Board Cover Memorandum

To Board of Education

From Kyla Johnson-Trammell, Superintendent
Preston Thomas, Chief Systems and Services Officer

Meeting Date February 22, 2023

Subject KABOOM! Master Agreement

Ask of the Board Approval by the Board of Education of the Playspace Partner Master Agreement with KABOOM!, Inc.

Background KABOOM! and OUSD have collaborated on the construction of new playspaces at mutually agreed to school sites. This occurred on a one-off basis, with separate agreements reached for each site and playspace.

Discussion This Master Agreement would provide a foundation for KABOOM! and OUSD to install up to twenty additional playspaces (without the need for additional or separate agreements). In deciding which schools to prioritize, the Agreement provides that the schools selected must be elementary schools and middle schools that meet one or more of the following criteria:

- Have facilities below District standard as identified by the District (likely via its Facilities Assessment)
- Have an unduplicated pupil percentages of greater than 50%
- Have responses to questions related to safety and living schoolyards on the California Healthy Kids Survey that are below the District average
- Serve approximately 250 students daily to ensure high use of the Playspace investments.

In accordance with the Master Agreement, each playspace is built with the help of a significant number of community members.

Fiscal Impact While the cost of each playspace is covered by KABOOM! (with support from its funding partners), there are additional costs to the District for each playspace, primarily preparing the site (e.g., soil sampling, underground scanning, removing old play structures, repairing and/or leveling surfacing) and installing the safety surface underneath the playspace. The Agreement authorizes the District to spend

up to \$250,000 per playspace. For 20 playspaces, this is a total of \$5 million. The source would be Fund 21, which is the bond fund. None of this funding goes to KABOOM!.

OAKLAND UNIFIED SCHOOL DISTRICT AND
KABOOM!, INC.**

RECITALS

KABOOM! believes that play is a critical part of childhood, and key to a child’s ability to thrive – physically, socially, emotionally, cognitively and creatively. This is especially true for kids growing up in under-resourced urban communities. The Oakland Unified School District (“OUSD” or “District”) is focused on transforming its schools to create a world-class education system for the children of Oakland to learn, grow, and play. District and KABOOM! may be individually referred to herein as a “Party,” or may be collectively referred to herein as the “Parties.”

KABOOM! and OUSD seek to collaborate on the construction of new playspaces at school sites (“Playspaces”) mutually agreed to the Parties. All Playspaces collectively may be referred to herein as the “Projects” and each a “Project”.

The Parties commit to prioritizing equity in selecting schools at which to construct Playspaces. Toward this end, the Parties shall select elementary schools and middle schools that predominantly meet one or more of the following criteria:

- Have facilities below District standard as identified by the District (likely via its Facilities Assessment)
- Have an unduplicated pupil percentages of greater than 50%
- Have responses to questions related to safety and living schoolyards on the California Healthy Kids Survey that are below the District average
- Serve approximately 250 students daily to ensure high use of the Playspace investments.

This Agreement will, when executed by the duly authorized representatives of each Party, represent the complete legally binding agreement between the Parties regarding the Project. The District acknowledges and understands the primary source of funding for the Project is funding from third parties provided to KABOOM!. As such, the District acknowledges and understands and the scope of the Project (i.e., the number of Playspaces) is contingent upon KABOOM! securing the necessary contributions from such third parties.

Now, therefore, in consideration of the mutual covenants and agreements contained herein, the receipt and sufficiency of which is hereby acknowledged, the Parties hereto agree as follows:

AGREEMENT

- I. **Purpose and Scope.** The purpose and scope of this Agreement is to enable the District to collaborate with KABOOM! to install up to twenty (20) Playspaces at OUSD schools. Each Playspace may include one or more of the following: play structures, youth sport courts, teaching gardens, murals, and/or nature exploration areas. The location and details of each

Playspace shall be determined and agreed to in writing by the duly authorized representatives of each Party.

