If no Start Date is entered, then the Start Date shall be the latest of the dates on which each of the PARTIES signed this Agreement.

- b. The work shall be completed no later than the below date (“End Date”):

05/25/2022

If no End Date is entered, then the End Date shall be the first June 30 after the Start Date. If the term set forth above would cause the Agreement to exceed the term limits set forth in Education Code section 17596, the Agreement shall instead automatically terminate upon reaching said term limit.

2. **Services.** VENDOR shall provide the services (“Services”) as described in #1A and #1B of **Exhibit A**, attached hereto and incorporated herein by reference. To the extent that there may be a school closure (e.g., due to poor air quality, planned loss of power, COVID-19) or similar event in which school sites and/or District offices may be closed or otherwise inaccessible, VENDOR shall describe in #1B of **Exhibit A** whether and how its services would be able to continue.

3. **Alignment and Evaluation.**

- a. VENDOR agrees to work and communicate with OUSD staff, both formally and informally, to ensure that the Services are

aligned with OUSD's mission and are meeting the needs of students as determined by OUSD.

- b. OUSD may evaluate VENDOR in any manner which is permissible under the law. OUSD's evaluation may include, without limitation: (i) requesting that OUSD employee(s) evaluate the performance of VENDOR, each of VENDOR's employees, and each of VENDOR's subcontractors, and (ii) announced and unannounced observance of VENDOR, VENDOR's employee(s), and VENDOR's subcontractor(s).
4. **Inspection and Approval.** VENDOR agrees that OUSD has the right and agrees to provide OUSD with the opportunity to inspect any and all aspects of the Services performed including, but not limited to, any materials (physical or electronic) produced, created, edited, modified, reviewed, or otherwise used in the preparation, performance, or evaluation of the Services. 5. **Data and Information Requests.** VENDOR shall timely provide OUSD with any data and information OUSD reasonably requests regarding students to whom the Services are provided. VENDOR shall register with and maintain current information within OUSD's Community Partner database unless OUSD communicates to VENDOR in writing otherwise, based on OUSD's determination that the Services are not related to community school outcomes. If and when VENDOR's programs and school site(s) change (either midyear or in subsequent years), VENDOR shall promptly update the information in the database.
6. **Confidentiality and Data Privacy.**
 - a. OUSD may share information with VENDOR pursuant to this Agreement in order to further the purposes thereof. VENDOR and all VENDOR's agents, personnel, employee(s), and/or subcontractor(s) shall maintain the confidentiality of all information received in the course of performing the Services,

The granting of any payment by OUSD, or the receipt thereof by VENDOR, shall in no way lessen the liability of VENDOR to correct unsatisfactory performance of Services, even if the unsatisfactory character of the performance was not apparent or detected at the time a payment was made. If OUSD determines that VENDOR's performance does not conform to the requirements of this Agreement, VENDOR agrees to correct its performance without delay.

Terms and Conditions

By virtue of submitting a proposal, each Bidder confirms that (a) it is agreeable to each and every provision of Attachment 1 – Contract Template and (b) that the District has the absolute right to delete existing and/or to include additional provisions in any resulting contract with a Bidder prior to execution of said contract(s) by the parties. In addition, consistent with Attachment 1 – Contract Template, by virtue of submitting a proposal each Bidder confirms the following:

1. Equal Opportunity – The Bidder must be an Equal Opportunity Employer, and shall be in compliance with the Civil Rights Act of 1964, the State Fair Employment Practice Act, and all other applicable Federal and State laws and regulations relating to equal opportunity employment. It is the policy of OUSD that in connection with all work performed under Contracts there be no discrimination against anyone because of race, color, ancestry, national origin, religious creed, physical disability, medical condition, marital status, sexual orientation, gender, or age; therefore, Bidder agrees to comply with applicable Federal and California laws including, but not limited to, the California Fair Employment and Housing Act beginning with Government Code Section 12900 and Labor Code Section 1735 and OUSD policy. In addition, Bidder agrees to require like compliance by all its subcontractors. Bidder shall not engage in unlawful discrimination in employment on the basis of actual or perceived; race, color, national origin, ancestry, religion, age, marital status, pregnancy, physical or mental disability, medical condition, veteran status, gender, sex or sexual orientation.
2. Errors and Omissions – If a bidder discovers any ambiguity, conflict, discrepancy, omission, or other error in the RFP, the bidder shall immediately notify the District of such error in writing and request clarification or modification of the document. Modifications will be made by addenda. Such clarification shall be given by written notice to all parties who have been furnished an RFP for bidding purposes, without divulging the source of the request for the same. Insofar as practicable, the District will give such notices to other interested parties, but the District shall not be responsible therefor. If a bidder fails to notify the District, prior to the date fixed for submission of bids, of an error in the RFP known to them, or an error that reasonably should have been known to them, they shall bid at their own risk; and if awarded the contract, the bidder shall not be entitled to additional compensation or time by reason of the error or its later correction. The bidder should carefully examine the entire RFP and addenda thereto, and all related materials and data referenced in the RFP or otherwise available to them, and should become fully aware of the nature and location of the work, the quantities of the work, and the conditions to be encountered in performing the work.
3. Bidder Agreement – In compliance with this RFP, the bidder will propose

and agree to furnish all labor, materials, transportation, and services for the work described and specifications and for the items listed herein. A bid is subject to acceptance at any time within sixty (60) days after opening of the same, unless otherwise stipulated. Bids cannot be corrected or altered after opening by the District.

