

# Recommendation for School Consolidations

January 31, 2022: Resolution 2122-0026  
Kyla Johnson-Trammell, Superintendent  
Sondra Aguilera, Chief Academic Officer

Monica Thomas, Deputy Chief of Continuous School Improvement

# Ask of the Board

---

- Receive presentation regarding the proposed school consolidations; and
- Discuss proposals as desired.

# Overview

---

Presentation will:

- Share vision of why the District needs well-resourced schools;
- Share data used to form school consolidations recommendation, including program considerations;
- Review recommendations for school consolidations;
- Discuss vision for implementation: Welcoming Schools, Redesign, and student and staff case management.

# OUSD is a declining enrollment district

Note: Due to declining enrollment, the District will be funded using prior year ADA; thus, 2021-22 ADA will be used for the 2022-23 ADA projection which is expected to be better than actual 2022-23 ADA.

# Multi-Year Projection (MYP): Deficits in next two years

The District's 2022-23 and 2023-24 Fiscal Years are currently reflecting an Unrestricted General Fund **deficits of \$12.3M and \$7.1M**, respectively.

2021-22 First Interim Budget MYP Fund Balance Summary - Unrestricted

	2021-22 Unrestricted	2022-23 Unrestricted	2023-24 Unrestricted
<b>A. Revenues</b>			
5) Total Revenues	\$ 425,581,067	\$ 402,916,760	\$ 416,729,777
<b>B. Expenditures</b>			
9) Total Expenditures	\$ 324,630,079	\$ 320,712,302	\$ 327,670,786
<b>C. Excess (Deficiency) of Revenues Over Expenditures</b>	\$ 100,950,988	\$ 82,204,459	\$ 89,058,991
<b>D. Other Financing Sources/Uses</b>			
4) Total, Other Financing Sources/Uses	\$ (83,694,346)	\$ (94,578,663)	\$ (96,196,376)
<b>E. Net Increase (Decrease) in Fund Balance (C + D4)</b>	\$ 17,256,642	\$ (12,374,205)	\$ (7,137,385)
<b>F. Fund Balance, Reserves</b>			
1) Beginning Fund Balance			
a) Adjusted Beginning Balance (F1c + F1d)	\$ 60,443,968	\$ 77,700,610	\$ 65,326,405
2) Ending Balance, June 30 (E + F1e)	\$ 77,700,610	\$ 65,326,405	\$ 58,189,020

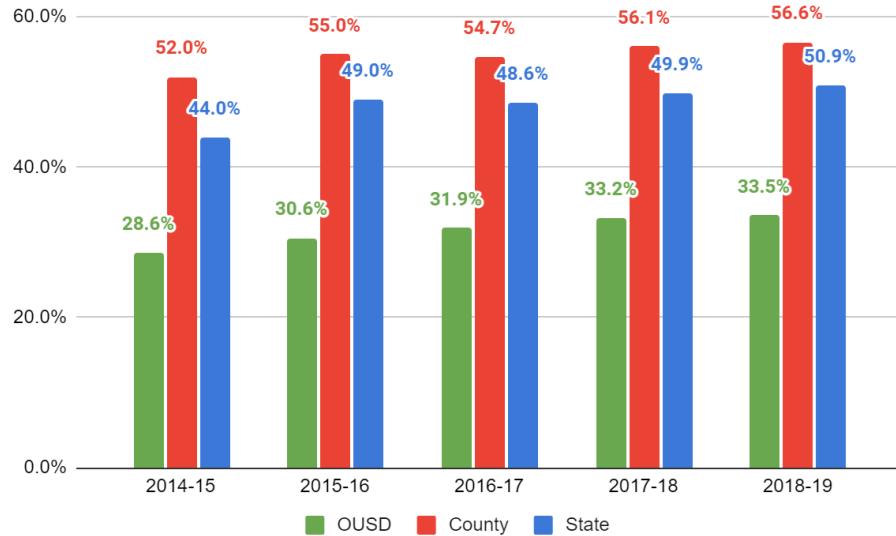

- The projected deficits largely reflect declines in revenue due to lower projected enrollment and attendance ADA.
- While expenditures are projected to initially decrease slightly, they will not compensate for the large loss in revenue.
- Any future adjustments that impact positions or compensation will impact the deficits in 2022-23 and 2023-24

# Key Dilemmas

---

- ✓ Under-enrolled schools: 19/51 elementary schools are smaller than the OUSD's fiscal sustainability threshold of 304 students
- ✓ Operate more schools than resources can support, although OUSD is 2nd in CA for Local Restricted Revenue
- ✓ Inadequate investment in wraparound services to implement Community Schools
- ✓ Pay less to OUSD employees in a city with high cost of living

# All our adjustments seek to preserve efforts to achieve our Mission and Vision in alignment with our Strategic Plan

## OUR VISION

All OUSD students will find joy in their academic experience while graduating with the skills to ensure they are caring, competent, fully-informed, critical thinkers who are prepared for **college, career, and community success.**

## OUR MISSION

OUSD will build a Full Service Community District focused on high academic achievement while serving the whole child, eliminating inequity, and providing each child with excellent teachers, every day.

