Who is All City Council

<https://www.ousd.org/Page/19556>

All-City Council (ACC) seeks to create positive change in our schools. We amplify student voice by serving as a bridge between adult decision-makers and the student body. We are a diverse team of student leaders who represent or are elected by the masses of students at our schools.

ACC organizes campaigns and activities to serve the assessed needs of our constituents; including addressing internalized, interpersonal, and institutional oppression in our daily lives and the daily functioning of our schools and working towards solutions.

LISTENING TO STUDENT VOICES

Year after year, we are proud to have youth lead the majority of our conference workshops and restorative justice circles.

If you know any community based organizations or youth groups that might be interested in leading a workshop, reachout to our adult ally at citlali.espinoza@ousd.org

More information to come!
