- a. This Agreement shall start on the below date (“Start Date”):
6/5/23

If no Start Date is entered, then the Start Date shall be the latest of the dates on which each of the PARTIES signed this Agreement.

- b. The work shall be completed no later than the below date (“End Date”):
7/7/23

If no End Date is entered, then the End Date shall be the first June 30 after the Start Date. If the term set forth above would cause the Agreement to exceed the term limits set forth in Education Code section 17596, the Agreement shall instead automatically terminate upon reaching said term limit.

2. **Services.** VENDOR shall provide the services (“Services”) as described in #1A and #1B of **Exhibit A**, attached hereto and incorporated herein by reference. To the extent that there may be a school closure (e.g., due to poor air quality, planned loss of power, COVID-19) or similar event in which school sites and/or District offices may be closed or otherwise inaccessible, VENDOR shall describe in #1B of **Exhibit A** whether and how its services would be able to continue.

3. **Alignment and Evaluation.**

- a. VENDOR agrees to work and communicate with OUSD staff, both formally and informally, to ensure that the Services are aligned with OUSD’s mission and are meeting the needs of students as determined by OUSD.

VENDOR shall register with and maintain current information within OUSD's Community Partner database unless OUSD communicates to VENDOR in writing otherwise, based on OUSD's determination that the Services are not related to community school outcomes. If and when VENDOR's programs and school site(s) change (either midyear or in subsequent years), VENDOR shall promptly update the information in the database.
6. **Confidentiality and Data Privacy.**
 - a. OUSD may share information with VENDOR pursuant to this Agreement in order to further the purposes thereof. The granting of any payment by OUSD, or the receipt thereof by VENDOR, shall in no way lessen the liability of VENDOR to correct unsatisfactory performance of Services, even if the unsatisfactory character of the performance was not apparent or detected at the time a payment was made. If OUSD determines that VENDOR's performance does not conform to the requirements of this Agreement, VENDOR agrees to correct its performance without delay.

- STEAM knowledge and skills.

- Creative thinking and innovation.
- Physical health and fitness.
- Cultural understanding, global awareness, and respect for humankind.

Nexplore works with many school districts and youth organizations across the nation and has the qualified staffing, experience, curriculum and learning supply to deliver high volume quality services in multiple sites simultaneously. We work closely with several grant funded organizations, such as **21st Century Community Learning Centers (21st CCLC)** who contract with Nexplore to provide specialized services for their students.

Partnerships Include:

- Denver's Extended Learning and Community School Department.
- Oakland Unified School District, CA.
- San Leandro School District, CA.
- Hayward Unified School District, CA.
- Austin Library System, TX.
- City of Hialeah, Education, and Community Services Department.

Through relationships with Oakland area community colleges and universities career services, Nexplore is able to hire high-performing college, post-college, career and retired professionals.

We focus on hiring candidates who see themselves as whole life learners, express passion for learning new skills, and relate to our teaching philosophy. We recruit candidates who enjoy working with youth and take pride in their work.

ABUSIVE CONDUCT LIABILITY COVERAGE FORM

PLEASE READ THE ENTIRE FORM CAREFULLY.

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine your rights, duties and what is and is not covered.

Throughout this policy the words “you” and “your” refer to the Named Insured shown in the Declarations. The words “we,” “us” and “our” refer to the Company providing this insurance.

The word “insured” means any person or organization qualifying as such under **SECTION II – WHO IS AN INSURED**.

Within the context of this coverage form, “this insurance” refers to the coverage provided by this Abusive Conduct Liability Coverage Form.

Other words and phrases that appear in quotation marks have special meaning. Refer to **SECTION VI – DEFINITIONS**.

SECTION I – COVERAGE

A. ABUSIVE CONDUCT LIABILITY COVERAGE

1. Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as “damages” because of “bodily injury” to which this insurance applies caused by:

(1) “Abusive conduct”;

(2) The negligent:

(a) Employment;

(b) Selection;

(c) Investigation;

(d) Supervision;

(e) Reporting to the proper authorities, or failure to so report; or

(f) Retention

of any “employee,” “volunteer worker” or any other person or persons for whom the insured is or ever was legally responsible and whose conduct would be covered by (1) above;

(3) The negligent:

- (a) Placement of adoptive or foster children;
- (b) Selection or training of adoptive or foster parents; or
- (c) Supervision of adoptive or foster parents,
that gives rise to “claims” of “abusive conduct”;
- (4) The negligent:
 - (a) Design;
 - (b) Control;
 - (c) Maintenance;
 - (d) Supervision;
 - (e) Inspection; or
 - (f) Investigation

- (5) The negligent failure to provide professional services or neglect of the therapeutic needs of a client, patient or other person because of “abusive conduct.”

Subject to the above provisions, we have the right and duty to defend any “suit” seeking “damages” to which this insurance applies. However, we have no duty to defend the insured against any “suit” seeking “damages” to which this insurance does not apply. We may at our discretion, investigate and settle any “claim” of “abusive conduct” and any “suit” that may result. But:

- (i) The amount we will pay for “damages” is limited as described in **SECTION III – LIMITS OF INSURANCE**; and
- (ii) Our right and duty to defend end when we have used up our applicable limit of insurance in the payment of “damages.”

We will pay, with respect to any “claim” we investigate or “suit” we defend, any “defense costs” we incur. No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for in **B. EMPLOYEE AND VOLUNTEER WORKER DEFENSE COVERAGE** below.

- b. This insurance applies to “damages” because of “bodily injury” only if:
 - (1) The “bodily injury” is caused by “abusive conduct” that takes place in the “coverage

territory”; and

(2) The “abusive conduct” first occurs during the policy period.

- c.** “Damages” because of “bodily injury” include “damages” claimed by any person or organization for care, loss of services or death resulting at any time from the “bodily injury.”

This insurance does not apply to:

- a.** Any “claim” or “suit” against any person who personally takes part in any “abusive conduct”;

- f.** Any obligation for which an insured, or any insurance carrier of the insured, may be held liable under a workers compensation, disability benefits or unemployment compensation law or any similar law;
- g.** Any “claim” or “suit” arising out of matters which may be deemed uninsurable;

 - (2) Any “abusive conduct,” fact, circumstance or situation which has been the subject of any written notice given under any other policy of insurance prior to inception of this policy; or
 - (3) Any “abusive conduct,” fact, circumstance or situation of which, as of the inception of this policy, the insured had knowledge and from which the insured could reasonably expect a “claim” to arise; or
 - m. Any “claim” or “suit” arising out of sexual discrimination and/or sexual harassment, whether asserted under any federal or state statute or the common or civil law of any jurisdiction.

