Board Cover Memorandum

To Board of Education

From Kyla Johnson-Trammell, Superintendent

Sondra Aguilera, Chief Academic Officer

Meeting Date August 24, 2022

Subject 2022-2023 School Plan for Student Achievement (SPSA) for Burckhalter

Elementary School

Ask of the Board

Approval by the Board of Education of the 2022-2023 School Plan for Student

Achievement (SPSA) for Burckhalter Elementary School

Background

In accordance with Education Code 64001, the School Plan for Student Achievement (SPSA) shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the Consolidated Application and the Local Control and Accountability Plan (LCAP) by the School Site Council (SSC). The plans shall also be reviewed and approved by the governing board of the local education agency at a regularly scheduled meeting. The purpose of the SPSA is to coordinate all educational services at the school. The plan shall address how funds provided to the school will be used to improve academic performance of all pupils to the level of the proficiency goals, as established by the California Department of Education.

Discussion

The SPSA builds on a premise that students are capable of learning with effective instruction and includes school goals aligned with activities, provides analysis of student performance data, focuses on student achievement and academic intervention, implements high leverage school quality improvement actions, directs resources where they will most impact student achievement, ensures that all resources are aligned to serve identified student needs, and identifies parent involvement activities associated with student success.

Fiscal Impact

The programs listed below are reported in the Consolidated Application and allocated to school sites through the School Plan for Student Achievement (SPSA):

- Title I, Part A, including Comprehensive Support & Improvement Grant
- Title IV, Parts A and B
- After School Education and Safety (ASES)

 2022-2023 School Plan for Student Achievement (SPSA) for Burckhalter Elementary School

2022-2023 School Plan for Student Achievement (SPSA)

School: Burckhalter Elementary School

CDS Code: 1612596001689 **Principal:** Carin Geathers

Date of this revision: 4/19/20

The School Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Every Student Succeeds Act (ESSA) require each school to consolidate all school plans for programs funded through the Consolidated Application (ConApp) into the SPSA.

ADDITIONAL TITLE-FUNDED DISTRICT-LEVEL SUPPORTS FOR STUDENTS & FAMILIES

In addition to the actions outlined in this plan, Oakland Unified also provides Title-funded Central supports to high-need OUSD students and families, including low-income students, foster youth, refugee and asylee students, unhoused students, and others. These supports include the following:

Early Childhood Education Program

The OUSD Early Learning team works to ensure that all children are taught and supported to develop the skills and knowledge necessary for success in school. Early Learning programs and schools work together to promote school readiness and to engage families as their children make the transition to TK and Kindergarten, and to partner with families in supporting their child's development and learning by providing appropriate opportunities for families to actively engage in learning. OUSD offers both a subsidized preschool option for low-income families who meet program requirements and a full tuition option for higher income families.

Summer Learning Program

The District's Summer Learning Program provides targeted support to ensure that students who are behind academically have opportunities to catch up. We prioritize low-income youth, English language learners, foster youth, and unhoused youth for summer enrollment. Summer learning programs focus on academics and social emotional support, but also include enrichment opportunities like art and music. High school sites offer credit recovery for students who are behind in credits needed to graduate. Through 2024, our Summer Learning Program will be funded primarily through one-time COVID relief funds to enable us to offer an expanded program to more students, but will return to Title funding when these one-time funds sunset.

Transitional Students and Families Unit

The Transitional Students & Families Unit (TSF) provides supplemental support services to foster youth, refugee and asylee students and their families, and students with uncertain or unstable housing. The Unit's services include enrollment assistance; school supplies and transportation assistance; parent/guardian workshops; academic counseling; summer programming; referrals to school-based and community-based educational, social, and emotional support services; and support to school site staff. Specific services vary by individual student needs and each program's mandates.

