Board of Education

From

Kyla Johnson-Trammell, Superintendent Sondra Aguilera, Chief Academic Officer

Meeting Date

June 23, 2021

Subject

Memorandum of Understanding 2021-2022 - Youth Together - After School

Program - Skyline High School

Ask of the Board

Approval by the Board of Education of Memorandum of Understanding 2021-2022 between the District and Youth Together, Oakland, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for Skyline High School's comprehensive After School Program, for the period of July 1, 2021 through June 30, 2022, in an amount not to exceed \$229,356.00.

Background

The general purpose of the 21st Century Community Learning Centers (21st CCLC) program is to establish or expand community learning centers that provide students with academic enrichment opportunities along with activities designed to complement the students' regular academic program. California Education Code (EC) section 8421 further defines the purpose of the 21st CCLC High School ASSETS program as (1) creating incentives for establishing locally driven after school enrichment programs that partner schools and communities to provide academic support and safe, constructive alternatives for high school pupils in the hours after the regular school day, and (2) assisting pupils in passing the high school exit examination for public school programs.

Discussion

This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD's Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office. The school Principal has selected this agency from the list of approved lead agency partners.

Fiscal Impact

21st Century High School After School Safety and Enrichment for Teens (ASSETS) Grant/Resource 4124 in the amount of \$229,356.00

After School Template for High School Memorandum of Understanding 2021-2022 Between Oakland Unified School District and

Youth Together

- 1. Intent. This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Youth Together ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 306 Skyline High School under the following grants:
 - California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
 - California Department of Education ("CDE") 21st Century Direct Access Grant ("Direct Access")
- 2. **Term of MOU.** The term of this MOU shall be July 1, 2021 through June 30, 2022. The term may be extended by written agreement of both parties.
- 3. Termination by OUSD. OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
 - a) No Premature Termination by AGENCY. AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
 - b) Advance Notice by AGENCY for Coming School Year. AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
- 4. Compensation. Contingent on OUSD receipt of The 21st Century ASSETS Core Grant, and Direct Access grant award amount for Youth Together is \$ 229356.00 . Contingent on 21st CCLC funding. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
 - 4.1. Total Compensation. Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments

withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.

- 4.2. **Positive Attendance**. Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A** Attendance Reporting Schedule 2021-2022"). In the event that the school site at which AGENCY has agreed to provide programming is closed for any emergency reason (including but not limited to reasons related to COVID-19), and AGENCY provides programming remotely pursuant to Section 5.4.5 of this Agreement, AGENCY shall calculate attendance based on student participation in AGENCY's remote programming.
 - 4.2.1. Reconciliation Process for Positive Attendance Based Grant Funds. OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
 - 4.2.2. Administrative Charges and Reconciliation. Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.
- 4.4. AGENCY Administrative Fees. AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.
- 4.5. Program Budget. The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2021-2022 and will not exceed \$ 229356.00 in accordance with Exhibit B ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").
- 4.6. Modifications to Budget. Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct

unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

Program Fees. The intent of the 21st Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care. . Any site receiving 21st Century Community Learning Center (CCLC) must report all fees collected (i.e.registration fees, family fees, application fees, etc.) to OUSD After-School Program Office for CDE reporting.

- 5. Scope of Work. AGENCY will serve as lead agency at 306 Skyline High School , will be responsible for operations and management of the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2021-2022. Academic Alignment with School Day and District Priorities

Please provide a short narrative that identifies how the after-school program will support school goals aligned with district student learning goals in the appropriate grade level box below.

- Collaborate with the school site administrator and consult the School Site Plan to align with the school day.
- Consult the descriptions below for the District's priorities for elementary, middle and high school.

OUSD Student Learning Goals:

- 1- All students build relationships to feel connected and engaged in learning
- 2- All students continuously grow towards meeting or exceeding standards in English Language Arts
- 3- All students continuously grow towards meeting or exceeding standards in Math

- 4- English Learner students continuously develop their language, reaching English Fluency in 6 years or less
- 5- All students grow a year or more in Reading each year
- 6- All Students graduate college-, career-, and community-ready

How will the after-school program further these OUSD Learning Goals? (Choose 2-3 to focus on for the 2021-22 School Year)

Respond Below:

1. All students will grow towards meeting or exceeding standards in Math

Our plan is to contract math teachers to provide after school tutoring support for Algebra 1, Geometry and Algebra 2 along with our academic peer tutors. Students will also focus on strengthening their math skills using nontraditional curriculum in the 9th/10th grade and 11th/12th grade academic support groups. Case management work done by our guidance counselor will also help to track the progress and support needed in math and other core classes of our after school student participants.

2. All students graduate college, college and community ready.

Youth Together will support this OUSD learning goal by bringing in guest speakers, hosting panels on college and career, and college tours to expose after school participants to different colleges, universities and career options. SAT prep courses will help students to prepare for the college entrance exam to increase their chances of getting accepted into a 4-year college or university.

