**Action Requested** Approval of a Memorandum of Understanding (MOU) between District and Oakland Leaf, for services to be provided primarily to 181/EnCompass Academy.

**Background**  
*A one paragraph explanation of why the consultant's services are needed.*

The After School Education and Safety (ASES) Program is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 through 8484.6.

**Discussion**  
*One paragraph summary of the scope of work.*

**Memorandum of Understanding 2014-2015  
Between Oakland Unified School District and  
Oakland Leaf**

---

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with Oakland Leaf ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 181/EnCompass Academy under the following grants:
- After School Education and Safety Program ("ASESP")
  - California Department of Education ("CDE") 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC)
  - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21<sup>st</sup> CCLC funds.
  - Private grants
2. **Term of MOU.** The term of this MOU shall be July 1, 2014 to August 21, 2015 and may be extended by written agreement of both parties.
3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
4. **Compensation.** The ASESP and 21<sup>st</sup> CCLC grant award amount for 181/EnCompass Academy is \$89,535.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21<sup>st</sup> CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21<sup>st</sup> CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2014-2015")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21<sup>st</sup> CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the

review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21<sup>st</sup> Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21<sup>st</sup> Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21<sup>st</sup> CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21<sup>st</sup> CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21<sup>st</sup> CCLC programs.
- 4.5. **Program Budget.** Due to result-based budgeting, the grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2014-2015 and will not exceed \$89,535.00 in accordance with Exhibit B. **Exhibit B** ("ASEP/21<sup>st</sup> CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2014-2015").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.
- 4.7. **Program Fees.** The intent of the ASEP and 21<sup>st</sup> CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee

structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

5. **Scope of Work.** AGENCY will serve as lead agency at 181/EnCompass Academy, will be responsible for operations and management of the ASEP, 21st CCLC, OFCY, and private grants contracted to AGENCY by OUSD for fiscal year 2014-2015. This shall include the following required activities:

#### SECTION 4: Program Model and Lead Agency Selection

For 2014-2015, my site will operate the following program model:

- Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*
- Extended School Day:** *additional class periods added to the bell schedule during after school hours for students of a particular grade and/or all students of the school*
- Blended/Hybrid:** *combination of some extended day and some traditional after school programming*

#### Description and Rationale for Selection of Lead Agency

**Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.**

Oakland Leaf cultivates community transformation through creative education. Leaf programs place a premium on values and high expectations for young people. Leaf's programmatic goal is to cultivate a generation of youth leaders who, through participation in our programs as students, artists, athletes, evaluators and, eventually, educators and community change-makers, will develop the necessary skills and perspectives to take ownership of, and leadership for their community. In regards to Oakland Leaf's after-school services, standards of excellence and achievement are applied to Academic offerings and Enrichment offerings. Oakland Leaf is committed to the students' academic achievement and success, along with broader youth development goals.

Our programs derive their strength and beauty from the interweaving of five initiatives: Literacy, Health and Wellness, Empowerment and Leadership and STEM (Science, Technology, Engineering, Math). Oakland Leaf programs include: Oakland Peace Camp, a summer program serving 90 youth annually; six comprehensive after-school programs ASCEND Sunset Warriors, Think College Now, International Community School, EnCompass Academy, Bret Harte Middle School, and Learning Without Limits Full Circle; Youth Roots, a year-round leadership and action program for 25-30 high school youth; and the All-Oakland Talent Show, an annual youth performance exhibition/fundraiser, and Love Cultivating School Yards, providing a gardening apprenticeship program for high school students.

Oakland Leaf and International Community School are dedicated to developing leaders, scholars, and mentors who create a more compassionate, equitable, and just society.

