Subject Approval of Resolution No. 2223-0079 — Declaring It Is In The Best Interest Of The District To Piggyback On And Enter Into A Contract With Active Internet Technologies dba Finalsite Properly Entered Into Through the Education Technology Joint Powers Authority; Approval by the Board of Education of Ed Tech JPA Purchase Agreement between Oakland Unified School District and Active Internet Technologies dba Finalsite; Ratification of Student Data Privacy Agreement
Contractor: Active Internet Technologies dba Finalsite
Services For: January 12, 2023 - June 30, 2025

Ask of the Board Approve Resolution No. 2223-0079 — Declaring It Is In The Best Interest Of The District To Piggyback On And Enter Into A Contract With Active Internet Technologies dba Finalsite, Glastonbury, CT, Properly Entered Into Through the Education Technology Joint Powers Authority (“EdTech JPA”); Approval by the Board of Education of Ed Tech JPA Purchase Agreement between Oakland Unified School District and Active Internet Technologies dba Finalsite. Under this contract, Active Internet Technologies dba Finalsite will provide a) initial conversion and setup of district and school websites, including the OUSD intranet during the 2022-23 school year, and b) licensing, upgrades and support for the Finalsite web design and hosting platform for the period January 12, 2023 to June 30, 2025 for an amount not to exceed \$263,930.00, consisting of \$77,350.00 in one-time professional services fees due in 2022-23, and b) \$93,290.00 in annual licensing and hosting fees due in each of the 2023-24 through 2024-25 fiscal years; Ratification of Student Data Privacy Agreement.

Background Public Contract Code section 20188 allows OUSD to “piggyback” on an existing contract without OUSD needing to separately bid the contract so long as (i) the contract was properly bid, awarded, executed, and approved and (ii) the Board determines that it in the best interest of the District.

Discussion

The EdTech JPA is a cooperative purchasing organization that makes contracts available for “piggybacking” to state and local governments, including school districts. It aims to streamline procurement, provide competitive pricing, and secure favorable technology contracts for eligible entities. The Ed Tech JPA is supported by seven founding entities, including Capistrano Unified School District, Clovis Unified School District, Fullerton School District, El Dorado County Office of Education, Irvine Unified School District, San Juan Unified School District, and San Ramon Valley Unified School District. These founding members of the Ed Tech JPA coordinate consortium purchases of high-quality products and services to benefit all of their current and potential member agencies.

The EdTech JPA issued an RFP to support web design and hosting. Active Internet Technologies dba Finalsite was one of the vendors awarded a contract (“Master Agreement”) during a duly noticed Board meeting on March 25, 2021.

The Resolution finds that the Agreement was properly bid, awarded, executed, and approved and further declares that piggybacking on the Agreement is in the best interest of the District. The Resolution then accepts the offer of contract with Active Internet Technologies dba Finalsite pursuant to the same terms and conditions found in the Agreement, up to a fiscal year not-to-exceed amount of \$77,350.00 in one-time professional services fees for 2022-23, and \$93,290.00 for the 2023-24 through 2024-25 fiscal years, for a total of \$263,930.00 from January 12, 2023 to June 30, 2025, with an annual termination option provided for the last two years of the five-year term, and approves the associated Purchase Agreement.

The Oakland Unified School District has successfully used the Blackboard Web Community Manager (WCM) for over five years to power the OUSD public website located at <https://www.ousd.org> along with numerous individual school websites built using this platform. Blackboard has also been used to host the OUSD intranet which provides internal resources for staff. The Blackboard Ally accessibility solution has also been deployed to ensure compliance with the Americans with Disabilities Act (ADA) by providing content editors with synchronous reporting and step-by-step instructions inside the administration console of the platform.

While the Blackboard solution is a viable platform for web design and hosting the OUSD Communications team has found Finalsite to be superior in terms of both functionality and ease of use. Finalsite has been broadly adopted by K-12 school districts, serving more than 2200 schools in 70 countries, and offers a broad range of design templates, reporting and analytics, search optimization functionality, native ADA compliance features, and options for interoperability, along with high ratings for service, support and training. OUSD currently has several schools using platforms other than Blackboard for website hosting, which increases the risk that their website will become unmaintainable when staff turnover occurs. Because the Finalsite solution offers improved ease of use, its adoption will enable OUSD to bring all school websites under a single platform.

Annual recurring licensing and hosting fees are comparable to those provided by the Blackboard platform. In addition, Active Internet Technologies dba Finalsite has acquired Blackboard and is hence able to guarantee that hosting fees will not overlap once Finalsite is launched districtwide.

While Active Internet Technologies, Inc. does **not** require access to confidential District student data, the Standard Student Data Privacy Agreement has been executed between Active Internet Technologies dba Finalsite and the Ed Tech JPA. We now ask the Board to ratify Exhibit E to enable OUSD to piggyback on this agreement to protect any content along with any contact or other information provided by students, families, staff, and community to the District or school websites. This data sharing agreement is the Standard Student Data Privacy Agreement NDPA Standard Version 1.0, adopted by the California Student Privacy Alliance to meet the requirements of the Family Educational Rights and Privacy Act (FERPA) and Assembly Bill 1584 (which allows school districts to share data with software providers so long as the contracts include certain specified provisions). The standard terms of the NDPA ensure that the vendor will take all precautions to safeguard student data. The term of the NDPA is the same as the term of the underlying services contract. The NDPA is a piggy-backable agreement. This means that a software vendor may enter the NDPA with one school district and thereafter, by signing Exhibit E (which consists of a “general offer of terms”) allow any other school district to countersign Exhibit E and be entitled to the same protections set forth in the underlying NDPA.

Here, Active Internet Technologies dba Finalsite has signed the NDPA with the Ed Tech JPA, and it further signed Exhibit E, which, again, allows any other school district to likewise sign Exhibit E and share the same data with Active Internet Technologies under the same terms. Accordingly, the District signed Exhibit E on December 19, 2022, and now asks the Board to ratify this agreement.

Competitively Bid No. See attached Resolution No. 2223-0079 — Declaring It Is In The Best Interest Of The District To Piggyback On And Enter Into A Contract With Active Internet Technologies dba Finalsite, Glastonbury, CT, Properly Entered Into Through the Education Technology Joint Powers Authority (“EdTech JPA”).

Finalsite Master Terms and Conditions for Services

THESE **MASTER TERMS** AND CONDITIONS FOR SERVICES (THE “**MASTER TERMS**”), SHALL APPLY TO THE SERVICES MADE AVAILABLE BY ACTIVE INTERNET TECHNOLOGIES, LLC, dba **FINALSITE** (“**FINALSITE**”), A DELAWARE CORPORATION HAVING A PRINCIPAL PLACE OF BUSINESS AT 655 WINDING BROOK DRIVE, GLASTONBURY, CONNECTICUT 06033 FOR THE **CUSTOMER** (**FINALSITE** AND **CUSTOMER** SOMETIMES COLLECTIVELY REFERRED TO AS THE “**PARTIES**”). THE “**CUSTOMER**” IS AN ENTITY WHICH ENTERS INTO AN **ORDER** WITH **FINALSITE** PURSUANT TO THESE **MASTER TERMS**. EACH **ORDER** EXECUTED BY THE **PARTIES** HEREUNDER SHALL FORM A SEPARATE CONTRACT BETWEEN THE **PARTIES** WHICH INCORPORATES AND SHALL BE GOVERNED BY THESE **MASTER TERMS**.

1. Ordering Services.

1.01 **Customer** may purchase from **Finalsite** the right to use one or more software-as-a-service (“SaaS”) applications and/or modules (collectively, “**SaaS Services**”) which will be hosted by **Finalsite** or a third party on its behalf (the “**Hosting Services**”); and may purchase deployment services to be performed by **Finalsite** (collectively, “**Deployment Services**”), other professional services, such as training and consulting services (collectively, “**Professional Services**”) and support and maintenance of the SaaS Services (collectively, “**Support Services**”) (SaaS Services, Hosting Services, Deployment Services, Professional Services and Support Services sometimes collectively referred to in these **Master Terms** as “**Services**”). These **Master Terms** set forth the basis for the relationship between the **Parties** and the terms applicable to such transactions. In each instance in which **Customer** wishes to purchase Services from **Finalsite**, the **Parties** shall enter into a mutually agreed order describing the particular Services ordered and any special conditions or terms applicable thereto (each an “**Order**”). **Customer** shall only have the right to receive those Services specified in an applicable **Order**. As appropriate, an **Order** may include a Statement of Work (“SOW”) which is mutually agreed to by the **Parties** to further describe certain of the Services. In order to be effective, a SOW shall reference the applicable **Order** and either be attached to such **Order** or separately executed by both **Parties**. When mutually agreed and signed by duly authorized representatives of each Party, each **Order** shall be and hereby is deemed to be governed by these **Master Terms**. When taken together, these **Master Terms** (as they may be permissibly amended or supplemented by an **Order**) and each individual, fully executed **Order** shall form a contract between **Finalsite** and **Customer**. In the event of any conflict between the terms and conditions of this Agreement and the terms and conditions of any **Order**, the terms and conditions of the **Order** shall control with respect to such **Order**.

These **Master Terms**, together with all Orders executed by the **Parties**, constitute the agreement of the parties (the “**Agreement**”).

