# 2011 - 2012 ANNUAL REPORT

OAKLAND  
SCHOOLS  
FOUNDATION

[www.oaklandschoolsfoundation.org](http://www.oaklandschoolsfoundation.org)

# FROM THE DESK OF THE EXECUTIVE DIRECTOR

Fellow supporters of Oakland public schools,

As the following pages reflect, the Oakland Schools Foundation (OSF) carries into its tenth year a legacy of connecting Oakland public schools with the resources to support programs our students need most.

OSF's results – like the more than \$23 million we have helped raise for school programs since 2003 – speak for themselves, as do the factors that make this work critical for Oakland. Stark resource and opportunity gaps persist across our state, with California ranking near the bottom in per-student funding. What this means for students in Oakland's under-resourced schools is very real, and it is what drives our staff, every single day.

Entering our second decade as an education fund, we remain focused on our most important measure of success: accelerating student achievement in Oakland's highest-need communities. We help schools generate and manage resources that enrich learning by collaborating with schools on innovative and long-term strategies, and by partnering with the Oakland Unified School District to create equitable outcomes across the city.

I invite you to join us in this work. OSF's commitment to collaboration – with schools, the District, our supporters, and partners – is at the heart of our equity-based vision. I look forward to speaking with you about the information in this Annual Report and about the exciting work ahead of us.

In partnership,

Brian Stanley

# OSF SERVICES

## **FISCAL SPONSORSHIP AND MANAGEMENT**

Fiscal management and accountability are key to resource development. As a 501(c)(3), OSF provides schools fiscal sponsorship for grants, donations, and in-kind contributions. We help our partner schools be accountable to their supporters through rigorous budget management and consistent donor follow-up.

## **HUMAN RESOURCES MANAGEMENT**

As a fiscal sponsor for schools, OSF provides contractor and employee administration services for school programs funded by private grants and donations. OSF also employs its own program managers and coaches at schools sites to support school program development and implementation.

## **RESOURCE DEVELOPMENT**

Per-student funding is on a national decline, and California currently spends close to \$3,000 less per student than the national average. The growing resource and opportunity gaps in public education require that we look for resources beyond public funding to support our students. OSF provides grant writing, donor cultivation, and partnership development services to help partner schools generate diverse resource portfolios that support programs critical to student learning and success.

## **COMMUNICATIONS AND OUTREACH**

In order to cultivate student enrollment, community and family engagement, and resource development it is important that we share what is happening in our schools. To this end, OSF provides partner schools with communications and outreach services that include branding, website development, social media management, storytelling, mass mailings, photography, videography, and the development of communications materials such as newsletters, brochures, flyers, postcards, fact sheets, and PowerPoint presentations.

## **PROFESSIONAL LEARNING AND PROGRAM DEVELOPMENT**

OSF provides inquiry-based, participant-led, and student-centered professional learning services that convene leaders across schools to share and develop strategies, practices, and resources that cultivate program improvement and, ultimately, student learning and success. OSF currently hosts three professional learning communities: Family Engagement and Leadership Initiative (FamELI), Elementary Literacy Collaborative (ELC), and Wellness Initiative. 25 schools participate in these programs.

## **DISTRICT AND CITY-WIDE SERVICES**

OSF partners closely with the Oakland Unified School District to provide services that have a systemic impact across Oakland schools.

# RESULTS AND IMPACT

## OSF GRANTS FUNDING FOR SCHOOLS

OSF has helped 55 schools raise more than \$23 million in grants for key programs since 2003. In 2011-12, OSF helped 25 schools raise more than \$950,000 in grants for 63 programs. The graph below breaks down the major areas of funding.

**OSF gets a four-to-one return on investment:** for every dollar schools invest in OSF, we generate at least four dollars for school programs.
