Board Cover Memorandum

To Board of Education

From Kyla Johnson-Trammell, Superintendent

Sondra Aguilera, Chief Academic Officer

Meeting Date August 24, 2022

Subject 2022-2023 School Plan for Student Achievement (SPSA) for Street Academy

Ask of the Board

Approval by the Board of Education of the 2022-2023 School Plan for Student Achievement (SPSA) for Street Academy.

Background

In accordance with Education Code 64001, the School Plan for Student Achievement (SPSA) shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the Consolidated Application and the Local Control and Accountability Plan (LCAP) by the School Site Council (SSC). The plans shall also be reviewed and approved by the governing board of the local education agency at a regularly scheduled meeting. The purpose of the SPSA is to coordinate all educational services at the school. The plan shall address how funds provided to the school will be used to improve academic performance of all pupils to the level of the proficiency goals, as established by the California Department of Education.

Discussion

The SPSA builds on a premise that students are capable of learning with effective instruction and includes school goals aligned with activities, provides analysis of student performance data, focuses on student achievement and academic intervention, implements high leverage school quality improvement actions, directs resources where they will most impact student achievement, ensures that all resources are aligned to serve identified student needs, and identifies parent involvement activities associated with student success.

Fiscal Impact

The programs listed below are reported in the Consolidated Application and allocated to school sites through the School Plan for Student Achievement (SPSA):

- Title I, Part A, including Comprehensive Support & Improvement Grant
- Title IV, Parts A and B
- After School Education and Safety (ASES)

ADDITIONAL TITLE-FUNDED DISTRICT-LEVEL SUPPORTS FOR STUDENTS & FAMILIES

In addition to the actions outlined in this plan, Oakland Unified also provides Title-funded Central supports to high-need OUSD students and families, including low-income students, foster youth, refugee and asylee students, unhoused students, and others. These supports include the following:

Early Childhood Education Program

The OUSD Early Learning team works to ensure that all children are taught and supported to develop the skills and knowledge necessary for success in school. Early Learning programs and schools work together to promote school readiness and to engage families as their children make the transition to TK and Kindergarten, and to partner with families in supporting their child's development and learning by providing appropriate opportunities for families to actively engage in learning. OUSD offers both a subsidized preschool option for low-income families who meet program requirements and a full tuition option for higher income families.

Summer Learning Program

The District's Summer Learning Program provides targeted support to ensure that students who are behind academically have opportunities to catch up. We prioritize low-income youth, English language learners, foster youth, and unhoused youth for summer enrollment. Summer learning programs focus on academics and social emotional support, but also include enrichment opportunities like art and music. High school sites offer credit recovery for students who are behind in credits needed to graduate. Through 2024, our Summer Learning Program will be funded primarily through one-time COVID relief funds to enable us to offer an expanded program to more students, but will return to Title funding when these one-time funds sunset.

Transitional Students and Families Unit

The Transitional Students & Families Unit (TSF) provides supplemental support services to foster youth, refugee and asylee students and their families, and students with uncertain or unstable housing. The Unit's services include enrollment assistance; school supplies and transportation assistance; parent/guardian workshops; academic counseling; summer programming; referrals to school-based and community-based educational, social, and emotional support services; and support to school site staff. Specific services vary by individual student needs and each program's mandates.

- Foster Youth Program: The Foster Youth Program seeks to ensure that foster youth in OUSD receive supplemental support such as tutoring, case management, and social emotional learning opportunities. Additionally, the foster youth program seeks to ensure that foster youth in OUSD have access to all rights granted to them under California law (AB 490), such as school stability (the right to remain in their original school when they enter foster care or move, if in their best interests); immediate enrollment (the right to be immediately enrolled in a new school, even without health/education records); partial credit (the right to receive partial or full credit for work completed at other schools, a right that all OUSD students have); and fairness (the right to not be punished for court-related absences).
- Refugee & Asylee Program: The Refugee & Asylee Program identifies, supports, and tracks newly-arrived refugee students, providing crucial services in support of their school integration and academic success. In collaboration with community partners and other OUSD departments, the program allows schools to both refer students and reach out for assistance when needed. Specifically, the program offers school enrollment assistance, school orientation, tutoring, family engagement, and targeted summer educational support for refugee students and families. It also provides educational case management for high-need students and social emotional learning opportunities for refugee and asylee students.
- McKinney-Vento Program: The McKinney-Vento Program provides supplemental educational services and social support to youth and families who lack a fixed, regular, and adequate nighttime residence. This means students sharing housing with one or more families due to eviction or economic hardship, living in emergency or transitional shelters, staying in hotels/motels, trailer parks/camp grounds, or somewhere that is not designed for sleeping (e.g., a garage, an attic, a car, a park or an abandoned building). This can also include unaccompanied youth (students not in the physical custody of a parent or guardian). The services provided by the program include enrollment assistance, school supplies, backpacks, advocacy, and assistance with transportation.

