Ask of the Board Approval by the Board of Education of Memorandum of Understanding 2021-2022 between the District and East Bay Asian Youth Center, Oakland, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for Oakland High School’s comprehensive After School Program, for the period of July 1, 2021 through June 30, 2022, in an amount not to exceed \$190,141.00.

Background The general purpose of the 21st Century Community Learning Centers (21st CCLC) program is to establish or expand community learning centers that provide students with academic enrichment opportunities along with activities designed to complement the students’ regular academic program. California Education Code (EC) section 8421 further defines the purpose of the 21st CCLC High School ASSETS program as (1) creating incentives for establishing locally driven after school enrichment programs that partner schools and communities to provide academic support and safe, constructive alternatives for high school pupils in the hours after the regular school day, and (2) assisting pupils in passing the high school exit examination for public school programs.

Discussion This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD’s Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office. The school Principal has selected this agency from the list of approved lead agency partners.

**After School Template for High School
Memorandum of Understanding 2021-2022
Between Oakland Unified School District and
East Bay Asian Youth Center**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with **East Bay Asian Youth Center** ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at **304 Oakland High School** under the following grants:

- California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
- California Department of Education ("CDE") 21st Century Direct Access Grant ("Direct Access")

2. **Term of MOU.** The term of this MOU shall be July 1, 2021 through June 30, 2022. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.

a) **No Premature Termination by AGENCY.** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.

b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation. Contingent on OUSD receipt of** The 21st Century ASSETS Core Grant, and Direct Access grant award amount for **East Bay Asian Youth Center** is **\$ 190141.00**. Contingent on 21st CCLC funding. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee **and subject to AGENCY compliance with MOU requirements**, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. **Penalties may be assessed or payments**

withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.

4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A** - Attendance Reporting Schedule 2021-2022"). In the event that the school site at which AGENCY has agreed to provide programming is closed for any emergency reason (including but not limited to reasons related to COVID-19), and AGENCY provides programming remotely pursuant to Section 5.4.5 of this Agreement, AGENCY shall calculate attendance based on student participation in AGENCY's remote programming.

4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).

4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.

4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.

4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2021-2022 and will not exceed **\$ 190141.00** in accordance with **Exhibit B** ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").

4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct

unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

Program Fees. The intent of the 21st Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care. . Any site receiving 21st Century Community Learning Center (CCLC) must report all fees collected (i.e.- registration fees, family fees, application fees, etc.) to OUSD After-School Program Office for CDE reporting.

5. **Scope of Work.** AGENCY will serve as lead agency at **304 Oakland High School**, will be responsible for operations and management of the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2021-2022. SECTION 2: PROGRAM OPERATIONS Average Daily Attendance, Program Dates, Minimum Days & Enrollment	
<p>To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.</p>	
Projected daily attendance for 2021-2022 school year program.	<input type="text" value="139"/>
Program Operations for the 2021-2022 school year. First Day: August 9, 2021 Last Day: May 26, 2022	
UPDATED ED CODE:	Per CDE Education Code Section 8483.7(c) allows programs to close for a maximum of 3 days during a calendar year (not a school year) for staff development. Families and school site personnel must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets. This should be uploaded no later than 5 business days after the closure day.
Identify the three days (if any) your program plans to close this year for PD. The program must be open all other days of the school year. (Updates for any date changes are due September 2021).	
1st:	<input type="text" value="We don't plan to close any program days."/> 2nd: <input type="text"/> 3rd: <input type="text"/>
<p>Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming. There is an expectation already established for the 36 weekly minimum days, however if the school is planning on more than these and 10 extra days for report card conferencing you should discuss how the staffing fees for these extra days will be funded in partnership with the school day.</p>	
Projected Number of Minimum Days for School Year 2021-2022: <input type="text" value="25 minimum days + 8 days of early release due to finals."/>	
Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, identify school-site funds to be utilized to fund these additional hours of programs?	
<p>The projection for minimum days was based on the 2019-2020 school year. We will plan accordingly to not exceed the projected minimum days.</p>

Next, click on the drag or browse window and upload the Enrollment Timeline file. Please name your file in this format: SchoolName_EnrollmentTimeline