2. Access to SaaS Services/Restrictions.

2.01 Subject to the terms and conditions of this Agreement, upon entering into an **Order** applicable thereto, **Finalsite** shall make the SaaS Services available to **Customer** for use by **Customer** and its Authorized Users solely in support of **Customer**’s internal operations and otherwise in accordance with the terms of this Agreement and **Finalsite**’s Privacy Policy set forth at finalsite.com/privacy. Additional usage limitations or restrictions may be imposed on **Customer**’s use of the SaaS Services, including limitations on bandwidth and storage, to the extent specified in an **Order**, and **Customer** shall comply therewith. Due to the nature of a SaaS delivery model, the SaaS Services to which the **Customer** is provided web access hereunder will be the version of such SaaS Services (as may be updated by **Finalsite** pursuant to Section 5 below) which is then hosted by **Finalsite** (or its third-party hosting provider) for its customers generally. All rights not expressly granted to **Customer** in this Agreement are reserved to **Finalsite** and its licensors.

2.02 **Customer** and its employees, faculty, administrators, students, parents of students, alumni and/or third party service providers who are permitted by **Customer** to use the SaaS Services on **Customer**’s behalf (collectively, “**Authorized Users**”) may access the SaaS Services, along with applicable content displayed by **Customer** through the use thereof, over the internet via **Finalsite**’s hosted website solely in support of **Customer**’s operations and within the scope of **Customer**’s permitted use of the SaaS Services. With respect to public-facing content which the SaaS Services are designed to display, Authorized Users include third party community members who access the screen displays of the SaaS Services on a remote, web-enabled basis in order to view the content which **Customer** has chosen to display to the public. **Customer** shall be fully responsible for any acts or omissions of its Authorized Users, including any unauthorized use of the SaaS Services or other breach of this Agreement.

2.03 Except as expressly set forth in these **Master Terms** or an **Order**, **Customer** shall not and shall not permit its Authorized Users or other third parties to (i) use, copy, sell, assign, sublicense, convey or otherwise transfer, all or any portion of the SaaS Services; (ii) decompile, disassemble or otherwise reverse engineer the SaaS Services or any portion thereof; (iii) modify, translate or create any derivative works based on the SaaS Services; (iv) remove or alter any copyright notices, trademarks or other proprietary rights notices affixed to or contained within the SaaS Services (v) use the SaaS Services to provide hosting, service bureau, time sharing, outsourcing or other services on behalf of, or for the benefit of itself or any third parties; or (vi) violate or cause the violation of any law, regulation, order, decree or judgment in connection with the use of any Services or any content or data utilized therewith.

3. Hosting Services.

Finalsite will provide Hosting Services and Support Services in accordance with the Service Level Agreement (“SLA”) attached as Schedule 1 to these **Master Terms**.

4. Deployment and Professional Services.

4.01 Certain Deployment Services and/or Professional Services may require that the parties agree to a SOW, which may include a timetable for delivery and other assumptions. Any timetable set forth in a SOW, **Order** or other project document is in the nature of a good faith estimate which is dependent on, among other factors, **Customer**’s provision of appropriate information, cooperation, assistance, and tasks, including those items which may be identified as the responsibility of **Customer** in a SOW.

4.02 **Customer** shall provide **Finalsite** access to **Customer**’s logos and trademarks as may be necessary to perform the Deployment Services and other Services requested by **Customer**. For the avoidance of doubt, **Customer** shall retain ownership of its logos and trademarks.

4.03 **Finalsite** will provide all Professional Services and Deployment Services in a professional and workmanlike manner and in accordance in all material respects with any and all descriptions or requirements set forth in an applicable SOW. If deliverables are provided as part of the Deployment Services and/or the Professional Services and those deliverables do not conform in all material respects to any applicable specifications and other requirements which are described in the applicable **Order** or SOW, **Customer** shall give **Finalsite** written notification of the deficiency or non-conformance within thirty (30) days after delivery thereof. **Finalsite** then shall, within thirty (30) days of receipt of such written notification, exert commercially reasonable efforts to either correct the deficiency or non-conformance or provide **Customer** with a plan for correcting the deficiency or non-conformance. **Customer** shall provide reasonable support and assistance requested by **Finalsite** as reasonably necessary to discover the cause or a cure for the reported deficiency or non-conformance.

5. Maintenance & Support.

5.01 During the Term, and subject to the terms and conditions of this Agreement, including payment of fees, and provided **Customer** has placed an **Order** for use of SaaS Services, **Finalsite** shall provide **Customer** with Updates and Upgrades to the SaaS Services as and when made available to customers generally. For purposes of this Agreement, “Updates” means a new version of the SaaS Services containing error corrections or bug fixes to the then-current version of the SaaS Services and does not contain functional enhancements, modifications or extensions. “Upgrades” means a new version of the SaaS Services containing functional enhancements, modifications or extensions to the then-current version of the SaaS Services which are not separately priced or marketed by **Finalsite**. An Upgrade may include architectural changes. **Finalsite** supports **Customer**’s web access to the SaaS Services utilizing the then-current version and one prior version of Internet Explorer, Safari, Chrome or Firefox.

5.02 During the Term, **Finalsite** will make available additional Support Services in accordance with **Finalsite**’s then-current standard support policies and practices. Certain Support Services are accessible through the “Help” section located in **Customer**’s interface to the SaaS Services. Certain other Support Services (such as expedited or “priority” support) may be purchased by **Customer** under an **Order**, and, in such event, the terms and conditions of such Support Services, and associated fees, shall be as described in the applicable **Order**.

6. Third Party Technology.

6.01 In connection with the SaaS Services, software or technology of third parties may be accessed and utilized by **Customer** in connection with its use of the SaaS Services and/or the SaaS Services may enable **Customer** to interact with and/or utilize third party software or technology (collectively, “Third Party Technology”). By way of example, and not limitation, Third Party Technology would include third party products and services such as online chat services, site translation services, accessibility overlay solutions, font and typography services, and any web service, website, social media platform or online library that allows (through an interface, a link or otherwise) for embedding functionality within a front-facing webpage served up by the SaaS Services. Except as otherwise expressly provided below, **Customer** is solely responsible, and shall ensure that **Finalsite** is not responsible or liable, in connection with **Customer**’s access to or use of any Third-Party Technology and any terms associated therewith. To the extent that **Finalsite** incorporates or embeds any third party software into the SaaS Services such that the embedded software is a core part of the SaaS Services (collectively, “Embedded Software”), then such Embedded Software shall be supported, and **Customer** shall have the right to use such Embedded Software, to the same extent as the SaaS Services are supported and permitted to be used under this Agreement. Except as expressly provided above, no rights are granted by **Finalsite** to **Customer** or its Authorized Users to use any Third-Party Technology.

7. Ownership.

7.01 **Customer** or its licensors shall own: (a) all data and content that **Customer** and its Authorized Users input, post, submit, or otherwise provide to **Finalsite** while utilizing the SaaS Services under this Agreement (where “content” includes text, images, and sounds); and (b) **Customer**’s logos and trademarks (collectively, “**Customer Materials**”). **Customer**, and not **Finalsite**, shall be solely responsible and liable for the content, accuracy or completeness of all **Customer Materials** (including monitoring the content posted on the website), and for any infringement by any **Customer Materials** of third party intellectual property rights, and shall ensure that **Finalsite** is not responsible or liable therefor. For clarity, **Customer Materials** includes **Customer**’s Personal Information (as defined in Section 8.01 below) and Student Data (as defined in Section 9.01 below).

7.02 **Finalsite** shall not use or disclose any **Customer Materials** except: (a) as requested or permitted by **Customer**; (b) in connection with providing, facilitating or supporting the Services or otherwise exercising rights or performing obligations under this Agreement (including, for example, by addressing technical and other issues related to the Services); (c) to the extent required, or permitted, by applicable laws or regulations; and/or (d) as otherwise permitted under this Agreement.

7.03 Without limiting **Customer**’s ownership of the **Customer Materials**, **Finalsite** and its licensors shall own all right, title, and interest in and to the SaaS Services (including the underlying software and all application program interfaces (“API’s”) provided or made available by **Finalsite**) and all documentation, materials, work product and deliverables resulting from or related to the Services (including in each case all enhancements, modifications, updates, upgrades and derivative works thereof and all intellectual property rights in any of the foregoing). Any enhancements, modifications, derivative works or any other intellectual property created directly or indirectly using or referring to the SaaS Services or components thereof, whether created solely by **Customer** or a third party on behalf of **Customer**, or jointly by **Customer** and **Finalsite** or a third party on either party’s behalf, shall belong exclusively to **Finalsite**, and **Customer** hereby irrevocably assigns all rights therein (including without limitation, all patent, copyright, trademark, trade secret and moral rights) to **Finalsite**. In the event that **Customer** or any of its users submit any ideas, suggestions, proposed enhancements, or other feedback relating to the SaaS Services (collectively, “Feedback”), **Finalsite** shall automatically own such Feedback without compensation to **Customer** and **Customer** hereby assigns all rights in such Feedback to **Finalsite**.

8. Security of Personal Information.

8.01 To effect the purposes of an **Order**, **Customer** or an Authorized User may from time to time provide **Finalsite** with certain personally identifiable information (**Customer** representing that it has the right to do so in each such instance) of **Customer**’s students, prospective students, parents of students, faculty, administrators, employees and/or Authorized Users that is regulated by various United States laws and regulations (“Personal Information”). Personal Information may include Student Data to the extent it meets the definition thereof in Section 9.1 below.

8.02 Consistent with laws governing Personal Information and Student Data which are applicable to **Finalsite**’s performance of Services hereunder, **Finalsite** shall maintain reasonable, industry-standard administrative, physical, and technical safeguards, and implement and maintain reasonable security practices and procedures, which are designed to protect Personal Information from unauthorized access, destruction, use, modification and disclosure. **Finalsite** shall not use or disclose Personal Information, except for the purposes for which it is permitted to use or disclose **Customer Materials** under Section 7.02 above. Similarly, **Customer** agrees to comply with its responsibilities under laws governing Personal Information which are applicable to **Customer**.