SECTION 5: CONT	INUOUS QUALITY IMPROVEMENT (Alignment with CDE and OUSD)
To increase the effe should be carried o	ectiveness of a program, it is critical to engage in an ongoing continuous cycle of assessment, planning, and improvement. While the process ut at the site level, documentation of this process should be submitted by the grantee.

Safe and Supportive Environment:

Our Youth Together stuff are very familiar and close with their program participants. They know all participants by name and welcomes them individually to programming each day. YT staff works closely with program participants to create program/community agreements at the beginning of each programming session. This allows students with the opportunity to hold each other to high expectations for behavior and achievement as well as build a sense of community and belonging. Appreciations are given at the end of each programming sessions by program coordinators and participants. This allows for the adults and students to actively acknowledge positive behaviors and participant participation.

Active and Engaged Learning:

Active and Engaged Learning

Our Youth Together participants are given the opportunity to participate in project-based activities that result in a culminating product. This year, our Lead Student Organizers worked collectively to host a state-wide virtual Youth Conference. Our Living the Dream participants have created a youth led podcast to focus on discussing real world problems that they identify in their communities. Our other program participants have

What is the dream for the program in these areas as identified by students, families, parents, staff and site support team?

Respond Below:

Healthy Choices and Behaviors:

The hope is to ensure that all of our programs are creating a healthy culture and environment that is positively influenced by the school site, families and communities. We would like to provide all out program participants and their families with a guide on how to participate in daily physical activities and where to find healthy and affordable food options in their communities. We would also like to promote a healthy mental health practices and tool to assist students with managing the different stresses that impact them on a daily basis.

Sustainability

For some of our older and recurring programs, a hope is that as an organization we can strengthen our methods in the monitoring trends and make changes in order to adapt to emerging threats, opportunities, and conditions.

CHANGE

What steps will be taken to make the shifts needed to realize the HOPE identified above?

Respond Below:

Healthy Choices and Behaviors:

- All programs will incorporate a mindful minute, stretch or meditation on the beginning or end of each program
- Each program coordinator will attend trainings to understand how knowledge, skills and behaviors around health contribute to academic performance and a positive socio-emotional lifestyle.
- All Youth together staff will model good nutrition and participation in physical activity during the program.

Sustainability:

- Each program coordinator will work to secure 2 to 3 new resources annually in order to maintain a diverse portfolio of sources.
- Each program coordinator will meet frequently with a range of community partners in order to ensure on-going conversations and sharing of resources, as well as a common mission, vision, and goals.

CURIOSITY

What deeper questions or inquiries are coming up? Something that needs more time to think about to make long-term shifts.

Respond Below:

· How can we create and promote healthy choices and behaviors for staff during the work day to make it easier for them to model these practices during programming?

2021-2022 Modification Program Plan

ELEMENTARY/MIDDLE & HIGH SCHOOLS

ASES and 21st Century Community Learning Center (21st CCLC)

Modification Program Plan: Given the uncertainty of the school reopening model, this document will:

- → Develop a clear work plan that supports students' learning in partnership with the school site to prepare for any model for reopening in the 21-22 school year.
- → Support collaboration with schools and Lead agencies to determine their reopening plans.

Non-Negotiable Compliance Considerations Expanded Learning Guidelines

When designing the Expanded Learning program model, please consider all of the following factors.

- ASES, 21st CCLC, and ASSETS funding will not increase based on the program model.
- · Sites will be required to run 180 days of programming.
- Sub-contractors partnerships and how they will fit into this program model
- No supplanting (Programs are required to provide supplementing/enrichment programs and can not provide any instructional minutes)

Expanded Learning Program Models

Given the constant uncertainty due to COVID-19, the Expanded Learning Office is asking all Expanded Learning Partners and Site Leadership Teams to design programming for multiple reopening models to ensure we can meet our communities' needs in the fall.

Possible modified program models:

- Distance Learning Support
- In-person with modifications based on State and County Safety guidelines.
 - If the sites are in any type of hybrid programming where some are on and some students are off-campus.
 Expanded Learning funds are to be prioritized for in-person programming.
 - This modification occurs when students come back part-time or not all students come back in person. I.E.
 small pod instruction with only 12-14 students present in each class.

SPECIAL NOTE REGARDING PROGRAM FEES

Some After School Programs may charge fees on a sliding scale in order to serve more students and provide more services. Programs that charge family fees will waive or reduce the cost of these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge a fee if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care. No eligible student will be denied enrollment due to a family's inability to pay program fees.

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to see the East Bay Regional Park District. its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks. heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity. I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys'fees

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

Statement of Qualifications (2021)

Youth Together | Building Just Communities Through Multiracial Leadership Development and Organizing

April 1, 2021

Statement of Qualifications/Agency Description

Grounded in the commitment to peace, unity and justice, Youth Together's mission is to address the root causes of educational inequities by developing multiracial youth organizers and engaging school community allies to promote positive school change. Youth Together emerged in 1996 following interracial violence at Castlemont High School in Oakland, California and Richmond High School in Richmond, California, which resulted in temporary emergency closures of these schools. Outraged by the neglected conditions of their schools leading up to these riots, students and community members identified educational inequities as a root cause. Youth Together was founded in response to this outrage and has received local and national recognition as a model program, as well as numerous awards.