B. EMPLOYEE AND VOLUNTEER WORKER DEFENSE COVERAGE

We will also pay on your behalf “defense costs” for an “employee” or “volunteer worker” who is alleged to be directly involved in “abusive conduct” until such time as that individual is adjudicated to be a wrongdoer or enters a plea of no-contest.

This coverage does not apply to any “employee” or “volunteer worker” who knowingly allows the “abusive conduct.”

SECTION II – WHO IS AN INSURED

- A. You are an insured.
- B. Each of the following is also an insured:
 - 1. Your directors, but only for liability arising from their duties as your directors;
 - 2. Your “employees,” but only for liability arising within the scope of their employment duties for you;
 - 3. Your “volunteer workers” but only for liability arising within the scope of their volunteer duties related to the conduct of your organization; and

4. Students in training, but only for liability arising within the scope of their duties related to the conduct of your organization.

SECTION III – LIMITS OF INSURANCE

- A. The limit of insurance shown in the Declarations and the rules below fix the most we will pay for all “damages” regardless of the number of:
 1. Insureds;
 2. “Claims” made or “suits” brought; or
 3. Persons or organizations making “claims” or bringing “suits.”
- B. The Each Abusive Conduct Limit shown in the Declarations is the most we will pay for each “abusive conduct” incident regardless of the number of incidents involved. Two or more “claims” for “damages” because of the same “abusive conduct” shall be:
 1. Considered a single “claim”; and
 2. Such “claims,” whenever made, shall be assigned to only one policy (whether issued by us or any other insurer) and if that is this policy, only one Each Abusive Conduct limit of insurance shall apply.
- C. The aggregate limit shown in the Declarations is, subject to Paragraph B. of this section, the total limit of our liability for all “damages” to which this insurance applies.

Multiple incidents of “abusive conduct” which take place over multiple policy periods for which this coverage is provided shall be deemed to constitute one “abusive conduct” and shall be deemed to occur only at the time of such first incident. Coverage for such “abusive conduct” shall be provided only under the policy, if any, which is in place at the time of the first such incident and shall be subject to the applicable limit of insurance in that one policy.

The aggregate limit of this Coverage Part applies separately to each consecutive annual period of this policy; and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations; unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the limit of insurance.

SECTION IV – DEDUCTIBLE

- A. Our obligation to pay “damages” on your behalf applies only to the amount of “damages” in excess of the applicable deductible amount shown in the Declarations.
- B. The Deductible applies to all “damages” that are the result of any “claim” of “abusive conduct.”
- C. The terms of this insurance, including those with respect to:
 1. Our right and duty to defend the insured against any “suits” seeking those “damages”; and
 2. Your duties in the event of an incident, “claim,” or “suit”
 apply irrespective of the application of the deductible amount.

- D. We may pay any part or all of the deductible amount to effect settlement of any claim or “suit” and, upon notification of the action taken, you shall promptly reimburse us for such part of the deductible amount as has been paid by us.

SECTION V – ABUSIVE CONDUCT LIABILITY CONDITIONS

A. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

B. Duties In the Event of an Incident, Claim or Suit

1. If a “claim” is made or “suit” is brought against any insured, you must provide us with written notice of the “claim” or “suit” as soon as practicable, but no later than 60 days after the “claim” is made or “suit” is brought.
2. You and any other involved insured must:
 - a. Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the “claim” or “suit”;
 - b. Authorize us to obtain records and other information;
 - c. Cooperate with us in the investigation, settlement or defense of the “claim” or “suit” including the release of any personnel records of the person(s) allegedly involved in the “abusive conduct”; and
 - d. Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of “abusive conduct” to which this insurance may also apply.
3. No insureds will, except at their own cost, and without recourse to this policy, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

C. Legal Action Against Us

No person or organization has a right under this Coverage Part:

1. To join us as a party or otherwise bring us into a “suit” asking for “damages” from an insured; or
2. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover as a result of an “agreed settlement” or on a final judgment against an insured obtained after an actual trial, but we will not be liable for “damages”

that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance.

D. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under this Coverage Part, our obligations are limited as follows:

1. Primary Insurance

This insurance is primary except when **2.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then we will share with all that other insurance by the method described in **3.** below.

2. Excess Insurance

If any insured has other insurance providing coverage similar to this insurance, then this insurance shall be excess over and above that other insurance except where such insurance is specifically designated as excess to this policy.

When this insurance is excess, we will have no duty to defend any "claim" or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- a. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- b. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision.

3. Method of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also.

Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limit of insurance of all insurers.

E. Premium Audit

1. We will compute all premiums for this Coverage Part in accordance with our rules and rates;

2. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period. Audit premiums are due and payable on notice to the first Named Insured. If the sum of the advance and audit premiums paid for the policy term is greater than the earned premium, we will return the excess to the first Named Insured; and
3. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

F. Representations

By accepting this policy, the insured agrees:

1. The statements in the Declarations, and in the application for insurance are accurate and complete;
2. Those statements are based upon representations made by the insureds; and
3. We have issued this policy in reliance upon those representations.

G. Transfer of Rights of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage

Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

H. Two Or More Coverage Parts Or Policies Issued By Us

It is our stated intention that the various coverage parts or policies issued to you by us, or any company affiliated with us, do not provide any duplication or overlap of coverage for the same "claim" or "suit." We have exercised diligence to draft our coverage parts and policies to reflect this intention, but should the circumstances of any "claim" or "suit" give rise to such duplication or overlap of coverage, then, notwithstanding any other provision of this or any other policy, if this policy and any other coverage part or policy issued to you by us, or any company affiliated with us, apply to the same "abusive conduct," professional incident, occurrence, offense, wrongful act, accident or loss, "claim" or "suit," the maximum limit of insurance under all such coverage parts or policies combined shall not exceed the highest applicable limit of insurance under any one coverage part or policy.

