Board Cover Memorandum

To Board of Education

From Kyla Johnson-Trammell, Superintendent
Sondra Aguilera, Chief Academic Officer
Jen Corn, Coordinator of Continuous Improvement

Meeting Date May 11, 2022 - Public Hearing; May 25, 2022 - Proposed Adoption

Subject Resolution No. 2122-0198 – Naming the elementary school formed by the merger of New Highland Academy and Rise Community School

Ask of the Board Public Hearing regarding the proposed name change for the New Highland Academy and Rise Community School merged school and obtain feedback from the community.

Background Board Policy (“BP”) 7310 states, Resolution No. 2122-0243 in relevant part, that: “Before adopting any proposed name, the Board shall hold a public hearing at which members of the public will be given an opportunity to provide input.”

On February 8, 2022 the Board of Education approved Resolution 22-0243, directing the Superintendent to merge RISE Community Elementary into New Highland Academy Elementary for 2022-23.

The school community proposes that the school name be changed to Highland Community School.

Discussion In order to determine a name for the merged school, school leaders solicited input from students. The team then narrowed the choices to a few options that represent the merged school’s mission and vision, and asked students, families, and staff to vote for their preferred school name.

After the Public Hearing, the intent would be to bring forward the proposed name for consideration by the Board on May 25, 2022.

Fiscal Impact Fiscal impact will include the cost of new signage and stationary.

Subject School Consolidations for 2022-23 and 2023-24

Ask of the Board Approval by the Board of Education of Resolution No. 2122-0030 - School Consolidations for 2022-23 and 2023-24.

Background On January 12, 2022, the Board of Education (“Board”) adopted Resolution No. 2122-0026 - Quality Instruction and Student Supports, Adequate Staffing, Competitive Compensation, and Long-Term Fiscal Stability. That Resolution directed the Superintendent to present “a list of the school consolidations (i.e., closures or mergers) that can be reasonably implemented by Fall 2022 and/or Fall 2023” at the “soonest reasonable opportunity.” As part of that presentation, Resolution No. 2122-0026 directed the Superintendent to include an analysis of the projected ongoing financial impact of the proposed consolidations.

At a special meeting on January 31, 2022, staff proposed the following school consolidations:

- Six school closures for 2022-23: Brookfield Elementary, Carl B. Munck Elementary, Community Day School, Grass Valley Elementary, Parker (K-8), and Prescott Elementary. Students in these schools would be provided with Opportunity Ticket enrollment preference for enrollment in 2022-23. Welcoming schools have also been identified for each of these schools.
- Two school closures for 2023-24: Fred T. Korematsu Discovery Academy Elementary and Horace Mann Elementary. Students in these schools would be provided with Opportunity Ticket enrollment preference for enrollment in 2023-24. Welcoming schools have also been identified for each of these schools.

- Four school mergers occurring over 2022-23 and 2023-24: RISE Community Elementary to merge into New Highland Academy Elementary for 2022-23; Westlake Middle to relocate to the West Oakland Middle campus for 2022-23 and then merge into West Oakland Middle for 2023-24; Dewey Academy High and Ralph J. Bunche Continuation High to relocate to the Westlake Middle campus for 2022-23 and then merge Dewey into Bunche for 2023-24; and Manzanita Community Elementary to merge into Fruitvale Elementary for 2023-24. Students at Westlake, Dewey, Bunche, and Manzanita Community would be provided with Opportunity Ticket enrollment preference as outlined in the proposed resolution.
- Two grade truncations: Eliminate grades 6-8 at La Escuelita for 2022-23 and eliminate grades 6-8 at Hillcrest for 2023-24. Impacted students (grades 5-7) would be provided with Opportunity Ticket enrollment preference for enrollment as outlined in the proposed resolution. Welcoming schools have also been identified for each of these schools.

Staff presented details on the specific proposed consolidations as well as the basis for selecting the proposed consolidations. The presentation also included a financial analysis of the proposed consolidations (with the exception of the closure of Community Day School).

Discussion

The proposed Resolution, which was included as part of the January 31, 2022 item, would authorize the proposed consolidations. As the proposed consolidations would have additional impacts, the Resolution also delegates to the Superintendent decisions regarding the relocation of impacted Special Day Classes and licensed child development classes. Lastly, the proposed Resolution, consistent with Resolution No. 2122-0026, would direct the Superintendent to develop a proposal for how any newly available facilities shall be utilized for District purposes no later than May 2022.