2022-23 SCHOOL PLAN FOR STUDENT ACHIEVEMENT (SPSA): NEEDS ASSESSMENT

1A: ABOUT THE SCHOOL

School: Street Academy School ID: 313

School Description

The vision of Oakland Emiliano Zapata Street Academy (OEZSA/Street Academy) is to prevent drop/push outs by providing youth a small, safe high school with a social justice focused, college preparatory education. Youth placed at high risk due to a variety of social determinants can work hard for a "second chance" to earn a diploma here. Curriculum is designed to challenge, engage, and prepare our youth to graduate ready for college, career or job. All students are enrolled in A-G required courses during the core day. In the afternoon, class schedules are tailored to the individual needs of students. Afternoon program provides credit recovery, enrichment and/or extracurricular activities such as fine or physical arts and tutoring. Every student participates in our Education, Child Development & Family Services Pathway by engaging in meaningful work-based learning opportunities in the nonprofit industry on Worker Owned Wednesdays.

Street Academy teachers ascribe to the philosophy of what Enrique Trueba refers to as "pedagogical optimism." This is the belief that, through education, we can make the world a better place. All students are required to complete 60 hours of community service, and all are enrolled in A-G required classes which includes our A-G approved Ethnic Studies courses. We are the "Street" Academy because education happens or should happen inside and outside of the classroom. Students learn by doing. Presentation skills are refined through participation in quarterly student led conferences, Get Informed Fridays, political consciousness raising activities and reflection such as Social Justice Exhibitions. Students earn Political Action Units by participating in these political consciousness raising activities and community organizing events. Once a senior, all must complete a rigorous English 4 Senior Action Research Project. Through participation in restorative justice talking circles, students develop empathy and learn to challenge viewpoints respectfully as participants in debate and other structured academic discussions.

All staff have voice and we meet three times each week to inform decision making, to evaluate the program, and to share best practices on how to best support individual student's success. Street Academy has solved what is probably the greatest problem of American secondary schools - the anonymity and adult/student disconnect of factory-model high schools. The Counselor Teacher Mentor advisory structure fosters strong relationships between youth and adults. The "consulting teacher" is a real force in our youngsters' lives, holding students accountable for minor wrongdoing; providing advice about course schedule, jobs, college, and health when needed. The CTM keeps in constant contact with families around progress. The unstated assumption of the consulting teacher system is that each adolescent is worthy of sustained individual attention from a school adult. The CTM, in conjunction with the student, manages a contract that travels from class to class so academic and behavioral data is collected and shared daily with student, CTM and family.

In addition, CTM and staff rely on their training in the principles of Restorative Justice talking circles to build community and to establish alternative ways to repair harm while simultaneously addressing the social emotional needs of youth through Transformative Life Skills (Dynamic Mindfulness). This combination contributes to an intentional school culture and climate where violence is rare. Since its inception in 1973, Street Academy has averaged 1-2 fights per year.

School Mission and Vision

ACADEMIC ACHIEVEMENT: Students who may have otherwise dropped out of high school become college eligible.

CIVIC ENGAGEMENT: Students are taught to take responsibility for themselves, others, and the improvement of society by actively engaging in struggles against oppression in all its forms.

RESPECT: Students learn to respect themselves and others while the Counselor Teacher Mentor (CTM) establishes genuine relationships with youth built on high expectations and mutual respect.

RESPONSIBILITY: Students are inspired by culturally relevant curriculum emphasizing social justice.

UNITY: Since 1973 the Street Academy community has remained united in the struggle to provide exceptional education for all students. We celebrate our diversity through our unity as a Street Academy family.