Please check the box below after completing the above instructions

~~Enrollment Timeline has been uploaded to Program Plan folder~~

Important dates to include in your timeline
April - June: Spring enrollment for 2021-2022 programs.
 Families will be notified of 2021-2022 after school enrollment before the **last day of school, May 27, 2021.**
 After school programs begin on the **first day of school** when enrollment is at a minimum 75% capacity.
August - September: new school year enrollment of families for remaining program slots.
 Remaining program slots will be filled by **September 30, 2021**, except for slots reserved for transitional students (i.e., Homeless, foster youth; Newcomers) entering the program for the first time and/or mid-year
 All programs must maintain **waitlists** after program slots are filled.
 CDE and OUSD have established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. With these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community. Make sure to include a description of 1-3 enrollment priorities that will be made public and why.

****This may look different for High School and Continuation schools based on alternative schedules and intersession. Please include the items above that are applicable to your schedule and recruitment process. Describe how your school will identify and recruit students beginning of Spring 2021. Indicate how families will be notified of 2021-2022 enrollment before the last day of school.**

SECTION 3b: PROGRAM MODEL (Continued) Average Daily Attendance, Program Dates, Minimum Days & Enrollment

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a Golden Ticket. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal **McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)*, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. **Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)*
 - Establishes the definition of homeless used by schools
 - Ensures that children and youth experiencing homelessness have immediate and equal access to public education
 - Provides for educational access, stability, and support to promote school success
 - Needed to address the unique barriers faced by many homeless students

Complete the following questions for Section 3b:

- To the best of your knowledge, how many Golden Tickets were distributed in the 2020-2021 school year?

Unsure - At high school, we have open enrollment throughout the school year. There is no waitlist.

- How will you make your program more accessible to serve the needs of Golden Ticket students/families?

We will continue to do focused outreach for students who are unhoued or newcomers. Oakland High currently has 56 identified youth who are unhoued, and 321 Newcomers. For students who are unhoued and newcomers, we will work with the COST team and school staff to develop a participation plan to reduce barriers to their participation in the expanded learning program. In addition, we will elicit feedback from students to co-design or alter programming and/or access to the program to meet their needs.

SECTION 4: PROGRAM COMPONENTS

CDE requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment** component, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for **physical activity**. (EC Section 8483.3[c][7])

Educational and Literacy Component that includes tutoring/

Describe how the after-school program will provide the educational & literacy component.

Respond Below:

The Educational and literacy component will be met by providing academic support and guidance. Staff will work with students to reflect on academic progress (grades and attendance) and help students with goal setting. If students need specific academic support, we will help them on how to ask for help from teachers or connect with a staff that can

support them. In addition, intentional engagement with literacy development will be embedded in the enrichment and internship program.

Homework assistance in the core subjects (language arts, math, history /social science, etc.)

How are students building academic skills? How are social-emotional academic development being integrated? *(Include specific strategies for creating a safe & supporting environment through encouragement and active engaged learning.)*

Respond Below:

Students are building academic skills by receiving small group and/or individualized support in completing their assignments in a positive and encouraging environment of adults and peers. Social-emotional academic development is being integrated through consistent and supportive staff. We will use building intentional communities, restorative, and trauma-informed practices, including but not limited to community-building circles, providing activities and an environment that is predictable (i.e. warm welcoming, check-ins, peer to peer activity, and optimistic closing), and opportunities to reflect and provide feedback.

Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)

How does the after-school program choose which educational enrichment activities are offered? *(Include specific strategies designed to foster skill-building; youth voice and leadership and diversity, access and equity.)*

Respond Below:

In the summer of 2020, we sent out a feedback survey to the whole student body asking for their ideas as to which kind of programs we should offer as part of the expanded learning program. We received over 200 responses. In addition, we ask for feedback from students enrolled in the program on their experience. We asked what they enjoyed and what they hoped could have been different. With the feedback we get from students, we design, find partnering organizations, or modify our programs to meet the interest and needs of students.

Physical Activity other than recess that is structured and supervised with a warm-up, structured physical activities and a cool down. (This should happen for all students in the program.)