II. **Term.** This Agreement shall commence upon February 23, 2023 and remain in effect for three (3) years (i.e., through February 22, 2026), unless the term (“Term”) is extended or terminated earlier pursuant to this Agreement.

III. **Costs and Funding.**

A. **Cost.** The District is responsible for preparing each project site for installation and safety surfacing. The cost of preparing a site for the installation of each Playspace, which may include, but is not limited to, repairing/resurfacing asphalt after District’s removal of existing safety surfacing (matting) under the existing play structure and fencing, shall not exceed \$250,000 per Playspace.

B. **Hold Harmless.** The District is solely responsible for and shall hold KABOOM! harmless from any costs incurred by the District for any prior site preparation, upgrades or improvements or any equipment or materials purchased to supplement those secured by KABOOM!. To the extent that KABOOM! is contractually obligated to hold any third party funding sources harmless, OUSD shall also hold any third party funding sources harmless but only to the extent that OUSD has agreed to hold KABOOM! harmless under this Agreement.

C. **Funding.**

i. KABOOM! has advised the District that KABOOM! intends to seek contributions from third party funding sources in support of the Projects. KABOOM! shall not have any monetary obligations to the District with its fundraising efforts. Notwithstanding any other language in this Agreement, the District shall not be responsible for securing any necessary funding for the purchase and installation of each Playspace, provided that this does not prevent the District, at its sole discretion, from contracting with other third parties for services or materials related to the purchase and installation of a Playspace.

ii. KABOOM! will execute a separate contract with each third party that provides financial and human resources (“Funding Partner”) for each Playspace. In recognition of the Funding Partner's contribution of such resources, the Funding Partner shall receive first placement on any recognition materials developed for the Project, including signage, banners, T-shirts, press releases, website and newsletter stories, and flyers, and the District shall not solicit sponsors or donors in relation to each Playspace whose products or services directly compete with the products or services of the Funding Partner as identified to the District by KABOOM! and/or the

Funding Partner. In the event the District solicits other sponsors or donors, then the District shall not permit such sponsors or donors to compete with the Funding Partner for signage and sponsorship recognition.

- iii. The District has agreed that it will reasonably cooperate with KABOOM! in its fundraising efforts.

IV. **Obligations of the District.**

- A. Design Day. The District agrees to host a KABOOM!-facilitated “Design Day” for each Project and shall make best efforts to secure the attendance of at least twenty (20) adult volunteers and twenty (20) youth, only so long as volunteers’ presence on District property is consistent with Alameda County Department of Public Health guidelines and District policies regarding visitor access to District property. The Parties, through their duly authorized representatives, shall mutually agree in writing upon the date for the Design Day for each Playspace.
- B. Land Ownership. Before a site for a Project is selected, the District will, in writing, represent and warrant to KABOOM! that the District is the landowner of each project site property confirmed for a new Playspace. The District shall ensure that the physical area in which each Playspace is to be located, as well as the area’s surrounding and the access to the area, are safe for volunteers and children while activities during Design Day and Build Week. The District is responsible for undertaking any necessary risk mitigation should the soil be deemed unsafe for children and volunteers to perform the task contemplated under this Agreement. In the event that soil is deemed unsafe and risk mitigation is required, the District acknowledges that there may be a delay in the Build Week and/or Playspace completion.