- Foster Youth Program: The Foster Youth Program seeks to ensure that foster youth in OUSD receive supplemental support such as tutoring, case management, and social emotional learning opportunities. Additionally, the foster youth program seeks to ensure that foster youth in OUSD have access to all rights granted to them under California law (AB 490), such as school stability (the right to remain in their original school when they enter foster care or move, if in their best interests); immediate enrollment (the right to be immediately enrolled in a new school, even without health/education records); partial credit (the right to receive partial or full credit for work completed at other schools, a right that all OUSD students have); and fairness (the right to not be punished for court-related absences).
- Refugee & Asylee Program: The Refugee & Asylee Program identifies, supports, and tracks newly-arrived refugee students, providing crucial services in support of their school integration and academic success. In collaboration with community partners and other OUSD departments, the program allows schools to both refer students and reach out for assistance when needed. Specifically, the program offers school enrollment assistance, school orientation, tutoring, family engagement, and targeted summer educational support for refugee students and families. It also provides educational case management for high-need students and social emotional learning opportunities for refugee and asylee students.
- McKinney-Vento Program: The McKinney-Vento Program provides supplemental educational services and social support to youth and families who lack a fixed, regular, and adequate nighttime residence. This means students sharing housing with one or more families due to eviction or economic hardship, living in emergency or transitional shelters, staying in hotels/motels, trailer parks/camp grounds, or somewhere that is not designed for sleeping (e.g., a garage, an attic, a car, a park or an abandoned building). This can also include unaccompanied youth (students not in the physical custody of a parent or guardian). The services provided by the program include enrollment assistance, school supplies, backpacks, advocacy, and assistance with transportation.

2022-23 SCHOOL PLAN FOR STUDENT ACHIEVEMENT (SPSA): NEEDS ASSESSMENT

1A: ABOUT THE SCHOOL

School: Burckhalter Elementary School School ID: 105

School Description

Burckhalter Elementary School is a small school nestled in a residential neighborhood at the top of Edwards Avenue near Highway 580 in East Oakland. Our small size makes the school intimate; all staff members know each and every student and the students know all staff members and volunteers who support them at the school. At Burckhalter Elementary School we seek to make education meaningful for each and every student. Asking not "how smart is the child" but "how is the child smart," we guide our students to utilize their full potential, and we equip them to pursue it with passion, persistence, purpose and pride. Our motto, "Work Hard, Get Smart" is grounded in the belief that everyone at Burckhalter Elementary School, students, parents, teachers, staff and the community is committed to working hard. By working hard and getting smart we make a commitment to creating and nurturing a school environment that reflects the diversity of Oakland including gender, race, ethnicity, religion, physical abilities, learning styles, family structure, and socio-economics. Diversity is at our core and serves as our strength. With our Common Core Standards-aligned curriculum, the goal of our school is to implement programs that are academically rigorous and instill a sense of responsibility, confidence, and a positive attitude for all students.

Burckhalter has undergone many changes in the last two years to make it an exciting, diverse community. Demographic shifts in the school population have included an increase in English Learners (6 percent), who speak Arabic, Spanish and Hmong; we are 12 percent Latino and 6 percent Asian. African American students make up more than 72 percent of the student population and Special Education (Autism) students make up another 15 percent, and the school is at an 80 percent National Lunch Program rate. OUSD statistics show that Burckhalter families account for 27 percent of the student body, the remaining students commute from other areas, primarily East Oakland. This shift in demographics and the continuous challenges of urban education have encouraged new conversations and practices to meet the needs of students and families at Burckhalter.

The primary goal of Burckhalter Elementary School is to serve the academic and socio-emotional needs of all of its students. Since 2009, Burckhalter Elementary School students have made great gains in the core curricular areas, including reading/language arts, mathematics and science. Burckhalter was awarded the Title I Achievement Award in 2011 and 2012! In 2016, Burckhalter 3rd, 4th and 5th graders made DOUBLE DIGIT gains in both reading and math, the ONLY school in OUSD to do so! Our goal every day is to ensure that all of our students are thriving - academically, socially, physically. We want it to be apparent, to anyone who walks through the door, that the students at Burckhalter are thriving.

School Mission and Vision

The mission of the Burckhalter Elementary School community is to create and maintain a learning environment that supports ALL students' needs and promotes their intellectual, interpersonal, and social growth. When we are successful, we equip our children to succeed in the dynamic, ever-changing world they live in. Based upon this mission and our continuous inquiry of our school's strengths and needs, we have developed the following THREE strategies that will guide Burckhalter Elementary School's site plan:

STRATEGY 1: Burckhalter Elementary School will become an urban full service community school where EVERY CHILD, EVERY DAY gains the confidence to become a positive 'can do' learner and THRIVE while in residence.

STRATEGY 2: Burckhalter Elementary School, in partnership with its children, families, community and Oakland Unified School District, guarantees each child an academically enriched education by providing rigorous instruction, integrating technology and the ARTS and challenging learning experiences.