Consistent with Street Academy's founding purpose, our educational philosophy states that we believe education must accomplish the following:

- Education today must challenge our youth to recognize that a fundamental goal of learning has always been and continues to be: "Know Thyself." This concept means that we must all accept that individuals are unique, physical, mental, and spiritual beings and that we are also interrelated and mutually dependent on each other for survival. Self knowledge also makes the student aware that s/he is a part of a cultural and her/ historical reality which will continue to shape not only her/his own life and future, but the lives of future generations.
- Education today must inspire young people to struggle for change in themselves and in their society. Viable alternatives to violence, materialism, and alienation must be offered. Above all, education must help young people to put into action the ideas and values which can transform their lives in visible ways.
- Education must be conducted in a fashion where adults and young people are participants in the learning process, where teachers are students and students are teachers; where the experiences of young people are a vital part of the school curriculum; and where young people in fact have substantial influence on this curriculum.
- Education must challenge the students to recognize their responsibilities to their families, their community, and their world. Such an education will reinforce these ties by incorporating parents and community members into its operations and into its curriculum.
- Education should focus on creating responsible, self-determined, successful, and empowered individuals. The goal of the Street Academy will be fulfilled if the students educated here become the leaders, parents, innovators, and the creators of a tomorrow free of the social, cultural, and economic strife which has dictated and shaped so many of the harsh realities which determine the lives of students today.

|---------------------------------------|---|--|
| Focus Area: | Priority Strengths | Root Causes of Strengths |
| LCAP Goal 1: College/Career Readiness | Internship Coordinator ensures that all students regardless of gender and/or heratige are graduating College ready. All students are graduating career ready. Partnership with Holy Names University. | Internship Coordinator sets up student internship exhibitions and Career Awareness Fairs. College Readiness Cordinator ensures that FAFSA Workshops, Community College Class Offerings, and College Field Trips are set up for students. |
| LCAP Goal 2: Focal Student Supports | Extra support with classwork and taking advantage of tutoring and SPED support with assignments, test taking and to have a quiet space | Students taking initiative to complete classwork and recognizing their need for help and then seeking out support through tutoring which is offered afterschool |
| LCAP Goal 3: Student/Family Supports | Weekly Student Restorative Justice Circles where students can share and listen deeply. | Restorative Justice circles help with students social and emotional learning. It also helps them take ownership of their learning. |
| LCAP Goal 4: Staff Supports | ILT, ACT, SAT and FERTT teams are implemented to help with professional learning that focuses on imporving teaching and learning, Assure Accurate student scheduling, and keeping our families connected to the school. | Every staff member is placed on a team to help ensure that we are compliant |
| Focus Area: | Priority Challenges | Root Causes of Challenges |
| LCAP Goal 1: College/Career Readiness | Rebuilding the Internship program. Engaging students who had experienced alienation from school due to Covid. | Due to Covid, many of the Community Based Organization partnerships experienced closures and postponments. In addition to CBO challenges, students had been aleinated from school due to distance learned, the last school year. |

| LCAP Goal 2: Focal Student Supports | The stresses and anxiety caused due to COVID and getting used to being back in person at school | Students having been online doing remote instruction caused setbacks to learning for students and in particular students with special needs and IEP's. Now back at school students are facing challenges from emotional support needs to fears around covid. |
|--------------------------------------|--|--|
| LCAP Goal 3: Student/Family Supports | Getting Student re-engaged into in person learning. | Covid has had a drastic affect on many families and students. Some students have priortized family duties and finaical income over attending school. |
| LCAP Goal 4: Staff Supports | Two prioity challeges that staff supports has is funding for professional development and funding for sub. | The rooted cause of this is not having enough funding for subs and professional development. |

1D: IDENTIFIED NEED

To develop the school goals and targets outlined above, school leadership worked with staff, the School Site Council, and District support teams to review student performance data and complete a root cause analysis for each area of challenge and strength. The school also reviewed Districtwide LCAP targets. Based on this analysis, the school crafted goals and set annual growth targets.

1E: RESOURCE INEQUITIES

Our students do not have equitable access to experienced teachers and academic opporunities relative to other students across the state as a result of teacher shortage and inadequate salaries in an area having extraordinarily high cost of living. As a result, a school recruiting credit deficient students with high social-emotional needs, is only able to provide novice teachers with developing expertise.