8.03 **Customer** shall maintain reasonable, appropriate administrative, physical, and technical safeguards designed to protect the security, confidentiality and integrity of its account IDs, passwords, and connectivity with the SaaS Services and Hosting Services. **Customer** shall be solely responsible and liable, and shall ensure that **Finalsite** is not responsible or liable, for account IDs or passwords which are disclosed by **Customer** or an Authorized User or those which are lost, stolen, compromised, or used for malicious or unauthorized purposes, including in respect of all use of the Services through the use of such account information.

9. Student Data.

9.01 Student Information, Student records and Student-generated content (collectively, “Student Data”) is the property of the applicable student or legal guardian of the student and not the property, or under the control, of **Finalsite**. During the Term of this Agreement, **Customer** shall retain control of all Student Data maintained in connection with the SaaS Services.

9.02 At any time during the Term of this Agreement, **Customer** may request deletion of any Student Data in **Finalsite**’s possession by providing a written request to **Finalsite** signed by a duly authorized representative of **Customer** specifying: (i) the name of the applicable student(s); (ii) a detailed description of the Student Data to be deleted; (iii) providing contact information of an individual authorized by **Customer** to answer questions and provide additional information about such request. Such requests must be addressed to the following address: Privacy Officer, **Finalsite**, 655 Winding Brook Drive, Glastonbury, CT 06033 or privacy@finalsite.com (which address may be amended by **Finalsite** from time to time upon notice to **Customer**).

Customer shall be solely responsible and liable to the Student and any other party, and shall ensure that **Finalsite** shall have no responsibility or liability, in connection with the content of such deletion request (including any errors contained therein) or **Finalsite**'s deletion of Student Data in accordance with such request.

9.03 **Finalsite** shall take reasonable commercial measures designed to ensure the security and confidentiality of all Student Data. **Finalsite** and its employees, agents and contractors shall use Student Data only for purposes for which it may utilize **Customer** Materials as described in Section 7.02 above.

9.04 Student Data may include "education records" as defined under the Family Educational Rights and Privacy Act of 1974, 20 USC 1232g and its implementing regulations, as they may be amended from time to time ("FERPA"). To the extent that **Finalsite** collects or processes personally identifiable information in education records in the course of providing Services under this Agreement, then it does so as an outsourced institutional function pursuant to FERPA 34 CFR Part 99.31(a)(1) and is designated by **Customer** for these purposes as a "school official" with legitimate educational interests. In this regard, **Finalsite** will comply with its responsibilities as a school official under FERPA. Similarly, **Customer** will comply with the responsibilities applicable to **Customer** under FERPA.

9.05 Revisions or corrections to Student Data may only be made by Authorized Users of **Customer** and not the student, parent or legal guardian directly. A student, parent or legal guardian of a student may review personally identifiable information contained in the Student Data directly through use of the SaaS Services and may correct erroneous information, if any, to such information by informing the **Customer** in writing specifying: (i) the name of the applicable student; (ii) a detailed description of the Student Data to be corrected; (iii) the appropriate correction, if known. In the event **Finalsite** receives a correction request directly concerning any Student Data, it will notify **Customer** promptly and direct the student, parent or legal guardian to the **Customer** for a response, or upon the written request of **Customer** containing such information as described in this subsection, **Finalsite** will correct the applicable Student Data using the information contained in **Customer**'s written notice. Such requests must be addressed to **Finalsite** at the address set forth in Section 9.02 above. **Customer** shall be solely responsible and liable to the Student and any other party, and shall ensure that **Finalsite** shall have no responsibility or liability, in connection with the content of such modification request (including any errors contained therein) or **Finalsite**'s revisions or corrections to Student Data in accordance with such request.

9.06 **Finalsite** will report in writing to **Customer** after its discovery of any unauthorized release, disclosure or acquisition of Student Data not permitted or required by this Agreement or any **Order** in accordance with the requirements of applicable law. Following discovery, **Finalsite** will conduct an investigation to determine the nature and scope of such unauthorized release, disclosure or acquisition and the identity of the affected students. **Finalsite** will use reasonable efforts to mitigate the potential harm caused by such unauthorized release, disclosure or acquisition.

9.07 **Finalsite** will not sell, rent or trade any Student Data, except in connection with the change of control or acquisition of **Finalsite**'s business and in such event the successor-in-interest to **Finalsite** shall be subject to the provisions of this Agreement.

9.08 Upon termination of this Agreement and all Orders hereunder, Student Data shall be deleted and not retained by **Finalsite** and **Customer** shall not have access to any Student Data following the effective date of termination unless a student, parent or legal guardian of a student establishes or maintains an electronic account with **Finalsite** for the purpose of storing student-generated content.

9.09 For purposes of this Agreement, the following definitions shall apply:

(a) "Student information" means personally identifiable information or material of a student in any media or format that is not publicly available and is any of the following: (i) Created or provided by a student or the parent or legal guardian of a student, to **Finalsite** in the course of the student, parent or legal guardian using the SaaS Services for school purposes, (ii) created or provided by an employee or agent of **Customer** for school purposes, or (iii) gathered by **Finalsite** through the operation of the SaaS Services and identifies a student, including, but not limited to, information in the student's records or electronic mail account, first or last name, home address, telephone number, date of birth, electronic mail address, discipline records, test results, grades, evaluations, criminal records, medical records, health records, Social Security number, biometric information, disabilities, socioeconomic information, food purchases, political affiliations, religious affiliations, text messages, documents, student identifiers, search activity, photographs, voice recordings, survey responses or behavioral assessments;

(b) "Student record" means any information directly related to a student that is maintained by the **Customer** or any information acquired from a student through the use of the SaaS Services, except "student record" does not include De-identified student information (defined below) allowed under this Agreement to be used by **Finalsite** for the purposes described in Section 10.03 below.;

(c) "Student-generated content" means any student materials created by a student including, but not limited to, essays, research papers, portfolios, creative writing, music or other audio files or photographs; "student-generated content" does not include student responses to a standardized assessment.

(d) "De-identified student information" means any Student Information that has been altered to prevent the identification of an individual student.

10. Consent to Use/Transfer

10.01 **Customer** warrants and represents that it shall obtain all consents necessary for **Finalsite** to provide the Services in connection with the **Customer** Materials, and otherwise use **Customer** Materials pursuant to the Agreement, including those consents related to the collection of Personal Information from children under the age of 13 in compliance with the Children's Online Privacy Protection Act, as amended ("**COPPA**"), consents necessary under FERPA to enable **Finalsite**'s provision of Services hereunder, and other consents necessary for the protection and use of the Personal Information and Student Data under applicable law and regulation. **Finalsite** shall be entitled to rely on this Agreement as **Customer**'s representation that all necessary consents have been obtained and **Finalsite** shall not be required to independently verify such fact or compliance by **Customer** with applicable law with respect thereto.

10.02 **Customer** further represents and warrants that the use of Personal Information and other **Customer** Materials by **Finalsite**, in accordance with the terms of the Agreement, is not in violation of any applicable law or regulation, or in breach of any covenant or obligation of confidentiality that **Customer** has to any person or entity. **Customer** acknowledges that **Finalsite** has no responsibility to review or monitor any **Customer** Materials including reviewing or determining the legality, accuracy or completeness of **Customer** Materials. **Finalsite**, however, reserves the right to take any action with respect to the Services that **Finalsite** deems necessary or appropriate in its sole discretion, if **Finalsite** reasonably believes **Customer**'s use of the Services could create liability for **Finalsite**, its affiliates and/or its suppliers or could compromise or disrupt services provided to other clients.

10.03 **Customer** acknowledges and agrees that, in the course of **Finalsite** providing Services hereunder, **Finalsite** may provide access to **Customer** Materials to employees, affiliates, subcontractors and third party service providers ("**Representatives**") who have a legitimate need to access such information in order to provide their services to **Finalsite** as part of **Finalsite**'s provision of Services to **Customer**. By way of example, **Representatives** include third parties who provide back-up, hosting, support and business recovery services. **Representatives** shall be required to maintain the confidentiality of all Personal Information, Student Data and other Confidential Information of **Customer**.

10.04 In addition, **Customer** agrees that **Finalsite** may collect, use and disclose data which is generated, collected or derived in connection with the use of the SaaS Services by **Customer** and its Authorized Users, including data derived from the **Customer** Materials to: (a) determine usage trends, (b) conduct research and development (including enhancing its products and services), (c) collect and analyze cookies and other metadata, (d) create analytics and (e) for other business purposes; provided that such data shall be de-identified (such that it will not identify **Customer** or its Authorized Users) and aggregated (collectively, "**De-Identified Data**", which includes De-identified student information defined in Section 9.09(d) above). Subject to the above conditions, **Finalsite** shall own all De-Identified Data.

11. Customer Responsibilities.

11.01 In addition to its other responsibilities as set forth in this Agreement, **Customer** is solely responsible for and assumes all liability relating to (i) decisions about **Customer**'s computer and communications systems needed to access the SaaS Services; (ii) all purchases of any necessary hardware, software, services or licenses required by **Customer** to access and use the SaaS Services as contemplated in this Agreement; and (iii) provision and maintenance of all domains and URLs used by **Customer** and its Authorized Users to access the SaaS Services.

11.02 **Customer** and its Authorized Users shall comply with all applicable law and governmental regulation in their respective execution, delivery and performance of this Agreement and access and use of the SaaS Services.