F. Maintenance.

- i. Upon the completion of each Playspace, the District shall have sole responsibility for its maintenance and supervision.
- ii. Guidance and materials for the purpose of developing a maintenance program for each Playspace are available upon request from the play equipment and safety surfacing manufacturers.
- iii. In the event any Playspace is, in full or in part, no longer permitted for any reason to be located at its original site of construction or such site is no longer controlled by the District for any reason, then the District shall make a good faith effort to notify KABOOM! of such situation. Where feasible, the District shall, at its sole cost and expense, take such steps as may be necessary to promptly and safely relocate the equipment (including any permanent signage and other fixtures) to an alternate site that serves OUSD

- i. For each Project, the District shall use reasonable best efforts to recruit at least 100 volunteers to participate over a 3-4 day installation event ("Build Week") for each Playspace, only so long as volunteers' presence on District property is consistent with Alameda County Department of Public Health guidelines and District policies regarding visitor access to District property. In the event that volunteer participation is precluded or limited by Public Health guidelines or District policies, Parties agree to have the Playspace professionally installed without volunteers on site to occur on a mutually agreed upon date. Any additional fees associated with professional installation shall be the responsibility of KABOOM!. The Parties, through their duly authorized representatives, shall mutually agree in writing upon the dates for the Build Week for each Playspace.

 - i. KABOOM! shall be responsible for the costs for an Installation Supervisor unless the installation of the Playspace is not completed by the mutually agreed upon timeline and the untimely completion is solely due to failure of the District, in which case the District shall be responsible for securing and paying for the Installation Supervisor.
 - ii. The District understands and acknowledges that it will accept ownership of the Playspace even if an Installation Supervisor cannot be secured.
 - iii. As its sole option, the District shall obtain and be responsible for the cost for its own safety inspector to review the installation with the Playspace after completion. KABOOM! agrees to reasonably cooperate with any safety inspector, or other third-party, retained by the District in connection with a Project for such purpose.
- C. Vendors. As part of its Project Management responsibility to manage the overall execution for installing each Playspace, KABOOM! shall select and manage vendors that will provide necessary equipment for the Playspace (e.g., surfacing, Playspace equipment, peripheral projects, landscaping, etc.). KABOOM! shall use commercially reasonable efforts to guard against any loss to the District through the failure of suppliers to properly honor their commitments, but KABOOM! shall not be held responsible for any such failure on their part. C. Build Week Postponement.

- i. The Build Week shall not be postponed except when weather or other conditions jeopardize the safety of the volunteers or threaten the structural integrity of each Playspace. The decision to postpone the Build Week will be made by the duly authorized representatives of the Parties. In the event that the Build Week is postponed, KABOOM! and the District shall develop a plan for rescheduling the Build Week at the next earliest date possible for each Party. Notwithstanding the foregoing, in the event that the date of the Build Week is cancelled or changed as a result of the District's sole failure to satisfy its obligations in connection with the Project, then the District shall be liable to KABOOM! for all such additional expenses related to the rescheduled Build Week.
- ii. The Parties acknowledge that in the event that soil is deemed unsafe and/or risk mitigation is required pursuant to Section IV.E.iv that there may be a delay in the Build Week and/or the completion of each Playspace to allow for proper mitigation. Any delays/postponement of Build Week resulting from necessary soil mitigation, shall result in KABOOM! and the District developing a plan for rescheduling the Build Week.
- iii. 2023 Playspace Volunteer Build Day Waiver

KABOOM! PLAYSPACE PROJECT -- VOLUNTEER WAIVER AND RELEASE

This form must be signed by or on behalf of each volunteer who will participate in or otherwise be involved with the construction of the FP, CP and KABOOM! Playspace Build (the "Playspace Build" or the "Project"), or will be on the construction site of the Playspace Build, occurring Build Month, Day, Year in City, State. If you are unable to read this print, please speak with the person handling volunteer registration for assistance.

The KABOOM! project and activities will include the playspace construction, side projects and play enhancement projects on and in the periphery of the playspace construction site including, without limitation, building interiors at or near the site. The "playspace construction site" is the physical space where the playspace is being installed; the playspace construction projects are any activities directly related to the installation and placement of the playspace equipment, the mixing of concrete, and/or moving safety surfacing onto the playspace site. Volunteers under age 18 (or under 19 in AL and NE) may not work on the "playspace construction site", as defined above. Volunteers under 18 but who meet this state's minimum age for employment may work on the side projects, such as beautification and play enhancement projects, and other non-playspace construction site projects and may help with preparation for the build day only if they have received and delivered KABOOM! written approval from a parent or legal guardian for participation. Any children under state's minimum age for employment will not be supervised by KABOOM! in any way or be allowed to participate in playspace or non-playspace construction projects managed by KABOOM!; however KABOOM! will work with the community partner to procure supplies for use by these children and to help them plan projects that are occurring on a site that is distinctly separated from the playspace construction site. No children under this state's legal working age should be on the playspace construction site.