CDE expects Elementary programs to offer 30-60 minutes of developmentally appropriate, daily physical activity (to help meet CDE recommendation of 60 daily minutes of moderate to vigorous physical activity for youth) This is not 'free play' or recess. (We understand Middle and High will vary based on sports programs and scheduling. Please explain how the after-school program will address physical activity in your program, including type, frequency, and target population. All students should have the opportunity for physical activity).

- Plan and evaluate (review fitness test results, track minutes, etc.)
- Include a variety of activities throughout the year

Describe how the after-school program will provide structured physical activity for all participants. *(Include specific strategies to promote healthy choices and behaviors.)*

Respond Below:

We partner with sports teams on campus to support and acknowledge our student-athletes who strive to do well and school and stay physically active. In addition, we will offer guided activities in our other programs. These mind and body activities include, but are not limited to mindfulness, yoga, guided workouts, or walks, to promote emotional and physical wellness.

Family Literacy Component that includes literacy activities and other educational services that engage adult family members of students.

Describe how the after-school program provides opportunities to promote literacy and/or other educational services to adult family members of students?

Respond Below:

After school has a presence at OHS Back to School Night, where families are invited to meet with teachers, and learn about the services available to students. Our expanded learning program staff will participate in this event to provide information and resources, including guidance on how to strengthen literacy and educational experience between the student and adult family members.

Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)

How does the after-school program choose which educational enrichment activities are offered? *(Include specific strategies designed to foster skill-building, youth voice and leadership and diversity, access and equity.)*

Respond Below:

In the summer of 2020, we sent out a feedback survey to the whole student body asking for their ideas as to which kind of programs we should offer as part of the expanded learning program. 1. Complete the program schedule from or upload your program schedule.

a. **Make sure your program schedule includes:**

i. **Class/Activity title** i.e. African Dance not just enrichment

ii. **Day and time offered**

b. Complete this form to design program component attached template to describe program components then link them into this **document**. Program component description link: linked to the spreadsheet create a drop-box option (a) CDE--academic, enrichment, physical activity "use the same title".

**In the fall, sites are required to resubmit updated program schedules. This schedule should be clearly aligned with the supports identified in section 4.*

Academic Alignment with School Day and District Priorities

Please provide a short narrative that identifies how the after-school program will support school goals aligned with district student learning goals in the appropriate grade level box below.

- Collaborate with the school site administrator and consult the School Site Plan to align with the school day.
- Consult the descriptions below for the District's priorities for elementary, middle and high school.

OUSD Student Learning Goals:

1- All students build **relationships** to feel connected and engaged in learning

2- All students continuously grow towards meeting or exceeding standards in **English Language Arts**

- 3- All students continuously grow towards meeting or exceeding standards in **Math**
- 4- English Learner students continuously develop their language, reaching **English Fluency** in 6 years or less
- 5- All students grow a year or more in **Reading** each year
- 6- All Students graduate college-, career-, and community-ready

How will the after-school program further these OUSD Learning Goals?(Choose 2-3 to focus on for the 2021-22 School Year)

Respond Below:

Learning Goal #1: Staff will conduct one-on-one wellness checkins and community-building activities. This will help all students feel connected, thus feed their motivation to be engaged in learning.

Learning Goal #6: Our programs will provide strategies for the development and strengthening of social and emotional skills that will help them thrive in all parts of life during and after high school.

SECTION 5: CONTINUOUS QUALITY IMPROVEMENT (Alignment with CDE and OUSD)

To increase the effectiveness of a program, it is critical to engage in an ongoing continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the [Quality Standards for Expanded Learning in California](#)—which were developed in partnership between the California Department of Education’s (CDE) After School Division and the California Afterschool Network (CAN) Quality Committee.

Identify the after-school program data point(s) in the narrative below. Could include: student feedback (youth survey, interviews or focus groups), internal program observation or external observation

TRUTH

What is currently happening in the program? Use data to identify the truth about 1-2 self-selected aspects of the program.

