RE: Martin Luther King Jr. Elementary School, 960 10<sup>th</sup> Street – Oakland, CA Fire and Intrusion Alarm Design and Construction Administration Services

Dear Mr. Esposito:

Jensen Hughes, Inc. (Consultant) is pleased to submit this proposal to provide fire and intrusion alarm design and construction administration services to the Oakland Unified School District (OUSD) (Client) for the referenced project

Jensen Hughes prepared a fire and intrusion alarm system replacement project for the Martin Luther King Jr. Elementary School under a separate agreement with OUSD. The Division of the State Architect (DSA) approval for Application # 01-117211 was obtained on April 11, 2018. However, completing of the project was deferred by OUSD. The DSA approval of plans has been extended and is valid until March 8, 2022.

The OUSD Fire & Intrusion Alarm Standards have changed since the original DSA approval, and some equipment used in the original 2018 designs has been discontinued.

OUSD has requested Jensen Hughes' assistance with bidding, construction administration, and updating the plans for conformance with the current OUSD Fire & Intrusion Alarm System Standards.

## Scope of Services

### DESIGN UPDATE

- 1. Update the fire and intrusion alarm plans and specification in accordance with the 2021 OUSD Fire & Intrusion Alarm System Standards.
- Prepare an amendment, revision or construction change documents (CCDs) for relevant fire and intrusion alarm design changes. Relevant fire alarm changes include newer model speakers and strobes. Relevant intrusion alarm changes include a newer model intrusion alarm control panel. Fire alarm changes will be submitted to DSA for review and approval.

- 2. Prepare responses to bidders' requests for information (RFIs) during the bid process. Jensen Hughes will provide one addendum, if necessary.

## CONSTRUCTION ADMINISTRATION

- 3. Prepare DSA-required forms for approval of the DSA Project Inspector and Start of Construction. Submit same to DSA for review and approval.
- 4. Attend one pre-construction and one pre-pull meeting with the selected contractor and Client. Meetings shall be arranged by the Client.
- 5. Attend one construction kick-off meeting with the selected contractor and Client. Meetings shall be arranged by the Client.
- 6. Attend weekly project meetings during construction. Meeting minutes shall be recorded and distributed by the Client. A total of 16 weekly meetings are included.
- 7. Provide appropriate direction to the DSA Project Inspector.
- 8. Conduct two construction observation visits during construction to ensure compliance and completion in accordance with the approved plans. Construction observation visits will be high-level reviews and are not intended as a substitute for continuous inspection provided by the DSA Project Inspector. Jensen Hughes will provide written comments reflecting items reviewed at the site. It is anticipated that construction observation visits will coincide with construction meetings.
- 9. Respond to contractor or inspector requests for information concerning interpretation of construction drawings. Prepare RFI responses as appropriate.
- 10. Provide general consulting regarding the project. This consulting may be used for:
  - A. Mitigating contractor problems and/or conflicts.
  - B. Providing recommendations/solutions.
  - C. Assisting with requests for change orders.
- 11. Witness the pre- and final acceptance tests of the fire and intrusion alarm systems with the Client, contactor, OUSD Alarm Shop, and Project Inspector. Results of the final tests will be recorded and submitted to the Client. Four site visits are included for systems testing.
- 12. Conduct one final walk-through at the completion of construction to verify and document that the fire and intrusion alarm systems are installed in accordance with the manufacturer's requirements, OUSD Standards, and the design intent. Prepare a letter report that identifies any deficiencies found during the final walk-through. Submit the same to the Client.
- 13. Prepare DSA-required verified reports for project close-out.

## Additional Services

Any other work requested by Client outside of the Services specified above shall be considered an "Additional Service" and will be conducted on a mutually-agreed-upon basis. When such work is requested, Jensen Hughes will submit an estimate of the cost to the Client for approval prior to commencing work.
