Board Cover Memorandum

To Board of Education

From Sam Davis, Board Vice President
VanCedric Williams, Board Director

Meeting Date September 14, 2022

Subject Resolution No. 2223-0027 - Endorsing Proposition 28 on the November 8, 2022 Statewide Ballot

Ask of the Board Adoption by the Board of Education of Resolution No. 2223-0027 - Endorsing Proposition 28 on the November 8, 2022 Statewide Ballot

Background Proposition 28, which has been placed on the November 8, 2022 statewide ballot, would require that at least an additional 1% of the total state and local revenues that local education agencies receive under Proposition 98 be allocated to K-12 public schools, including charter schools, to supplement arts education. Seventy percent of these funds would be distributed on the basis of enrollment of all students and 30% would be distributed on the basis of enrollment of economically disadvantaged students. Proposition 28 also caps administrative costs at 1%. To date, Proposition 28 has been endorsed by the Los Angeles Unified School District as well as the California Teachers Association, the California Dance Education Association, the California Educational Theater Association, among many others.

Discussion If adopted by the Board, the proposed Resolution would endorse Proposition 28 on behalf of the Board.

The Board has previously endorsed statewide propositions; most recently the Board endorsement Proposition 16 on the November 2020 ballot.

This item was introduced as a new legislative matter on August 24, 2022. It has now come back to the Board for consideration consistent with Board Bylaws.
