This grant will allow us to hire a director that will lead the work in improving the quality of our early childhood classrooms across the district. The quality areas that will be focused on will be environment through the ECERS and Adult/Child interactions through the CLASS assessment. Through this grant this director will provided coaching and support directly to teachers, site administrators, and Principals. How will this grant be evaluated for impact upon student achievement? (Customized data design and technical support are provided at 1% of the grant award or at a negotiated fee for a community-based fiscal agent who is not including OUSD's indirect rate of 5.94% in the budget. All information that is maintained by First 5 and Contractor may be subject to inspection by any person pursuant to a request under the California Public Records Act. The information shared under California Public Records Acts refers only to agencies, organizations or partners not individuals or patients who are recipients of child health or family services.

First 5 and Contractor may enter into a HIPAA Business Agreement if either organization is considered a Covered Entity as defined by the Health Insurance Portability and Accountability Act (HIPAA) of 1996 and the Department of Health and Human Services regulations. The Business Associate contract is outlined in Exhibit D to this Agreement if applicable.

Confidential information is defined as all information disclosed to Contractor which relates to First 5's past, present and future activities, as well as activities under this Agreement. In the event that the funding allocation or the funds available to First 5 changes, First 5 may determine, in its sole discretion, that it is necessary to reduce, eliminate or otherwise modify the funding to Contractor under this Agreement due to the unavailability of funds or First 5's assessment of its funding priorities. If First 5 elects to reduce or eliminate funding pursuant to this provision, it will provide 30 days advance written notice to Contractor.

Whether any clients or recipients of services or other persons were witnesses to the accident; and 6. determination of what effect, if any, the accident will have upon Contractor's ability to perform services.

XVII. NON-DISCRIMINATION

Contractor assures that it will comply with applicable state and federal laws and regulations that govern discrimination, including, but not limited to, the Americans with Disabilities Act and Title VII of the Civil Rights Act of 1964. Contractor further agrees that no person shall, on the grounds of race, creed, color, disability, sex, sexual orientation, national origin, age, religion, Vietnam Era Veteran's status, political affiliation, or any other nonmerit factors protected by applicable law, be excluded from participation in, be denied associated benefits, or be otherwise subjected to discrimination under activities covered in this Agreement.

Contractor shall not make governmental decisions, as defined in section 18701(a)(2) of Title 2 of the California Code of Regulations, and Contractor's work shall be subject to intervening substantive review by staff of First 5.

If Contractor has entered into this Agreement as a not-for-profit organization as defined by state and federal law, and is in receipt of funds from First 5 based on such status, Contractor shall at all times conduct its business in a manner consistent with that required of a not-for-profit organization by applicable laws.

XIX. DRUG-FREE WORKPLACE

Contractor and Contractor's employees shall comply with the County's policy of maintaining a drugfree workplace. Neither Contractor nor Contractor's employees shall unlawfully manufacture, distribute, dispense, possess or use controlled substances, as defined in 21 U.S. Code Section 812, including marijuana, heroin, cocaine, and amphetamines, at any County facility or work site.

Violation of this provision shall constitute a material breach of this Agreement.

XX. MODIFICATIONS TO AGREEMENT

First 5 shall assign a liaison to Contractor with respect to the performance of this Agreement. Unless otherwise provided in Exhibit A and/or B to this Agreement, any adjustments requested by the Contractor to line items of a budget or to the program description included as an Exhibit to this Agreement shall not alter (1) services or other performance to be provided under this Agreement, (2) the time of performance of any act hereunder, or (3) the total amount of money allocated hereunder. Only one budget revision is allowed per year and may be granted or denied per the assessment of First 5 staff. For all budget line item adjustments over 10%, a written justification for each line item should be submitted for approval. Budget line item adjustments under 10% are not subject to a formal revision and may be shifted at the Contractor's discretion once per year. This Agreement can be amended only by written agreement of the parties hereto.

XXI. OWNERSHIP OF WORK PRODUCT / INTELLECTUAL PROPERTY

Any work product developed by Contractor in performance of this Agreement shall be considered the work product of First 5 and upon termination of the Agreement, Contractor shall provide those materials to First 5 to the extent requested. In addition, it is the express intention of the parties that First 5 shall at all times be and shall remain the sole and exclusive owner of all rights of any kind whatsoever in and to the results and proceeds of First 5's and/or Contractor's services hereunder (the "Results").

Contractor warrants that, to the best of its knowledge and control, the Results are and will be original with Contractor in all respects (except to the extent based on material supplied by First 5), have not been and will not be exploited in any manner and/or medium, and do not or will not infringe upon the copyright, patent or any other right of any person or entity and properly attribute the use of any other sources from any person or entity. Contractor agrees to execute any and all other documents consistent herewith, which may be required to effectuate the purpose and intent of this Agreement, and agrees that First 5 shall have the sole and exclusive right to register in its own name the copyrights and any other rights in and to the Results. In addition, or alternatively, Contractor hereby irrevocably appoints First 5 as Contractor's attorney-in-fact to take such actions and make, sign, execute, acknowledge, and deliver all such documents as may from time to time be necessary to convey to First 5, its successors and assigns, all rights granted in this section. This provision is of the essence of this Agreement and shall survive termination of this Agreement.