STRATEGY 3: Burckhalter Elementary School will strive to build and maintain a cooperative link between home, school, and community. Additionally, we will provide on site mental health services, exceptional before and after school child care and other support services for children and families to build an environment that values children.

LCAP Goal 2: Focal Student Supports	Targeted Interventions and Aligned Curriculum (K-5 SIPPS implementation, small group instruction, weekly SIPPS and reading tutoring; Title I funded TSA provides reading intervention to small groups of Kindergarten-2nd grade students not yet at grade level; Title I funded TSA supports bimonthly Professional Development (PD) for teachers to improve Tier I SIPPS, Heggerty and EL Education reading instruction; On Site Mental Health Services (Seneca) provide targeted support for Tier II/III students; C.O.S.T referrals and followup monitoring track students progress; English Language Learners and Students with IEP's receive differentiated academic/behavioral supports (as needed).	All K-5 regular education and Resource teacher participate in EL Education Reading PD; OUSD and site based Title I funded (.5TSA) provide ongoing professional development and support for K-5 teachers; site has centrally paid and well trained Title I funded (.5TSA) ; Teachers receive SIPPS training and coaching weekly; there is consistent implementation of SIPPS in all K-5 classes; African American students have multiple opportunities to engage with Complex Texts and Close Reading strategies; 100% of all classes implement daily aligned reading and fluency practice

LCAP Goal 3: Student/Family Supports	56% Satisfactory Attendance rate (Midyear 21-22) despite COVID 19 infection rate 17% Chronic absenteeism rate (Midyear-decrease from 19.6%-September-November 2021); ** 0% Suspension rate Family Liaison/C.O.S.T act as resource providers for student and families (Students in Transition, Foster Youth, English Language Learners) Active SSC and PTO provide outreach to all enrolled families	Targeted Interventions and Aligned Curriculum (K-5 SIPPS implementation, small group instruction, weekly SIPPS and reading tutoring; Title I funded (.5TSA) provides bimonthly Professional Development (PD) targeted at strengthening grade level instruction; On Site Mental Health Services (Seneca) provide targeted support for Tier II/III students; C.O.S.T referrals and followup monitoring English Language Learners and Students with IEP's receive differentiated academic/behavioral supports
LCAP Goal 4: Staff Supports	Professional Development (PD) aligned to staff needs; Professional Learning Community (PLC) aligned to student data; All K-5 teachers participate in EL Education reading PD; K-2 (SIPPS implementation w/fidelity); K-5 teachers plan, teach and assess grade level standards toward mastery; ELA, Mathematics assessments provide data for targeted focal student support e.g. RI, iReady Diagnostic and Mastery tests, EL Module assessments)	All K-5 teaching, SDC, Resource teachers and support staff participate in monthly professional development; K-2 teachers receive training, professional development and coaching w/ K-2. Title I funded (.5TSA) Principal and teachers attended summer conferences to strengthen instructional and engagement strategies (Standards Institute and "I Teach"
Focus Area: Mathematics	Priority Challenges	Root Causes of Challenges
LCAP Goal 1: College/Career Readiness	No quantitative data on K-5 math progress since beginning of pandameic and Distance Learning (March 2019-August 2021); >25% of all 3rd-5th grade students not currently at grade level mastery on key grade level standards;	Lack K-2 standards-based interim assessments (Math); K-5 teaching lack protocol and knowledge for iReady reading assessments use (i.e. how to plan using data); Missing coherent and aligned system and protocol for monitoring K-2 standards performance in math; 3rd-5th grade students have little practice with math performance tasks that resemble SBAC tasks

