Community Schools, Thriving Students

Our Vision

All OUSD students will find joy in their academic experience while graduating with the skills to ensure they are caring, competent, fully-informed, critical thinkers who are prepared for college, career, and community success.

Our Mission

Oakland Unified School District (OUSD) will build a Full Service Community District focused on high academic achievement while serving the whole child, eliminating inequity, and providing each child with excellent teachers, every day.

Elmhurst United 7th Graders Learn About Space and the Environment on an Overnight Stay at Chabot Space & Science Center

A group of 7th graders from Elmhurst United Middle School had an exciting time on February 24-25, when they did an overnight trip to the Chabot Space & Science Center and visited Redwood Regional Park in the Oakland hills.

Along with 8 school staff members, 75 young people visited the park where they learned about California Redwoods from an expert, practiced scientific observation in nature, practiced mindfulness, and went on a hike - even through fresh snow.

They also explored Chabot Space & Science Center. Additionally, they completed a science lab where they created “meteors,” learned about the constellations in a guided planetarium show, and looked through the observatory’s telescopes at the night sky.

Personalized Supports Lead to Improved Graduation Rates

Initiative: Empowered Graduates

www.ousd.org/strategicplan

Our commitment to investing in and creating systems of personalized supports for student groups that are furthest from opportunity is paying off.

Below are several OUSD high schools with graduation rates already over 80%, that showed an additional 3pp growth overall last year, along with excellent growth for certain student groups.

Madison Park Academy

- Overall: 94%-97.6% (3.6pp)
- Latino students: 94.0%-98.5% (4.5pp)

McClymonds High School

- Overall: 82.8%-88.2% (5.4pp)
- African American male students: 75%-90.5% (15.5pp)

Oakland High School

- Overall: 83%-87% (4pp)
- African American male students: 77.5%-86.8% (9.3pp)

CSM at CCPA is Author Whose Books are Featured at Target Stores

CCPA's Community School Manager, Claudia Walker, missed school last week, but not because she was sick or at an education conference. The longtime educator is also an author of children's books, whose work was featured in Target Stores for Black History Month. Receiving that kind of attention can also bring unexpected benefits: the Target success led to Walker visiting the White House on Tuesday, February 28.

Walker has written seven books, including books about HBCUs (Historically Black Colleges and Universities) and Black Wall Street, the wealthy Black neighborhood in Tulsa, Oklahoma that was attacked 100 years ago. "I'm a mom of three, and I read books to them at night, and I just recognized that there was a gap in the market for books that highlighted the things that I thought were important, specifically around Black colleges, Black culture, financial literacy."

The applications counts represent the number of applications submitted to OUSD Districtwide. This does **NOT represent that OUSD has met its enrollment projections for 23-24. Application counts are a critical enrollment health benchmark. Once a family has accepted, enrolled, and attended school on the first day of class, the student will show up in OUSD's Fall enrollment counts. At this time, some schools have much fewer applications than projected seats offered at the school.*
