Scope of Work

Bay Area Community Resources (BACR) is collaborating with public and nonprofit organizations across the state of California to recruit, train, and place Climate Corps AmeriCorps Fellows at public and nonprofit organizations, where they will support greenhouse gas reduction programs or other sustainability projects, such as implementing programs that save energy, water, or waste; educating students in classrooms or online; developing Greenhouse Gas Inventories, Climate Action Plans, and other capacity-building documents; outreach to raise community engagement. Fellows will ideally devote an average minimum of 24 hours per week to directly working on emissions, water, waste, or energy reduction projects.

The objectives of the program are as follows:

Host Agency will be able to report measurable reductions in GHGs, energy, water, or waste at the end of the placement.

Fellows may support the Host Agency through efforts in community outreach, capacity building climate resiliency projects, and K-12 youth education.

Fellows will be able to develop a practical skill set and expertise in the realm of climate change management at the community level.

Host Agency communities will be able to increase community participation towards further GHG reductions through volunteer opportunities that are created and/or increased through the participation of the Fellow.

The Parties will work together to promote the partnership, and its benefits to the Projects and community at large.

ARTICLE II – FELLOWSHIP TERM

The Fellows' term of service with the Host Agency is for a period of 11 months. The term of service starts as soon as September 1, 2022 but no later than October 3, 2022, and ends no later than August 31, 2023. While working for the Host Agency, the Fellow(s) will complete a minimum of 1,700 hours total to receive an end of program Segal Education Award of \$6,495.00 and a California for All Education Award of \$3,505.00.

It is expected that the Fellow(s) will devote 80-90% of their time (1,360-1,530 hours) to "Service" (projects agreed upon with the Host Agency and detailed in the Scope of Work) and 10-20% of their time (170-340 hours) to "Training" (structured and independent professional development opportunities including mandatory Climate Corps events). No more than 20% of time will be spent on "Training".

If a Fellow is unable to complete the expected number of hours by the end date in the Fellow's

contract (i.e. Member Service Agreement) due to any unforeseen circumstances during their term they may, at the discretion of BACR and the agency, be allowed time to complete their hours at the agency, or at another approved agency where there are service opportunities available. The last day Fellows are eligible to earn hours for the 2022-2023 program year will be August 31, 2023.

ARTICLE III – STATEMENT OF PROJECT ACTIVITIES

BACR agrees to:

Be the official employer-of-record for the AmeriCorps Fellow.

Pay the Fellow a living stipend of \$2,636.00/month, as well as provide coverage options for healthcare, childcare, and student loan deferment.

Recruit, screen, and select an AmeriCorps Fellow. Host Agency will assist in the recruitment and selection of the Fellow, including, without limitation, developing a position description, conducting interviews, and participating in the final selection of the Fellow. The Fellow must be a permanent resident of California by the time required background checks are conducted before the start of the Fellowship.

Train and support Fellow with a comprehensive training program that includes a training manual, a week-long orientation led by an array of experts, monthly trainings, a mid-year retreat, supervision meetings, and two performance reviews.

Assign a Regional Supervisor to Host Agency whose main function is to support both the Host Agency and the Fellow during the term of service through monthly verbal check-in meetings, email support, professional development resources, and conflict resolution, if necessary.

Work with the Host Agency to develop a specific Scope of Work plan for Fellow that aligns with the GHG reduction initiatives provided by Host Agency within the first month of service.

Define and develop metrics for the Fellow to measure and track the progress of resource waste reduction, K-12 education, capacity building, or community outreach throughout the placement.

Define and implement any corrections to Fellow's plan determined to be necessary based on feedback collected from Fellow and Host Agency.

Host Agency agrees to:

Provide at least one specific GHG reduction initiative that the Fellow(s) can work on during their term of service. Initiatives must be well-defined, approved for implementation and include specific emissions, water, waste, or energy reduction, and/or education, community outreach, or capacity-building targets, or have the capacity to define specific project targets. Host Agency will work with BACR to finalize a mutually agreed-upon Scope of Work no sooner than one month after the Fellow begins work.

Assign a Site Supervisor who will be available to devote no fewer than four (4) hours per month of one-on-one time with Fellow. The Site Supervisor will be available to support the Fellow(s) and provide specific guidance and tasks as they complete their projects.

Complete monthly verbal reporting to BACR in Regional Supervisor check-in meetings, indicating

whether progress is being made on the initiatives.