4. Bid Signee – If the bidder is an individual or an individual doing business under a company name, the bid must, in addition to the company name, be signed by the individual. If the bidder is a partnership, the bid should be signed with the partnership name by one of the partners. If a corporation, with the name of the corporation by an officer authorized to execute a bid on behalf of the corporation.

5. Bidders' Understanding – It is understood and agreed that the bidder has been, by careful examination, satisfied as to the nature and location of the work; the character, quality and quantity of the materials to be provided; the character of equipment and facilities needed preliminary to and during the prosecution of the work; and general and local conditions, and all other matters which can in any way affect the work under the contract. No verbal agreement or conversation with any officer, agent or employee of the District, either before or after the execution of the contract, shall affect or modify any of the contractual terms or obligations.

6. Intent of Specifications – All work that may be called for in the specifications shall be executed and furnished by the successful bidder(s), and should any work or materials be required which is not denoted in the specifications, either directly or indirectly but which is nevertheless necessary for the execution of the contract, the bidder is to understand the same to be implied and required, and shall perform all such work and furnish any such material as fully as if it were particularly delineated or described.

7. Extra Work – No bill or claim for extra work or materials shall be allowed or paid unless the doing of such extra work or the furnishing of such extra materials shall have been authorized in writing by the District's Director of Transportation.

8. Defense, Indemnity & Hold Harmless – Contractor shall indemnify, hold harmless and defend OUSD and each of its officers, officials, employees, volunteers and agents from any loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by OUSD, Contractor or any other person and from any claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly out of performance of this Agreement. Contractor's obligations under the preceding sentence shall apply jointly and severally regardless of whether OUSD or any of its officers, officials, employees, volunteers or agents are actively or passively negligent, but shall not apply to any loss or liability, fines, penalties, forfeitures, costs or damages caused solely by the active negligence or by the willful misconduct of OUSD. If Contractor should subcontract all or any portion of the work or activities to be performed under this

MOU, Contractor shall require each subcontractor to indemnify, hold harmless and defend OUSD, its officers, officials, employees, volunteers or agents in accordance with the terms of the preceding paragraph. Contractor also agrees to hold harmless, indemnify, and defend the District and its elective board, officers, agents, and employees from any and all claims or losses incurred by any supplier, Contractor, or subcontractor furnishing work, services, or materials to Contractor in connection with the performance of this Agreement. This provision survives termination of this Agreement.

9. Disposition of Proposals – All materials submitted in response to this RFP will become the property of the District, and will be returned only at the District's option and at the bidder's expense. The original copy shall be retained for official files and will become a public record after the date and time for final bid submission as specified.

10. Terms of the Offer – The District's acceptance of Bidder's offer shall be limited to the terms herein unless expressly agreed in writing by the District. Proposals offering terms other than those shown herein will be declared non-responsive and will not be considered.

- The services that we will provide will include mentoring and monitoring sites and campuses to engage young people in participating in the educational experience.
- De-escalation and conflict resolution- helping young people develop the power of their voice, learning tools and techniques for resolving conflicts without violence.
- Within the mentoring relationship we plan to redirect negative behaviors, helps establish a productive climate on school's site. Being approachable so we can create an outlet for young people to feel safe in accessing support. Simply having a safe place to talk and vent.
- We will address the groups and network activities on sites, challenging young people to keep the school the safe zone by addressing the behaviors that takes place within the community, or via social media.
- We plan to create a culture of accountability and reestablish the schools as a place of learning and growing. For example, having and showing respect for self and other, protecting the values community, respecting the schools as the pillars of communities, embracing the historical context of generations coming through these same hallways and the legacy of families in school.
- We are all from Oakland, so another duty is tapping into the families to get the support and/or building a bridge of support from the students to the families and from the families back to the schools.
- Overall, we want to be a part of reducing violence in school, addressing community violence that impacts the students in the school and using mediations as a platform for restoring the dialuge.

I believe our model includes both services A and B. We plan to have weekly trainings to keep staff up to date with materials, discuss techniques that have worked and adjusting those that need to be. We intend on dealing with not just the school climate and culture but utilizing our relationships with parents and families we want to support the sporting events and community events that are not school related to build and extend out relationships. Through weekly training we will cover updated conflict resolution skills, restorative practices, and de-escalation techniques to better inform our work.

Value Category 3:

We have a number of years working in the schools from Middle Schools to High Schools, in Oakland and other Bay Area Cities. As stated before, we are all former OUSD graduates and residents of Oakland, so we know a lot of the parents and families as we have gone to school with them ourselves.

Our experience is in running groups, working individually supports the student's growth and addressing the behaviors that are counter-productive to learning. We have experience in showing up and working at site in crisis, where large fights have happened, or worst-case shootings have occurred. We have case management and life coaching certifications for some of our key staff. Our newer staff are mentored by those who have years of experience working in school and/or communities. We have experience in engaging parents and running mediations on sites and within communities. We come with a host of backgrounds that cover, mentoring, violence interruption, street outreach work, coaches and most importantly role models of the behaviors expected in school environments. We have and gain the respect of the students and families as we help set positive school climates.

We are currently providing services at Oakland High School, Skyline High School and McClymonds High Schools. Providing the services mentioned above.
