Background & Discussion It is the practice of the Board of Education to hold retreats at various points throughout a school year, including at the beginning of the year. The Board's last retreat was held on April 18, 2022. The outcomes for this retreat are:

- To have a common understanding and agreement regarding the roles and responsibilities of the Board and Superintendent
- To identify a set of protocols the Board will commit to for each Board meeting and which will serve as general operating procedures; to be adopted and included in Board Bylaw 9323
- To review a draft 2022-23 Board Work Plan and make final edits for the plan to be adopted at an August Board meeting
- To review the proposed amended Board Bylaws 9322 and 9323 and understand the impacts on the board meeting agendas for the 2022-23 school year

The retreat will be facilitated by Dr. Carmella Franco.