LCAP Goal 2: Focal Student Supports	iReady Mathematics Diagnostic Assessment data (thru 12/2021) K-5=5.3% Mid or Above Grade Level 5/151 Students, Early On Grade Level 3/151 Students iReady Mathematics MidYear Standards Mastery Data K-5 =21.1% Proficient Overall 4th Grade=45.8% Proficient (4.OA.A.1 Understand Multiplication) 5th Grade = 36.4% Proficient .NBT.B.5 Multiply Whole Numbers With the Standard Algorithm	Lack of OUSD Mathematics professional development; Teachers receive onsite coaching and professional development in effective engagement and instructional strategies for Math (K-2) and ELA (3-5); Need adoption of standards-based mathematics curriculum and consistent, ongoing OUSD centralized professional development to unite the grades. Needs assessment reveals need for professional development in rigorous math instruction (especially focusing on conceptual understanding); students have little practice with math performance tasks that resemble SBAC tasks
LCAP Goal 3: Student/Family Supports	Chronic Absenteeism Rate (August-February) =29%; K-5 chronic absenteeism begins as early as the end of the 1st month of school; Chronic Absenteeism is <25% or 29/192 students have missed more than 80% of school year; 2nd and 3rd Grade highest rate (several students were truant in Kindergarten and 1st grades); African American Chronic Absenteeism is 25% OR 16/120 African American students (August-February)	Interventions to increase satisfactory attendance have uneven results; 20% of students are habitually truant and SART and SARB have NOT resulted in improved attendance; 15% of chronically absent students are in transition housing and require intensive resources for stability; Need to create and implement Early intervention protocols for ALL staff to improve attendance
LCAP Goal 4: Staff Supports	Uneven professional development of Common Core State Standards; uneven professional development at district level in mathematics; support staff does NOT receive consistent district level professional development	Limited professional development, training and coaching for K-2 teachers; 3rd-5th grade teachers participate in Communities of Practice research group to develop culturally responsive teaching practices to increase mathematics achievement for African American students; Professional Development focuses on rigor and conceptual understanding (Math); OUSD Professional Development (PD) aligned to ELA rather than Mathematics; (K-2, SDC teachers did NOT attend Standards Conference-lack in depth knowledge of grade level standards); Professional Learning Community (PLC) lacks alignment to math student data; math instruction supplemented by supplemental materials 3rd-5th grades; lack of consistent math assessments for K-2 students to provide data for targeted focal student support

To develop the school goals and targets outlined above, school leadership worked with staff, the School Site Council, and District support teams to review student performance data and complete a root cause analysis for each area of challenge and strength. The school also reviewed Districtwide LCAP targets. Based on this analysis, the school crafted goals and set annual growth targets.

1E: RESOURCE INEQUITIES

Resource inequities include limited access to reliable technology including devices, unternet access and hotspots. In addition, several students are in transitional housing which severely impacts their ability to attend school frequently and maintain progress toward grade level standards. Teachers require professional development in implementation of rigorous, standards-bsed instruction as well as in delivery of instruction in a virtual learning environment. To mitigate theses needs, Burckhalter staff will partner with outside agencies to provide access to resources to supprt families in need. In addition, staff will participate ongoing professional development to ensure all teachers, support ataff and afterschool staff are well trained in effective socio-emotional and academic best practices.

1F: SCHOOL PLAN FOR MEETING ESSA REQUIREMENTS

To ensure that this school's SPSA effectively meets ESSA requirements, the school has reviewed student performance data for all students, with special attention to historically underserved student groups, including low-income students, students with disabilities, English learners, African-American students, and Latino/a students. The school has developed practices to address the unique needs of each student group, and will measure effectiveness of these practices by monitoring practice implementation and tracking progress towards the school's annual student performance targets. Goals, targets, practices, and budget expenditures align to Oakland Unified's LCAP goals and to the specific purposes of each funding program.

2022-23 SCHOOL PLAN FOR STUDENT ACHIEVEMENT (SPSA): ANNUAL SPSA REVIEW

School: Burckhalter Elementary School SPSA Year Reviewed: 2021-22

SPSA Link: <u>2021-22 SPSA</u>

2A: OVERALL IMPLEMENTATION & EFFECTIVENESS OF THE CURRENT SPSA

Briefly describe the overall implementation so far of the current SPSA strategies and actions. If any staffing or activities changed after completing the SPSA last spring, please describe.

During the 2021-2022 school year, Burckhalter was able to implement the following:

Schoolwide K-5 phonics instruction (SIPPS) after Fall iReady and Mastery Test assessments (This continues and has successfully met most students needs)

In Kindergarten, Hegerty and Handwriting without Tears fully implemented (Student data demonstrates more than 75% of students are on track to meet end of the year goals for Letter ID, Letter Naming Fluency and Phonemic Segmentation Fluency)

3rd-5th grade iReady progress shows a majority of students showed growth

K-5 math data does not show consistent student progress.

Even with all of the interference from COVID, students have shown significant academic and socioemotional progress, which is demonstrated by the data in the students' scores on iReady Reading, iReady Math and SIPPS Mastery tests. We continue to monitor our SPSA goals with frequent data collection dives and assessment checkpoints. The School Site Council analyzes student data at monthly meetings and through discussion set further goals.