Respond Below:

There is a high retention rate in our internship program. With over 50 participants each semester, about 96% of students completed the internship in the Fall, and another 96% are still enrolled for the Spring. In our Fall 2020 internship feedback survey for students who completed the program (38 responses – Note: 53 Fall interns, 39 completed their internship, 1 didn't complete, 14 still active interns for Spring), we learned:

- 100% would recommend the internship to another student
 - Some of the reasons why included: Meeting and working with new people, topic and skills were interesting and learning new things
- 100% felt safe in the program
- 100% felt respected by other youth
- 95% of students felt more confident with their abilities to navigate life, school, or career
- 92% felt a sense of belonging in the program
- 77% tried new things in the program

HOPE

What is the dream for the program in these areas as identified by students, families, parents, staff and site support team?

Respond Below:

The hope is to have more internship opportunities for students that match their career interests. Since only 77% felt like they tried something new, I do hope we can bring in newer career interests or critically think about how we can expand newer skills and knowledge for current internships.

CHANGE

What steps will be taken to make the shifts needed to realize the HOPE identified above?

Respond Below:

To work more closely with Oakland High's work-based learning liaison to create a stronger pipeline between the students we know who are seeking internships in a career field we don't offer. We could also collectively think about how to increase career readiness opportunities for students in general. In addition, we can take a closer look at the skills and knowledge our current internship offer, and seek professional developments to widen our lens for career fields.

CURIOSITY

What deeper questions or inquiries are coming up? Something that needs more time to think about to make long-term shifts.

Respond Below:

How can we bring on vocational or training programs or partnerships so our students can walk away with a certificate, license, or clear path that leads to a career of their interest?

Oakland High OUSD Expanded Learning: After-School Programs

2021-2022 Modification Program Plan

ELEMENTARY/MIDDLE & HIGH SCHOOLS

ASES and 21st Century Community Learning Center (21st CCLC)

Modification Program Plan: Given the uncertainty of the school reopening model, this document will:

→ Develop a clear work plan that supports students' learning in partnership with the school site to prepare for any model for reopening in the 21-22 school year.

→ Support collaboration with schools and Lead agencies to determine their reopening plans.

Non-Negotiable Compliance Considerations Expanded Learning Guidelines

When designing the Expanded Learning program model, please consider all of the following factors.

- ASES, 21st CCLC, and ASSETS funding will not increase based on the program model.
- Sites will be required to run 180 days of programming.
- Sub-contractors partnerships and how they will fit into this program model
- No supplanting (Programs are required to provide supplementing/enrichment programs and can not provide any instructional minutes)

Expanded Learning Program Models

Given the constant uncertainty due to COVID-19, the Expanded Learning Office is asking all Expanded Learning Partners and Site Leadership Teams to design programming for multiple reopening models to ensure we can meet our communities' needs in the fall.

Possible modified program models:

- Distance Learning Support
- In-person with modifications based on State and County Safety guidelines.
 - If the sites are in any type of hybrid programming where some are on and some students are off-campus. Expanded Learning funds are to be prioritized for in-person programming.
 - This modification occurs when students come back part-time or not all students come back in person. I.E. small pod instruction with only 12-14 students present in each class.

GUIDING QUESTIONS - Staffing

Please answer the following questions to help guide program contingency planning. Staffing is the key ingredient to making these decisions for each site.

How many full-time employees does the expanded learning program employ? (i.e., site coordinators)

How many part-time employees?

How many hours do the part-time employees work?

Hrs

Does the program have subcontractors that provide service?

full-time staff not directly funded by 21st Century that will provide expanded learning services.

MODIFIED SCOPE OF WORK

Please Indicate below how the Expanded Learning Program will support each possible modification. Check all that apply. (Keep in mind that Expanded Learning funds should be used to support enrichment for students. If staff is supporting school day make sure to set aside dedicated for them to provide this service.)

Distance Learning :

- Expanded Learning staff will be generally present (via Zoom) from __am/pm to __am/pm
- Expanded Learning staff will virtually support 1:1 with a student(s) ___ groups of students ___
- Expanded Learning staff will virtually support teachers directly.
- Expanded Learning staff will lead and facilitate programming independently of the school day
- Expanded Learning staff will assist with specific subjects.