Fiscal Impact

See details in the fiscal impact presentation.

**RESOLUTION OF THE
BOARD OF EDUCATION OF THE
OAKLAND UNIFIED SCHOOL DISTRICT**

Resolution No. 2122-0030

School Consolidations for 2022-23 and 2023-24

WHEREAS, all students deserve safe schools with strong instruction and strong social-emotional supports—all things which require adequate staffing;

WHEREAS, underenrolled schools cannot support a sufficient number of staff to offer a strong instructional program nor can they properly serve as community schools;

WHEREAS, underenrolled schools also draw a disproportionate amount of resources to operate, which means that other, fully enrolled schools receive less revenue than they would otherwise, which negatively impacts these schools’ ability to properly serve as community schools and offer strong instructional programs;

WHEREAS, given that Measure Y will cover less than a quarter of the District’s \$3.4 billion in facility needs, the large number of sites increases the District’s deferred maintenance costs and spreads the District’s limited resources for deferred maintenance too thinly, which negatively impacts the District’s ability to maintain quality facilities for all students;

WHEREAS, the large number of sites increases the District’s operational costs (e.g., custodial, transportation, IT) and spreads the District’s limited resources for operations too thinly, which negatively impacts the ability to provide quality services to schools;

WHEREAS, as illustrated in the table below, other districts with a similar enrollment have significantly fewer schools and fewer teachers and other districts with a similar number of schools have significantly higher enrollment:

District	2020-21 Enrollment	2020-21 Number of Schools	2020-21 Average School Size	Enrollment/Teacher Ratio*
Fontana USD	35,461	45	788	19.2
Fremont USD	34,782	43	809	19.5
Fresno USD	69,709	100	697	20.5
Hayward USD	19,069	33	578	19.6
Riverside USD	39,443	47	839	20.8
Santa Ana USD	43,917	54	813	22.2
Stockton USD	33,943	56	606	27.3
Oakland USD	35,489	81	438	15.8

**Ratio calculated with 2019-20 enrollment and 2018-19 teacher FTE (latest available data).*

;

WHEREAS, although the Board of Education (“Board”) recently made approximately \$40 million in budget adjustments for 2022-23, the District’s long-term financial challenges remain, including the need to find revenue to cover anticipated increasing costs (e.g., pensions, special education) and provide compensation increases for many years into the future, especially given the current statewide labor shortage, competition from nearby districts, and the likelihood of significant inflationary pressures in the near future;

WHEREAS, similarly the one-time funding in response to the COVID-19 pandemic cannot address the District’s long-term financial challenges;

WHEREAS, without making such ongoing revenue available, the District cannot stay solvent, operate such a disproportionately high number of schools, and avoid making programmatic reductions that fundamentally undermine the ability of the District to operate and provide a basic level of instruction to all of its students, particularly those students with the highest needs;

WHEREAS, a decision this year (2021-22) to consolidate schools as provided in this Resolution may make the District eligible for \$10 million in unrestricted funding under Assembly Bill No. 1840 (“AB 1840”); and

WHEREAS, on January 12, 2022, the Board adopted Resolution No. 2122-0026 - Quality Instruction and Student Supports, Adequate Staffing, Competitive Compensation, and Long-Term Fiscal Stability, which directed the Superintendent, among other things, “to present the Board . . . a list of the school consolidations (i.e., closures or mergers) that can be reasonably implemented by Fall 2022 and/or Fall 2023.”

Board Meeting Date April 17, 2020

Subject Board Policy 7310 – Naming of Facility

Action Approve sending revisions to *Board Policy 7310 – Naming of Facility* to full Board for consideration.

Background *Board Policy 7310 – Naming of Facility* establishes the process by which district schools and other district-owned or leased buildings, grounds, and facilities are named.

Discussion The proposed revisions to *Board Policy 7310 – Naming of Facility* include adding two additional bases for naming district schools and other district-owned or leased buildings, grounds, and facilities: entities that have made contributions of statewide, national, or worldwide significance, and community expressions of values consistent with the mission, aspiration, and/or purpose of public education in Oakland. The revisions also including enabling the Board to recognize historical names of schools and other district-owned or leased buildings, grounds, and facilities that have since be renamed. The revisions include other minor changes and clean-up.