The SSC team reviewed stages of the process improvement cycle to determine progress toward end of the year goals for all grade levels.

Describe and explain the effectiveness of the strategies and actions to achieve the articulated goals.

Burckhalter continues to fully implement, with fidelity, OUSD district adopted curriculum. Teachers implement SEL strategies daily in classrooms (e.g. morning meetings). (Tier I). All teachers receive ongoing professional development, coaching and feedback in reading, writing and phonics instruction both at the district and site level. All teachers receive ongoing professional development at the site level in mathematics. The Instructional Leadership Team, as well as the Coordination of ServicesTeam (C.O.S.T) receive referrals and provide access to resources to support students who may require Tier II and Tier III support (e.g. onsite Mental and Behavioral Health) to meet identified student needs. Teachers work collaboratively and hold one another accountable for the agreements in the SPSA and other plans.

Describe any changes that will be made to achieve annual goals, outcomes, or strategies/actions as a result of this analysis. Identify where those changes can be found in the SPSA.

Stipends for additional time beyond clerical staff hours to support identified students to ensure they meet grade level proficiency.	Chronic Absenteeism	Administrative Team worked beyond contracted hours during 1st month of school and thereafter to ensure enrollment procedures were compliant (e.g. immunizations are up to date; accurate contact information including emergency numbers), In addition, Administrative Team provided necessary chromebook login information and trained parents in creating Schoolmint accounts to support families in accessing school and district information via ParentSquare, Google classroom, etc. These actions helped support students by preventing chronic absenteeism because of an inability to attend school because they lacked needed immunizations. In addition, students and families could communicate with teachers with correct chromebook login access and updated and accurate Schoolmint accounts.	All students (Title I schoolwide program) enrolled were fully immunized and/or had school made apppointments to ensure they would be immunized within a 3-week period. Student contact information was updated regularly because Administrative Team reviewed AERIES data weekly and communicated to parents when information changed it needed to be updated. This IS working.	This will continue. All current students (including newcomers to the school) enrolled are fully immunized or have appointments to ensure they are. Better than 97% of all emergency contact information is accurate in AERIES.			

	-Ready Reading at or above Mid- Grade	Research based, specific and targeted supplemental materials will be purchaed after collecting and analyzing baseline data to plug into our existing comprehensive English language arts program (EL, Education) to strengthen phonics, writing and reading for all students especially those not currently mastering grade level standards. The supplemental materials will cover foundational skills standards rather than the entire spectrum of ELA standards. For example, SIPPS and Explode the Code are foundational skills supplemental programs that include print concepts, phonological awareness, phonics and word recognition, and fluency not found in EL Education core curriculum.	Purchasing Supplemental materials IS working. Teachers trsained in the use of specific, targeted materials focus on supporting all students in foundational skills development, not just those who demonstrate a skills deficit.	This will continue. Academic Intervention Specialist was trained in use of both SIPPS Beginning and Extension. Goal was student mastery on/before the end of their current grade level year (Targeted support for 2nd-5th graders); Intervention Specialist convened Coordination of Services Team (C.O.S.T) to ensure students needing Tier II and Tier III support receive timely support; Academic Intervention Specialist facilitated home-school meetings and help build/strengthen the connection especially for identified students (i.e. foster youth, students in transitional housing); Academic Intervention Specialist provided advice and support services for parents and families.	The position changed from Family Liaison to Academic Intervention Specialist and it is working. Fund parent attendance and cover all expenses at parent focused conferences (i.e. registration, travel, hotel)	College/Career Readiness	Title I schools must allocate a portion of their Title I budget towards programs, activities, and procedures for parent and family engagement. Attendance at conferences aimed to educate and deepen parent knowledge of what and how students can be successful learners and how they can support their children is crucial and needed. During the 2021-2022 school year, because of the pandemic, parents were unable to attend any parent conferences.	Parent attendance at parent facing conferences did not work because of the pandemic. Parent Education was provided by the Title I funded Academic Intervention Specialist and individualized for families needing support with supporting their children academically. This helped strengthen the home-school connection for students as well as the home-school connection with teachers and administrators.	Parent attendance at parent facing conferences will continue once the pandemic is over and organizations begin to host paremnt facing conferences. Educating parents strengthens the homeschool connection for students as well as the home-school connection with teachers and administrators.

