and Data Privacy.

a. OUSD may share information with VENDOR pursuant to this Agreement in order to further the purposes thereof. (ii) If VENDOR is not a software vendor, it agrees to access or receive identifiable student data, other than directory information, only after executing the

OUSD Data Sharing Agreement (available here).

(iii) Notwithstanding Paragraph 28 (Indemnification), should VENDOR access or receive identifiable student data, other than directory information, without first executing a separate data sharing agreement, VENDOR shall be solely liable for any and all claims or losses resulting from its access or receipt of such data.

c. All confidentiality requirements, including those set forth in the separate data sharing agreement, extend beyond the termination of this Agreement.

VENDOR submits an invoice to OUSD, in accordance with Paragraph 10 (Invoicing), for Services actually performed and after OUSD's written approval that Services were actually performed. The granting of any payment by OUSD, or the receipt thereof by VENDOR, shall in no way lessen the liability of VENDOR to correct unsatisfactory performance of Services, even if the unsatisfactory character of the performance was not apparent or detected at the time a payment was made. If OUSD determines that VENDOR's performance does not conform to the requirements of this Agreement, VENDOR agrees to correct its performance without delay.

d. Compensation for any Services performed prior to the Start Date or after the End Date shall be at OUSD's sole discretion and in an amount solely determined by OUSD. VENDOR agrees that it shall not expect or demand payment for the performance of such services.

c. Invoices must be submitted monthly, and within 30 days of the conclusion of the applicable billing period, unless otherwise agreed. OUSD reserves the

By virtue of submitting a proposal, each Bidder confirms that (a) it is agreeable to each and every provision of Attachment 1 – Contract Template and (b) that the District has the absolute right to delete existing and/or to include additional provisions in any resulting contract with a Bidder prior to execution of said contract(s) by the parties. In addition, consistent with Attachment 1 – Contract Template, by virtue of submitting a proposal each Bidder confirms the following:

1. Equal Opportunity – The Bidder must be an Equal Opportunity Employer, and shall be in compliance with the Civil Rights Act of 1964, the State Fair Employment Practice Act, and all other applicable Federal and State laws and regulations relating to equal opportunity employment. It is the policy of OUSD that in connection with all work performed under Contracts there be no discrimination against anyone because of race, color, ancestry, national origin, religious creed, physical disability, medical condition, marital status, sexual orientation, gender, or age; therefore, Bidder agrees to comply with applicable Federal and California laws including, but not limited to, the California Fair Employment and Housing Act beginning with Government Code Section 12900 and Labor Code Section 1735 and OUSD policy. In addition, Bidder agrees to require like compliance by all its subcontractors. Bidder shall not engage in unlawful discrimination in employment on the basis of actual or perceived; race, color, national origin, ancestry, religion, age, marital status, pregnancy, physical or mental disability, medical condition, veteran status, gender, sex or sexual orientation.
2. Errors and Omissions – If a bidder discovers any ambiguity, conflict, discrepancy, omission, or other error in the RFP, the bidder shall immediately notify the District of such error in writing and request clarification or modification of the document. Modifications will be made by addenda. Such clarification shall be given by written notice to all parties who have been furnished an RFP for bidding purposes, without divulging the source of the request for the same. Insofar as practicable, the District will give such notices to other interested parties, but the District shall not be responsible therefor. If a bidder fails to notify the District, prior to the date fixed for submission of bids, of an error in the RFP known to them, or an error that reasonably should have been known to them, they shall bid at their own risk; and if awarded the contract, the bidder shall not be entitled to additional compensation or time by reason of the error or its later correction. The bidder should carefully examine the entire RFP and addenda thereto, and all related materials and data referenced in the RFP or otherwise available to them, and should become fully aware of the nature and location of the work, the quantities of the work, and the conditions to be encountered in performing the work.
3. Bidder Agreement – In compliance with this RFP, the bidder will propose

and agree to furnish all labor, materials, transportation, and services for the work described and specifications and for the items listed herein. A bid is subject to acceptance at any time within sixty (60) days after opening of the same, unless otherwise stipulated. Bids cannot be corrected or altered after opening by the District.

If the bidder is a partnership, the bid should be signed with the partnership name by one of the partners. If a corporation, with the name of the corporation by an officer authorized to execute a bid on behalf of the corporation.

