Memorandum of Understanding 2013 – 2014
Between Oakland Unified School District and
SF Bay Area Council, Learning for Life

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with SF Bay Area Council, Learning for Life ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 131/Laurel Elementary School under the following grants:
- After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
 - Private grants
2. **Term of MOU.** The term of this MOU shall be July 1, 2013 to August 29, 2014 and may be extended by written agreement of both parties.
3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
4. **Compensation.** The ASESP and 21st CCLC grant award amount for 131/Laurel Elementary School is \$93,760.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2013-2014")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's

performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

4.2.2. Administrative Charges and Reconciliation. Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).

4.3. OUSD Administrative Fees. OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.

4.4. AGENCY Administrative Fees. AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.

4.5. Program Budget. Due to result-based budgeting, the grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2013-2014 and will not exceed \$93,760.00 in accordance with **Exhibit B** ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2013-14").

4.6. Modifications to Budget. Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. Program Fees. The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site

Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

5. Scope of Work. AGENCY will serve as lead agency at 131/Laurel Elementary School, will be responsible for operations and management of the ASEP, 21st CCLC, OFCY, and private grants contracted to AGENCY by OUSD for fiscal year 2013-2014. This shall include the following required activities:

The youth of the LCPA will become conscientious leader and develop life-long skill to support their academic and social achievement:

- Provide intervention for students who are not performing at grade level. Increase academic performance as measured by the district assessment scores based on the California standards, moving students from below basic to approaching and proficient by the end of the school year.
- Provide meaningful student engagement to enhance the learning experience of the students; maintain high attendance rates during the school day for students who attend the after school program.
- Impact the student school day learning with extended educational opportunities, while exposing them to new opportunities and develop critical thinkers.

SECTION 4: Program Model and Lead Agency Selection

For 2013-2014, my site will operate the following program model:

- Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*
 Extended School Day: *additional class periods added to the bell schedule during after school hours for students of a particular grade and/or all students of the school*
 Blended/Hybrid: *combination of some extended day and some traditional after school programming*

Description and Rationale for Selection of Lead Agency

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

Learning for Life has successfully partnered with Laurel Elementary to provide afterschool program services for over 9 years. A partnership built on a strong foundation of mutual respect and common goals, with the overall development of youth at the heart of it all. During that time Learning for Life has helped to build a successful program that meets its goal, coordinates well with the district and community agencies, and provide excellent services to the school.

SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm *on every regular school day* for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.

Required # of Program Days your program will operate during School Year 2013-2014: **180 days required***

Projected Daily Attendance during School Year 2013-2014: **83**

Program Schedule

Submit program schedule as an attachment, using the standard program schedule template.

** CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates.*

SECTION 6: Academics

Your site should plan to offer a range of academic supports including:

1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring

Other possible supports may include computer lab, library exploration, project-based learning, coordination with SES tutoring.

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program.

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development.

SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Targeted parent/student orientation of chronic or at risk for absenteeism with a focus on the attendance policy. Have a signed document that acknowledges the policy so parents and participants will adhere.
c) Track students with poor program attendance and reach out to find out why and how attendance could be	Send out notices quarterly to families of students that have attendance less than 90%.

improved.	
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Schedule fun activities on the highest absenteeism days to interrupt absenteeism.
SECTION 10: Transforming School Culture and Climate	
After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.	
<p>a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What strategy/strategies is your school utilizing to transform school culture and climate?</p> <p><input checked="" type="checkbox"/> PBIS (Positive Behavioral Interventions and Support)</p> <p><input type="checkbox"/> Restorative Justice</p> <p><input type="checkbox"/> Social and Emotional Learning</p> <p><input checked="" type="checkbox"/> Bullying Prevention</p> <p><input type="checkbox"/> Other: (please specify) _____</p>	
<p>b) How will the school and lead agency partner work together to ensure that the after school program is aligned and supporting these efforts, and helping to transform school culture and climate?</p> <p>The Laurel ASP will continue to collaborate with day school to implement the Building Intentional Communities Model to deepen the integration of core values into programming, shift program climate towards inclusion and leadership, and provide youth with leadership opportunities to develop into well-rounded critical thinkers and citizens. This initiative helps support ASP instructors in facilitation of the program's "Leaders of Tomorrow" class.</p> <p>The first three to four weeks of program are dedicated community building and peacemaking; based on the Peaceful Classroom curriculum. Staff model and support students in facilitating the process of creating community agreements, conflict resolution strategies, and role play. The foundations of the strategies are supported throughout the school year every Wednesday, as well as using real classroom situations/conflicts to utilize the peace table and other strategies to resolve conflict.</p>	
<p>c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional</p>	