This condition does not apply to any Excess or Umbrella policy issued by us specifically to apply as excess insurance over this policy.

I. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SECTION I - COVERAGE

Coverage A, of the Commercial General Liability Coverage Form, is extended to provide Professional Liability Coverage, subject to the following:

- (1) an error or omission as respects physical training;
 - (2) an error or omission as respects fitness counseling; or
 - (3) an error or omission as respects nutritional counseling;
 - (4) an error or omission as respects officiating of any event or contest; to which this insurance applies. We will have the right and duty to defend any "suit" seeking these "damages". We may at our discretion investigate and settle any claim or "suit". But:
- 1) The amount we will pay for "damages" is limited as described in LIMITS OF INSURANCE (SECTION III); and
 - 2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverage A or B or medical expenses under coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under SUPPLEMENTARY PAYMENTS.

No person or organization is an insured with respect to the conduct of any current or past partnership or

joint venture that is not shown as a Named Insured in the Declarations.

 - 1. Considered a single "occurrence"; and
 - 2. All resulting claims shall be assigned to only one policy (whether issued by this or any another insurer) and if that is this policy, only one Occurrence Limit shall apply.

In addition, it is agreed that:

- a. All Professional Liability Coverage claims will be combined with all other claims subject to the GENERAL AGGREGATE LIMIT and the combination will be subject to the GENERAL AGGREGATE LIMIT.
- b. With respect to the Professional Liability Coverage, an error or omission for which this insurance applies shall be considered an "occurrence" and is subject to the EACH OCCURRENCE LIMIT.

In addition, it is agreed that:

- a. Under Section IV paragraph 2., Duties In The Event of Occurrence, Offense, Claim Or Suit, an error or omission which may result in a Professional Liability Coverage claim will be subject to the same requirements as an "occurrence".
- b. Under Section IV paragraph 4., Other Insurance, subsection b., Excess Insurance, the following is added to the first paragraph:
 - (4) If the coverage is provided under this policy by the Professional Liability Coverage Endorsement.

It is our stated intention that the various coverage parts or policies issued to you by us, or any company affiliated with us, do not provide any duplication or overlap of coverage for the same claim or "suit". We have exercised diligence to draft our coverage parts or policies to reflect this intention, but should the circumstances of any claim or "suit" give rise to such duplication or overlap of coverage then, notwithstanding the other insurance provision, if this policy and any other coverage part or policy issued to you by us, or any company affiliated with us, apply to the same error or omission, occurrence, offense, wrongful act, accident or loss, the maximum Limit of Insurance under all such coverage parts or policies combined shall not exceed the highest applicable Limit of Insurance under any one coverage part or policy.

c. The following condition is added to Section IV.

This condition does not apply to any Excess or Umbrella Policy issued by us specifically to apply as excess insurance over this policy.

- 10. Two or more coverage forms or policies issued by us.

SECTION V - DEFINITIONS

What is an RFP? An RFP (Request for Proposals) is a Proposal-based selection process, in accordance with Public Contracts Code section 20111.5. It is a request by OUSD Dept. of Expanded Learning for organizations to submit their Proposals to be considered as an OUSD summer/ intersession provider for expanded learning programs, after which OUSD will determine which providers are qualified and award contracts based on that determination.

What is a Pre-Bid Conference? A pre-bid conference is conducted to clear up any confusion regarding project details, scope of work and solicitation of documents that outside providers may have. In addition, outside providers will have an opportunity to ask questions.

D. Introduction and Overview

***Any approved OUSD Expanded Learning Lead Agency that has a current MOU in place does not need to apply for this RFP. Your current MOU covers summer and intersession programming.**

The Oakland Unified School District (OUSD) Department of Expanded Learning invites interested nonprofit organizations to respond with their qualifications to serve as an Expanded Learning Program Provider in designing, planning, administering, and operating effective, high-quality expanded learning summer programs. This RFP is specifically for organizations willing to provide summer learning and intersession programs (summer, weekends, school breaks).

Eligible providers will be committed to OUSD's strategic plan and shared citywide goals. Lead Agency partners will invest in providing expanded learning supplemental programs that complement the regular school day program and support the OUSD priorities for student achievement, health, and well-being. Oakland Unified School District's (OUSD) mission is to build a Full-Service Community District focused on high academic achievement while serving the whole child, eliminating inequity, and providing each child with excellent teachers daily. Expanded Learning supports this mission while holding our values of equity, joy, and liberation for youth and adults with the express purpose of interrupting inequity, examining biases, and creating inclusive and just conditions for all students to achieve equally high outcomes.

Select Lead Agencies will commit to working in partnership with school sites and the OUSD Expanded Learning Office (ExLO). Through the RFP process, OUSD seeks organizations that demonstrate the capacity to work within the established OUSD model of school and community partnerships and various funding sources' parameters. Organizations must be fiscally sound with the capacity to leverage other resources to provide students with high-quality expanded learning programming: after-school and summer youth development experiences that complement and support school district and city priorities for student success and well-being. Community organizations that serve as a Summer Lead Agency are an integral part of our OUSD Full Service Community Schools and make an impactful contribution toward strengthening our district, expanded learning system, and community.

Goals of Summer Learning Programs:

Rich learning experiences and knowledge development that incorporates:

- Academic intervention to combat summer learning loss.
- Enrichment integration with sports, STEAM and other enrichment activities that allow for acceleration of skills, habits and mindsets.
- Culturally relevant youth development in service of promoting and maintaining joyful schools which builds a culture of affirmation, inclusion and belonging.
- Equity: Programs create opportunity and engagement with our high priority students and their families, including students with disabilities, English language learners, Foster Youth, unhoused youth, and newcomer students.

The Expanded Learning Office supports summer programming is founded in these local, and national data points:

- Under-resourced children often do not have the same opportunities to learn and participate in enriching activities during summer, which increases the opportunity gap.
- Utilization of summer learning programs leads to lower violence, higher physical and mental health, improved social skills, and a heightened sense of self.
- When school ends, some students and families struggle to get their basic needs met; summer programming provides meals for students and a safe space to thrive.
- Students can typically lose up to 2 months of reading progress and 2.6 months of math progress over the summer. High-quality Summer Learning programs can turn that potential for loss into an opportunity to accelerate learning.

