Subject Charter School Spotlight Presentation - ARISE High School

Ask of the Board Discussion

Background Currently, there are few opportunities for the OUSD Board and charter schools to interact outside of Prop 39 decisions, material revisions, and renewals, the latter of which has been delayed for two years per Assembly Bill 130. In order to address this gap, the Office of Charter Schools organized charter school presentations to take place at Charter Committee Meetings, per the Charter Committee’s request.

The April School Spotlight will be presented by Karla Gandiaga, Head of School at ARISE High School. For a snapshot of background information on this school, see the Appendix below.

Discussion This serves as an opportunity for this charter school to check-in with the Board about successes and growth areas outside of the normal renewal timeline.