Our big project last year was developing a logic model that outlines Oakland Leaf's primary goals for the next two years along with activities as to how we will measure impact, progress and success as we achieve them. Our five goals are a result of our Board and Leadership Team's SWOT (Strengths, Weaknesses, Opportunities, and Threats) analysis of Oakland Leaf and Data Based Inquiry (DBI) work where we examined a range of data relating to problems and challenges facing Oakland and Oakland Leaf. We're already well on our way to accomplishing many of the goals that we outlined in our logic model. The two logic model programmatic goals are:

1. Leaf Cypher Program Goal & Evaluation - Students and families will feel a sense of belonging through developing a sense of community. Oakland Leaf programs will hold weekly restorative circles called Leaf Cyphers. Leaf Cyphers will develop dialog, inquiry, empathy, community, and critical thinking skills. Students will learn to identify plans to address community issues. Our staff will become industry leaders and experts in facilitating community circles.
2. Literacy Program Goal & Evaluation - Oakland Leaf will augment its programs by increasing student literacy. Staff will learn and facilitate research-driven best practices to develop literate, proficient and successful students. Our staff will become industry leaders and experts in facilitating English Language Development best practices.

Oakland Leaf and EnCompass Academy are dedicated to educating children who achieve excellence in developing an active, reflective, and disciplined mind; a healthy and physically-fit body; a centered spirit; and just, caring, and courageous self-conduct.

### SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm *on every regular school day* for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.

#### Program Schedule

Submit program schedule as an attachment, using the standard program schedule template.

*\* CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates.*

## SECTION 6: Academics

Your site should plan to offer a range of academic supports including:

1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring

*Other possible supports may include computer lab, library exploration, project-based learning, coordination with SES tutoring.*

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program.

### SECTION 7: ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Enrichment activities and physical activity/recreation are required components of the ASES and 21<sup>st</sup> Century grants. Enrichment activities should provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, arts learning, and student engagement.

**SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY**

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21<sup>st</sup> Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21<sup>st</sup> Century grantees who receive Family Literacy funding: ***The activities listed below must align to your 21<sup>st</sup> Century Family Literacy budget plan.***

Students showcase their work done around the heritage being celebrated.	75% attendance at event	ASP participates in the school's mission to developing students centered spirit.

**SECTION 9: Chronic Absence Action Plan**

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

*In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.*

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	Work with the day program/admin/principal to identify candidates for afterschool program with chronic school absentee

	history
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Communicate to parents attendance guidelines during orientations and reiterate in parental newsletters/public postings/1:1 parent mtgs.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Properly/Promptly track attendance records and disclose to parents when a student is at risk of being dismissed from program due to lack of attendance
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Train/Support/Provide for Teachers to offer weekly incentives for students with good attendance. Honor students in monthly afterschool assemblies Honors Night.

### SECTION 10: Transforming School Culture and Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What strategy/strategies is your school utilizing to transform school culture and climate?

PBIS (Positive Behavioral Interventions and Support)

Restorative Justice

Social and Emotional Learning

Bullying Prevention

Other: (please specify) Responsive Classrooms

b) How will the school and lead agency partner work together to ensure that the after school program is aligned and supporting these efforts, and helping to transform school culture and climate? (ie. shared professional development, curriculum, coaching, planning meetings, COST meetings, etc.)

In-school Teachers provide mentoring, using the aligned process for behavioral management, share information, leverage each others, supporting students in their transgressions, open communication. All ASP instructors will use the

Encompass Academy color chart to support students' efforts in positive behavior and decision-making.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development circles, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

EnCAS ASP will provide: culturally grounded programming, culturally conscience staff, school wide tie-ins showcase and African-American heritage night, sustaining close relationships with families, communication and parent outreach, leadership, cross-racial community support, explicit with family engagement director and equitable enrollment.

Leaf Cyphers will develop a safe space for students to address personal or community issues. Our staff will become industry leaders and experts in facilitating community circles

**SECTION 11: Coordination with Other Service Providers**

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?

- COST team (Coordination of Services Team)
- SST (Student Study Team)
- SSC (School Site Council)
- ELT (Educational Leadership Team)
- PTA
- Attendance Team/Workgroup
- CSSSP (Community School Strategic Site Planning) team (aka Strategic Planning Group)
- School Culture/Climate Committee
- Other (specify)

List key community partners whom you will actively collaborate with to accomplish the goals of your program.