Therefore, our expanded learning programs are essential for keeping Oakland youth safe, healthy, and academically sound. The added opportunity for enrichment programs not typically offered during the school days gives students a chance to flourish in multiple skill sets and find a way to engage their whole selves and attend to multiple intelligences. In this way, they are given another opportunity to be 'seen' outside of academics and access programs that are usually cost-prohibitive.

Eligible expanded learning youth development organizations will help all students develop strong social-emotional skills and a sense of agency, give them opportunities to try new things, take risks, and participate in diverse enrichment programming that reflects student interest and promotes joy, skill-building, and hands-on experience. In addition, celebrate youth's interests, passion, and culture while helping youth identify their strengths.

The 3 types of summer/intersession youth development programs that the Expanded Learning Office is hoping to solicit CBOs to apply for are (i) the program at the school site in conjunction with OUSD faculty, called the **collaborative model (CM)**, (ii) the **independent model (IM)** program also housed at an OUSD school site, (iii) and the **off-site community-based model (OCB)** which can be held at an acceptable community space that serves OUSD students.

Organizations can apply for multiple models but must demonstrate the capacity and history of providing the youth development program.

(i) The **Collaborative Model (CM)**. This model provides youth with five weeks of full-day summer programming within the requirement of offering 9 hours (Monday-Friday 8:30 am - 5:30 pm) and working directly with the approved OUSD administrative and teaching staff on their assigned site. Interested CBOs must provide programming 5-days a week with a focus on academic enrichment, physical activity, and other youth development enrichment activities that meets ASES and 21st CCLC activity components. Each CBO is required to

have a 20:1 ratio (except for TK/K, which is a 10:1 ratio).

The OUSD Expanded Learning Office will select which eligible CBOs will be a match for the school hub/students/community. *Note: The Expanded Learning Office does not guarantee organization placement to a school or number of school sites this decision will be based on the acceptance of the school administration and agency capacity.

(ii) The **independent model (IM)**. This model provides youth with up to five weeks of full-day summer programming within the context of the typical summer hours (Monday-Friday 8:30 am - 5:30 pm). The approved organization must offer a 9-hour program for each day of operation and provide appropriate staff to satisfy the 20:1 ratio (except for TK/K, which is 10:1 ratio).

(iii) The **Off-site Community-based model (OCB)**. This model provides youth with off-site full-day summer/intersession programming within the context of the summer hours (Monday-Friday 8:30 am - 5:30 pm). The approved organization must offer a 9-hour program for each day of operation and provide appropriate staff to satisfy the 20:1 ratio (except for TK/K, which is 10:1 ratio).

Collaborative Model:	Independent Model:	Off-site Community Based-Model:
5 weeks of programming	The lead agency fully staffs the program to allow for 9 hours of programming.	Agencies run programming at non-district facilities. This can include wilderness-based camps, city recreation centers, or other venues.
Co-creation of the daily schedule at least 3 lead agency staff members present in the morning for an enrichment block	Lead agency staff should have time to prep and have meal breaks	All staffing ratios, safety protocols, and attendance procedures must be adhered to.
All agency staff paid for an 8 hour day (to include prep and meal break)	District covers the cost of custodial staff, and the use of facilities	Providing breakfast, lunch and a snack that meet with the CDE requirements for nutrition.
OUSD certified teaching staff providing academic support in the morning supervised by an OUSD Administrator	District provides 3 meals to students (Breakfast, Lunch, and Snack)	
Inclusion of SPED Students and SPED Support Staff	If needed, the District provides Culture Keeper to support campus safety.	
Instructional Assistants/Tutors		
Recruitment/Enrollment/Registration led by OUSD		

Intersession-

Meeting the qualifications for this Request For Proposals and being accepted also qualifies your organization to run intersession programs during any break in regular school year calendar.* *Intersession is any period between two academic sessions or*

terms sometimes utilized for brief concentrated courses.

E. Funding

OUSD Expanded Learning Programs are primarily funded through grants from the California Department of Education (CDE). CDE provides funds to school districts that collaborate with community partners to provide safe and educationally enriching alternatives for children and youth during non-school hours. The funds are awarded to specific school sites or agencies through a competitive process. The base grants that CDE awards to OUSD for summer programs represent three funding sources:

Additionally, Lead Agency partners leverage other funding and resources to support high quality programs, including private grant dollars, AmeriCorps grants, volunteers, and other in-kind resources. Leveraging additional resources on behalf of the expanded learning programs is an essential function of the Lead Agency partner because of the reality that state and federal expanded learning grant dollars alone are often inadequate to run a high-quality program. Expanded Learning Opportunity Program (ELO-P) CDE introduced ELO-P funding in 2021 to increase expanded learning opportunities for unduplicated students.

- 21st Century After-School Safety and Enrichment for Teens (ASSETS) grants for high schools are federal funds. 21st Century ASSETS grants are awarded based on a highly competitive application process, and last for five years.
- For summer learning and intersession models agencies will receive a rate of \$30.54/student/day for any program TK-12. This higher rate allows agencies to meet the requirement of a 9 hour day, create staggered staffing schedules, and have additional staff to meet the 10:1 TK/K staffing requirement, as well as to integrate with morning academic programs to add small group pull out and/or enrichment rotation.

F. Summer Learning/Intersession Program Operation:

We know in recent years, the field of education and expanded learning programs had to pivot due to global pandemic, power outage, wildfires, etc. Here in Oakland, approved Lead Agencies must be equipped and have organizational infrastructure to provide remote programs, hybrids, or any other configuration of programs mutually agreed upon in the MOUs.

In addition, in the spirit of OUSD's Full Service Community Schools vision, our approved expanded learning organizations partners work closely with schools and their principals

to develop specific programmatic goals to provide holistic support and equitable learning opportunities for students. As school-day teachers focus on providing high quality instruction in the classroom, youth development workers provide high quality expanded learning opportunities to students during the after school and outside of regular school hours when youth are most vulnerable to crime, violence, and risky behavior.

Below is an outline of operational requirements.