List subjects below:

Please briefly describe how the program will support distance learning:

We will support resource distribution, participate in student and family needs assessments, connect students and families to resources, provide virtual and community building & wellness opportunities. We can support the continuation of virtual internships through using the similar outreach, on-boarding, and retention practices. For example, we hosted a virtual orientation with community building and internship overview. In addition, we held virtual events for all our interns to have a sense of community and uplift joy.

In-person Modified by State and County Health Guidelines:

- Expanded Learning staff are in person with a small cohort, based on county POD guidelines
- Expanded Learning staff will provide programming for 3 hours after the school day ends.
- Expanded Learning staff will provide distance learning support for student or 1:1 tutoring Expanded Learning staff will support in-person students daily
- Expanded Learning staff will virtually support students on days when all students are virtual

Please briefly describe how the program will support distance learning:

Available staff will be available to support with in-person learning pods. For those not available for in-person, we will have virtual supports for students.

SECTION 3: PARTNERSHIP & COMMUNICATION ASSURANCE

How will the site operationalize communication between the lead agency staff and school faculty? Are there existing spaces that the coordinator or instructors should be invited into to improve alignment between the school faculty and expanded learning staff?

- PBIS
- Staff Meetings
- Grade level Collaboration

COST

If a shift happens how do you collaboratively transition from fully remote learning to in-person learning modified? (i.e. Keep in mind impact, staff readiness, budget, space, and county/state guidelines.) What are the steps/considerations for the transition?

To fully transition from fully remote learning to in-person learning, we will develop a plan that is inclusive of our site safety lead, our principal, and our staff. We will meet regularly to fine tune the protocols and practices to ensure both the physical and emotional safety of everyone. In addition, we will elicit feedback from students and families to ensure our practices and protocols address their needs and concerns.

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement . In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

East Bay Asian Youth Center

Statement of Qualification

EBAYC is a 501(c)3 non-profit youth development organization dedicated to supporting young people to be safe, smart, and socially responsible. Our work is intentionally focused on helping young people develop the relationships, knowledge, skills, values, and aspirations they need to succeed in life. Our work with young people is long-term commitment. We provide young people a neighborhood-based continuum of supports and opportunities from elementary school through young adulthood.

EBAYC served over 3,000 youth each year through our Expanded Learning programs and intensive case management services. EBAYC program strategies resulted in higher school attendance rate and lower school suspension rate. Over the course of four decades, EBAYC consistently demonstrates high standards of program quality and performance as indicated by city, county, and school district evaluation.

Our Vision

EBAYC envisions young people growing to be life-long builder of a just and compassionate multi-cultural society.

Our Mission

EBAYC builds supportive relationships with young people to empower them to be safe, smart, and socially responsible.

Our Theory of Change

If EBAYC provides intensive support to hard-to-reach young people most impacted by poverty, violence, and trauma; organizes families to increase public investments to improve young's people's lives; transform schools into neighborhood based youth and family services centers; Then EBAYC would advance its mission.

EBAYC DOJ&TB Letter - OUSD

April 15, 2021

Martha Peña
Coordinator, Expanded Learning Programs
Community Schools & Student Services
Oakland Unified School District
1000 Broadway
Oakland, CA 94607

Dear Peña:

This letter describes the East Bay Asian Youth Center (EBAYC) policy for tuberculosis testing, fingerprinting and child abuse and neglect reporting.

EBAYC conducts its own background check on all employees and volunteers. EBAYC employees are not permitted to come into contact with students at any OUSD school sites until EBAYC receives their negative TB test results, fingerprint clearance and re-arrest records from the State of California - Department of Justice, and from the Federal Bureau of Investigation pursuant to Section 11105.3 of the California Penal Code and Section 15660 of the California Welfare and Institutions Code. No EBAYC employees who have been convicted of a violent or serious felony may come into contact with students. EBAYC will include the employees' ATI numbers on the invoices to OUSD, and will make available to OUSD the TB test results upon demand.

EBAYC employees fully comply with the California Child Abuse and Neglect Reporting Act guidelines to report suspicions of possible child abuse and neglect to the appropriate reporting agencies.

Sincerely,

H. Nhi Chau
Deputy Director of Strategic Development