# We must deepen investments for the future of our students

The world of our students' future will demand a higher standard in many areas:

- ✓ The ability to read, write, and analyze complex information
- ✓ Social emotional skills
- ✓ Creativity
- ✓ Critical thinking
- ✓ Decision-making

# OUSD District-Wide Community Schools

Investment in services that are embedded within a Multi-Tiered System of Support in both wraparound social-emotional supports and academic supports:

- ✓ Academic acceleration to bring students on or above grade level;
- ✓ Wraparound supports: Mental Health, Peer Restorative Justice, Student Council;
- ✓ Attendance Teams improve students attendance at school;
- ✓ Robust Family Engagement supports to empower families;
- ✓ Staff to Build Community Partnerships to support students and families;
- ✓ Build Expanded Learning Opportunities with After school and Summer Learning;
- ✓ Restorative Justice Supports;
- ✓ Health Services & School-Based Health Centers; and
- ✓ Joyful schools with expansive arts, music and sports programming.

# OUSD Fiscal Sustainability of Schools

**OUSD Sustainability**

**Elementary**  
Minimum Size: 304 Students

**Middle School:**  
Minimum Size: 381 Students

**High School:**  
Minimum Size: 519 students

**Alt Ed Sites:**  
Across the state have various different size and grade level configurations. The total number of Alt Ed Schools will be presented.

6-12 Grade Configurations were left out of the analysis as they are not present in many school districts.  
K-8 Configurations were included in all elementary sustainability size accounting.

# Example of Hard Decisions and Tradeoffs

There are over **\$3.2 billion** worth of repairs to our facilities based on the **Facilities Master Plan**.

To remain fiscally solvent the district has had to:

- **NOT** fund the [deferred maintenance fund](#) from 2013-14 to 2018-19 leaving our facilities in disrepair
- Reduce the deferred maintenance fund by \$2M leaving off floor replacements, security fencing around schools, furnace units in classrooms, roofing projects, and lights on sports fields.
- Develop budget solutions in the 2019-20 budget reduction moved \$3.2 M of our maintenance budget to cover custodial staffing resulting in staffing reductions to just 3 roofers for all 108 buildings. The past storm we had over 900 leaks across the district that needed repairing by the team of 3.

# Two Paths to Take

## Unique Window of Opportunity

- \$10 Million in **1-Time** Funds AB1840
- COVID **1-Time** Funds that sunset 2023-2024

- ❖ Subsidize under-enrolled schools to maintain current staffing levels for basic operations
- ❖ Maintain non-competitive compensation and the resulting retention and performance challenges
- ❖ Plan for ongoing budget cuts to support basic staffing and operations as revenue grows slower than compensation needs
- ❖ Make peace with reduced central support, poorly maintained facilities and compromised staff morale

- ❖ Reinvest in communities of greatest need and opportunity
- ❖ Provide more robust academic and extracurricular programming with site enrollment to maintain it
- ❖ Use most unused real estate for alternative community-focused resources and programs
- ❖ Accelerate effort to increase compensation and professional development to benefit students and staff

## Three layers of investment at Welcoming Schools

### Facilities improvement for a welcoming environment

- Playground, landscaping improvement
- Painting, signage

### Site-based case management and welcoming activities

- Support for families as they transition to new school sites
- Rituals and routines for thoughtful close out and entry to new school

### Professional Development and relationship-building

- Focus on inclusive practices and accelerated learning
- Building strong teams and managing through change

# Case Management for Phase 1 Students: Opportunity Ticket and School Placements

- Students attending schools that are being closed, merging onto a different site, or are part of a grade configuration change will receive the **Opportunity Ticket** enrollment priority.
  - This goes *above* neighborhood priority for up to 50% of open seats.
- Prefill applications with Welcoming Schools (closest schools first) + 3 other closest schools.
- Enrollment staff will call families to see if they would like to change their school choices or re-rank them.
- Additionally:
  - Outreach to incoming families whose only choices are closing schools (21 families thus far)
  - Attendance boundaries for school closures should be redrawn, based on analysis and community input, by August 2022.

# Case Management Staff: Talent Team

---

- Staff at all impacted sites will receive personalized, 1:1 support from Talent;
- The goal is to meet individually with all staff at impacted sites and to be available 3-5 times over the course of the spring semester on site for initial, ongoing and follow up support.
  - 1) **Support** staff in the close/merge process;
  - 2) **Connect** staff with needed resources and information; and
  - 3) **Retain** staff in the district to reduce vacancies overall.

# Adult Learning in Service of Students

## The experience for our design team:

- **\*Affective Learning is reflective:** Learning involving feelings
  - Team feels supported, inspired, loved, challenged, seen, and empowered
- **\*Imaginal Learning invokes the imagination:** Learning involving intuition and imagery
  - Team reimagines the future for students and community that builds on the past but addresses the very real challenges of persistently low outcomes for the same groups of students
- **\*Conceptual Learning is content oriented:** Learning about a particular subject matter
  - Team grounds in best practices of school, instructional, and organizational improvement
- **\*Practical Learning is product oriented:** Concepts intentionally applied to action
  - Team takes direct action to implement improvement plans

# Action for Transition to Welcoming Schools

Action	Cost
Convene cross-stakeholder welcome teams to plan for students transferring from closed site and develop “Welcome to School” plans.	Approx \$25,000 per Welcoming School for stipends and hourly pay for participants + food, childcare, and translation for meetings
Ongoing professional development and support sessions for leaders of Welcoming Schools	Provided by OUSD staff (cross-departmental effort) and Community-Based Organizations