Please note that the below list of compliance requirements is not exhaustive. Lead Agencies are expected to know and comply with these and other district and state and federal requirements not listed here, including but not limited to state and federal laws and 12 requirements outlined in applicable OUSD Board policies and the Memorandum of Understanding (“MOU”) with OUSD which all Lead Agencies selected to serve a school site must sign and have approved by OUSD’s Governing Board. A sample MOU is attached as Appendix IV. Please note this MOU is subject to change depending on District needs. Applicants are encouraged to review it for more program requirement specifics.

H. Staffing

Staff working in OUSD Expanded Learning Programs must meet the minimum requirements to be in compliance with the California Dept of Education Codes. Staff members who directly supervise students must meet the district's qualification for an instructional aide or provide documentation that confirms completing 48 college units or the equivalent of an AA college degree.

Programs must operate with a minimum staff to student ratio of 1:20 or 1:15 for TK/K grade students. Unless otherwise advised due to the health and safety of the students. It is highly recommended that each expanded learning program have a Site Coordinator who is full-time and situated at the school site during the day. The California Education Code provides that "selection of the program site [coordinator] shall be subject to the approval of the school year site principal." The Lead Agency must notify school principals of any expanded learning staff changes.

Oakland expanded learning programs share a basic staffing pattern across all sites, though specific staff duties may vary somewhat from site to site. The most common staffing plan includes a full-time Site Coordinator, a Quality Support Coach, and youth development workers. Many programs also work with additional service providers for specific services, and some may rely on regular volunteer assistance as well. At some sites, certificated teachers provide targeted academic assistance and academic enrichment activities for expanded learning participants through extended contracts.

I. Enrollment, Attendance, and Evaluation Documentation

Approved program organizations will need to consider CDE Guidelines, OUSD Expanded Learning Office expectations, and site-level input (e.g. site administrator) when it comes to student enrollment consideration, attendance protocol, and programmatic evaluation.

- a. **Enrollment:** The approved summer organization must work under the umbrella of the OUSD Expanded learning office and track all student participation using Aeries.
- b. **Attendance:** Attendance must be tracked for all camps and must be turned into the Expanded Learning Office.

- c. **Evaluation:** The expanded learning team provides yearly evaluation of programs and works to get feedback from students, community, and partners.

J. Contract and Payments

Summer/Intersession youth program organizations that are approved through the process described in this RFP can enter a 1-year contract with OUSD. This RFP is valid for 3 years and has an extension phase of up to 5 years. Contracts with OUSD are valid on a yearly basis for up to a 5 years span. Please note that a contract can only be yearly or for a 3 year period, with the possibility of 2 more years on a year to year basis. They may not begin operating at a school site unless the District and agency have executed a contract on the District's template. Invoices are processed on a cost-reimbursement basis for actual expenditures incurred.

K. Guidelines for Charging Fees

The intent of ELO-P, ASES, and 21st CCLC grants, which aligns with OUSD values, is to establish local programs that offer academic support and enrichment to students in need of such services regardless of a families inability to pay.

Both the CDE and OUSD discourage charging fees as that could exclude students in need from attending and taking advantage of the expanded learning program. ASES, 21st Century, and ELO-P grants do not prohibit charging fees for expanded learning programs; however, programs which choose to charge fees, will need to collaborate with a Site Administrator to create and submit the program's fee structure for approval in accordance with the terms in the MOU. In addition, all 21st Century, ASSETS, ELO-P grants will be required to report any fees collected (i.e.- registration fees, family fees, application fees, etc.). Fees collected could be deducted from the 21st CCLC grant amount received by the California Department of Education (CDE).

Programs that opt to charge program fees may not prohibit any family from participating due to financial circumstances. All program materials related to outreach and enrollment must state clearly that no child will be denied services due to inability to pay.

L. RFP Process

Any summer/intersession youth program organization applying for the 2023 summer and/or intersession beyond must successfully complete the summer RFP process and earn *highly recommended* or *conditionally recommended* status, detailed below. Therefore, an organization that does not successfully complete the RFP process or does not earn a *highly recommended* or *conditionally recommended* status

will not be contracted with OUSD to serve in the summer or intersession organization role.

Summer/Intersession youth development organizations that submit an RFP by the deadline will be assessed based on their RFP responses. Applications that have the potential to earn the *highly recommended* or *conditionally recommended* status and require additional information may be invited for an interview with the RFP Review Team.

Organizations completing this RFP process will be assessed and scored into one of the following three categories:

- 1) **Highly Recommended:** Organization has adequately demonstrated its capacity to serve in a summer organization role and fulfill *all* summer learning responsibilities outlined by OUSD and listed in Section III of this RFP and required document. This *highly recommended* status will be valid for up to 2023 - 2028 school years, depending on the organization's successful implementation of the agreed-upon scope of work.
- 2) **Conditionally Recommended:** Organization has adequately demonstrated its capacity to serve in this role and to fulfill *most, though not all*, of the responsibilities outlined by OUSD and listed in Section III of this RFP and required document. Organizations receiving this *conditionally recommended* status will be provided with specific feedback from the RFP Review Team on areas of responsibility where the organization has not adequately demonstrated effective capacity. This *conditionally recommended* status will be valid for up to one year. Within that year, the community organization will be asked to provide the OUSD EXLO with additional evidence of its ability to fulfill all youth development-based organization responsibilities, including documentation of the organization's efforts to improve based on feedback from the RFP Review Team. At the end of this first conditional year, the community partner will be re-assessed by the OUSD EXLO team and re-categorized as *highly recommended*, *conditionally recommended*, or *not recommended*.
- 3) **Not Recommended:** Organization has not adequately demonstrated its capacity to serve in the summer/intersession organization role and to fulfill most of the responsibilities outlined by OUSD and listed in Section III of this RFP and required documents. Organizations receiving this *not recommended* status will not be included in the list of qualified organizations that will be shared with Principals and lead agencies. Organizations can appeal by following the instructions in the appeals process described in Appendix V.

OUSD will notify the Summer Learning youth development organization of its determination by January 17, 2023 via email. If OUSD determines that an organization is Not Recommended, the organization shall have the opportunity to contest that determination. Additional details regarding this process are contained in Appendix V.

M. Minimum Proposals

OUSD is seeking applications from established community organizations with adequate fiscal reserves to cover at least 1 month of general operating expenses as a Lead Agency partner. Grant funds sub-contracted to Lead Agency partners do not cover the full cost of running a full comprehensive summer learning program in Oakland; thus,

organizations choosing to serve in the Lead Agency role must be financially stable and demonstrate the capacity to leverage other resources in support of youth programming.