Title I, Part A School Parent and Family Engagement Policy

All Title I schools will jointly develop a written parent and family engagement policy with input from and distribution to all parents and family members. This policy describes the means for carrying out designated Title I, Part A parent and family engagement requirements.

Burckhalter Elementary School

agrees to implement the following engagement practices, in keeping with Oakland Unified School District's Standards for Meaningful Family Engagement:

OUSD Family Engagement Standard 1: Parent/Caregiver Education Program

Families are supported with parenting and child-rearing skills, understanding child and adolescent development, and setting home conditions that support children as students at each age and grade level.

The school provides parents with assistance in understanding the state's academic content standards, assessments, and how to monitor and improve the achievement of their children by:

 Offering parent education and support, asking parents how to be more inclusive of all families and developing and implementing successful strategies for improvement Progress is monitored and resources are adjusted as needed

The school supports a partnership among staff, parents, and the community to improve student academic achievement and engage parents in meaningful interactions with the school by:

 Offering a parent education curriculum that prepares them to partner with the school Convening regular COST Meeting and Case Management to monitor the progress of underperforming students whose parents have been involved in parent education programming

OUSD Family Engagement Standard 2: Communication with Parents and Caregivers
Families and school staff engage in regular, two-way, meaningful communication about student learning.

The school communicates to families about the School Parent and Family Engagement Policy by:

- Convening an annual meeting, at a convenient time, to which all parents shall be invited and encouraged to attend, to inform parents of their school's participation in Title I, Part A and to explain the program requirements and the right of parents to be involved.
- School produces a monthly newsletter with up-to-date information about the school, special events, organizations, meetings, and parenting tips; Teachers and administrators regularly use email and/or the school website to communicate with parents; Principal is present at PTA/ELAC/SSC meetings information about student achievement and to encourage partnership between home and school; Consistent messaging to parents that

they are welcomed in the classroom. Include procedures for classroom visits in newsletters, flyers, auto-dial, and at all meetings throughout the school year.

The school communicates to families about the school's Title I, Part A programs by:

School produces a monthly newsletter with up-to-date information about the school, special events, organizations, meetings, and parenting tips; Teachers and administrators regularly use email and/or the school website to communicate with parents; Principal is present at PTA/ELAC/SSC meetings information about student achievement and to encourage partnership between home and school

The school communicates to families about the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet by:

 Convening midtrimester, trimester and semester parent meetings to discuss student progress; teachers distribute progress reports and develop and monitor individualized student plans.

The school distributes information related to school and parent programs, meetings, school reports, and other activities to parents in a format and language that the parents understand by:

School produces a monthly newsletter with up-to-date information about the school,
 special events, organizations, meetings, and parenting tips in student's home language

OUSD Family Engagement Standard 3: Parent Volunteering Program

Families are actively involved as volunteers and audiences at the school or in other locations to support students and school programs.

The school provides opportunities for families to volunteer in classrooms and other school activities by:

- Consistently messaging parents that they are welcomed in the classroom; parents understand procedures for classroom visits in newsletters, flyers, auto-dial, and at all meetings throughout the school year.
- Our full-time Parent Liaison coordinates all outreach, communication, and engagement efforts.
- We hold School Site Council (SSC) and English Learner Advisory Council (ELAC) meetings (when necessary).
- We build our parents' capacity around the academic standards and results through workshops and community events such as Parent Literacy Nights, Family Reading Night and Academic Awards Ceremonies.
- We promote parents-teacher partnership by holding academic conferences after the first two trimesters.
- We also promote family health through our weekly Fresh Fruit and Vegetables and our school-wide Wellness program and through health education by our Nurse.
- Finally, we provide our parents many ways to get support for our school through our Parent Volunteer program.

OUSD Family Engagement Standard 4: Learning at Home

Families are involved with their children in learning activities at home, including homework and other curriculum-linked activities and decisions.