well-being, and/or academic success of African American students at your school (ie. Manhood Development circles, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

The Laurel ASP will continue to collaborate with the school day and have monthly recognition ceremonies for student accomplishments.

SECTION 11: Coordination with Other Service Providers

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

<p>The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?</p>	<ul style="list-style-type: none"> <input type="checkbox"/> COST team (Coordination of Services Team) <input type="checkbox"/> SST (Student Study Team) <input type="checkbox"/> SSC (School Site Council) <input type="checkbox"/> ELT (Educational Leadership Team) <input type="checkbox"/> PTA <input type="checkbox"/> Attendance Team/Workgroup <input type="checkbox"/> CSSSP (Community School Strategic Site Planning) team <input type="checkbox"/> School Culture/Climate Committee <input checked="" type="checkbox"/> Other (specify) Monthly Collaborative meetings

2013-14 After School Enrollment Policy for Laurel School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
All students at risk, those who score BB, FBB, and B on the CST, are targeted for admittance to the program. Priority is given to those who are in the Below Basic group. Second graders do not have CST data, Dibels and district standards based assessments are used to determine students who are below benchmark.	<ul style="list-style-type: none"> -Students who are scoring in the BB, FBB, and B range based upon their yearly state assessments (CST), or district assessments. -Students who are scoring two years behind in school and need intense intervention support. -Targeted intervention will begin 30 days after school has started in order to properly assess student needs through additional reading/math partner assessments. 	

Grade levels prioritized for programming: 2nd through 5th

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2013. Indicate how families will be notified of 2013-14 enrollment before the last day of school, June 13, 2013.)

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
May 2013	Open the waiting list for 2013-14	Site Coordinator, ASP Staff, Site Administrator.
June 2013	Categorize the list by those that are targeted (FBB, BB, B), Siblings of targeted students, returning/repeat students, attendance data, and those that are new. Families are notified to attend the mandatory parent orientation to complete the registration process in order for students to begin on the first day of school.	Academic Liaison, Site Coordinator
July 2013	Families attend orientation for students to begin attending ASP the first day of school.	Site Coordinator

Important dates to include in your timeline:

- April – June: Spring enrollment for 2013-14 programs.
- Families will be notified of 2013-14 after school enrollment before the last day of school, June 13, 2013.
- After school programs begin on 1st Day of school, with enrollment at a minimum 75% capacity.
- August – September: New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by September 30, 2013.
- All programs must maintain waitlists after program slots are filled.

Academic Liaison/Quality Support Coach

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Academic Liaison (now called "Quality Support Coach") is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program's *Assess – Plan – Improve* program quality improvement cycle by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, priorities, curriculum, pedagogy, and data.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards

The Academic Liaison/Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Academic Liaison/Quality Support Coach role from the OUSD After School Programs Office. The After School Programs Office will provide specific deliverables aligned with the key job duties listed above. The required budget allocation for this position is \$2,500 for the year, equivalent to 83 hrs/year at a Paid-In-Service contract rate of \$30.12/hour.

Academic Liaison/Quality Support Coaching Planning

a) Please identify who will fulfill the Academic Liaison/Quality Support Coach role for 2013-14:

- A credentialed teacher on staff who has effective skills and experiences in coaching and/or adult learning
- A qualified professional who is part of the school staff
- An OUSD coach connected to the school (i.e. LCI Literacy or Math coach, BTSA coach, etc.)
- Other individual (please specify in detail): _____

If known, please specify the name of the person who will fill the Academic Liaison role, and identify his/her role in the school:

b) Some schools are challenged in finding a qualified individual on staff who can fulfill the Academic Liaison/Quality

Support Coach role. In this case, the OUSD After School Programs Office will work actively to try to find an OUSD coach to match with the school. Please mark:

My school needs support in finding an individual who can effectively fulfill the role of Academic Liaison/Quality Support Coach. Yes No

Teachers on Extended Contract for Direct Service

In addition to an Academic Liaison/Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as after school intervention, support with programs like Achieve 3000 or Fast Forward, and academic enrichment.