OUSD is seeking applications from youth program organizations that have demonstrable experience in providing high quality summer programs. All organizations must provide acceptable documents demonstrating two (2) years of experience in the following areas:

- Providing program services to the students in the service category (ies) being applied for. Specifically, evidence of a positive track record of the capacity to effectively coordinate skill building as well as successful collaboration with the school site administrator, faculty and staff.
- Hiring, retention, and provision of professional development of appropriately qualified staff to provide services to OUSD students in a culturally and linguistically competent and age-appropriate manner with a focus on youth development strategies.
- Maintaining collaborative relationships with school site leadership and expanded learning providers (lead agencies) in the development and implementation of a high-quality programming that supports the district's and the school's goals.
- Agency administrative capacity to comply with compliance and fiscal policies of the OUSD and CDE, including: agency administration manual; fiscal and personnel policies; attendance records; cost allocation plans, etc.
- Capacity to effectively engage a large number of diverse students on an ongoing basis who demonstrate the desire and enthusiasm to participate in the program at a very high and consistent rate. Additionally, the agency can illustrate specific examples and strategies it has developed that actively engage parents and family members throughout the school year.

Summer/intersession youth program organizations that apply for the role must be able to comply with all requirements outlined in the standard OUSD contract (see Appendix IV for a sample of current year). For example, while a copy of the organization's current insurance coverage is required with this application, should the organization be chosen, it will need to attain the level of insurance outlined in the MOU.

This Services Agreement (“Agreement”) is a legally binding contract entered into between the Oakland Unified School District (“OUSD”) and the below named entity or individual (“VENDOR,” together with OUSD, “PARTIES”):

The parties hereby agree as follows:

1. Term.

a. This Agreement shall start on the below date (“Start Date”): If no Start Date is entered, then the Start Date shall be the latest of the dates on which each of the Parties signed this Agreement.

b. The work shall be completed no later than the below date (“End Date”): If no End Date is entered, then the End Date shall be the first June 30 after the Start Date. If the term set forth above would cause the Agreement to exceed the term limits set forth in Education Code section 17596, the Agreement shall instead automatically terminate upon reaching said term limit.

2. Services.

VENDOR shall provide the services (“Services”) as described in #1A and #1B of Exhibit A, attached hereto and incorporated herein by reference. To the extent that there may be a school closure (e.g., due to poor air quality, planned loss of power, COVID-19) or similar event in which school sites and/or District offices may be closed or otherwise inaccessible, VENDOR shall describe in #1B of Exhibit A whether and how its services would be able to continue.

3. Alignment and Evaluation.

a. VENDOR agrees to work and communicate with OUSD staff, both formally and informally, to ensure that the Services are aligned with OUSD’s mission and are meeting the needs of students as determined by OUSD.

b. OUSD may evaluate VENDOR in any manner which is permissible under the law. OUSD’s evaluation may include, without limitation: (i) requesting that OUSD employee(s) evaluate the performance of VENDOR, each of VENDOR’s employees, and each of VENDOR’s subcontractors, and (ii) announced and unannounced observance of VENDOR, VENDOR’s employee(s), and VENDOR’s subcontractor(s).

4. Inspection and Approval.

VENDOR agrees that OUSD has the right and agrees to provide OUSD with the opportunity to inspect any and all aspects of the Services performed including, but not limited to, any materials (physical or electronic) produced, created, edited, modified, reviewed, or otherwise used in the preparation, performance, or evaluation of the Services. In accordance with Paragraph 8 (Compensation), the Services performed by Vendor must meet the approval of OUSD, and OUSD reserves the right to direct

VENDOR to redo the Services, in whole or in part, if OUSD, in its sole discretion, determines that the Services were not performed in accordance with this Agreement.

5. Data and Information Requests.

VENDOR shall timely provide OUSD with any data and information OUSD reasonably requests regarding students to whom the Services are provided. VENDOR shall register with and maintain current information within OUSD's Community Partner database unless OUSD communicates to VENDOR in writing otherwise, based on OUSD's determination that the Services are not related to community school outcomes. If and when VENDOR's programs and school site(s) change (either midyear or in subsequent years), VENDOR shall promptly update the information in the database.

6. Confidentiality and Data Privacy.

7. Copyright/Trademark/Patent/Ownership.

VENDOR understands and agrees that all matters produced under this Agreement, excluding any intellectual property that existed prior to execution of this Agreement, shall be works for hire as defined under Title 17 of the United States Code, and all copyrights in those works are the property of OUSD. These matters include, without limitation, drawings, plans, specifications, studies, reports, memoranda, computation sheets, the contents of computer diskettes, artwork, copy, posters, billboards, photographs, videotapes, audiotapes, systems designs, software, reports, diagrams, surveys, source codes or any other original works of authorship, or other documents prepared by VENDOR, its employees, or its subcontractors in connection with the Services performed under this Agreement. The granting of any payment by OUSD, or the receipt thereof by VENDOR, shall in no way lessen the liability of VENDOR to correct unsatisfactory performance of Services, even if the unsatisfactory character of the performance was not apparent or detected at the time a payment was made. If OUSD determines that VENDOR's performance does not conform to the requirements of this Agreement, VENDOR agrees to correct its performance without delay.

d. Compensation for any Services performed prior to the Start Date or after the End Date shall be at OUSD's sole discretion and in an amount solely determined by OUSD. VENDOR agrees that it shall not expect or demand payment for the performance of such services.

e. VENDOR acknowledges and agrees not to expect or demand payment for any Services performed prior to the Parties, particularly OUSD, validly and properly executing this Agreement until this Agreement is validly and properly executed and shall not rely on verbal or written communication from any individual, other than the President of the OUSD Governing Board, the OUSD Superintendent, or the OUSD General Counsel, stating that OUSD has validly and properly executed this Agreement.

c. Invoices must be submitted monthly, and within 30 days of the conclusion of the applicable billing period, unless otherwise agreed. OUSD reserves the right to refuse to pay untimely invoices.

d. OUSD reserves the right to add or change invoicing requirements. If OUSD does add or change invoicing requirements, it shall notify VENDOR in writing and the new or modified requirements shall be mandatory upon receipt by VENDOR of such notice.

e. To the extent that VENDOR has described how the Services may be provided both in-person and not in-person, VENDOR's invoices shall—in addition to any invoice requirement added or changed under subparagraph (c)—indicate whether the Services are provided in-person or not.

