To Board of Education 

From Tony Smith, Ed.D., Superintendent  
Timothy White, Assistant Superintendent, Facilities Planning and Management

Board Meeting Date October 26, 2011

Subject Amendment No. 1, Professional Services Facilities Contract -  
Antonio, Inc. - Playground Inspections Project Project

**Action Requested** Approval by the Board of Education of Amendment No. 1, Professional Services Facilities Contract with Antonio, Inc. for Inspection Services on behalf of the District at Playground Inspections Project, in an amount not-to exceed \$8,670.00 increasing previous contract amount from \$25,500.00 to a not to exceed amount of \$34,170.00 and revising the end date from June 1, 2011 through August 12, 2011 to October 31, 2011. All remaining portions of the agreement shall remain in full force and effect as originally stated.

**Background** Emergency repair to play structure to prevent loss of certification. Existing condition of play structure is not in compliance with State mandated ADA regulations.

**Local Business Participation Percentage** 100.00%

**Strategic Alignment** Among the key purposes of the District's Facilities Master Plan is to provide an academic environment for the Oakland community that will give every student, educator, and community member using our facilities the best possible opportunity for learning.

Through implementation of the Facilities Master Plan, the District intends to improve the District's facilities in terms of structural integrity, safety, reliability of operating (mechanical) systems, access to modern resources,

number and type of appropriate laboratories and specialized instruction rooms, opportunities for physical education, and attractiveness, such that the Oakland Public Schools are second to none. Operation of the District schools under the planned approach is intended to ensure safety, cleanliness, and orderliness for all individuals participating in the learning process.

The basic facility needs of students such as proper lighting, functional roofs, noise control and well maintained buildings, not only convey the message that we value our students and teachers but may foster a sense of school pride and community ownership which may improve attitudes towards learning. The implementation of the Facilities Master Plan is our first step in that direction.

**Recommendation**

Approval by the Board of Education of Amendment No. 1, Professional Services Facilities Contract with Antonio, Inc. for Inspection Services on behalf of the District at Playground Inspections Project, in an amount not-to exceed \$8,670.00 increasing previous contract amount from \$25,500.00 to a not to exceed amount of \$34,170.00 and revising the end date from June 1, 2011 through August 12, 2011 to October 31, 2011.
