# Madison Park Academy Statement

Dear OUSD community,

On Monday, August 29th a devastating event occurred at Madison Park Academy Middle School that resulted in one of our fellow students being injured. We feel sadden, shocked and fearful to have this happen in our other school communities. We do not want this to be a continuing cycle in America's school system. We want every student, educator, family, and staff to feel safe at school. We want to send love, strength and healing to those who have been impacted by this event. Please take care of yourself and those around you.