XXII. PUBLIC EMPLOYEES' PENSION REFORM ACT

F5AC as a Participating Employer in ACERA (the Alameda County Employees' Retirement Association) is restricted by law in retaining the services of a Contractor who has retired previously under ACERA (unless the Contractor reinstates in the ACERA system). If Contractor has not previously retired under ACERA, the law does not affect his/her ability to provide services to First 5 Alameda County. If Contractor has previously retired under ACERA, the law permits the ACERA retiree to provide services to First 5 Alameda County without reinstatement from retirement under limited circumstances. Applicable Contractors will be required to complete and submit a self-certification form of ACERA retirement status prior to execution of contract.

EXHIBIT A

PROGRAM DESCRIPTION AND PERFORMANCE REQUIREMENTS

1. Background and Program Description

The California Children and Families First Act of 1998 (Proposition 10) created a program in the state for the purposes of promoting, supporting, and improving the early development of children from the prenatal stage to five years of age. The intent of this act is to enable counties

to create and implement an integrated, comprehensive and collaborative system of information and services to enhance optimal early childhood development.

First 5 has approved a Strategic Plan for a comprehensive system of early intervention services for children 0 to 5 years of age and families in Alameda County. A key component of the First 5 Strategic Plan is the development of a child care Quality Rating and Improvement System (2013-17 Strategic Plan, page 11). This work has been supported, in part, by the California Department of Education's QRIS Block Grant. The services of the Contractor have been retained to provide quality improvement plans and site level quality improvement support for California State Preschool Program sites in the Oakland Unified School District.

2. Prohibition on Supplantation

By law, First 5 funding may not be used to supplant other funds. First 5 funding may only be used to expand or enhance existing programs or to initiate new services or programs benefiting children prenatal to age five.

3. Performance Requirements

Contractor will complete all strategies outlined in the First 5 approved accountability plan (Attachment 1). Contractor's currently approved budget is attached as Attachment 2.

4. Reporting Requirements

Contractor will submit expenditure and progress reports via ECC Online as described in Exhibit B.

5. Fiscal Requirements

Contractor may be required to submit General Ledger expense reports and salaries and benefits documentation supporting expenses to be reimbursed during the funded term. First 5 will identify which reporting period(s) Contractor will be required to submit this information and provide prior notice to the Contractor.

6. ECChange, ECCOnline or Pathways Database Requirements – see Exhibit A, 4.

7. Budget and/or Scope Revisions

Contractor may submit one budget and/or scope revision per year no later than April 15th of the fiscal year and may be granted or denied per the review and assessment of First 5 staff. For all budget line item adjustments over 10%, a written justification for each line item should be submitted for approval. Budget line item adjustments under 10% are not subject to a formal revision and may be shifted to existing line items (not including administrative/indirect fees) at the Contractor's discretion once per year. All significant revisions to approved scope must be submitted in writing and may be granted or denied per the review and assessment of First 5 staff. Ineligible and previously unapproved contract expenses may be disallowed per First 5 review and assessment.

8. Federal Office of Management & Budget (OMB) Circular Requirements

Contractor is required to comply with all current OMB A-133 Circular requirements during the funded term including but not limited to conflict of interest, internal controls, procurement and

subcontractor monitoring. First 5 reserves the right to audit and collect from Contractor documentation demonstrating allowable activities and costs, eligibility, reporting, subcontractor monitoring and other special tests as identified.

9. Tuberculosis Testing

The Contractor shall require and ensure that staff who have direct and consistent contact with children through the First 5 funded activities undergo standard tuberculosis testing. Contractor will maintain records and documentation of current tuberculosis clearance and retest as appropriate.

10. Filing reports with Child Protective Services (CPS) / Child Care Licensing (CCL)

If a First 5 Contractor has knowledge of or observes a child who they suspect has been the victim of child abuse or neglect within the course of First 5 funded work, it is expected that they will file a report of the situation to CPS. In accordance with CPS guidelines, the report should be filed by phone within 24 hours of the incident, and in writing within 36 hours of the incident. If the abuse or neglect occurs in a licensed child care facility, it is expected that the Contractor will also file a report immediately to CCL.

Reporting suspected child abuse or neglect to First 5 or other persons is not a substitute for making a report to CPS or CCL. Reporting duties are individual and cannot be delegated to another person.

If First 5 staff become aware of suspected child abuse or neglect while providing consultation and/or contract support, and a report is not filed within the legal timeframe by the contractor, First 5 staff will file a report by phone and in writing within 24 hours.

Failing to report abuse or neglect to the appropriate agencies is not consistent with the mandates of First 5 Alameda County to improve health and development of children ages 0-5. Failure to report may result in termination of contract funding.

11. Cultural Access Services Requirements

- A. Contractor shall make a good faith effort to ensure that clients receive from all staff members effective, understandable, and respectful care that is provided in a manner compatible with their cultural health beliefs and practices, and preferred language.
- B. Contractor shall make a good faith effort to ensure that communication among staff and with the clients/population served promotes cultural responsiveness and respect of difference.