I understand that I will be spending the day(s) as a volunteer for the Project and will be participating at my own risk. I acknowledge that my participation is voluntary and does not constitute a condition or requirement of employment. I further acknowledge that the Project will occur at a construction site and that the construction site will be a potentially dangerous place. I attest that I am physically fit and prepared for this event and these activities.

I will not create an unsafe situation for other individuals or myself nor will I use any tool or engage in any task with which I am not completely comfortable. I will abide by all applicable federal, state and local laws, as well as the rules and directions of the sponsors and coordinators. If I see any situation that I feel is unsafe, I will immediately call it to the attention of KABOOM! or a safety coordinator. If I bring any children or young adults with me to participate in the Project, I will be solely responsible for providing for their safety and will keep them under close supervision at all times. FOR EACH PARTICIPANT UNDER 18 (19 in AL and NE), THE PARENT OR GUARDIAN MUST FILL OUT A SEPARATE WAIVER. I understand that a volunteer may be at the Project to provide medical treatment in the event of an injury, and if necessary to assist in arranging transportation to medical facilities, but acknowledge that neither KABOOM! nor any other of the Released Parties (as defined below) are in any way responsible for providing such medical volunteer or treatment.

On behalf of myself, as well as my heirs, executors, administrators and assigns, I hereby forever release, discharge, waive and agree to indemnify and hold harmless KABOOM!, FP, CP, Landscape Structures Inc. and/or Connor Sport Court International, and any additional sponsors of the Project, along with their respective officers, directors, agents, employees, contractors, successors and assigns, and any volunteers to whom I give my consent to provide medical treatment to me or to any children or young adults under my supervision ("Released Parties"), from and against any and all claims, demands, actions,

causes of action, obligations, liabilities, suits, losses, damages, costs, expenses, and fees, including, without limitation, court costs and attorneys' fees, of any and every nature of character, including, without limitation, for death, personal injury and/or loss of property, whether anticipated or unanticipated, directly or indirectly, whether caused, in whole or in part, by the sole or concurrent negligence or wrongdoings, strict liability or fault of the Released Parties or otherwise, arising out of or connected in any way with my participation in the Project or any side projects in connection with the Project.

I acknowledge that I have read the foregoing paragraph and know and understand the full contents and effects of it. IF BUILD IS IN CALIFORNIA KEEP THIS SECTION, IF NOT, REMOVE: I understand the full nature, extent, and import of Section 1542 of the California Civil Code and of the entire release stated in the foregoing paragraph. Accordingly, I waive and relinquish, any and all rights or benefits that I may have under the provisions of Section 1542 of the California Civil Code, which reads as follows: "A general release does not extend to claims which the creditor does not know or suspect to exist in its favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor." I hereby grant KABOOM!, FP and CP full and complete permission to use my name and likeness, including any photographs, videography and interview footage and quotations from me obtained in connection with the Project (whether or not at the Project Build or otherwise) in legitimate promotions of the Project and to further the mission and vision of KABOOM! in any and all media now known or hereinafter developed without restriction or compensation.

I understand that I have given up substantial rights by signing this Waiver and have signed it freely and voluntarily without any inducement, assurance or guarantee being made to me and I INTEND MY SIGNATURE TO BE A COMPLETE AND UNCONDITIONAL RELEASE of all liability of Released Parties to the greatest extent allowed by law.