The school provides parents with materials and training to help them work with their children to improve their children's achievement by:

- Folders with student work are sent home weekly for parent review and comment. Parents are regularly informed of how to support learning at home.
- School staff and teachers build the capacity of families to support what their students are learning at home through modeling instruction strategies and inviting their participation in classroom learning. Teachers regularly suggest activities that parents can do at home to support their student's learning that are tailored to the student's specific needs and goals. There is follow-up and feedback.
- Parents receive academic progress reports weekly. Parents are regularly informed of how to support learning at home.
- Regular written and face-to-face communication with families of students having academic or behavior problems. Parents are personally connected to supports available. There is follow-up to evaluate growth.
- Formal conferences with every parent/caregiver at least twice a year. Meetings include the support staff that provides services for the child.
- For middle and high schools, programs and/or information are proactively available to and are used by families to help them make good decisions about their child's academic and career paths.
- Parents/families are trained to identify their children's academic improvement areas based on CCSS/SBAC scores, benchmark assessments, tests, report card grades, etc.
 Parents are given strategies to support their student's academic performance at home.
- Parents/families are informed regarding English, Math, Social Studies, and Science grade level curriculum to support their children. School offers specific strategies needed to improve reading success.
- School provides opportunities for parents/families to learn about college, careers, and post-secondary plans available to their children

OUSD Family Engagement Standard 5: Shared Power and Decision Making

Families and school staff are equal partners in decisions that affect children and families and together inform, influence, and create policies, practices, and programs.

With the assistance of parents, the school educates staff members in the value of parent contributions, and in how to work with parents as equal partners by:

- Refers to Single Plan for Student Achievement (SPSA) plan throughout the year to ensure that all family engagement activities are tied to its implementation.
- Parent representatives, that represent the school and community, are on the school site council, improvement team, or other committees with decision-making power and/or influence. The decisions made by these bodies represent the views and needs of all families.
- Maintains trained parent leaders for committees from diverse racial, ethnic, socio-economic, and other groups in the school.
- Sets clear and measurable goals for the FRC that are aligned with the school wide vision and goals and evaluates the family engagement program on a regular basis to inform program improvement.
- School has a diverse family engagement and leadership team that leads family engagement strategies at the school site.
- Involves parents in organized, ongoing, and timely ways in the planning and improvement of school programs
- Has an active, parent organization that represents diverse racial, ethnic, socio-economic, and other groups in the school, that monitors parent rights and responsibilities

The school provides opportunities for regular meetings with a flexible schedule that allows parents to participate in decisions relating to the education of their children by:

- Establishing School Site Council and recruiting and parents electing parent representatives to meet and provide input (Monthly)
- We hold School Site Council (SSC) and English Learner Advisory Council (ELAC) meetings (when necessary)
- Our full-time Parent Liaison coordinates all outreach, communication, and engagement efforts
- We build our parents' capacity around the academic standards and results through workshops and community events such as Parent Literacy Nights, Family Reading Night and Academic Awards Ceremonies
- We promote parents-teacher partnership by holding academic conferences after the first two trimesters
- We also promote family health through our weekly Fresh Fruit and Vegetables and our school-wide Wellness program and through health education by our Nurse.
- Finally, we provide our parents many ways to get support for our school through our Parent Volunteer program

The school involves parents in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I, Part A programs and the School Parent and Family Engagement Policy by:

 Establishing School Site Council and recruiting and parents electing parent representatives to meet and provide input (Monthly) ■ We hold School Site Council (SSC) and English Learner Advisory Council (ELAC) meetings (when necessary)

The school provides opportunities for the participation of all parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students, by:

- School provides a "one-stop shop" at the school for family services through partnerships of school, counseling, health, recreation, job training and other agencies by providing a dedicated space for a Family Resource Center that operates during extended hours.
- School determines families' needs and preferences for additional programs or services they need to support their children's achievement from data collected from at least 50% of the school's families. Families play a role in developing delivering programs and services.
- The school knows what resources and assets exist in the community. The school partners with community based organizations in ways that are directly aligned to the school's goals.
- School works with local businesses, industries, parks, museums, and other organizations on programs to enhance student skills, learning and offer after school programs for students

The school provides support for parent and family engagement activities requested by parents by:

- School provides a "one-stop shop" at the school for family services through partnerships of school, counseling, health, recreation, job training and other agencies by providing a dedicated space for a Family Resource Center that operates during extended hours.

School-Parent Compact Burckhalter Elementary School 2021-2022

This School-Parent Compact has been jointly developed with parents and family members and outlines how parents, the entire school staff, and students will share in the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State of California's high academic standards.

This School-Parent Compact is in effect for the 2021-22 school year.

School Responsibilities

The school agrees to carry out the following responsibilities to the best of their ability:

1) Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the students served under Title I, Part A to meet the State of California's challenging academic standards.

All teachers will utilize the district adopted **Common Core** curriculum and implement effective instructional strategies that will ensure that all students are successful in their grade level. All teachers will teach towards the grade level standards and provide differentiated instruction so that all students have equal access to actively participating in the classroom.