1F: SCHOOL PLAN FOR MEETING ESSA REQUIREMENTS

To ensure that this school's SPSA effectively meets ESSA requirements, the school has reviewed student performance data for all students, with special attention to historically underserved student groups, including low-income students, students with disabilities, English learners, African-American students, and Latino/a students. The school has developed practices to address the unique needs of each student group, and will measure effectiveness of these practices by monitoring practice implementation and tracking progress towards the school's annual student performance targets. Goals, targets, practices, and budget expenditures align to Oakland Unified's LCAP goals and to the specific purposes of each funding program.

2022-23 SCHOOL PLAN FOR STUDENT ACHIEVEMENT (SPSA): ANNUAL SPSA REVIEW

School: Street Academy SPSA Year Reviewed: 2021-22

SPSA Link: <u>2021-22 SPSA</u>

2A: OVERALL IMPLEMENTATION & EFFECTIVENESS OF THE CURRENT SPSA

Briefly describe the overall implementation so far of the current SPSA strategies and actions. If any staffing or activities changed after completing the SPSA last spring, please describe.

The overall implementation has not changed from the 2021-22 SPSA. Staff have been trained on our newly designed enrollment plan, we have weekly peacemaking circles, Teachers have complex text and reading strategies and humanities courses have been utilizing word walls and front-loading vocabulary to increase ELL reclassification rates.

Describe and explain the effectiveness of the strategies and actions to achieve the articulated goals.

Our SPSA has been effective on the basis of increasing literacy and math skills among our student body. Our Strategies and actions support family engagement, math, and science, language arts, restorative justice peacemaking circles, and focal groups to close equity gaps.

Describe any changes that will be made to achieve annual goals, outcomes, or strategies/actions as a result of this analysis. Identify where those changes can be found in the SPSA.

One of the chages that will be made is to reimplement 'Get Informed Friday to help improve student literacy and presentation skills. This will be found in tap Part 3: Strategies & Actions.

Title I, Part A School Parent and Family Engagement Policy

All Title I schools will jointly develop a written parent and family engagement policy with input from and distribution to all parents and family members. This policy describes the means for carrying out designated Title I, Part A parent and family engagement requirements.

Oakland Emiliano Zapata Street Academy High School

(Street Academy) agrees to implement the following engagement practices, in keeping with Oakland Unified School District's Standards for Meaningful Family Engagement:

OUSD Family Engagement Standard 1: Parent/Caregiver Education Program

Families are supported with parenting and child-rearing skills, understanding child and adolescent development, and setting home conditions that support children as students at each age and grade level.

The school provides parents with assistance in understanding the state's academic content standards, assessments, and how to monitor and improve the achievement of their children by:

- Street Academy informs parents of the school's participation in Title I Program at our annual Title I meeting on an evening when we host Family Meetings. Parents are also informed in CTM Family Meetings (one-on-one meetings with Student, Family & Advisor) which happen 3-4 times each year at the beginning of the school year, end of the Fall, Winter & Spring Terms.
- The school supports a partnership among staff, parents, and the community to improve student academic achievement and engage parents in meaningful interactions with the school by:
- Families are invited and informed of their rights to participate in School Site Council, to volunteer as CTM Parents, and contribute in other ways at our annual Back 2 School Social Justice Fair
- Our SSC meeting is determined by parents and meetings vary based on parent availability.

OUSD Family Engagement Standard 2: Communication with Parents and Caregivers

Families and school staff engage in regular, two-way, meaningful communication about student learning.

The school communicates to families about the School Parent and Family Engagement Policy by:

- Convening an annual meeting, at a convenient time, to which all parents shall be invited and encouraged to attend, to inform parents of their school's participation in Title I, Part A and to explain the program requirements and the right of parents to be involved.
- Communication happens via CTM (advisory) phone calls home to invite and remind of important meetings, flyers are posted and frequently mailed. We also send robo-calls, emails and texts messages on a monthly basis. All parents/families attend new student orientation which covers this .

The school communicates to families about the school's Title I, Part A programs by:

■ Communication happens via CTM (advisory) phone calls home to invite and remind of important meetings, flyers are posted and frequently mailed. We also send robo-calls, emails and texts messages on a monthly basis. All parents/families attend new student orientation which covers this.

The school communicates to families about the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet by:

 Communication happens via CTM (advisory) phone calls home to invite and remind of important meetings, flyers are posted and frequently mailed. We also send robo-calls, emails and texts messages on a monthly basis. All parents/families attend new student orientation which covers this

The school distributes information related to school and parent programs, meetings, school reports, and other activities to parents in a format and language that the parents understand by:

■ Communication happens via CTM (advisory) phone calls home to invite and remind of important meetings, flyers are posted and frequently mailed. We also send robo-calls, emails and texts messages on a monthly basis. All parents/families attend new student orientation which covers this.