5. Bidders' Understanding – It is understood and agreed that the bidder has been, by careful examination, satisfied as to the nature and location of the work; the character, quality and quantity of the materials to be provided; the character of equipment and facilities needed preliminary to and during the prosecution of the work; and general and local conditions, and all other matters which can in any way affect the work under the contract. No verbal agreement or conversation with any officer, agent or employee of the District, either before or after the execution of the contract, shall affect or modify any of the contractual terms or obligations.

6. Intent of Specifications – All work that may be called for in the specifications shall be executed and furnished by the successful bidder(s), and should any work or materials be required which is not denoted in the specifications, either directly or indirectly but which is nevertheless necessary for the execution of the contract, the bidder is to understand the same to be implied and required, and shall perform all such work and furnish any such material as fully as if it were particularly delineated or described.

7. Extra Work – No bill or claim for extra work or materials shall be allowed or paid unless the doing of such extra work or the furnishing of such extra materials shall have been authorized in writing by the District's Director of Transportation.

8. Defense, Indemnity & Hold Harmless – Contractor shall indemnify, hold harmless and defend OUSD and each of its officers, officials, employees, volunteers and agents from any loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by OUSD, Contractor or any other person and from any claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly out of performance of this Agreement. Contractor's obligations under the preceding sentence shall apply jointly and severally regardless of whether OUSD or any of its officers, officials, employees, volunteers or agents are actively or passively negligent, but shall not apply to any loss or liability, fines, penalties, forfeitures, costs or damages caused solely by the active negligence or by the willful misconduct of OUSD. If Contractor should subcontract all or any portion of the work or activities to be performed under this

MOU, Contractor shall require each subcontractor to indemnify, hold harmless and defend OUSD, its officers, officials, employees, volunteers or agents in accordance with the terms of the preceding paragraph. Contractor also agrees to hold harmless, indemnify, and defend the District and its elective board, officers, agents, and employees from any and all claims or losses incurred by any supplier, Contractor, or subcontractor furnishing work, services, or materials to Contractor in connection with the performance of this Agreement. This provision survives termination of this Agreement.

9. Disposition of Proposals – All materials submitted in response to this RFP will become the property of the District, and will be returned only at the District's option and at the bidder's expense. The original copy shall be retained for official files and will become a public record after the date and time for final bid submission as specified.

10. Terms of the Offer – The District's acceptance of Bidder's offer shall be limited to the terms herein unless expressly agreed in writing by the District. Proposals offering terms other than those shown herein will be declared non-responsive and will not be considered.

OUSD Request for Proposal (RFP) 21-116CSSS Vaccinations and COVID Testing Services

Value Category 1

Annual Cost to the District

La Familia is submitting this proposal to provide COVID testing and vaccination services that would have a total annual cost of \$773,010. The monthly breakdown of these expenses totals \$64,418. This total amount is calculated to provide one full-time team that could operate two stations daily. The monthly cost of operating each station breaks down to \$32,209. The total daily cost to operate the one full-time team totals \$3,221. The per testing day at each station totals \$1,611. This total amount includes expenses related to personnel and operations, as well as an indirect fee.

The personnel expenses for this program totals \$54,866. The staffing pattern includes the (0.05 FTE) Chief Medical Officer and the (0.05 FTE) Clinical Health Director who will ensure compliance with medical standards and manage the clinical certifications. The team will also include a (1 FTE) Team Lead who will oversee setup and practices for the entire team between the two stations. We will have four (4 FTE) clinical staff (RN/LVN) in total to ensure two are available at each station. We will also include three (3 FTE) Registration Specialists who will register OUSD community members for appointments, obtain consent forms, and support with setup and take down of testing equipment at both sites. Benefits are calculated at a rate of 30% which covers medical insurance and paid-time off.

The operating expenses include Vehicle gas and maintenance, Equipment, Supplies and PPE, Medical waste disposal, and Communications. The Indirect rate is calculated at 15% to cover administrative costs associated with launch and program implementation.

We are prepared to consider a request for additional hours in the evening or on weekends. Depending on the potential needs of OUSD, we are prepared to add temporary stations during surges which would increase volume throughput, and would require a budget augmentation. La Familia is making this option available, as we have seen fluctuations in COVID cases over the course of the pandemic that have required the ability to swiftly respond to community needs by adjusting offerings.