11.03 **Customer** represents and warrants, and shall ensure that it and all Authorized Users shall not: (i) use the Services, in whole or in part, to store, initiate or transmit material (including **Customer** Materials) that is infringing, libelous, defamatory, abusive, harmful to minors, designed to cause annoyance, inconvenience or distress to any person; comprises unsolicited marketing (i. e. spam), in violation of third-party privacy or property rights, or otherwise tortious or in violation of applicable law; (ii) interfere with, unreasonably burden, or disrupt the integrity or performance of the Services or third-party data or content contained therein; (iii) attempt to gain unauthorized access to the Services or its related systems or networks; (iv) provide the Services to third parties who are not Authorized Users, including, by resale, license, loan or lease; and, (v) without **Finalsite**'s prior written consent, imply or state, directly or indirectly, that **Customer** is affiliated with or endorsed by **Finalsite**; or, publicize the existence of the Agreement, or any of its terms. **Customer** will use best efforts to prevent and/or block any prohibited use, and will cooperate with **Finalsite** to prevent or cease such use from continuing. **Customer** will notify **Finalsite** immediately, in writing, if it knows or has reason to know that the Services are being used in violation of the Agreement or applicable law, describing such violation(s), and the basis for such knowledge, and shall be solely responsible and liable, and shall ensure that **Finalsite**, its officers, directors, representatives and its affiliates are not responsible or liable, for such violative use.

12. Term of the Agreement/Orders.

This Agreement shall become effective on the effective date of the first **Order** entered into by **Customer** and **Finalsite** and shall continue through the termination date of all Orders hereunder (the "Term"), unless terminated earlier in accordance with the provisions of this Agreement. The term of any **Order** shall be stated in the **Order**, provided however that unless otherwise provided in any **Order**, the term of each **Order** shall automatically renew for successive terms of equal duration to the initial term stated therein unless either Party provides written notice of its intent not to renew at least thirty (30) days prior to the expiration of the then-current term.

13. Termination

13.01 In the event either party defaults in any obligation in this Agreement or any **Order**, the non-defaulting Party shall give written notice of such default. If the Party in default has not cured the default within thirty (30) days of receipt of the notice, the non-defaulting Party may terminate this Agreement by delivering written notice thereof to the defaulting Party.

13.02 Either Party may terminate this Agreement, effective immediately upon written notice, in the event that the other party: (i) makes a general assignment for the benefit of creditors; (ii) institutes proceedings seeking relief or reorganization under any laws relating to bankruptcy or insolvency or (iii) has a court of competent jurisdiction appoint a receiver, liquidator or trustee over all or substantially all of such party's property or provides for the liquidation of such Party's property or business affairs.

 3. Part 3: Accessibility testing to comply with WCAG 2.0 level A/AA standards per the time of this SOW.
- As a national firewall like China's will adversely impact website performance of all websites, even those absent specifically prohibited content, it is also recommended that Participant follow Finalsite's guidelines for offsetting these performance impediments by optimizing the website for performance, e.g. minimizing the use of bandwidth-intensive design assets such as auto-playing video or slideshows, large images, certain types of dynamic content, etc. Similarly, Participants located in areas known to have lower bandwidth internet access and/or periodic network performance degradation should make Finalsite's design team aware of these considerations prior to the design phase.
- An SSL certificate will be installed with a wildcard to support primary domain and subdomains. If additional certificates are needed, that effort will be handled under a separate statement of work. The issuing and installation of SSL security certificates, allowing for data submitted to or displayed by the website to be encrypted, is also restricted for individuals, organizations, and domain names registered in countries on the U.S. Export banned or restricted countries list. This list is subject to change at any time but currently includes Afghanistan, Cote d'Ivoire, Cuba, Eritrea, Guinea, Iraq, Iran, North Korea, Liberia, Myanmar, Rwanda, Sudan, Sierra Leone, South Sudan, Syrian Arab Republic, Zimbabwe. Participant is responsible for knowing whether they are impacted by restrictions imposed by U.S. Export laws.

Accessibility

- Finalsite will use the AudioEye Digital Accessibility Platform to scan and report errors on each domain after configuration of logo, colors and fonts during the QA phase of the implementation process, and will address A/AA level errors and warnings set forth from the WCAG 2.0 standards.
- Finalsite is responsible for addressing errors found in site structure including, but not limited to: headers, footers, navigational sections, color contrasts, keyboard accessibility, module elements. Warnings which are presented in the Audio Eye Compliance report do not indicate an error; they are indicators for a manual check and commonly remain notated in the report after resolution.

Training

- Finalsite Project Manager will work with Participant to provide an overview of the Training Portal and define the necessary steps to learn the software and tools to contribute to the site. If subsequent training and education of the platform is required due to Participant circumstances

(e.g. new team members, turnover, etc.) and the training portal is not adequate, these efforts will be handled under a separate statement of work.

- Participant will attend training webinars, utilize on-demand training videos and additional online resources on the Finalsite CMS and Modules as recommended by Finalsite.

Data & Integration

- Finalsite Project Manager will provide the appropriate Excel templates based on purchased modules that will be populated with School data by the Participant using the exact columns and format.
- Finalsite will provide a one-time import for review and troubleshooting, and a second one for a final import before site launch.
- If the project includes data integration or Single Sign-On (“SSO”) functionality, Finalsite Data Integration services will provide instructions and documentation relating to setup and configuration requirements for the Participant’s system environment.
- Ultimately, Participant is responsible for maintaining the configuration of the data mapping and privacy settings, so the methodology followed is geared towards guidance and joint configuration effort. Given this, it is important that Participant identify the correct personnel to work with Finalsite during these efforts.

Content Services

- Participant will select one option from the two content services as set forth below.:
 1. Content Migration for 30 pages in which Finalsite will move content from the current site into the Finalsite Platform; this includes the migration of static text, external hyperlinks, internal hyperlinks to documents and inline images from the main content area of the pages contained in the content map. There may be special provisions in your contract that impact this.
 - The Participant is responsible for providing a content map. This file states the page URL for the current site and the URL of the new page which the content will be moved into.
 - Standard styling will be inherited in the site and generally include H1-H6, bold, italics, underline, standard bullet and numbered lists. Inline styling may carry over but will not include any custom styling found in external CSS files of the current site.
 - Participant is responsible for any content modifications they’d like completed after the migration is delivered. This could include but is not limited to modifying the page layout to utilize new features the Finalsite platform affords them and re-styling any content using the custom styles designed for the Finalsite website.
 2. Layout Optimization for 8 pages in which Finalsite will optimize each page’s appearance by utilizing Finalsite’s CMS Composer and content features such as: page layouts/layout elements, content display elements, standard styling, and custom content styles designed for the Finalsite website.
 - Participant must add all desired content to all selected pages before Finalsite completes the Layout Optimization service; only content present on the pages at the time of service will be optimized.

Making the Most Out of Your Website

Your site is not an island. In fact, it interacts with and depends on many parts of the digital world. While positioning your site to do this in an optimal way is important, we understand that many clients don't have the time or resources to tackle this work. Here's how Finalsite helps you make sure your site has the visibility that leads to more of the best kinds of visits.

ORGANIC SEARCH

Our Composer CMS has SEO best-practice features built in, from easily-managed alt tags to per-page control of your robots.txt and XML sitemap files. In addition, Finalsite's site deployment process includes the configuration of custom Google Analytics tracking to enable enhanced reporting not only on how people find your site, but also on how they use it. In addition, Composer sites are compatible with remarketing technologies that allow you to serve targeted campaigns to site visitors with certain behaviors, allowing you to keep yourself in their research process. Finalsite's internet marketing

team includes Google AdWords Certified PPC experts, allowing you to add hands-on PPC services to your contract.

Composer's Social Sharing buttons let your visitors share your site content on their own social media accounts, all without leaving your website. Activate Social Sharing buttons for Facebook, Twitter, Google+, LinkedIn and Pinterest, as well as Email sharing and Printing, and share away!

Finalsite Feeds allows you to curate a variety of posts coming from multiple platforms for display throughout your website. Social posts automatically update from the sources included in your package – such as hashtags and social media accounts including Facebook, Twitter, and more. Finalsite Security and Hosting

Finalsite works to ensure that our clients - and the students, parents, faculty and others they represent - are protected by reliable, effective security measures. Our protocols are continually assessed and updated, and our certified information security team stays on top of the latest tools and best practices to keep your data safe.

SECURITY PROTOCOLS

All access to production data is carefully controlled and limited, and physical access to laptops and servers is monitored and controlled.

Passwords are held to a high standard of security, and are stored as secure, salted hashes that cannot be decrypted by users for retrieval or by Finalsite staff; this type of encryption makes these passwords very resilient to any attacks.

All devices that access our systems are scanned for malware and centrally-managed

All users undergo a required security training on an annual basis

Our Security Incident Response Team is kept on 24/7 standby and meets weekly to review our security posture

We remain vigilant for new security threats and monitor major reported breaches and vulnerabilities to understand their potential impact on our operations.

UPTIME PROTOCOLS (99.9% UPTIME)

Our quality infrastructure means superior performance, stability and reliability. Our servers are constantly monitored, 24 hours a day, year-round.

NIGHTLY BACKUP

Files are stored at Finalsite's off-site data center.

ACCOUNTABLE PROFESSIONALS

We do not outsource support. In an emergency or during routine support questions, you will be in direct contact with the professionals responsible for your data.

HUGE BANDWIDTH AND STORAGE

Our data center serves over 1.2 million daily page views with capacity to ramp up bandwidth at any time. Expandable disk space allows for growing demands.

FASTER BROWSING

We've partnered with Akamai to serve selected content via their global content delivery network (CDN). This means that your geographically dispersed audience will be accessing large videos, slideshows and other critical content faster from data centers located closer to them.

HIGH PERFORMANCE

With CPU utilization averaging just under 20%, Finalsité has plenty of power for demanding web applications.

