06/30/2023

If no End Date is entered, then the End Date shall be the first June 30 after the Start Date. 2. **Services.** VENDOR shall provide the services (“Services”) as described in #1A and #1B of **Exhibit A**, attached hereto and incorporated herein by reference. To the extent that there may be a school closure (e.g., due to poor air quality, planned loss of power, COVID-19) or similar event in which school sites and/or District offices may be closed or otherwise inaccessible, VENDOR shall describe in #1B of **Exhibit A** whether and how its services would be able to continue.

3. **Alignment and Evaluation.**

VENDOR shall register with and maintain current information within OUSD's Community Partner database unless OUSD communicates to VENDOR in writing otherwise, based on OUSD's determination that the Services are not related to community school outcomes. If and when VENDOR's programs and school site(s) change (either midyear or in subsequent years), VENDOR shall promptly update the information in the database.
6. **Confidentiality and Data Privacy.**

The granting of any payment by OUSD, or the receipt thereof by VENDOR, shall in no way lessen the liability of VENDOR to correct unsatisfactory performance of Services, even if the unsatisfactory character of the performance was not apparent or detected at the time a payment was made. If OUSD determines that VENDOR's performance does not conform to the requirements of this Agreement, VENDOR agrees to correct its performance without delay.

1A. **General Description of Services to be Provided:** *Provide a description of the service(s) VENDOR will provide.*

One Fellow will be placed at OUSD sites: Lockwood STEAM Academy. Fellow will be available to provide Program lessons to all K-5 students, in accordance with a schedule of up to 16 Program lessons per week. Fellow will deliver a minimum of 7.5 hours of instruction (equivalent to ten 45-minute lessons) to a minimum of 200 students (equivalent to eight classes) throughout the school year. The number of lessons for other students will be mutually agreed upon by both parties. Fellows will administer pre- and post- Program assessments to at least 200 students who have received 7.5 hours of instruction, and to up to all K-5 students at the school. All lessons shall be provided in the presence of a certificated teacher. Variations to this schedule must be agreed to by the Fellow and the Partner. Fellow will also provide garden maintenance and coordinate volunteer engagement opportunities in the garden space.

In the case of Partner operating in distance learning due to COVID-19, Fellow will provide remote instruction to students using the Program's existing library of virtual curriculum and model for virtual Program delivery. Other Program activities will be converted to remote as much as possible, in accordance with health and safety regulations.

While charging time to the AmeriCorps program, accumulating service or training hours, or otherwise performing activities supported by the AmeriCorps program or CNCS, SEI staff and members may not engage in the following activities

- a) Attempting to influence legislation;
- b) Organizing or engaging in protests, petitions, boycotts, or strikes;
- c) Assisting, promoting, or deterring union organizing;
- d) Impairing existing contracts for services or collective bargaining agreements;

Individuals may exercise their rights as private citizens and may participate in the activities listed above on their initiative, on non-AmeriCorps time, and using non-CNCS funds. Individuals should not wear the AmeriCorps logo while doing so.

Training and Support

2.1 Fellow Training

SEI will train and support the Fellow with a training program that includes a combination of: a two week-long Program orientation, regular Friday trainings that comprise a mix of in-person and virtual training events, a mid-year two-day retreat, an end of program symposium, and two performance reviews.

Time spent by the Fellow in this training program will count as training hours under the Program Plan.

2.2 Mentor Teacher and Site Support

Partner will designate a paid mentor teacher ("Mentor Teacher") to supervise Fellow's day-to-day activities and performance. The responsibilities of the Mentor Teacher include, without limitation: (a) guiding Fellow towards achieving the goals set out in the Fellowship Scope, (b) meeting with Fellow one-on-one at least weekly to discuss instructional practice, and (c) providing feedback on Fellow performance twice per year in a survey. If Partner changes the Mentor Teacher, Partner will provide SEI with written notice setting out the name and title of the new Mentor Teacher. Partner shall ensure that a certificated teacher shall accompany each class of students to the outdoor lesson garden space for the duration of Program lesson time. Such certificated teachers are expected to provide support with classroom management of students while attending Program lessons, including taking attendance at the start of each lesson. (Note: Climate Corps Fellows are not credentialed teachers, therefore it is legally required that a credentialed teacher attend the full duration of Program garden lessons.)

Partner or their designee (a certificated teacher) shall collaborate with the Fellow to design lesson schedules that serve K-5 classes, with a maximum of 16 Program lessons per week and a minimum of 7.5 hours of instruction (or ten 45-minute lessons) per school year to at least 200 students (or eight classes), with master scheduling to be worked out with the Partner.