1. Equal Opportunity – The Bidder must be an Equal Opportunity Employer, and shall be in compliance with the Civil Rights Act of 1964, the State Fair Employment Practice Act, and all other applicable Federal and State laws and regulations relating to equal opportunity employment. 2. Errors and Omissions – If a bidder discovers any ambiguity, conflict, discrepancy, omission, or other error in the RFP, the bidder shall immediately notify the District of such error in writing and request clarification or modification of the document. Modifications will be made by addenda. Such clarification shall be given by written notice to all parties who have been furnished an RFP for bidding purposes, without divulging the source of the request for the same. Insofar as practicable, the District will give such notices to other interested parties, but the District shall not be responsible therefor. If a bidder fails to notify the District, prior to the date fixed for submission of bids, of an error in the RFP known to them, or an error that reasonably should have been known to them, they shall bid at their own risk; and if awarded the contract, the bidder shall not be entitled to additional compensation or time by reason of the error or its later correction. The bidder should carefully examine the entire RFP and addenda thereto, and all related materials and data referenced in the RFP or otherwise available to them, and should become fully aware of the nature and location of the work, the quantities of the work, and the conditions to be encountered in performing the work.

3. A bid is subject to acceptance at any time within sixty (60) days after opening of the same, unless otherwise stipulated. Bids cannot be corrected or altered after opening by the District.

4. Bid Signee – If the bidder is an individual or an individual doing business under a company name, the bid must, in addition to the company name, be signed by the individual. If a corporation, with the name of the corporation by an officer authorized to execute a bid on behalf of the corporation.
5. Bidders' Understanding – It is understood and agreed that the bidder has been, by careful examination, satisfied as to the nature and location of the work; the character, quality and quantity of the materials to be provided; the character of equipment and facilities needed preliminary to and during the prosecution of the work; and general and local conditions, and all other matters which can in any way affect the work under the contract. No verbal agreement or conversation with any officer, agent or employee of the District, either before or after the execution of the contract, shall affect or modify any of the contractual terms or obligations.
6. Intent of Specifications – All work that may be called for in the specifications shall be executed and furnished by the successful bidder(s), and should any work or materials be required which is not denoted in the specifications, either directly or indirectly but which is nevertheless necessary for the execution of the contract, the bidder is to understand the same to be implied and required, and shall perform all such work and furnish any such material as fully as if it were particularly delineated or described.
7. Extra Work – No bill or claim for extra work or materials shall be allowed or paid unless the doing of such extra work or the furnishing of such extra materials shall have been authorized in writing by the District's Director of Transportation.
8. Nexplore has significant experience with communities in historically black/Hispanic neighborhoods of Miami, Broward and Palm Beach Counties, FL; the Bay Area, San Leandro and Oakland Unified School Districts of California.

As a usual matter of course, over the summer students forget some of what they learned in school. During the summer, formal schooling stops, and learning loss happens at roughly the same rate for all students.

We are committed to offering a diverse range of learning opportunities where students can explore their passions and strengthen core Life Skills needed to thrive in the 21st century. This includes:

- Critical thinking, problem-solving, and logical reasoning.
- STEAM knowledge and skills.
- Intrapersonal and Interpersonal social skills.
- Emotional awareness and management.
- Creative thinking and innovation.
- Physical health and fitness.
- Cultural understanding, global awareness, and respect for humankind.

Nexplore works with many school districts and youth organizations across the nation and has the qualified staffing, experience, curriculum and learning supply to deliver high volume quality services in multiple sites simultaneously. Nexplore believes that the most important tool to ensure successful service provision is quick and clear communication between Site Director – Nexplore Instructor and Nexplore Management team. To do so, Nexplore built a cutting-edge Customer Management Software (CRM) that sends automatic notifications between all relevant parties regarding class

assignment, schedule changes, alerts regarding upcoming classes, schedule conflicts and substitute assignments. Nexlore software allows us to manage multiple sites successfully and to fluently communicate back and forth with our partner sites and staff.

The following attributes of Nexlore's program help achieve the above outcomes:

1. The core of Nexlore's mission is to instill a joy of learning through fun and educational activities.
2. Each activity offered to selected age levels prompts critical thinking and problem solving, working together to achieve successful completion of the project, thereby increasing self-confidence.
3. Each hands-on project activities creates the motivation to learn and explore, increasing self-satisfaction in attaining stated goals. In other words, a sense of pride in self - "I did this!"

Response to OUSD Expanded Learning and Summer Learning for Intersession

Organization Capacity:

Nexplore LLC is a National enrichment service provider established in 2016 with a mission statement *to foster the joy of learning* through a wide range of 25 STEAM, Life Skills and Fitness solutions. Currently Nexplore offers year-long programs at over 200 sites across eight states around the country. Our company has attained a Five Star rating on Google's Business Review.

Since its inception, Nexplore has worked in communities represented by diverse populations of race, color, economic and social standing. Our programs are fully adaptable to the needs of the children and families we serve. Our program models the theory of learning through fun and exploration, which is inclusive of all demographic and socio-economic populations. Nexplore has significant experience with communities in historically black/Hispanic neighborhoods of Miami, Broward and Palm Beach Counties, FL; the Bay Area, San Leandro and Oakland Unified School Districts of California.

As a usual matter of course, over the summer students forget some of what they learned in school. During the summer, formal schooling stops, and learning loss happens at roughly the same rate for all students.

We are committed to offering a diverse range of learning opportunities where students can explore their passions and strengthen core Life Skills needed to thrive in the 21st century. This includes:

- Critical thinking, problem-solving, and logical reasoning.
- STEAM knowledge and skills.
- Intrapersonal and Interpersonal social skills.
- Emotional awareness and management.
- Creative thinking and innovation.
- Physical health and fitness.
- Cultural understanding, global awareness, and respect for humankind.