Youth Together has over a 20-year legacy of grassroots community organizing and education campaign success as a result of its successful leadership model.

Milestones include:

- 1) YT youth successfully campaigned for more equity through the Local Control Funding Formula Statewide Campaign
- YT youth successfully campaigned for reformed youth leadership standards and programming in the OUSD
- 3) YT youth leaders successfully campaigned for numerous district-wide policy reforms in OUSD including a 2010 resolution to support district-wide implementation of an A-G policy, ensuring that all courses offered in high school allow students to graduate eligible for UC's and CSU's

Services Provided: (1) Youth Leadership Development and Academic Support: YT Student Leaders recruit and support youth organizers (aged 13-21) from four high schools in low-income communities of color in Oakland, CA - Castlemont HS, Skyline HS, Fremont HS, and also Richmond HS in Richmond, CA. The YT leadership team is composed of 12 Lead Student Organizers and 120 core team members. Through the team, YT develops the leadership and organizing skills of a core group of youth, imparting practical skills in public speaking, outreach, issue assessment, strategy development, and civic engagement. The YT leadership teams address whole school conditions by promoting school change initiatives.

Youth Together | Building Just Communities Through Multiracial Leadership Development and Organizing

YT's Academic Support Program provides services in the areas of individualized academic counseling, tutoring, and assisting with college preparation requirements (i.e. college tours and assistance with completing college applications, etc.); (2) Kids Count Campaign (Education Equity).

All YT youth leaders participate in this campaign which began in 2011. The campaign seeks to transform funding for public education at a state level. YT youth leaders identified educational inequity as a root cause of racial inequity in their communities and chose education finance reform as the campaign focus to change school and community conditions. Campaign Milestones: (a) Three YT Youth Leadership Retreats, attended by 50 students, where they engaged in leadership skill development, the study of school finance in California; (b) the creation of campaign support cards with over 2,100 collected to date; (c) Delegation visits, Stakeholders meetings and Advocacy conversations with both Senate and Assembly Education committees, including Senator Loni Hancock, OUSD Superintendent Tony Smith, Alameda CO Superintendent Sheila Jordan; (d) formal campaign endorsements from OUSD school Board Members Noel Gallo and Chris Dobbins, Richmond Mayor Gayle McLaughlin, and San Pablo City Council member Genoveva Garcia Calloway; and (e) participation in the creation of the Governor's 2012 Education Funding Proposal;

One Land One People Skyline High School Youth Center

During Youth Together's twenty-one years of work in the community emerged the school-based One Land One People Youth Center Collaborative. Youth Together developed multi-service student centers and collaborative groups called One Land One People (OLOP). OLOP Collaborative and Youth Centers are networks of in-school and community-based service

Youth Together | Building Just Communities Through Multiracial Leadership Development and Organizing providers who offer programming on-campus through centralized OLOP Youth Centers. The successful implementation of the OLOP Collaborative model is based on the participation of an informed and active base of parents, students and service providers.

Since the Fall of 2002, the One Land One People Skyline High School Youth Center Collaborative has supported thousands of students and parents. Indicated below are the more recent years, Youth Together Skyline OLOP Fouth Center has supported Oakland students and parents.

Youth Together's OLOP Youth Centers are currently in place at Castlemont and Skyline High School. They are in part designed to shift school climate and engage community allies to be a part of creating positive school change. More specifically, one component of OLOP is to meet the academic needs of students who are at risk of being disconnected from high school and post-secondary education through providing services in the areas of individualized academic counseling, tutoring and assisting with college preparation requirements, including but not limited to San Francisco Bay Area college tours and assistance with completing college applications. In 2014 to 2015, Skyline Youth Center focused on providing quality and meaningful after school internships, intensively supporting seniors with college materials, the successful transition of incoming 9th graders and increased family support of failing students. In 2015 to 2016, the Skyline Youth Center launched a summer workshop series for Spanish Speaking parents where more than 40 participants became more informed on their children's education, utilizing OUSD aeries system, and even learning about school governance. Youth Together also helped shape the College Access Team by bringing service providers, counselors, district specialists, and administration together to create a college culture at Skyline. In 2016 to 2019, YT utilized the 21st century funds to expand services in the morning hours such as promoting a healthy life-style with an open gym and exercise room. Summer of 2018, Youth Together hosted a summer bridge program for rising 8th graders which supported 206 students and newcomer families and 72 parents. Youth Together continues to play a partner role on site supporting SART/SARB, COST, CATS, PBIS, and SSC/SELL committees. In 2019-2020 Youth Together served 60% of the total student population on campus through 21" century after school funding.
