Is Vendor a local Oakland business? Yes No

Why was this Vendor selected?

This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office. This agency provides services for both the school day and the After School Programs at Claremont Middle School.

Summarize the services this Vendor will be providing.

This grant reduction returns after school funds back to the school site to enable Claremont Middle School to set up extended contracts with school staff providing students with after school physical activity and athletic programming. By having school staff lead these after school physical activities, After-School All-Stars can focus on providing more rigorous after school STEM-based enrichment services to a targeted group of students.

Was this contract competitively bid? Yes No

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and by the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements.

The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 through 8484.6.

Is Vendor a local Oakland business? Yes No

Why was this Vendor selected?

This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

Summarize the services this Vendor will be providing.

This organization will provide comprehensive after school services for Oakland students, following the requirements set forth by OUSD and by the California Department of Education's ASES and/or 21st Century Community Learning Center grant programs. Daily after school services will include academic support, enrichment, and physical activity for students, as well as family engagement activities. This organization will work in close partnership with the host school site to align after school programming with the goals and priorities of the school's SPSA. This organization will also work in close partnership with the OUSD Expanded Learning Office to ensure the program meets attendance targets, fulfills compliance requirements, and achieves youth development quality standards.

Was this contract competitively bid? Yes No

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and by the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

2) Please check the competitive bid exception relied upon:

**After School Template for Elementary and Middle Schools
Memorandum of Understanding 2016-2017
Between Oakland Unified School District and**

After-School All-Stars

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with After-School All-Stars ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 201/Claremont Middle School under the following grants:
 - After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
 - Private grants
2. **Term of MOU.** The term of this MOU shall be July 1, 2016 to August 20, 2017 and may be extended by written agreement of both parties.
3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
4. **Compensation.** The ASESP and 21st CCLC grant award amount for After-School All-Stars is \$96,837.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
 - 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.
 - 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2016-2017")
 - 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the

review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2016-2017 and will not exceed \$96,837.00 in accordance with Exhibit B. **Exhibit B** ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2016-2017").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.
- 4.7. **Program Fees.** The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

5. **Scope of Work.** AGENCY will serve as lead agency at 201/Claremont Middle School, will be responsible for operations and management of the ASEP, 21st CCLC, OFCY, and private grants contracted to AGENCY by OUSD for fiscal year 2016-2017. This shall include the following required activities:

SECTION 2: Alignment with Site Plan (SPSA), Major Improvement Priorities

In collaboration with school leadership, identify the school's Major Improvement Priorities where this after school program is identified for its high-leverage practices.

<p>SECTION 4: Program Model and Lead Agency Selection</p>			
<p>For 2016-2017, my site will operate the following program model:</p>			
<p><input checked="" type="checkbox"/> Traditional After School: <i>voluntary program open to all students, with enrollment priorities targeting certain students</i></p>			
<p><input type="checkbox"/> Extended Day Program: <i>additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must not appear on the school bell schedule)</i></p>			
<p><input type="checkbox"/> Blended/Hybrid: <i>combination of some extended day and some traditional after school programming</i></p>			
<p>Description and Rationale for Selection of Lead Agency Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development. After-School All-Stars will support Claremont's Community School Development efforts by partnering with various community based organizations and local businesses in Oakland to bring programming in the area of career exploration, high school readiness and college prep classes, and STEM-based project based learning activities to the student and parent population. The provider will function as both a direct service provider and a broker of resources, actively meeting with leaders, educators, innovators, and mentors in the community to bring services into Claremont Middle School.</p>			
<p>SECTION 5: Attendance, Program Dates, Minimum Days, and Program Schedule In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm on every regular school day for elementary and middle schools. (EC8483) High school programs are required to operate a minimum of 15 hours per week.</p>			
<p>* CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets.</p>			
<p>Required # of Program Days your program will operate during School Year 2016-2017 (programs are required to operate between 177 – 180 days of the school year)</p>			<p>180 days</p>

<p>Projected Daily Attendance during School Year 2016-2017</p>	<p>86 students/day</p>
<p>Programs are allowed up to three days of program closure during the school year to offer staff professional development. Please list the three days (if any) your program plans to close this year for PD.</p>	<p>Friday, October 7th Monday, January 9th</p>
<p>Minimum Days Elementary and middle school after school programs are required to operate from the end of the school day to 6pm. When a school holds minimum days, the after school program must begin early and run a long day until 6pm. Minimum days have significant impact on the after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming when the number of minimum days exceeds the typical OUSD schedule of one minimum day per week for the school year.</p>	
<p>Projected Number of Minimum Days for School Year 2016-2017</p>	<p>36 days</p>
<p>Describe funding plan to operate program on minimum days, including additional school resources (if any), to support full program implementation on all minimum days: After-School All-Stars has successfully raised additional dollars beyond existing ASes funds to support all aspects of the program. The primary fundraising focus will in the area of STEM, Blended Learning, and Career Readiness programs, events, and activities. The organization has an aggressive plan in place to secure funding from Foundations and Corporations.</p>	
<p>SECTION 6: Program Schedule</p>	
<p>1. Submit program schedule as an attachment, using the standard program schedule template. The after school schedule must indicate the school name and the program year.</p> <p>2. Submit a copy of the school bell schedule for the 2016-17 school year.</p>	
<p>Important Notes: The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. if the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)</p> <p>Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. if the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)</p>	
<p>Please make sure program schedule clearly shows when the following program requirements will take place: Elementary requirements:</p> <ul style="list-style-type: none"> • One hour/week of literacy instruction for students in grades K-5 • One hour/week of math instruction for students in grades K-5 	

