25th Annual Peer Resource & Ethnic Studies Conference

OUSD Middle School student participants get to learn and experience cultural performances, speakers, community and school resources, and workshops led by some of our amazing community organizations and OUSD departments on topics that support the continued development of school-linked services through the use of Peer Resources. Year after year, we are proud to have youth lead the majority of our conference workshops and restorative justice circles.

If you know any community based organizations or youth groups that might be interested in leading a workshop, reachout to our adult ally at citlali.espinoza@ousd.org.

More information to come!