DATA INTEGRATION & SINGLE SIGN-ON (SSO)

Finalsite has partnered with the most popular systems in the education market to ensure that you can get the most out of your existing IT investments. We are always working on new partnerships and can often figure out a way to help tie systems to your Finalsite solution. Part 3 Functionality and Usability

This section should include an in-depth description of the Web Design and Hosting Solution and ancillary services. This section of the RFP was divided into subsections reflecting the diverse needs of Ed Tech JPA's broad membership. The sections represent typical sets of features requested by some or all of the Ed Tech JPA Members. Some Ed Tech JPA members may leverage this RFP only to support a public facing website. Others may be seeking a full communications platform including public agency/school websites, intranet, learning management system and notification system platform.

Vendors may respond and be awarded to one or more subsection/set of requirements within this RFPs. Examples:

- A Vendor offering a suite of solutions for public website design and hosting, teacher/course websites, and stakeholder communications may respond to all sections 3.1-3.10 in this RFP.
- A Vendor offering only website design consultation services may respond only to sections 3.1 Developer - Accessibility and 3.2 Developer - Design and Layout and choose not to respond to the remaining sections.
- A Vendor only offering hosting services for client-designed and client-built websites may choose to only respond to sections 3.6-3.8.
- A Vendor offering a complete public website solution that does not include learning management and notification system features may respond to sections 3.1-3.8.

Please indicate below which System features Vendor is proposing. Indicate whether the module may be licensed individually or whether it must be combined with other modules provided by Vendor to function properly with full Vendor support. For example, if Vendor offers a specific part of the solution, but will integrate with third party solutions, Vendor should indicate that the specific part of the solution requiring third party integration is licensed individually.

Appendix A: Standard Master Agreement and Standard Purchase Agreement

ED TECH JPA MASTER AGREEMENT: [Product/RFP]

This Master Agreement (“MA”), is made as of **DATE** (“Effective Date”), by and between the Education Technology Joint Powers Authority (“ED TECH JPA”) and **[INSERT]** (“VENDOR”).

BACKGROUND

A. Education Technology JPA is a Joint Powers Authority formed by California public school districts, county offices of education, and community college districts pursuant to California Government Code Sections 6500-6536. ED TECH JPA aggregates purchasing power and expertise for its Associate Members across California.

B. ED TECH JPA establishes its contracts for products and services through the following process:

1. On **DATE**, ED TECH JPA issued a Request for Proposal for **[PRODUCT]** (the “RFP”) on behalf of ED TECH JPA members. ED TECH JPA invited qualified vendors to submit pricing products and services in response to the RFP.
2. ED TECH JPA published the RFP on its Website and in a local periodical:
3. ED TECH JPA received one or more responses to the RFP. ED TECH JPA evaluated all responses which complied with the terms of the RFP, using the following criteria: Functionality and Usability, Vendor Support and Ability to Perform, Price, and Technology Requirements.
4. ED TECH JPA selected VENDOR for an award under the RFP for **specified products and services** (the “Products”). The parties are entering this Master Agreement (“MA”) to evidence the terms and conditions of that award.

AGREEMENT

Now, therefore, for good and valuable consideration, the parties agree as follows.

1. GRANT AND ACCEPTANCE OF AWARD

ED TECH JPA awards this MA to VENDOR under the RFP with respect to the products or services (“Products”) at the prices listed in Exhibit A. VENDOR accepts the award and confirms VENDOR’s acceptance of all terms and conditions of the RFP, which are incorporated herein by this reference. This MA includes the services and pricing offered in VENDOR’s RFP response, as identified in Appendix C, Pricing Form. Prices will remain valid for all Participating Associate Members of ED TECH JPA through the expiration of the MA.

2. TERM

The term of this MA (the “Term”) shall commence on the Effective Date and shall expire after a period of **three (3)** years. The MA may be extended for up to two additional one (1) year terms beyond the original term, for a total of up to five (5) years. The parties understand that Participants may order Products under this MA to be delivered after the Term of this MA; in some cases, Products may be delivered over multiple years after the Term. The expiration or

termination of this MA shall not affect VENDOR's obligation to deliver Products as ordered by Participants during the Term.

3. PARTICIPANTS

The pricing, terms, and conditions of this MA will be made available to ED TECH JPA Founding Members, Associate Members and to other "Eligible Entities" who elect to become Associate Members of the ED TECH JPA. Eligible Entities are all California public school districts, county offices of education, and community college districts, and any other public agency in the United States whose procurement rules, whether internal rules or rules enacted pursuant to statute, allow them to purchase Products through a procurement vehicle such as ED TECH JPA. A "Participant" or "Participating Associate Member" is an Eligible Entity who chooses to purchase items through this MA, including Associate Members and Founding Members.

VENDOR acknowledges that each Participant is responsible for (a) completing their own due diligence regarding the suitability of VENDOR and Products for Participant's needs, (b) entering into one or more Purchase Agreements with VENDOR to document the quantities, total costs, and delivery terms for Products, (c) and coordinating implementation of Products with VENDOR. VENDOR is not under any contractual obligation to provide Products to Participants until such time as both a MA and a Purchase Agreement have been fully executed. The RFP was conducted for the limited purposes specified in the RFP. ED TECH JPA does not provide assurance or warranty to VENDOR with respect to other issues, including Participant's payments to VENDOR. ED TECH JPA will not assist in implementation or represent VENDOR in the resolution of disputes with Participants.

4. PURCHASE AGREEMENTS

Participating Associate Members may browse products in the JPA website. Prior to executing the Purchase Agreement ("PA"), Associate Members will work with a VENDOR representative to determine the VENDOR implementation timeline and implementation plan ("Implementation Plan") as further described in Section 2.2 of the RFP. To confirm Participant's request to buy Products using the RFP, Participant and VENDOR must complete and execute a Purchase Agreement ("PA") for the specific Products and provide that PA to ED TECH JPA. The PA is included herein in this Appendix A for reference.

The PA will contain a general description of the Products ordered, contact information for VENDOR and Participant related to purchase and sale of the Products, and an acknowledgement that the purchase is subject to the terms of the RFP and this MA. Participant and VENDOR may agree on contingencies, such as timing contingencies, applicable to delivery of Products.

A completed PA must be presented to ED TECH JPA no later than sixty (60) days after Participant and VENDOR reach agreement on the Implementation Plan. ED TECH JPA will accept timely submitted and properly completed PAs, and thereafter, VENDOR will work directly

with a Participating Associate Member to fulfil the order according to the parties' agreed-upon Implementation Plan. ED TECH JPA is not responsible to verify payment to vendor.

5. PROGRAM PROMOTION

It is in the interest of both parties that VENDOR will promote and support ED TECH JPA Master Agreements using methods that best suit the VENDOR's business model, organization, and market approach. ED TECH JPA specifically desires VENDOR to generate interest in the MA, and direct its existing clients who are Eligible Entities to use its MA as VENDOR's preferred form of contracting with Eligible Entities.

VENDOR may be asked to participate with ED TECH JPA staff in related trade shows, conferences, and online presentation to promote the MA. ED TECH JPA will promote MAs through the creation of marketing materials, as well as active outreach to its constituents.

ED TECH JPA expects VENDOR's field and internal sales forces will be trained and engaged in use of the MA for the duration of the contract term. VENDOR agrees that all sales will be accurately and timely reported to ED TECH JPA. VENDOR shall provide a single point of contact with the authority and responsibility for the overall success of promotion of the MA.

ED TECH JPA may schedule periodic reviews with VENDOR to evaluate VENDOR's performance of the commitments outlined in this MA, as well as leads, current projects and projected sales.

6. INVOICING FOR SERVICES

VENDOR shall invoice each Participant for Products and Participant shall disburse payment to VENDOR upon receipt of the Board approved, executed Purchase Agreement between Participating Associate Member and VENDOR. ED TECH JPA does not guarantee timely payment. The Purchase Agreement is between VENDOR and Participant.

7. EQUIPMENT ADDITIONS/DELETIONS

VENDOR may add or delete equipment introduced or removed from the market by the manufacturer under the following conditions:

- A) Deleted Equipment has been discontinued and is no longer available from the manufacturer;
- B) Added Products are either a direct replacement for original products listed in the RFP, VENDOR's Proposal, the Master Agreement and/or any Purchase Agreements, or Added Products are enriched capabilities, new modules, technology advancements, and/or service categories within the Education Intelligence and Analytics solution that VENDOR did not have at the time the RFP Proposal was submitted. ;
- C) VENDOR has obtained prior written Board approval from Ed Tech JPA;
- D) VENDOR receives an executed Amendment to the Master Agreement;
- E) VENDOR has obtained prior written Board approval from Participating Associate Members; and

F) VENDOR receives an executed Amendment to the Purchase Agreement.

8. MINIMUM PRICE GUARANTEE

VENDOR agrees not to sell directly, or through a reseller, to ED TECH JPA's Eligible Entities (regardless of whether the Eligible Entity is an Associate Member of the ED TECH JPA), including all California public school districts, county offices of education, and community college districts, and any other public agency in California whose procurement rules, whether internal rules or rules enacted pursuant to statute, allow them to purchase goods or services through a procurement vehicle such as ED TECH JPA, the Product(s) subject to the Master Agreement at a price lower than the price offered pursuant to the RFP and this Master Agreement.

During the period of delivery under a contract resulting from this RFP, if the price of an item decreases, Ed Tech JPA Participating Associate Members shall receive a corresponding decrease in prices on the balance of the deliveries for as long as the lower prices are in effect. Vendor agrees to amend the Master Agreement to reflect the decreased pricing. At no time shall the prices charged to Ed Tech JPA Participating Associate Members exceed the prices under which the RFP was awarded. Ed Tech JPA Participating Associate Members shall be given the benefit of any lower prices which may, for comparable quality and delivery, be given by the Vendor to any other school district or any other state, county, municipal or local government agency in a California County for the product(s) listed in the RFP.

