Subject Proposed Amendment to BB 9322 (Agenda/Meeting Materials)

Ask of the Board Introduction of proposed amendment to Board Bylaw 9322 as a new legislative matter

Background Board Bylaw 9322 (Agenda/Meeting Materials) sets the order of the agenda for Board meetings.

Discussion The proposed amendment to BB 9322 would require the Superintendent or designee to give a monthly update to the Board on how the District is progressing towards improving academic offerings, instructional practices, and/or school quality. Under the proposed amendment, the update is not intended to be comprehensive summary regarding how the District is progressing towards improving academic offerings, instructional practices, and/or school quality; rather, the updates will help the Board increase the amount of attention the Board pays to academic offerings, instructional practices, and/or school quality and, ideally, would be part of an overall strategy to help position the Board to be informed of and support improving academic offerings, instructional practices, and/or school quality.

Suspension of the Order of Business

The order of business may be suspended by the President or a committee chair or with the consent of the quorum of the respective body.

Monthly Academic- and Instruction-Focused Item

At least once a month, there shall be an agenda item under Q. New Business from the

Superintendent or designee that provides the Board with an update on how the District is progressing towards improving academic offerings, instructional practices, and/or school quality. This item shall be agendized for the first meeting of each month unless the Board President and the Superintendent decide otherwise, in which case it must be agendized as part of a special meeting that month or as part of the second regular meeting in that month (if there is one). The requirement to include such an item at least once a month may not be waived, rescheduled, or otherwise changed by the Board without amending this Bylaw. This item may only include a presentation and a discussion; any related action would need to be taken up as a separately agendized item.

This item does not need to include a comprehensive summary regarding how the District is progressing towards improving academic offerings, instructional practices, and/or school quality; rather, the Superintendent or designee can select one or more key initiatives or aspects on which the item would focus each month. The Board's intent (which is not a requirement) of including such an item each month is to increase the amount of attention the Board pays to academic offerings, instructional practices, and/or school quality. Additionally, the Board's desire (which is not a requirement) is that within an academic year these items be related, aligned, and connected to each other such that the Board is positioned to be informed of and support improving academic offerings, instructional practices, and/or school quality.

General Consent Report(s)

All items appearing on the agenda under "Adoption of the General Consent Report(s)" means that all items appearing on the agenda under this topic are approved in one motion per consent report unless a Board member requests that an item be removed and voted on separately or otherwise acted upon. Items so removed from a General Consent Report shall be considered separately in the agenda immediately after that General Consent Report (unless otherwise moved with other items by a Board member) and there shall be no additional or separate public comment on those items. Generally, these items are routine in nature, and are acted upon in one motion to conserve time and permit focus on other-than-routine items on the agenda. An item on a General Consent Report which a member has requested be removed, shall be removed, without debate for separate consideration and vote or other disposition. All items remaining on the General Consent Report(s), thereafter, shall be adopted in a single motion per consent report.

Introduction of New Matter(s)

Every Regular Meeting agenda shall provide for the Introduction of New Matter(s). Board members, except a Student Director, desiring to have a motion, resolution, order, or other subject matter scheduled for action by the Board shall announce the subject nature of the intended matter during this item, provide written language of the specific legislative proposal and supporting documentation for such item and file it with the Superintendent. Or alternatively, the member may file his or her request in the same manner as a member of the public. The President, without objection of the majority, shall assign the subject matter to the

appropriate standing or special committee, if appropriate, for consideration of its programmatic, financial and/or other impact or consideration; otherwise, the President, without objection of the majority, shall determine when the subject matter shall be taken up by the Board.

Public Requested Items on the Agenda

Members of the public may request, in writing, that specific matters directly related to School District business be placed on the agenda of a regular meeting of the Board. The President shall determine when to place the requested item on a Board agenda and whether to do so as a presentation, discussion, or action item.

If the request to place a matter on the Board's agenda pertains to a topic more appropriately discussed in Closed Session, the President or the Board may so advise the person requesting inclusion of such matter on the public meeting agenda. The Board retains discretion to determine those subjects, which it will consider in Closed Session pursuant to the requirements of law.

Agenda/Meeting Materials

The President and the Superintendent of Schools shall confer regarding the scheduling of agenda items. Agenda items shall be accepted at the direction of the President or a majority of the Board. The President, in consultation with the Superintendent, shall determine the estimated time allocation for each item or section in an Agenda, which shall be included in the published Agenda. These time allocations are to be or be construed as limitations on the actual time that may be spent on each item or section.

All resolutions of the Board shall be numbered, the subject matter stated in the title and specific references made in the minutes.

Final public meeting materials given to members of the Governing Board at the time a meeting agenda is posted shall simultaneously be given to members of the public via the Board's Official web site. Members of the public who lack web access may be provided agenda background materials at cost.

If a final document is distributed to the Board less than 72 hours prior to a meeting, the Superintendent or designee shall make the document available for public inspection at the time the document is distributed to a majority of the Board provided that the document is a public record under the Public Records Act and relates to an agenda item for an open session of a regular Board meeting. The Superintendent or designee may also post the document on the District's web site in a position and manner that makes it clear that the document relates to an agenda item for an upcoming meeting. (Government Code 54957.5)

Any documents prepared by the District or the Board and distributed during a public meeting

shall be made available for public inspection at the meeting. Any documents prepared by another person shall be made available for public inspection after the meeting. These requirements shall not apply to a document that is exempt from public disclosure under the Public Records Act. (Government Code 54957.5)

Upon request, the Secretary/Superintendent or designee shall make the agenda, agenda packet, and/or any writings distributed at the meeting available in appropriate alternative formats to persons with a disability, as required by the Americans with Disabilities Act. (Government Code 54954.1)

Any request for mailed copies of agendas or agenda packets shall be in writing and shall be valid for the calendar year in which it is filed. Written requests must be renewed following January 1 of each year. (Government Code 54954.1)

Persons requesting mailing of the agenda or agenda packet shall pay an annual fee, as determined by the Secretary/Superintendent or designee, not to exceed the cost of providing the service.

Interpreting

All regular meetings of the Board shall include interpreting services in Spanish and Cantonese whenever possible. If no member of the public seeks interpreting services for the first three hours of the open portion of the meeting or through Item O, Public Comment on All Agenda Items in Sections P Through X, whichever is later, then no interpreting services shall be available for the remainder of the meeting unless otherwise ordered by the President or a majority of the Board.

It is the intent of the Board that public comments made in languages other than English be interpreted into English, whenever possible, so that all Board members and members of the public who do not understand the language spoken can understand the perspectives being shared.

For a regular meeting of the Board, any member of the public may request interpreting services for a language other than Spanish or Cantonese. The request must be made at least three (3) working days prior to the day of the meeting and shall only be accommodated if interpreting services in the requested language are available for that meeting.

For any meeting of another legislative body, any member of the public may request interpreting services. The request must be made at least three (3) working days prior to the day of the meeting and shall only be accommodated if interpreting services in the requested language are available for that meeting.