Middle School requirements:

- Youth Leadership
- Academic intervention (ELA and math)
- Middle school athletics (recommended)
- College and career readiness programming

SECTION 7: Transitions Support for High Need Populations of Students

Schools have students transitioning in and out over the course of the school year. This includes transitional youth such as foster youth and Newcomers who may enter the school year mid-year. It is an LCAP priority in OUSD that we provide services to these high need populations of foster youth and English language learners including Newcomers.

How will your program collaborate with the school day to support high need students who are transitioning into the school? How will your program set-aside program slots so that there is some space to serve high priority students transitioning into the school mid-year?

An important component of the student recruitment strategy will be to work with Claremont faculty and administration on a referral process. This will inform ASAS site leadership as to what students are being recommended to the program from an academic, social, and emotional perspective. This would include children with special needs. Program and school staff will determine the level of support needed for students with special needs, and if the after school program would need additional resources such as an 1:1 aide to ensure any such student's safety and success in the program.

SECTION 8: Academics

Your site should plan to offer a range of academic supports including:

- 1) Targeted Interventions
- 2) Skill Building
- 3) Homework Support
- 4) Tutoring

Other possible supports may include computer lab, library exploration, and project-based learning.

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program.

Please include the following requirements:

- **Required Elementary Academic Programming:** Elementary programs are required to provide at least 1 hour of literacy instruction per week for all students and 1 hour of math instruction per week for all students. (Curriculum and PD will be provided by OUSD.)
- **Required for Middle School Academic Programming:** Math and ELA academic intervention should be provided by teachers on extended contract, in order to support students struggling academically.

SECTION 9: ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Enrichment activities and physical activity/recreation are required components of the ASES and 21st Century grants. Enrichment activities should provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, arts learning, and student engagement.

<p>SECTION 10: FAMILY ENGAGEMENT / FAMILY LITERACY After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.</p> <p>Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21st Century grantees who receive Family Literacy funding, <i>The activities listed below must align to your 21st Century Family Literacy budget plan.</i></p>

<p>SECTION 11: Chronic Absence Action Plan Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.</p> <p><i>In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like</i></p>						

celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after-school learning experiences that help keep students engaged and coming.

Below are several key strategies that after-school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
<p>a) Recruit and address the needs of students who are at risk of chronic absenteeism.</p> <p>b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.</p>	<p>Include presentations and information for parents at Claremont's Open Houses and Back to School Nights. The program will also be designing "Claremont Community Days" where the entire afterschool community (including parents) will be asked to attend to celebrate, reflect, inform, and encourage participation and being true All-Stars during and after school.</p>
<p>c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.</p> <p>d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.</p>	<p>ASAS will develop and implement a meaningful and relevant incentive program designed to encourage students to attend the regular school day. High attending students in the afterschool program will be eligible for special opportunities and experiences provided during the after school hours.</p>

SECTION 12: Transforming School Culture and Climate

After-school programs can play a critical role in supporting the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

a) The following are strategies that OUSD schools are taking to change discipline and transform school culture and climate. Which of the following school strategies will your after school program work to intentionally align with, in order to support positive school culture and climate?

- PBIS (Positive Behavioral Interventions and Support)
- Restorative Justice

X Social and Emotional Learning
 Bullying Prevention: including online safety and creating climate of safety for all youth including foster youth, homeless, LGBTQ, disabilities, etc
 Other: (please specify) _____

b) How will the school and lead agency partner work together to ensure that the after school program is aligned with these efforts, and helping to transform school culture and climate? (ie. shared professional development, curriculum, coaching, planning meetings, COST meetings, etc.)