Partner or Mentor Teacher will review and approve Fellow's timecards on a bi-monthly basis. Partner will facilitate Fellow access to collaboration with school staff in the following ways, to the maximum extent feasible by the Partner site:

l) Assign a member of the Partner's teaching staff to serve as a Mentor Teacher for the Fellow. These Mentor Teachers should orient Fellow to the school site, meet with Fellow regularly, and address issues with Program staff as needed.

m) Access to all-staff email group or list, to be used in accordance with Partner site rules and applicable law, and solely for the implementation of this Agreement and for no other purpose (for example and without limitation: no advertising, no commercial solicitations, and no prohibited political solicitations or messages).

n) Support Fellow in providing pre- and post- Program assessments to at least 200 students who have received 7.5 hours of instruction, and to up to all students at the school. This includes providing access to computer lab/laptops/tablets with internet access. Given the nature of the assessments, SEI prefers 4th and 5th grade students receive 7.5 hours of instruction and take the assessments.

o) Allot time at staff meetings for Fellow introduction and Program announcements, as needed.

p) Include Fellow in all appropriate emergency planning, including provision of walkie-talkie (if applicable, and in the sole discretion of the Partner), and a copy of the Partner site emergency plan.

q) Foster curriculum collaboration by providing a minimum of one hour each semester for the

Fellow

to meet with each grade level team.

Partner or designee will meet with Program staff and Fellow for a site orientation at the beginning of the program period. Partner or designee will proactively communicate with Program staff to provide feedback or address issues as they arise, or as soon as is practically feasible in the sole discretion of the Partner.

Ownership of Materials

For clarity, SEI owns the intellectual property rights in all curriculum, training, and professional development materials and documents referred to in this MOU. In the event that a Partner officer, agent, or employee contributes to the development of modified or new materials and documents using Partner resources, in which case Partner shall jointly own the intellectual property rights in said materials and documents. Modified curriculum and related materials are derivative of SEI materials but contain a significant proportion of new content designed and developed with Partner input and that extend beyond assembling existing SEI materials and basic maintenance, such as updates to reflect technology advancements and copy edits.

3. Fellow Responsibilities, Scheduling, and Supervision

3.1 Fellow Responsibilities

Partner may assign specific responsibilities to Fellow so long as they are consistent with the Fellowship

Scope.

3.2 Payment to Fellow; Additional Funding

SEI will pay Fellow a living stipend ("Living Stipend"), offer health insurance, and facilitate access to eligible resources such as Cal-Fresh, childcare, and the AmeriCorps end of program education award ("Education Award"). The Fellow stipend in 2021-22 will be \$1,127.50, distributed twice per month, and the AmeriCorps education award, distributed after term completion, will be \$10,000.

3.3 Hours and Work Schedule

The standard number of service hours for Fellows ("Standard Hours") is set out in the Program Plan. Partner and Program will provide Fellow with a reasonably consistent schedule during the Service Term so that Fellow can fulfill their Required Hours. During the school year, Fellow will serve an average of 36 hours on site per week, Monday-Friday. On approximately half of all Fridays, Fellow will be off-site for Program training days. During the summer months, Fellow may work reduced hours during the week, as long as they complete all responsibilities and remain on track to meet their Required Hours.

3.4 Work Environment and Resources

Partner will provide Fellow with adequate workspace and other support resources reasonably necessary for Fellow to complete their work, including:

- a) A work space inside the school building that is easily accessible and includes an unshared desk
- b) Access to a computer, internet, on-site printers, and copiers
- c) A mailbox
- d) Acquisition of garden supplies paid out of the school's garden budget or use of the school's existing garden supplies, as needed
- e) If a budget exists for garden supplies, provide Fellows with the ability to acquire supplies directly paid for from such funds, as needed
- f) Access to school supplies such as paper, pencils, and other materials, as needed
- g) Access to computer lab/laptops/tablets with internet access for at least 200 students (or eight classes) for both pre and post assessments
- h) An adequate outdoor learning environment for Program lessons, incorporating the garden infrastructure listed below, prior to the start of programming:
 - vi. A whiteboard or chalkboard in the outdoor lesson space

- vii. Student seating that can accommodate the largest class at the school
- viii. Secure supply storage space, such as a shed or cabinet
- ix. Planting areas (in-ground or raised beds)
- x. A working hose bib in the garden that provides access to water

Any requested item listed above that is not able to be provided at a particular Partner site may be discussed between the Fellow and the Partner, in an effort to arrive at an adequate substitute for the requested item. Provision of any requested item is based on the ability of the Partner to provide.

As a federal grantee, SEI is required by the Drug-Free Work Place Act of 1988 to provide members with a drug-free environment.

SEI is responsible for the safety of its site-based staff in the performance of activities under this MOU. Therefore, site-based staff may not participate in projects that pose undue safety risks to such site-based staff.

As a grantee of AmeriCorps, SEI sites must grant acceptance or permission to display AmeriCorps poster(s) and/or information, where AmeriCorps members are actively serving. School hereby agrees to permit the display of such poster(s) and/or information, if applicable.

To Whom it May Concern:

Strategic Energy Innovations (SEI) certifies that all of our employees that work at OUSD have passed fingerprint review by the Department of Justice (DOJ) and FBI and TB Testing requirements.

Per our contract and agreement with OUSD, we are not required to supply OUSD with the ATI numbers or results of the fingerprint or TB requirements. Should further verification outside of SEI's certification of passage be necessary, our employees at OUSD would have to submit fingerprints and TB results to OUSD directly.