Calendar and host parent-teacher conferences during which this compact will be discussed as it relates to the individual child's achievement.

During the conference, the teacher will discuss the individual child's academic and social achievement. Parents and/or teachers can request additional conferences based upon student needs.

3) Provide parents with frequent reports on their children's progress and assistance in understanding the state's academic content standards, assessments, and how to monitor and improve the achievement of their children.

Formal report cards are provided (3) times during the academic school year. Each parent will receive a progress report prior to the end of the 1st report card period. On other occasions, teachers keep parents informed about their

child's progress either by one-on-one meetings, phone calls, texts and/or written notes.

4) Provide parents reasonable access to staff.

Teachers are available to speak with parents either before school, after school or by appointment. Teachers may, but are not required to provide an email address and/or personal phone number to parents.

5) Provide all parents and family members, including those with limited English proficiency and those with disabilities, with opportunities to volunteer and participate in their child's class, and to observe classroom activities.

Parents are encouraged to volunteer, participate and observe in the classroom. Parents may make arrangements with the teacher. Parents need to have a T.B. test if they plan to volunteer in the classroom for an extended period of time. Parents must sign-in in the main office before entering the classroom as part of the education code.

6) Provide parents with materials and training to help them improve the academic achievement of their children.

Parents receive newsletters and other academic resources to support students' academic progress outside of school. In addition, parents receive information regarding software programs students can access at home. School provides information about workshops, events, and family nights that support understanding of resources and programs, school communicates with parents and families via School Messenger robocalls, emails and text messages about resources and materials for students, school, posts information about our school programs and resources on our school Website, parents receive information during parent conferences and meetings.

7) Educate staff members in the value of parent and family member contributions, and in how to work with parents and family members as equal partners.

Staff understands the importance of including parent and family members through regular participation in Professional Development, Staff Meetings and/or Coaching.

8) Ensure regular two-way, meaningful communication between family members and school staff and, to the extent practicable, in a language that family members can understand.

At Burckhalter Elementary School all materials that are distributed relating to school and parent programs, meetings, and all other activities are translated into

Spanish, Chinese, Vietnamese and other languages so that ALL families are able to access the information. All materials are distributed in a variety of ways: hard/paper copies, email distribution, phone calls and text messages through our School Messenger Connect Service.

Teacher Responsibilities

We, as teachers at Burckhalter Elementary School, will support student's learning in the following ways:

- Communicate clear expectations for performance to both students and parents.
- Strive to address the individual needs of the student
- Provide a safe, positive and healthy learning environment

Parent Responsibilities

We, as parents, will support our children's learning in the following ways:

- Sign in at the main office for ALL school visits;
- Follow ALL Burckhalter Elementary School rules to ensure safety for all community members:
- Bring my child to school on time;
- Attend school meetings (e.g. PTO, dad's Club, SSC, Title I, etc.);
- *Make sure my child does his/her homework;*
- Read/listen to ALL school-wide communications (e.g. school calendars, monthly newsletters, "robo" calls, texts, etc.,)
- *Check my child's homework everyday;*
- *Keep in touch with the teacher:*
- *Talk to my child at home about school;*
- *Make sure my child eats well;*
- *Pick-up my child from school on time;*
- Limit "non-educational" computer screen time
- Check and clean my child's backpack regularly and,
- Work to keep other parents informed about important school-wide important events by helping to create a better communication system between classroom-school-home (for example, becoming a room parent; creating and participating in the phone tree)

Student Responsibilities

We, as students at Burckhalter Elementary School, will share the responsibility to improve our academic achievement and meet the State of California's academic standards. We will:

- *Get to school on time every day.*
- Follow all Burckhalter rules and norms;
- Respect my school, classmates, staff, community members, and family at all times;
- *Do my homework every day;*
- *Ask for help when I need it;*

- Read for at least 15 minutes every day, outside of school (Kindergarten, 1st and 2nd grade students)
- Read for at least 20 minutes every day, outside of school (3rd, 4th and 5th grade students)

This Compact will be adopted by the (SSC Establishment Meeting at Burckhalter Elementary School) on Wednesday, September 8, 2021, and will be in effect for the period of 2021-2022 academic school year.

The school will distribute the Compact to all parents and family members of students participating in the Title I, Part A program on or before September 30, 2021.