List all subcontractors who will be paid to deliver after school services.

Identify other service providers and support personnel at your school (ie. school psychologist, School Based Health Center staff, counselor, mental health therapist, school nurse, parent liaison, etc.) whom you will actively collaborate with to accomplish the goals of your program.	Academic Liaison, Teacher on Special Assignment/Interventions Coordinator, Family Involvement Coordinator

**2014-15 After School Enrollment Policy for EnCompass School**

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21<sup>st</sup> Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

**Target Population:** (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
A child who is 11 or 12 years of age and who is otherwise eligible for subsidized child care and development services except for his or her age ... shall be given first priority for enrollment, and in cases of programs operating at full capacity, first priority on the waiting list	Parent will provide documentation to support their eligibility to such a program.	
Students who are experiencing academic difficulties or students who need socio emotional support	Teacher and Principal referrals and student test scores	
Siblings	School enrollment data	
Students who are experiencing chronic absences	Teacher and Principal referrals	

**Grade levels prioritized for programming:** 1<sup>st</sup> – 5<sup>th</sup>

*Note: The ASES and 21<sup>st</sup> CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)*

**Additional Notes:**

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

**Enrollment Process and Timeline:** (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2014. Indicate how families will be notified of 2014-15 enrollment before the last day of school, June 12, 2014.)

<b>Timeline</b>	<b>After School Enrollment Steps/Process</b>	<b>Individual(s) responsible</b>

### Quality Support Coach (formerly called “Academic Liaison”)

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Quality Support Coach is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program’s *Assess – Plan – Improve* program quality improvement cycle by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, priorities, curriculum, pedagogy, and data.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards

The Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Quality Support Coach role from the OUSD After School Programs Office. The After School Programs Office will provide specific deliverables aligned with the key job duties listed above. The required budget allocation for this position is \$2,500 for the year, equivalent to 83 hrs/year at a Paid-In-Service contract rate of \$30.12/hour.

**Teachers on Extended Contract for Direct Service**

In addition to a Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as after school intervention, support with programs like Achieve 3000 or Fast Forward, and academic enrichment.

**Please list specific after school classes/activities that will be facilitated by teachers paid on extended contract.**

*Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$23.16/hr (per OEA contract). After school grant funds can be utilized for this direct service work. The Quality Support Coach cannot provide direct service to students. The Quality Support Coach is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$30.12 for their staff capacity-building services. ### Addendum for 21<sup>st</sup> Century Community Learning Center Grantees Only

**Equitable Access:** (must be completed by all programs that receive 21<sup>st</sup> Century Equitable Access funding)

Some 21<sup>st</sup> Century programs receive extra Equitable Access funding. The intent of Equitable Access funding is to provide targeted supports for special populations of students who may face challenges and barriers to program participation. Examples of allowable use of Equitable Access funds include:

- additional academic interventions/supports to struggling students (i.e. English Language Learners, students with special

needs, etc.)

EAST BAY REGIONAL PARK DISTRICT

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

OAKLAND LEAF

## Oakland Leaf Statement of Qualifications

Oakland Leaf's mission is to *cultivate community transformation through creative education for youth and families*. Our organization was incorporated as a 501(c)3 non-profit in 2002. The seeds for Oakland Leaf were planted when the founders, a group of Teach for America Teachers, hosted the first All Oakland Youth Talent Showcase in 2000 to demonstrate the beauty and talent that exists in Oakland. The events of September 11, 2001 deeply impacted our founders and their students. Like most Americans, our students felt unsafe and uncertain about the future. At the same time, the homicide rates in Oakland increased dramatically and the United States declared war on Iraq. The founders of Oakland Leaf saw a need to provide youth with programs that equip our future leaders with conflict resolution skills as well as artistic and cultural exploration and expression abilities. What resulted was Oakland Leaf's first Oakland Peace Camp (2003), a summer program that gave youth a safe place for healing and expression. In Fall 2003 Oakland Leaf was asked to provide after-school programming at ASCEND School. Oakland Leaf believes that the role of education is to develop happy, healthy, and successful adults equipped with the tools to experiment and explore. For this reason, our programs are designed to support the development of children and youth by feeding the minds, bodies, and spirits of low-income youth and families in Oakland.