OUSD Family Engagement Standard 3: Parent Volunteering Program

Families are actively involved as volunteers and audiences at the school or in other locations to support students and school programs.

The school provides opportunities for families to volunteer in classrooms and other school activities by:

- We recruit CTM Parents to support in advisory and have regular parent volunteers who stay involved even after their children graduate to observe in classes, provide tutorial and to work side-by-side with new teachers in particular in support of developing cultural competency, restorative classroom management techniques, to lead restorative conferences and mediations.
- Families are invited to sign up for volunteer opportunities when registering their child at Street Academy.
- Parents are encouraged to volunteer and or to participate as audiences throughout the year via robo calls, CTM outreach, student outreach and flyers.
- As mentioned above, Families are invited and informed of their rights to participate in School Site Council, to volunteer as CTM Parents, and contribute in other ways at our annual Back 2 School Social Justice Fair.

OUSD Family Engagement Standard 4: Learning at Home

Families are involved with their children in learning activities at home, including homework and other curriculum-linked activities and decisions.

The school provides parents with materials and training to help them work with their children to improve their children's achievement by:

- Families attend Back 2 School Social Justice Fair to meet teachers, review syllabi and curriculum from their childrens' courses, meet and gather information about community based organizations involved with providing student internships, build community in restorative talking circles at least 3 times / year; practice mindfulness; etc. Families also participate in instructional learning walks with the Principal and ŞAF Board Foundation Academic Committee particularly associated with periodic accreditation site visits.
- Parents are encouraged to sign up for the Parent Portal and Google Classroom

OUSD Family Engagement Standard 5: Shared Power and Decision Making

Families and school staff are equal partners in decisions that affect children and families and together inform, influence, and create policies, practices, and programs.

With the assistance of parents, the school educates staff members in the value of parent contributions, and in how to work with parents as equal partners by:

As mentioned above, families meet with CTM at least 3 times each year to review academic and behavioral progress, review courses student is enrolled in, identify strengths, areas of growth, discuss concurrent enrollment opportunities, and create improvement plans that can include referrals to our CARE (Continuous Accountability & Resource Engagement) team.

The school provides opportunities for regular meetings with a flexible schedule that allows parents to participate in decisions relating to the education of their children by:

As mentioned above, families meet with CTM at least 3 times each year to review academic and behavioral progress, review courses student is enrolled in, identify strengths, areas of growth, discuss concurrent enrollment opportunities, and create improvement plans that can include referrals to our CARE (Continuous Accountability & Resource Engagement) team.

The school involves parents in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I, Part A programs and the School Parent and Family Engagement Policy by:

■ Timely posting of SSC, Title I and other family events/meetings As mentioned above, Street Academy informs parents of the school's participation in Title I Program at annual Title I meeting on an evening when we host Family Meetings. Parents are also informed in CTM Family Meetings (one-on-one meetings with Student, Family & Advisor) which happen 3-4 times each year at the beginning of the school year, end of the Fall, Winter & Spring Terms.

The school provides opportunities for the participation of all parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students, by:

- By providing interpreters and translation at SSC, Title 1, and all family meetings.
- By relocating meeting rooms to accommodate all parents.
- By scheduling best time for all parents.

The school provides support for parent and family engagement activities requested by parents by:

- By welcoming families with children.
- By Providing activities and childcare.
- By providing food, refreshments and snacks.
- By providing translation and materials in home language.
- Families have direct access to CTM and Principal. Street Academy has an open door policy and invites parents to be present on campus at any time. All parents including Title 1 parents are surveyed regularly regarding individual needs as well as activities they believe are the most helpful in supporting their children's academic success. These surveys are distributed at the Back 2 School Social Justice Fair, CTM Family Meetings, End of Program Social Justice Exhibitions. Feedback is gathered and our All Family Meetings are planned based upon this feedback

OUSD Family Engagement Standard 6: Community Collaboration and Resources

Coordinate resources and services for families, students, and the school with businesses, agencies, and other groups, and provide services to the community.

The school coordinates and integrates the Title I, Part A parent and family engagement program with other programs and activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children by:

Families have direct access to CTM and Principal. Street Academy has an open door policy and invites parents to be present on campus at any time.