9. EXPENSES.

ED TECH JPA shall not be liable to VENDOR for any costs or expenses paid or incurred by VENDOR in providing Products and Services for ED TECH JPA or Associate Members.

10. COMPLIANCE WITH APPLICABLE LAW

The Products completed herein must meet the approval of the ED TECH JPA and shall be subject to the ED TECH JPA's general right of inspection to secure the satisfactory completion thereof. VENDOR agrees to comply with all federal, state and local laws, rules, regulations and ordinances that are now or may in the future become applicable to VENDOR, VENDOR's business, the Products, equipment and personnel engaged in Products covered by this MA or accruing out of the performance of such Products. If VENDOR performs any work knowing it to be contrary to such laws, ordinances, rules and regulations, VENDOR shall bear all costs.

11. DATA PRIVACY

VENDOR agrees that all products and services are fully compliant with all applicable requirements including all state and federal laws. VENDOR has executed the Standard Student Data Privacy Agreement CA-NDPA (CA-NDPA), attached to the RFP as Appendix E.

12. PERMITS/LICENSES

VENDOR and all VENDOR’s employees or agents shall secure and maintain in force such permits and licenses as are required by law in connection with the furnishing of Products pursuant to this MA.

13. INSURANCE

VENDOR shall insure VENDOR’s activities in connection with the Products under this MA and agrees to carry insurance as specified in the RFP to ensure VENDOR’s ability to adhere to the indemnification requirements under this MA.

14. TRANSACTION REPORTING

VENDOR will comply with all reasonable requests by ED TECH JPA for information regarding VENDOR’s transactions with Participants, including transmittal of transaction data in electronic format. VENDOR will report to ED TECH JPA all Services ordered by Participants, in reasonable detail, not later than the reporting period outlined in section 15.B. of this MA. VENDOR acknowledges that ED TECH JPA will track the use of this MA through databases managed by ED TECH JPA.

- A. VENDOR agrees to pay ED TECH JPA an administrative fee (the “Administrative Fee”) calculated as four percent (4%) of the gross invoiced amount of any Participant agreement with VENDOR based on an award under the RFP, including any Additional Services, or agreement extensions or renewals. Vendors whose gross sales exceed two million dollars (\$2,000,000.00) each fiscal year may receive a discount and pay Administrative Fees as follows:

Sales Amount*	Administrative Fee**

For purchases made with federal funds, a different fee structure may apply. Computations of the Administrative Fee shall exclude state, local, or federal taxes levied on invoiced amounts. Unless otherwise stated herein, the Administrative Fee is not refundable to Participants or Vendors under any circumstances. In the event ED TECH JPA’s operating costs increase, the Administrative Fee is subject to an increase to offset such increased costs. Any increase shall be authorized by Ed Tech JPA’s Board of

Directors (“Board”) and shall take effect on the day approved by the Board. Any increase shall be communicated to Vendors with no less than thirty (30) days notice from ED TECH JPA, and VENDOR shall be permitted to amend this MA to increase pricing in the attached Exhibit A in direct proportion to the adjusted Administrative Fee. Such amendment shall take immediate effect and apply to all Purchase Agreements executed after the execution date of the Amendment.

- A. Administrative Fees shall be reported and payable at the end of each quarter as follows:

- E. Payment of the administrative fee is due irrespective of payment status on orders or service contracts from Participating Associate Member.
- F. The right to interest on late payments shall not preclude Ed Tech JPA from exercising any of its other rights or remedies pursuant to this agreement or otherwise with regards to Vendor’s failure to make timely remittances.

B. ED TECH JPA establishes its contracts for products and services through the following process:

1. On **[DATE]**, ED TECH JPA issued a Request for Proposal for **[PRODUCT]** (the "RFP") on behalf of ED TECH JPA members. ED TECH JPA invited qualified vendors to submit pricing products and services in response to the RFP.
2. ED TECH JPA published the RFP on its Website and in a local periodical.
3. ED TECH JPA received one or more responses to the RFP. ED TECH JPA evaluated all responses which complied with the terms of the RFP, using the following criteria: Functionality and Usability, Vendor Support and Ability to Perform, Price, and Technology Requirements.
4. ED TECH JPA selected VENDOR for an award under the RFP for **specified products and services** (the "Products") and thereafter entered into a Master Agreement (MA) to establish the terms by which Associate Members of the Ed Tech JPA may purchase products from Vendor.

C. A California public entity using the Ed Tech JPA RFP to buy Products is a "Participant" or "Participating Associate Member".

D. PARTICIPANT has completed its own due diligence regarding the suitability of VENDOR and Products for Participant's needs.

E. The parties are entering this PA to establish the terms and conditions of the purchase by Associate Member pursuant to that Master Agreement.

AGREEMENT

Now, therefore, for good and valuable consideration, the parties agree as follows.

1. PARTICIPATION IN MASTER AGREEMENT

This PA is subject to the terms of the RFP and the corresponding MA between ED TECH JPA and VENDOR, which are incorporated herein by this reference. VENDOR and PARTICIPANT agree (a) to the terms and conditions of the RFP and the MA covering the requested Products, (b) any additions or deletions to Products listed on this PA shall be promptly executed through an amendment to this PA, signed by VENDOR and PARTICIPANT.

VENDOR agrees as follows:

Vendor acknowledges that each PARTICIPANT is responsible for (a) completing their own due diligence regarding the suitability of VENDOR, (b) prior to executing a Purchase Agreement, Associate Members will work with a VENDOR representative to establish an Implementation Plan with the Participating Associate Member, as further described in Section 2.3 of the RFP, and (c) an Associate Member is not bound to a purchase until it has obtained approval from its Board and executed this Purchase Agreement with the VENDOR for the product. VENDOR further acknowledges and agrees (c) by entering into one or more Purchase Agreements with PARTICIPANT, VENDOR is has agreed to the delivery terms for Products as established in the Implementation Plan and VENDOR will faithfully carry out timely implementation of the Products with PARTICIPANT. Order details, including an Additional Services, and the parties' Implementation Plan are attached hereto as Exhibit A.

PARTICIPANT agrees as follows:

PARTICIPANT acknowledges and agrees that (a) it has performed its own due diligence in selecting the VENDOR's Product and its suitability to Participant's needs, including using price as a significant factor, (b) VENDOR has provided a suitable Implementation Plan to Participant outlining all necessary dates and Participant needs, and (c) it will pay the costs as quoted by VENDOR in the RFP and the MA.

2. COMPLIANCE WITH APPLICABLE LAW

VENDOR agrees to comply with all federal, state and local laws, rules, regulations and ordinances that are now or may in the future become applicable to VENDOR, VENDOR's business, the Products, equipment and personnel engaged in Products covered by this PA or accruing out of the performance of such Products. If VENDOR performs any work knowing it to be contrary to such laws, ordinances, rules and regulations, VENDOR shall bear all costs.

3. DATA PRIVACY

VENDOR agrees that all products and services are fully compliant with all applicable requirements including all state and federal laws. VENDOR has executed the Standard Student Data Privacy Agreement CA-NDPA (CA-NDPA), attached to the RFP as Appendix E.

(c) **DISCLAIMER OF LIABILITY.** ED TECH JPA does not provide assurance or warranty to VENDOR or PARTICIPANT with respect to issues arising under this PA, including Participant's payments to VENDOR. ED TECH JPA will not represent VENDOR or PARTICIPANT in the resolution of disputes arising under this PA.

10. ATTORNEYS' FEES

If any action at law or in equity is brought to enforce or interpret the provisions of this PA, the prevailing party shall be entitled to reasonable attorneys' fees in addition to any other relief to which the party may be entitled.

11. SEVERABILITY

In the event that any provision of this PA is held invalid or unenforceable by a court of competent jurisdiction, no other provision of this PA will be affected by such holding, and all of the remaining provisions of this PA will continue in full force and effect.

12. ASSIGNMENT

Neither party may assign its rights and obligations hereunder, either in whole or in part, whether by operation of law or otherwise, without the prior written consent of the other party. Notwithstanding the foregoing, either party may assign this Agreement in its entirety (including all Orders Forms and SOWs), without consent of the other party, to its Affiliate or in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets not involving a direct competitor of the other party. Subject to the foregoing, this Agreement shall bind and inure to the benefit of the parties, their respective successors and permitted assigns. An "Affiliate" for purposes of this Section 12 shall mean any entity which directly controls, is under common control with, or is directly or indirectly controlled by the party seeking to assign its rights and obligations hereunder.

THIS PA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. 18. TERM & TERMINATION

The term of this PA (the "Term") shall commence on the Effective Date and shall expire after a period of **number (#)** years. The parties understand that PARTICIPANTS ordering Products pursuant to the Master Agreement may extend for multiple years after the Term of the Master Agreement. The expiration or termination of the Master Agreement shall not affect VENDOR's obligation to deliver Products as ordered by PARTICIPANTS pursuant to this PA.

TERMINATION OF CONTRACT

Without limiting any rights or remedies which PARTICIPANT may have in the event of any default by VENDOR, PARTICIPANT shall have the right, upon fifteen (15) days' prior written notice to VENDOR, to terminate this PA at any time and without cause prior to complete delivery. Such termination shall be without any obligation or liability to VENDOR other than payment of charges for the value of work performed, and for necessary expenditures which can be established by VENDOR as having been reasonably incurred prior to the time that notice of termination is given. In no event shall the termination charges exceed the purchase price of the equipment/services. In the event of any termination, PARTICIPANT shall be entitled to all materials, work in process, and completed work included as value of work performed and necessary expenditures in determining the charges referred to above and paid by PARTICIPANT. VENDOR agrees to allow mutual contract termination in whole or in part, in the event that PARTICIPANT does not allocate funding for the continuation of this contract or any portion thereof. In the event of termination due to non-allocation of funds, both parties shall be held without fault and there shall be no financial consequences assessed as a penalty on either party.