We will offer teachers the opportunity to receive specialized training in social emotion learning concepts through curriculum and practices during Claremont’s advisory periods. Specialized training in practices such as Infinity Learning Maps, and “Taking off the Mask” workshops.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

Through our partnership with the Ever Forward Club, we will provide culturally relevant programming that looks to build a community of support and mentorship for youth to gain an awareness of emotional capacity and self-worth.

d) Please mark other strategies your after school program and school site are using to support all students and address disproportionality:
 _____ Using Restorative practice to address disproportionality related to discipline
 _____ Trauma informed practices
 _____ Using PBIS to address discipline

SECTION 13: Social and Emotional Learning (SEL)
 Developing SEL skills in students and in the adults who work in the Oakland school system is a key priority for OUSD. SEL includes the following skills: self-management, self-awareness, social awareness, relationship skills, and responsible decision-making.

Describe how you will work intentionally to develop SEL skills in program staff:
ASAS has included SEL skill development for staff in the organization’s National Staff Program Guide. It contains “workbook” style content in Self-Awareness, Transformational Leadership, and key Youth Development principals designed to equip staff to work with behavior and social development in our students. We will also partner with organizations such as the Ever Forward Club who will provide in-classroom observation and ongoing coaching and feedback for our adopted SEL programs.

Describe how you will work intentionally to develop SEL skills in students:
SEL development will be developed through the organization’s adopted youth development framework. This discipline will look to include and increase student voice and choice in

	<p>program design, develop trust and community as a foundation to the ASAS learning environment, and create physically, emotionally, and socially safe environments for youth to thrive and succeed. This includes providing Claremont teachers with curriculum and practices they could apply during the regular school day.</p>
<p>SECTION 14: Coordination with Other Service Providers</p>	
<p><i>In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.</i></p>	
<p>The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?</p>	<p> <input type="checkbox"/> COST team (Coordination of Services Team) <input type="checkbox"/> SST (Student Study Team) <input checked="" type="checkbox"/> SSC (School Site Council) <input type="checkbox"/> ELT (Educational Leadership Team) <input type="checkbox"/> PTA <input type="checkbox"/> Attendance Team/Workgroup <input checked="" type="checkbox"/> SPSA Site Planning team <input checked="" type="checkbox"/> School Culture/Climate Committee <input type="checkbox"/> Other (specify) </p>
<p>List key community partners whom you will actively collaborate with to accomplish the goals of your program.</p>	<p>The Town Kitchen, Gameheads of Oakland, The Ever Forward Club, University of San Francisco, Launch Camp, 9 Dots, NBA Math Hoops, How I Decide, and others.</p>
<p>List all subcontractors who will be paid to deliver after school services.</p>	<p>The Town Kitchen, Gameheads, the Ever Forward Club, and Launch Camp.</p>
<p>Identify other service providers and support personnel at your school (ie. school psychologist, School Based Health Center staff, counselor, mental health therapist, school nurse, parent liaison, etc.) whom you will actively collaborate with to accomplish the goals of your program.</p>	<p>Core day teachers, sports coaches, parent liaison, school leadership, and others.</p>

2016-17 After School Enrollment Policy for Claremont Middle School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Students in the FFRL Programs	Identified by school demographic data	N/A
Returning students from previous year's program	Cityspan participation information	N/A
Students in need of academic support	According to school grades data for students and referrals by teachers	N/A

Which grade levels will you serve in this program? 6-8

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2016. Indicate how families will be notified of 2016-17 enrollment before the last day of school, June 9, 2016.

Timeline	After-School Enrollment Steps/Process	Individual(s) responsible
Week of August 15th	Work with school day to communicate with families about the beginning of the program prior to the first week of school.	Site Coordinator and Program Manager.
Week of August 22nd	Conduct on site registrations during intro week of the ASAS program.	Site Coordinator and Program Manager.
August 22-31st	Continue registering students into the program	Site Coordinator and Program Manager.
First week of October	Target week for reaching at least 85% attendance	Site Coordinator and Program Manager.

Important dates to include in your timeline:

- April – June: Spring enrollment for 2016-17 programs.
- Families will be notified of 2016-17 after school enrollment before the last day of school, June 9, 2016.
- After school programs begin on 1st Day of school, with enrollment at a minimum 75% capacity.
- August – September: New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by September 30, 2016, except for slots reserved for transitional students (ie. Foster youth, Newcomers) entering the school mid-year.
- All programs must maintain waitlists after program slots are filled.

School Support for Program Recruitment

Describe how the school will support after school program recruitment efforts. Specify how school staff will help promote the after school program, refer students, and communicate with families about program opportunities:

ASAS will lead the following efforts in working with the regular school day:

- Hold monthly Principal meetings to ensure alignment with program and school strategies as it relates to after school participation.
- ASAS will be active in presenting and pitching to families at all school community events such as Open House and Back-to-School Night.
- ASAS will put on lunchtime recruitment activities designed to continually introduce the program to Claremont students.

- ASAS will work with the front office staff to make available registration material, event flyers, and other program information to families. This will also include any type of robo call strategies to remind or keep families informed of ongoing program opportunities.

In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.