Oakland Leaf focuses on the physical, cognitive, social, and emotional needs of students. We provide youth with opportunities to explore their identities and contribute to their communities, to express their desires, curiosity, and frustrations. Our programs balance academic support, leadership development, and the guidance to become creative individuals with healthy habits. One of our key strategies in empowering children is to create sustainable and productive partnerships with schools that have shared visions for young people.

Our approach, based on principles of youth development and family empowerment, weaves together five core initiatives which correlate to the challenges, needs, and opportunities in our community: 1) Science, Technology, Engineering, and Math (STEM), 2) Literacy, 3) Art and Culture, 4) Health and Wellness, and 5) Empowerment and Leadership.

In addition to our five core initiatives, our programming is based on youth development practices and principles. We develop and assess our staff and programming for cultural relevancy and engagement; a strategy reinforced by taking a project based approach to our classes. This gives students the opportunity to showcase their learning through expositions and community showcases.

Oakland Leaf works in partnership with Oakland Fund for Children and Youth (OFCY) and Oakland Unified School District (OUSD) to achieve a shared vision of a full service community school district. Students and schools with limited economic resources are targeted to ensure that students have access to the resources and the tools needed to achieve academic success and develop into thoughtful and creative citizens. Our whole-child approach to the work makes it possible for schools to provide wrap-around services for students and families. We work with each school to support its specific Community Schools Strategic Site Plan. We have been leading the way in helping Oakland public schools transcend traditional classroom learning and we partner together by using our programs to transform schools into thriving year-round community hubs.

All of our programs are culturally relevant, project based, and culminate in a student showcase or performance. Oakland Leaf's current programs include five comprehensive after-school programs for elementary and middle school students, a wrap-around family resource center, a nationally recognized

## Oakland Leaf Statement of Qualifications

high school leadership and media arts fellowship program, a school-based community garden and ecology programs, an All Oakland Youth Talent Showcase, and a three-week arts, leadership, and social justice education summer camp called Oakland Peace Camp. Oakland Leaf has grown to serve over 1,100 students and families annually, guided by our credo, "Love is an action!"

Since its incorporation as a 5015(c)(3) in 2002, Oakland Leaf has matured into an organization with reliable and effective administrative and financial practices. Our Board of Directors guides our fiscal strategies, while fiscal operations are managed by our Executive Director with the support of a well-qualified bookkeeper and monthly reviews by a Certified Public Accountant. Additionally, Oakland Leaf is audited yearly to ensure that the organization is using Generally Accepted Accounting Principles (GAAP).

Oakland Leaf has managed federal, state, and local funds through its partnerships with City and State agencies such as OFCY, City of Oakland Cultural Funding, Oakland Community Action Partnership, OUSD, ASES, and 21<sup>st</sup> Century Community Learning Centers. All of our programs adhere to comprehensive City and State standards for fiscal and administrative requirements such as staff-to-youth ratios and units of service requirements as well as measures for accountability including quarterly evaluations, submission of reports, and invoicing.

Oakland Leaf has a current organizational budget of over \$1.3 million with diverse funding sources. In addition to successfully managing public revenue, we have increased our income from private philanthropy. This year private philanthropy makes up 28% of our total income.

Oakland Leaf balances its priority to put as much revenue into programs as possible with the realities of the need to invest in a strong and sustainable infrastructure. Over the last two years, we have established processes and procedures to ensure organizational consistency, accountability, transparency, data collection, and program evaluation, and our budget reflects these best practices. We now have standards and protocols ranging from organization charts, tracking systems, a complete employee handbook, and mandatory quarterly reports for program directors with program updates and projections. We have also developed programs that are not personality based, but grounded in institutional protocols and we have a fundraising and development plan to ensure long-term sustainability.