Nexplore works with many school districts and youth organizations across the nation and has the qualified staffing, experience, curriculum and learning supply to deliver high volume quality services in multiple sites simultaneously. We work closely with several grant funded organizations, such as **21st Century Community Learning Centers (21st CCLC)** who contract with Nexplore to provide specialized services for their students.

Partnerships Include:

- Denver's Extended Learning and Community School Department.
- Oakland Unified School District, CA.
- San Leandro School District, CA.
- Hayward Unified School District, CA.
- Austin Library System, TX.
- City of Hialeah, Education, and Community Services Department.

Through relationships with Oakland area community colleges and universities career services, Nexplore is able to hire high-performing college, post-college, career and retired professionals. We focus on hiring candidates who see themselves as whole life learners, express passion for learning new skills, and relate to our teaching philosophy. We recruit candidates who enjoy working with youth and take pride in their work.

What makes Nexplore's programs the ideal choice when it comes to improving academic success is our ability to promote the joy of learning through our **Project-Based Learning Deliverables**. All of Nexplore's programs include deliverable supply kits to enhance learning and engage students with hands-on activities.

Nexplore is a one-stop shop for on-site enrichment services and in-house field trips. We offer the most diverse selection of after-school, in-school, and summer programs that are cutting-edge, unique, and fun!

Nexplore LLC proposes that implementing a six-week program linking academics with recreation can greatly help to stem the loss of learning due to pandemic impacts on students' access to consistent and effective instruction. For a full review of our programs please visit our website at www.nexploreusa.com.

Plan

Nexplore proposes a six weeks programming in five sites (out of 15) led by a team of 22 instructors as follows:

- Each Site will be assigned with 4 Nexplore Instructors.

- Each Instructor will teach 3 one hour classes back to back (i.e.: 10:20 - 11:20; 11:20 - 12:20; Lunch; 1:20 - 2:20) for a total of 12 classes a day per site.
- 20 Instructors will cover five sites (total of 1000 students) based on four instructors per site.
- Two Instructors will serve as floaters and will be on standby call to substitute in case of emergency.
- Each student will receive one hour a day enrichment class, five days a week for a total of 28 days

Nexlore Programs Descriptions

Sports Science: With near-perfect pitches, swings, kicks, strokes and sprints, an athlete’s skills come down to countless hours of practice and a whole lot of science. Designed to excite students by bringing STEM into their favorite activities, this program thrives on action-packed learning experiences. Each day, learners investigate the mechanics of a different movement, connecting STEM concepts, like force, motion and the influence of gravity, to the movement of their own bodies. What does friction have to do with soccer? Why would a football player need to know about unbalanced forces? How would an Olympian hold up against a kangaroo in the long jump? Answer these questions and so much more in Sports Science!

BrickLab Magic Beans: Capture imaginations with this STEAM enrichment program! From Jack and the Beanstalk to the golden touch of King Midas, BrickLAB Magic Beans brings fairy tales to life through thrilling engineering, language arts and collaborative communication activities. Designed with a focus on arts integration, each of the 12, one-hour lessons challenges students to boost fluency, vocabulary, comprehension and hands-on creativity as they work together to build the characters and stage props needed to act out the different folktales highlighted in every unit. Combine manipulative-based engineering activities with a sprinkle of magic and let fiction fly in BrickLAB Magic Beans.

Robocoding: Coding without a computer? It’s the best way to start! This program gives students a hands-on introduction to the fundamentals of both coding and robotics, allowing them to build and execute programs in the real world! With award-winning Cubelets kits, students combine robotic cubes—each with their own unique function—to create machines that can light up, move, and interact with the world around them. Students gain an in-depth understanding of fundamental concepts like inputs, outputs, and processing, and discover how simple building-blocks can come together to perform more and more complex tasks. By working together to solve coding and building challenges, students also reinforce essential life skills like teamwork, communication, and problem-solving.

Nature Watch: Environmental science comes alive with Nature Watch activity kits! Each activity is centered around a hands-on project designed to engage, enlighten, and enliven the learning process. Each course covers one important topic, like animals, ecosystems, climate, and more. To further promote discover, all kits include a craft so each participant can “make and take” their project home. Statement of Qualification

Nexplore LLC is a National enrichment service provider established in 2016 with a mission statement *to foster the joy of learning* through a wide range of 25 STEAM, Life Skills and Fitness solutions. Currently Nexplore offers year-long programs at over 200 sites across eight states around the country. Our company has attained a Five Star rating on Google's Business Review.

Since its inception, Nexplore has worked in communities represented by diverse populations of race, color, economic and social standing. Our programs are fully adaptable to the needs of the children and families we serve. Our program models the theory of learning through fun and exploration, which is inclusive of all demographic and socio-economic populations. Nexplore has significant experience with communities in historically black/Hispanic neighborhoods of Miami, Broward and Palm Beach Counties, FL; the Bay Area, San Leandro and Oakland Unified School Districts of California.

As a usual matter of course, over the summer students forget some of what they learned in school. During the summer, formal schooling stops, and learning loss happens at roughly the same rate for all students.

We are committed to offering a diverse range of learning opportunities where students can explore their passions and strengthen core Life Skills needed to thrive in the 21st century. This includes:

- Critical thinking, problem-solving, and logical reasoning.
- STEAM knowledge and skills.
- Intrapersonal and Interpersonal social skills.
- Emotional awareness and management.
- Creative thinking and innovation.
- Physical health and fitness.
- Cultural understanding, global awareness, and respect for humankind.

Nexplore works with many school districts and youth organizations across the nation and has the qualified staffing, experience, curriculum and learning supply to deliver high volume quality services in multiple sites simultaneously. We work closely with several grant funded organizations, such as **21st Century Community Learning Centers (21st CCLC)** who contract with Nexplore to provide specialized services for their students.

Partnerships Include:

- Denver's Extended Learning and Community School Department.
- Oakland Unified School District, CA.
- San Leandro School District, CA.
- Hayward Unified School District, CA.
- Austin Library System, TX.
- City of Hialeah, Education, and Community Services Department.

Through relationships with Oakland area community colleges and universities career services, Nexplore is able to hire high-performing college, post-college, career and retired professionals.

We focus on hiring candidates who see themselves as whole life learners, express passion for learning new skills, and relate to our teaching philosophy. We recruit candidates who enjoy working with youth and take pride in their work.