If any additional Contract documents are executed, the actual Insurance Requirements may include additional provisions as deemed appropriate by Ed Tech JPA and the Participating Associate Member. All insurers must be duly licensed and admitted by the State of California.

Mandatory Requirements (unless Participating Associate Member reduces or excludes coverage requirements)

1. Commercial General Liability insurance for bodily injury and property damage, including accidental death in the combined single limit of not less than \$1,000,000 per occurrence (\$2,000,000 aggregate) and \$3,000,000 Excess/Umbrella Liability.

Minimum Limits (If required by Participating Associate Member)

1. Workers' Compensation and Employer's Liability insurance in the amount of not less than \$1,000,000 per occurrence.

Any insurance proceeds in excess of the specified limits and coverage required, which are applicable to a given loss, shall be available to Ed Tech JPA or Participant, as applicable. No representation is made that the minimum Insurance requirements of this agreement are sufficient to cover the indemnity or other obligations of the Vendor under this RFP, Master Agreement and Purchase Agreements with Associate Members.

Optional Insurance

Cyber Risk insurance to cover both tangible and intangible property risk of the system and data, as well as third party liability for breaches of security is encouraged, but not required by EdTech JPA. Media liability, including infringement of copyright, trademark and trade dress (intellectual property by appearance of product, design, or packaging); iii. Cyber extortion; and iv. Privacy. The Policy should include, or be endorsed to include, property damage liability coverage for damage to, alteration of, loss of, or destruction of electronic data and/or information "property" of the Agency in the care, custody, or control of the Vendor.

Additional Insured Endorsement Language

"[Participating Associate Member Name], its Board of Trustees, officers, agents, employees, and volunteers are named as additionally insured on this policy pursuant to written contract, agreement, or memorandum of understanding. Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

5. **Severability.** Any provision of this DPA that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this DPA, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the Parties, it shall, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.
6. **Governing Law: Venue and Jurisdiction.** THIS DPA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF THE LEA, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. EACH PARTY CONSENTS AND SUBMITS TO THE SOLE AND EXCLUSIVE JURISDICTION TO THE STATE AND FEDERAL COURTS FOR THE COUNTY OF THE LEA FOR ANY DISPUTE ARISING OUT OF OR RELATING TO THIS DPA OR THE TRANSACTIONS CONTEMPLATED HEREBY.
7. **Successors Bound.** This DPA is and shall be binding upon the respective successors in interest to Provider in the event of a merger, acquisition, consolidation or other business reorganization or sale of all or substantially all of the assets of such business. In the event that the Provider sells, merges, or otherwise disposes of its business to a successor during the term of this DPA, the Provider shall provide written notice to the LEA no later than sixty (60) days after the closing date of sale, merger, or disposal. Such notice shall include a written, signed assurance that the successor will assume the obligations of the DPA and any obligations with respect to Student Data within the Service Agreement. The LEA has the authority to terminate the DPA if it disapproves of the successor to whom the Provider is selling, merging, or otherwise disposing of its business.
8. **Authority.** Each party represents that it is authorized to bind to the terms of this DPA, including confidentiality and destruction of Student Data and any portion thereof contained therein, all related or associated institutions, individuals, employees or contractors who may have access to the Student Data and/or any portion thereof.
9. **Waiver.** No delay or omission by either party to exercise any right hereunder shall be construed as a waiver of any such right and both parties reserve the right to exercise any such right from time to time, as often as may be deemed expedient.

ED TECH JPA MASTER AGREEMENT: RFP No. 20/21-02 Web Design & Hosting

This Master Agreement ("MA"), is made as of March 25, 2021 ("Effective Date"), by and between the Education Technology Joint Powers Authority ("ED TECH JPA") and Active Internet Technologies (dba Finalsite) ("VENDOR").

BACKGROUND

A. Education Technology JPA is a Joint Powers Authority formed by California public school districts, county offices of education, and community college districts pursuant to California Government Code Sections 6500-6536. ED TECH JPA aggregates purchasing power and expertise for its Associate Members across California.

B. ED TECH JPA establishes its contracts for products and services through the following process:

1. On December 8, 2020 ED TECH JPA issued a Request for Proposal for web design and hosting services (the "RFP") on behalf of ED TECH JPA members. ED TECH JPA invited qualified vendors to submit pricing products and services in response to the RFP.
2. ED TECH JPA published the RFP on its Website and in a local periodical:
3. ED TECH JPA received one or more responses to the RFP. ED TECH JPA evaluated all responses which complied with the terms of the RFP, using the following criteria: Functionality and Usability, Vendor Support and Ability to Perform, Price, and Technology Requirements.
4. ED TECH JPA selected VENDOR for an award under the RFP for web design and hosting services (the "Products"). The parties are entering this Master Agreement ("MA") to evidence the terms and conditions of that award.

AGREEMENT

Now, therefore, for good and valuable consideration, the parties agree as follows.

1. GRANT AND ACCEPTANCE OF AWARD

ED TECH JPA awards this MA to VENDOR under the RFP with respect to the products or services ("Products") at the prices listed in Exhibit A. VENDOR accepts the award and confirms VENDOR's acceptance of all terms and conditions of the RFP, which are incorporated herein by this reference. VENDOR's proposal in response to the RFP ("VENDOR's Proposal"), and the California Student Data Privacy Agreement are incorporated herein by this reference. This MA includes the services and pricing offered in VENDOR's Proposal, as identified in Appendix C, Pricing Form. Prices will remain valid for all Participating Associate Members of ED TECH JPA through the expiration of the MA.

2. TERM

The term of this MA (the "Term") shall commence on the Effective Date and shall expire after a period of three (3) years. The MA may be extended for up to two additional one (1) year terms beyond the original term, for a total of up to five (5) years. The parties understand that Participants may order Products under this MA to be delivered after the Term of this MA; in some cases,

Products may be delivered over multiple years after the Term. The expiration or termination of this MA shall not affect VENDOR's obligation to deliver Products as ordered by Participants during the Term.

3. PARTICIPANTS

The pricing, terms, and conditions of this MA will be made available to ED TECH JPA Founding Members, Associate Members and to other "Eligible Entities" who elect to become Associate Members of the ED TECH JPA. Eligible Entities are all California public school districts, county offices of education, and community college districts, and any other public agency in the United States whose procurement rules, whether internal rules or rules enacted pursuant to statute, allow them to purchase Products through a procurement vehicle such as ED TECH JPA. A "Participant" or "Participating Associate Member" is an Eligible Entity who chooses to purchase items through this MA, including Associate Members and Founding Members.

VENDOR acknowledges that each Participant is responsible for (a) completing their own due diligence regarding the suitability of VENDOR and Products for Participant's needs, (b) entering into one or more Purchase Agreements with VENDOR to document the quantities, total costs, and delivery terms for Products, (c) and coordinating implementation of Products with VENDOR. VENDOR is not under any contractual obligation to provide Products to Participants until such time as both a MA and a Purchase Agreement have been fully executed. The RFP was conducted for the limited purposes specified in the RFP. ED TECH JPA does not provide assurance or warranty to VENDOR with respect to other issues, including Participant's payments to VENDOR. ED TECH JPA will not assist in implementation or represent VENDOR in the resolution of disputes with Participants.

4. PURCHASE AGREEMENTS

Participating Associate Members may browse products in the JPA website. Prior to executing the Purchase Agreement ("PA"), Associate Members will work with a VENDOR representative to determine the VENDOR implementation timeline and implementation plan ("Implementation Plan") as further described in Section 2.2 of the RFP. To confirm Participant's request to buy Products using the RFP, Participant and VENDOR must complete and execute a Purchase Agreement ("PA") for the specific Products and provide that PA to ED TECH JPA. The PA is included herein in this Appendix A for reference.

The PA will contain a general description of the Products ordered, contact information for VENDOR and Participant related to purchase and sale of the Products, and an acknowledgement that the purchase is subject to the terms of the RFP and this MA. Participant and VENDOR may agree on contingencies, such as timing contingencies, applicable to delivery of Products.

A report outlining all completed PAs must be presented to ED TECH JPA at the same time the Administrative Fee is paid to Ed Tech JPA, at the same due date listed in Section 15.b.. VENDOR will work directly with a Participating Associate Member to fulfil the order according to the parties' agreed-upon Implementation Plan. ED TECH JPA is not responsible to verify payment to vendor.

5. PROGRAM PROMOTION

It is in the interest of both parties that **VENDOR** will promote and support **ED TECH JPA** Master Agreements using methods that best suit the **VENDOR**'s business model, organization, and market approach. **ED TECH JPA** specifically desires **VENDOR** to generate interest in the **MA**, and direct its existing clients who are Eligible Entities to use its **MA** as **VENDOR**'s preferred form of contracting with Eligible Entities.

VENDOR may be asked to participate with **ED TECH JPA** staff in related trade shows, conferences, and online presentation to promote the **MA**. **ED TECH JPA** will promote **MAs** through the creation of marketing materials, as well as active outreach to its constituents.

ED TECH JPA expects **VENDOR**'s field and internal sales forces will be trained and engaged in use of the **MA** for the duration of the contract term. **VENDOR** agrees that all sales will be accurately and timely reported to **ED TECH JPA**. **VENDOR** shall provide a single point of contact with the authority and responsibility for the overall success of promotion of the **MA**.