Value Category 2

Scope of Services

1. Program Quality

Scope of Services

In response to RFP 21-116CSSS, La Familia proposes to staff one full-time team with the ability to operate 2 stations daily throughout Oakland Unified School District

(OUSD). This model will enable 200 total vaccines to be delivered daily, at 100 per site. Our team will operate on a full time schedule at 8 hours per day 5 days per week. Our organization is open to site assignment based on the needs of the OUSD community. Included in our services is the ability to provide vaccines to the general population, as well as pediatrics. La Familia is open to opportunities for schedule changes based on the needs of students, staff, and school community, which would also require a budget augmentation. We have extensive experience using Primary Bio as our data management system and are prepared to utilize other testing tools as needed. Our organization is committed to upholding HIPPA and other regulatory standards, and will require consent forms to be signed in order to release any data or personal information. While we have extensive experience providing COVID vaccines, we are confident that we will have the necessary certifications to provide influenza and other routine medical vaccines. We have been a County-contracted vaccine provider since Alameda County began providing vaccines to combat COVID-19. To date, our agency has administered 30,327 COVID vaccinations. We will utilize the necessary consent forms and data tracking tools, such as California Immunization Registry (CAIR).

Services include pre-appointment navigation support, registration, education, vaccination distribution and documentation, post-vaccination observation (and intervention when medically necessary). When appropriate, we will also include integration with a continuum of social services support, including peer counseling.

A field team per station will be composed of two RN/LVN who can administer the vaccine and observe for adverse reactions and another trained medical professional who can document the service. This team will be supported by a Registration Specialist, who will be responsible for scheduling and registration as a Medical Billing Specialist.

In order to support these activities, we will be utilizing a vehicle to transport staff, testing materials, vaccination supplies, and equipment. Staff will be responsible for setting up and taking down all equipment at testing sites. Capacity to support these logistical considerations and oversight will be provided by the Team Lead, under the supervision of the Clinical Health Director.

Mobile Team Logistics and Vaccine Refrigeration

The Mobile Clinic will be housed in a van that will transport staff and supplies. The van will be modified to include a locking cabinet, a locking medical-grade refrigeration unit, a locking medical waste disposal unit, and a power supply. The locking cabinet will store medical supplies, including syringes and alcohol wipes, as well as PPE. The medical-grade refrigerator will house vials of the vaccine sufficient for the day's appointments, with some backup in case of an emergency. La Familia owns this refrigeration unit, an Accucold Portable Refrigerator/Freezer, Model SPRF26M which reaches -18 degrees Celsius and is rated for use with the Modera and/or Johnson & Johnson vaccines. A comparable unit would need to be purchased for additional teams. The locking medical waste disposal unit will be used to discard used syringes and will be emptied into a storage bin at the Hayward COVID-19 Testing and Vaccination site each day, with service to the larger bin provided by a qualified company as necessary.

(at least once per month). The Hayward COVID-19 Testing and Vaccination site will act as the central location for supplies, including the vaccine, where a larger medical-grade refrigeration unit will house the vaccine allocation from the County. La Familia already owns this device, which is compliant for vaccine storage for the Moderna and Johnson & Johnson vaccines, and the site has 24-hour security which will be leveraged on behalf of this project.

Team 2			8am-4pm (Site set by OUSD)				

* The proposed schedule considers the attractiveness of full-time routine schedules for recruitment and retainment purposes.

2. Experience

In 2020, La Familia developed a partnership with the Hayward Fire Department and other organizations, to provide medical staffing, administrative support and oversight for the COVID-19 Testing and Vaccination Center. The primary stationary site is located at Skywest Golf Course in Hayward. For months this site was providing between 60-100 tests per day. Due to the surges in COVID-19 cases, including the variants, demand for testing and vaccine services has similarly spiked. We expanded our capacity to test and/or vaccinate up to 600 people a day, pending availability of testing kits and supplies.

La Familia similarly operates the COVID-19 Testing Site at the Cherryland Testing Center and is currently outfitted to test up to 600 people a day, pending availability of testing kits. This site hosted federal and Alameda County partners and hosted FEMA and California Department of Emergency Services vaccination clinics in March, April, and May of 2021.

La Familia has the capacity to organize and manage culturally and linguistically accessible vaccine appointments and services for over 300 individuals per day and create service provision systems that are low-barrier to entry, are open to anyone regardless of their insurance or immigration status, and that leverage financial resources from federal sources and/or personal insurance providers to support costs.

3. School & Community Relationships

La Familia has extensive experience collaborating with OUSD in order to serve the student body and support school site staff to meet the needs of the community. We provide youth programming and navigation services at multiple school locations within the district.