Please list specific after school classes/activities that will be facilitated by teachers paid on extended contract.

Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$23.16/hr (per OEA contract). After school grant funds can be utilized for this direct service work. Beginning in 2013-14, the Academic Liaison/Quality Support Coach cannot provide direct service to students. The Academic Liaison is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$30.12 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract.

After School Safety and Emergency Planning for 2013-14

After School Safety and Emergency Planning

A) The Comprehensive School Site Safety Plan will incorporate the After School Program. The Principal and Site Coordinator will discuss plans and procedures for after school safety, and the Site Coordinator will have access to the Comprehensive School Site Safety Plan.

Yes No

If no, explain after school plans to ensure student and staff safety should an incident of violence or other crisis/emergency occur on or near the school campus during after school hours:

B) Describe the training that site will provide after school staff on safety procedures, including lockdown procedures and communication protocols for crisis response.

This training takes place during the initial orientation and training week in August 2013. Staffs are taken on a tour of the school to become familiar with the campus. Staff also has a day or two to connect with the classroom teachers to create a positive relationship/partnership, which is a crucial element when it comes to securing our campus and students. Staff is familiarized with the emergency kits with which each classroom is equipped. Staff has at all times a basic first aid kit on hand. All program staff familiarizes the students with what to do in case of an emergency and participate in practice drills. Staff is CPR, first aid, and AED certified.

C) Principal and Site Coordinator have reviewed the *OUSD After School Emergency/Crisis 1st Level Response Notification Protocol*.

Yes No

Facility Keys

Will the After School Program have access to facility keys for all areas where after school programming occurs?

Yes No

If no, indicate how the school campus will be secured if crisis should occur during after school hours and if lockdown is necessary:

SSO Staffing: (check one)

Site has a school day SSO who can accommodate after school related work as part of their regular salary.

Site will pay Extra time/Over time (ET/OT) to accommodate an after school SSO.

Professional Development and Staff Wellness

Professional Development: After school staff should receive adequate professional development, including coaching support and trainings, in order to grow and improve their practice. Programs should utilize data from the YPQA/SAPQA youth program quality assessment tool to determine the areas of focus for professional development.

a) Programs are allowed up to three days of program closure during the school year to offer staff professional development. Please indicate which three days (if any) your program plans to close this year for PD:
June 10, 11, & 12, 2014

b) What professional development, coaching, and training supports will be provided by the lead agency partner?

During the initial orientation week and training the site coordinator and academic liaison offer 9 hours of professional development in the following areas: classroom management, academic content standards, instructional strategies, lesson planning. Throughout the school year the SC and AL review student data with the staff to create individualized lesson plans for the targeted students receiving academic intervention services in the program. The SC and AL also conduct classroom observations several times per year, while offering specific coaching to support the staff in the classroom setting. The SC and AL use the data from site visits and internal observations to make determine large group professional developments that may be needed throughout the school year; at that time our monthly staff meeting is utilized as a professional development.

c) What professional development opportunities will be provided by the school site?

d) ASPO professional development will consist of the mandatory August Institute (Aug. 5-9, four days for new site coordinators; three days for returning site coordinators), mandatory monthly site coordinator meetings (2 hrs/month), optional Youth Work Methods trainings (9 workshops aligned to YPQA, 2 hours each), and various professional learning communities (time commitment varies). Please mark:

I understand that professional development helps ensure program quality. My program is committed to providing/accessing professional development opportunities for after school staff, based on needs identified by program data. My program will adequately budget for staff time to participate in professional development over the course of the year (for key line staff, recommended at least 20 hours of PD/year). Yes No

EAST BAY REGIONAL PARK DISTRICT

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.