ED TECH JPA may schedule periodic reviews with **VENDOR** to evaluate **VENDOR**'s performance of the commitments outlined in this **MA**, as well as leads, current projects and projected sales.

6. INVOICING FOR SERVICES

VENDOR shall invoice each Participant for Products and Participant shall disburse payment to **VENDOR** upon receipt of the Board approved, executed Purchase Agreement between Participating Associate Member and **VENDOR**. **ED TECH JPA** does not guarantee timely payment. The Purchase Agreement is between **VENDOR** and Participant.

7. PRODUCT ADDITIONS/DELETIONS

VENDOR may add or delete Products introduced or removed from the market by the manufacturer under the following conditions:

- A) Deleted Products have been discontinued and are no longer available from the manufacturer;
- B) Added Products are either a direct replacement or are substantially equivalent to original products listed in the RFP, **VENDOR**'s Proposal, the Master Agreement and/or any Purchase Agreements, or Added Products are enriched capabilities, new modules, technology advancements, and/or service categories within the web design and hosting solution that **VENDOR** did not have at the time the RFP Proposal was submitted;
- C) **VENDOR** has obtained prior written Board approval from Ed Tech JPA;
- D) **VENDOR** receives an executed Amendment to the Master Agreement;
- E) **VENDOR** has obtained prior written Board approval from Participating Associate Members; and
- F) **VENDOR** receives an executed Amendment to the Purchase Agreement.

8. MINIMUM PRICE GUARANTEE

VENDOR agrees not to sell directly, or through a reseller, to **ED TECH JPA**'s Eligible Entities (regardless of whether the Eligible Entity is an Associate Member of the **ED TECH JPA**), including

all California public school districts, county offices of education, and community college districts, and any other public agency in California whose procurement rules, whether internal rules or rules enacted pursuant to statute, allow them to purchase goods or services through a procurement vehicle such as ED TECH JPA, the Products(s) subject to the Master Agreement at a price lower than the price offered pursuant to the RFP and this Master Agreement.

During the period of delivery under a contract resulting from this RFP, if the price of an item decreases, Ed Tech JPA Participating Associate Members shall receive a corresponding decrease in prices on the balance of the deliveries for as long as the lower prices are in effect. Vendor agrees to amend the Master Agreement to reflect the decreased pricing. At no time shall the prices charged to Ed Tech JPA Participating Associate Members exceed the prices under which the RFP was awarded. Ed Tech JPA Participating Associate Members shall be given the benefit of any lower prices which may, for comparable quality and delivery, be given by the Vendor to any other school district or any other state, county, municipal or local government agency in a California County for the product(s) listed in the RFP.

9. EXPENSES.

ED TECH JPA shall not be liable to VENDOR for any costs or expenses paid or incurred by VENDOR in providing Products and Services for ED TECH JPA or Associate Members.

10. COMPLIANCE WITH APPLICABLE LAW

The Products completed herein must meet the approval of the ED TECH JPA and shall be subject to the ED TECH JPA's general right of inspection to secure the satisfactory completion thereof. VENDOR agrees to comply with all federal, state and local laws, rules, regulations and ordinances that are now or may in the future become applicable to VENDOR, VENDOR's business, the Products, equipment and personnel engaged in Products covered by this MA or accruing out of the performance of such Products. If VENDOR performs any work knowing it to be contrary to such laws, ordinances, rules and regulations, VENDOR shall bear all costs.

11. DATA PRIVACY

VENDOR agrees that all products and services are fully compliant with all applicable requirements including all state and federal laws. VENDOR has executed the California Student Data Privacy Agreement (CSDPA), attached to the RFP as Appendix E.

12. PERMITS/LICENSES

VENDOR and all VENDOR's employees or agents shall secure and maintain in force such permits and licenses as are required by law in connection with the furnishing of Products pursuant to this MA.

13. INSURANCE

VENDOR shall insure VENDOR's activities in connection with the Products under this MA and agrees to carry insurance as specified in the RFP to ensure VENDOR's ability to adhere to the indemnification requirements under this MA.

14. TRANSACTION REPORTING

VENDOR will comply with all reasonable requests by ED TECH JPA for information regarding VENDOR’s transactions with Participants, including transmittal of transaction data in electronic format. VENDOR will report to ED TECH JPA all Services ordered by Participants, in reasonable detail, the reporting period outlined in section 15.B. of this MA. VENDOR acknowledges that ED TECH JPA will track the use of this MA through databases managed by ED TECH JPA. A template Usage Report is attached hereto as Exhibit B.

15. ADMINISTRATIVE FEE

A. VENDOR agrees to pay ED TECH JPA an administrative fee (the “Administrative Fee”) calculated as four percent (4%) of the gross invoiced amount of any Participant agreement with VENDOR based on an award under the RFP and all revenue derived directly from any Participant Agreement, including any Additional Services, or agreement extensions or renewals. Vendors whose gross sales exceed two million dollars (\$2,000,000.00) each fiscal year may receive a discount and pay Administrative Fees as follows:

Sales Amount*	Administrative Fee**
\$2,000,000.00 - \$3,999,999.99	3.5%
\$4,000,000.00 and above	3%

*The fiscal year term is July 1 - June 30.

**Sales are the annual gross amount invoiced of any Participant Agreement with VENDOR based on an award under the RFP and all revenue derived directly from any Participant Agreement, including any Additional Services, or agreement extensions or renewals.

***Any discounted Administrative Fee shall be applied to Sales in the quarter after the minimum threshold has been met. Discounted Administrative Fees shall revert to four percent (4%) after the minimum threshold is no longer met.

For purchases made with federal funds, a different fee structure may apply. Computations of the Administrative Fee shall exclude state, local, or federal taxes levied on invoiced amounts. Unless otherwise stated herein, the Administrative Fee is not refundable to Participants or Vendors under any circumstances. In the event ED TECH JPA’s operating costs increase, the Administrative Fee is subject to an increase to offset such increased costs. Any increase shall be authorized by Ed Tech JPA’s Board of Directors (“Board”) and shall take effect on the day approved by the Board. Any increase shall be communicated to Vendors with no less than thirty (30) days notice from ED TECH JPA, and VENDOR shall be permitted to amend this MA to increase pricing in the attached Exhibit A in direct proportion to the adjusted Administrative Fee. Such amendment shall take immediate effect and apply to all Purchase Agreements executed after the execution date of the Amendment.

B. Administrative Fees shall be reported and payable at the end of each quarter as follows:

Reporting Period	Due Date
January 1 - March 31	April 30
April 1 - June 30	July 31
July 1 - September 30	October 31

- C. VENDOR must submit a check, payable to Education Technology Joint Powers Authority remitted to:
 Ed Tech JPA
 % Clovis Unified School District
 Business Services Department
 1450 Herndon Ave

- D. The administrative fee shall not be included as an adjustment to VENDOR's Ed Tech JPA Master Agreement pricing.
- E. The administrative fee shall not be invoiced or charged to the Participating Associate Member.
- F. Payment of the administrative fee is due irrespective of payment status on orders or service contracts from Participating Associate Member.
- G. Any payments that a VENDOR makes or causes to be made to Ed Tech JPA after the due date as indicated on the Quarterly Report Schedule shall accrue interest at a rate of eighteen percent (18%) per annum or the maximum rate permitted by law, whichever is less, until such overdue amount shall have been paid in full. The right to interest on late payments shall not preclude Ed Tech JPA from exercising any of its other rights or remedies pursuant to this agreement or otherwise with regards to Vendor's failure to make timely remittances.

Finalsite Acquires the Blackboard K-12 Division of Anthology

Combination Creates a Leading Global Provider of K-12 School Website and Digital Communication Tools

Glastonbury, Conn. and Boca Raton, Fla. – Sept. 15, 2022 – [Finalsite](#), a global leader in K-12 independent school website and digital communications software and services, and [Anthology](#), a leading provider of education solutions that support the entire learner lifecycle, today announced that Finalsite has acquired the Blackboard K-12 Community Engagement division (“Blackboard K-12”) from Anthology. Blackboard Community Engagement solutions include Blackboard Web Community Manager, Blackboard Connect, Blackboard Reach, Blackboard Mass Notifications, and the Blackboard Mobile Communications App, which primarily serve public K-12 districts and schools.

This combination of complementary solutions creates a leading global provider of website, marketing, and communications software and services for K-12 schools, with a total client base of over 7,000 schools and districts across 115 countries, as well as expanded resources to provide customers even higher levels of service and support. With the addition of Blackboard K-12, Finalsite can provide its clients enhanced access to more solutions, services, and thought leadership designed expressly for K-12 institutions, delivered and supported by a focused team of industry experts.

“Our mission is to help schools prepare students to be successful in the wider world,” said Jon Moser, Finalsite’s Founder and CEO. “This acquisition brings together the brightest minds in K-12 edtech, accelerating transformative improvements in everything from our product development to our customer service. Together, we will elevate school-to-home engagement and improve outcomes for schools – and learners – globally.”

“The foundational years in K-12 have a tremendous impact on a student’s education experience. That’s why it’s imperative for schools and districts to have access to the right technology to lay the foundation for lifelong learning,” said Lee Blakemore, President of Blackboard K-12. “With Finalsite’s comprehensive portfolio, our K-12 clients will be positioned to continue to deliver critical communications at scale while receiving the comprehensive and dedicated support for which we are known.”

This transaction enables Anthology to continue its accelerated investment in Blackboard Learn Ultra, Anthology Student, and other areas of the business where Anthology can provide significant value to the global education community. K-12 schools that use Blackboard Learn will be positioned to continue partnering with Anthology as their learning management system provider to support a flexible, intuitive learning environment for faculty and students.