Through partnerships with local community based organizations in Oakland, La Familia has hosted several pop-up COVID testing and vaccination events in 2021 to connect with and serve hard-to-reach populations throughout East Oakland. Through collaborative efforts with Homies Empowerment, Street Level Health Project, and Trybe, we have been able to serve residents directly in their neighborhoods with our mobile clinics. These events have also been offered in conjunction with the distribution of free food, diapers, and hot meals. When available, financial incentives have also been provided.

Beyond Oakland, we have a history of providing school-based mental health services and resource navigation throughout the County, including Hayward, Livermore, and others. This speaks to our ability to not only work collaboratively with school staff in support of youth well-being, but also our capacity to carry out our identified objectives set forth with administration at the district level. These services demonstrate our commitment to supporting youth from a whole person strength-based approach in a culturally relevant and linguistically competent manner.

4. Student & Family Outreach

La Familia's mission is to provide underserved, multicultural communities with the tools and support necessary to build resilience, wellness, and economic power. La Familia has built a reputation as a trusted messenger with individuals and families experiencing extreme poverty, including mono-lingual Spanish speakers, those with mental health and/or substance use disorders, homeless individuals, justice-involved youth and adults, and individuals diagnosed with a developmental disability. The background has provided us with the appropriate knowledge and experience on how to engage community members through outreach efforts.

In order to increase engagement and participation in COVID testing, COVID vaccinations, influenza, and other vaccinations, our team has capacity to conduct outreach and education within the OUSD community. Our agency offers a breadth of experience providing assistance for hard-to-reach populations; a deep rooted connection to the communities we serve to easily integrate an expansion of outreach and education; and the capacity to reach these individuals and families to generate a meaningful impact. As trusted partners, we are able to assist the individuals and families we serve by helping dispel fear of accessing services, avoiding the time consuming and often difficult experiences individuals may have when accessing services through bureaucracy-heavy channels. We are able to participate in community events and conduct outreach at school sites to increase awareness about services

within the community. In addition we are prepared to lead family workshops and provide appropriate health education as needed.

Organization History

La Familia was founded in 1975 to meet the needs of the community by providing Spanish language health services to East Bay residents. With over 45 years of experience serving the community, the organization currently provides integrated community mental health, substance use disorder treatment and prevention, housing and emergency family shelters, reentry, employment and other social services in Alameda County. We operate 22 service sites throughout Alameda County, with our administrative offices based in Hayward, and have recently expanded services to Contra Costa County. With a staffing team of over 270, we serve over 6,500 individuals and families per year. Our offerings prioritize a peer-based model and are robust in their approach, utilizing an evidence-based program design. Since the onset of the pandemic in early 2020, La Familia has worked with Alameda County Health Care Services Agency to provide COVID-19 Testing and Vaccine services to over 100,000 residents. Our services are primarily provided to underserved populations in high priority zip codes, as determined by the county. We operate a range of services that specifically support students at school-based sites, including within Oakland Unified School District.

Professional Qualifications

La Familia understands how vital it is to ensure all residents of Alameda County have access to culturally competent COVID-19 information and services as we enter into a safe reopening plan. Low income, communities of color have been disproportionately impacted by the COVID-19 pandemic. Pre-pandemic, many of these individuals and families were already facing housing and food insecurity and struggling to make ends meet. Over the past two years, COVID-19 has magnified these challenges as a result of constant stress, loss of income, isolation, fear, and limited access to COVID-19 services and support. Youth represent a population of individuals who are most likely to require additional support before, during, and following a major disaster to promote healing and recovery.

During the past two years, La Familia has gained critical insight related to the operations and logistics of COVID-19 testing sites. Since May 2020 we have administered over 100,000 COVID-19 tests and 36,000 vaccinations at our stationary and mobile clinics. We have direct experience providing COVID-19 testing and vaccines and a longstanding commitment to serving Black, Indigenous, People of Color, of which represent 90% of our clients. This is reflective of the needs of OUSD: 1) ability to manage sudden shifts in COVID response capacity, and 2) a provider with experience supporting diverse communities to serve the student population that is majority students of color.

Understanding of Scope and Specific Requirements

La Familia is prepared to meet all guidelines and accessibility requirements set forth by OUSD. We will continue to comply with all testing criteria, guidelines and goals, and HIPAA requirements. We will provide culturally competent and linguistically accessible services for COVID-19 Testing & Vaccines, as well as other routine medical vaccinations. Regardless of insurance or documentation, no cost services will be provided to the public, with specific attention on creating ADA compliant spaces.

