This Agreement continues an existing relationship between the District and TFA in which TFA recruits qualified new teachers for OUSD to place in hard to fill positions. The Agreement calls for TFA to recruit up to 50 teachers a year starting with the 2021-2022 school year through the 2023-2024 school year. With OUSD’s Talent Division Team, Teach For America will build a strong, diverse pool of candidates that are committed to Oakland students. The team will work to coach, develop, and build teaching and leadership skills of corps members in the classroom. This will be accomplished through the use of student data, observation of teachers, and in collaboration with school District managers to build a strong pipeline of high quality teachers, therefore, the OUSD Staff wishes to share student data information with Teach for America Inc., Bay Area CA.

Board Cover Memorandum

To Board of Education

From Kyla Johnson-Trammell, Superintendent
Tara Gard, Chief of Talent

Meeting Date February 24, 2021

Subject Professional Service Agreement/Contract with Teach for America, Inc.

Ask of the Board

- Approve Professional Service Agreement/Contract
- Ratify Professional Service Agreement/Contract

Services The Professional Service Agreement (“Agreement”) with Teach for America, Inc. (“TFA”) continues an existing relationship between the District and TFA in which TFA recruits qualified new teachers for the OUSD to place in hard to fill positions. The Agreement calls for TFA to recruit up to 50 teachers a year starting with the 2021-22 school year through the 2023-24 school year.

Term Start Date: February 25, 2021 End Date: June 30, 2024

Not-To-Exceed Amount \$250,000 per year; \$750,000 over the term of the Agreement.

Competitively Bid *Was this Professional Service Agreement/Contract competitively bid? No*
If the Professional Service Agreement/Contract was not competitively bid and the not-to-exceed amount is more than \$96,700, list the exception(s) that applies (requires Legal review/approval): [exception]

Additional Fiscal Impact The District would pay TFA \$5,000 annually for each TFA recruit placed in an OUSD school. With up to 50 teachers being placed, this is up to \$250,000 per year (same as the not-to-exceed amount identified above). Additionally, the District will be employing the TFA recruits as OUSD employees on the OUSD salary schedule, as appropriate. However, the District would need to fill these teaching position and, thus, there is no net fiscal impact of this.

Funding Source(s) Title II

Background The current contract with TFA expires on June 30, 2021. A new agreement is needed to continue the partnership for next year.

CORPS MEMBER SUPPORT STRUCTURES

We work with each corps member to develop a clear and robust support network that is specifically tuned to her or his content, classroom and school.

SUPPORTED BY

TFA Coach

Specialized in the educational needs of your students, TFA coaches support each corps member in their instructional practice. Coaches also work in partnership with your school team to provide highly relevant practice support aligned to your school's context.

National University

All first-year teachers take NU courses toward their credentialing and are observed and evaluated by field instructors. Self-selected second-year teachers take NU courses in pursuit of a Master in Education.

TFA Network

Corps members gain mentorship and access to high quality curriculum from TFA alumni. In addition, corps members may visit high performing TFA alumni-led schools to observe educator best practices.

TFA + School Site Collaboration

The TFA program team partners with school administrators to co-develop a common support plan for their teachers.

SUPPORTED THROUGH

Content Tracks

Targeted instructional skill development builds the foundational skills that a teacher needs in order to have all of their students grow one or more years in each content area they teach.

Diversity, Equity and Inclusion Learning

Communal DEI spaces deepen teacher knowledge, skill and will in building relationships and working across lines of difference to navigate complex challenges in pursuit of educational equity.

Emotional Resilience Training

First-year corps members proactively tackle educator stress through a series of skill builders and reflection exercises developed by Onward author and former educator Elena Aguilar.

Leadership Pathways

Second-year corps members form a more expansive theory of change and begin to determine the role they want to play in the longer term to contribute to educational equity by engaging in one of five leadership tracks: Civic Engagement, Innovative Collaboration, Mentorship, Educator Council, and Content Tracks.

Standards Institute

We are partnering with UnboundEd to design a two-day training that will be differentiated for our first- and second year corps members. Teachers will get to deepen their understanding of the major shifts in Common Core; assess their own lessons for rigor and practice specific skills to facilitate learning and support all learners (including English Learners and students with IEPs).