In support of COVID-19 Testing Services, we will provide full testing workflow at each site and mobile unit; oversee the operations of COVID-19 Testing platform; ensure the processing of PCR COVID-19 samples in a laboratory certified by Clinical Laboratory Improvement Amendments (CLIA); oversee site logistics; provide and oversee staff coordination and training for clinical services; and coordinate all outreach, publicity, media, and public communications.

We are prepared to provide linkage and follow-up to individuals, and provide outreach and health education around COVID-10 Testing & Vaccines.

We will meet all specifications for Mobile Testing Sites by developing effective outreach and support to ensure students and families with low digital access have alternative routes to register for and utilize testing services.

Pertinent Problems and Potential Issues

As we have experienced over the course of the pandemic, with the rise in variants and various spikes in COVID cases, the ability to pivot and adapt are necessary characteristics for any entity providing public services. This has certainly been the situation for health facilities, as well as testing and vaccine sites. We have directly encountered how these abrupt shifts in public discourse and experience have led to an increase in demand for COVID-19 testing. This rise in testing exemplifies our ability to adapt and increase capacity based on need while maintaining a high quality of service. Most recently at both our Skywest and Cherryland sites, we have sought out additional testing kits to meet the number of residents seeking services. The last week of 2021, the positivity rate across our testing sites was 26%. In the first week of 2022, we saw a spike in cases with our positivity rate across testing sites reaching 41%. Given this drastic increase in COVID cases, we are dedicated to meeting the demands of the community to ensure equitable public health.

Multilingual Registration and Vaccination Services

La Familia will use Primary Bio as the appointment and registration platform, unless OUSD has an alternative preference. Outreach staff will be bilingual (Spanish and English) and will leverage a language line for translation when warranted. Our team will compassionately provide basic education to individuals and will note any interpretation needs and/or special needs or accommodations that will be required for the student or family and will relay these to the field-team to know. The field team will include at least one Spanish-speaking individual.

Staff Qualifications, Training, and Quality Assurance

Staff who administer vaccines are licensed Registered Nurses (RN) and Licensed Vocational Nurses (LVN) who are working under the direction of a Physician. These individuals will be supported by other nursing professionals who will enter the community member's medical information and track the administration. Licensed Registered Nurses will also oversee the post-vaccination observation area in order to ensure that individuals who experience adverse effects have immediate access to care. All medical staff are supervised and trained by La Familia's Clinical Health Director, Carlos Londono, under the direction and oversight of Dr. Verbinski. Each employee is provided with at least 15 hours of onboarding and on-site training, as well as regular quality assurance. Each staff member is also provided with an operations manual that documents ethical and procedural expectations. Staff, including Cold/Chain Reconstituters, have been trained on temperature protocols for Moderna's vaccine, so that all vaccine supplies are handled appropriately.

The bidder should carefully examine the entire RFP and addenda thereto, and all related materials and data referenced in the RFP or otherwise available to them, and should become fully aware of the nature and location of the work, the quantities of the work, and the conditions to be encountered in performing the work.

No verbal agreement or conversation with any officer, agent or employee of the District, either before or after the execution of the contract, shall affect or modify any of the contractual terms or obligations.

Contractor's obligations under the preceding sentence shall apply jointly and severally regardless of whether OUSD or any of its officers, officials, employees, volunteers or agents are actively or passively negligent, but shall not apply to any loss or liability, fines, penalties, forfeitures, costs or damages caused solely by the active negligence or by the willful misconduct of OUSD. If Contractor should subcontract all or any portion of the work or activities to be performed under this

MOU, Contractor shall require each subcontractor to indemnify, hold harmless and defend OUSD, its officers, officials, employees, volunteers or agents in accordance with the terms of the preceding paragraph. Contractor also agrees to hold harmless, indemnify, and defend the District and its elective board, officers, agents, and employees from any and all claims or losses incurred by any supplier, Contractor, or subcontractor furnishing work, services, or materials to Contractor in connection with the performance of this Agreement. This provision survives termination of this Agreement.

9. Disposition of Proposals – All materials submitted in response to this RFP will become the property of the District, and will be returned only at the District's option and at the bidder's expense. The original copy shall be retained for official files and will become a public record after the date and time for final bid submission as specified.
