**Memorandum of Understanding 2013 – 2014
Between Oakland Unified School District and
YMCA of the East Bay**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with YMCA of the East Bay ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 146/Piedmont Avenue Elementary School under the following grants:
- After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASEP and 21st CCLC funds.
 - Private grants
2. **Term of MOU.** The term of this MOU shall be July 1, 2013 to August 29, 2014 and may be extended by written agreement of both parties.
3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
4. **Compensation.** The ASEP and 21st CCLC grant award amount for 146/Piedmont Avenue Elementary School is \$92,159.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2013-2014")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's

performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

4.2.2. Administrative Charges and Reconciliation. Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).

4.3. OUSD Administrative Fees. OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.

4.4. AGENCY Administrative Fees. AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.

4.5. Program Budget. Due to result-based budgeting, the grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2013-2014 and will not exceed \$92,159.00 in accordance with **Exhibit B** ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2013-14").

4.6. Modifications to Budget. Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. Program Fees. The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site

Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

All documents created by AGENCY pursuant to this MOU, including but not limited to reports, designs, schedules, registration packets, early release waivers, and other materials prepared, or in the process of being prepared, for the services to be performed by AGENCY, are and shall be at the time of creation and thereafter the property of OUSD, with all intellectual property rights therein vested in OUSD at the time of creation. OUSD shall be entitled to access to and copies of these materials during the progress of the work. Any such materials in the hands of AGENCY or in the hands of any subcontractor upon completion or termination of the work shall be immediately delivered to OUSD. If any materials are lost, damaged or destroyed before final delivery to OUSD, AGENCY shall replace them at its own expense and AGENCY hereby assumes all risks of loss, damage or destruction of or to such materials. AGENCY may retain a copy of all materials produced under this MOU for its use in its general business activities.

10. Changes

- 10.1. Agency Changes.** AGENCY may, at any time, by written order, make changes consistent with Section 5 Scope of Work of this MOU. If such changes cause an increase or decrease in the budgeted cost of or the time required for performance of the agreed upon work, an equitable adjustment as mutually agreed shall be made in the limit on compensation as set forth in Section 4 or in the time of required performance as set forth in Section 5.4, or both. In the event that AGENCY encounters any unanticipated conditions or contingencies that may affect the scope of work or services and result in an adjustment in the amount of compensation specified herein, AGENCY shall so advise OUSD immediately upon notice of such condition or contingency. The written notice shall explain the circumstances giving rise to the unforeseen condition or contingency and shall set forth the proposed adjustment in compensation. Such notice shall be given to OUSD prior to the time that AGENCY performs work or services related to the proposed adjustment in compensation. Any and all pertinent changes shall be expressed in a written amendment to this MOU and signed by OUSD prior to AGENCY's implementation of such changes.
- 10.2. Changing Legislation.** AGENCY understands that changes in Federal, or state legislation or District policy may impact funding levels, grant requirements, and responsibilities of AGENCY during an academic school year. AGENCY shall not permit its agents to come into contact with students until CDOJ and FBI clearance is ascertained, and AGENCY shall certify in writing to OUSD that none of its agents who may come into contact with pupils have been convicted of a violent or a serious felony. AGENCY shall further certify that it or its subcontracting agencies have received and reviewed fingerprint results for each of its agents, and Agency or its subcontracting agencies shall request and review subsequent arrest records for all agents who may come into contact with OUSD pupils in providing services to the District under this Agreement.

11.4. Conflict of Interest. AGENCY shall abide by and be subject to all applicable OUSD policies, regulations, statutes or other laws regarding conflict of interest. AGENCY shall not hire any officer or employee of OUSD to perform any service by this Agreement. AGENCY affirms to the best of his/her/its knowledge, there exists no actual or potential conflict of interest between AGENCY's family, business or financial interest and the services provided under this MOU, and in the event of change in either private interest or services under this MOU, any question regarding possible conflict of interest which may arise as a result of such change will be brought to OUSD's attention in writing.

In addition, AGENCY agrees to require like compliance by all its subcontractor(s).

12. Indemnification. AGENCY shall indemnify, hold harmless and defend OUSD and each of its officers, officials, employees, volunteers and agents from any loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by OUSD, AGENCY or any other person and from any claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly out of performance of this MOU. AGENCY's obligations under the preceding sentence shall apply jointly and severally regardless of whether OUSD or any of its officers, officials, employees, volunteers or agents are actively or passively negligent, but shall not apply to any loss of liability, fines, penalties, forfeitures, costs or damages caused solely by the active negligence or by the willful misconduct of OUSD. If AGENCY should subcontract all or any portion of the work or activities to be performed under this MOU, AGENCY shall require each subcontractor to indemnify, hold harmless and defend OUSD, its officers, officials, employees, volunteers or agents in accordance with the terms of the proceeding paragraph.

After School Site Coordinator Name (if known at this time): Noah Lopes

SECTION 2: After School Alignment with Community School Strategic Site Plan (CSSSP)

Mark the following Strategic Priority areas of the school's CSSSP where this after school program is identified as a high leverage strategy.

- Balanced Literacy and Literacy Across the Curriculum
- Science, Technology, Engineering, and Mathematics (STEM)
- Transitions and Pathways Pre-K to 12
- College, Career and Workforce
- Accelerating Students through Targeted Approaches
- Extended Learning Time
- School Culture (including Meaningful Student Engagement)
- Health and Wellness
- Interrupting Chronic Absence (Attendance)
- Building Capacity and Leadership
- Family and Student Engagement
- Strategic Operational Practices

State 3 – 4 primary goals of the After School Program and intended impacts for participating students.

One goal for our program is to help improve our students' scholastic achievement. We do this through strong, intentional academic support, such as structured and quiet homework help, structured math curriculum using school day Si Swun pacing guides, as well as ELA support during our Tribe time (academic periods) four days a week Monday- Thursday. Homework is one hour and Tribe is 45 minutes. The impact we are looking for is improved test scores and 100% of students turning in completed homework to teachers. The added support after school supports both day time learning and day time instruction by using same verbiage and methods through pacing guide alignment.

Second goal we have is to provide our students with positive and caring adult role models with whom they look up to and respect. We are able to do this by employing: caring, honest, respectful and responsible Instructors who are trained in Youth Development Principals. This leads to students feeling both physically and emotionally safe as well as comfortable in their academic environments. We receive full participation and students take leadership roles based on their own observations of staff. Also, students use ownership language when referring the program and its individual activities.

Our third goal is created when we are able to successfully implement goals one and two. We will establish an academic environment which the children feel free to ask questions and challenge themselves as well as classmates to excel in their academic endeavors. We will instill in each participant that their effort is key to their own success. We can measure this by students bringing homework daily, completing assignments, students asking for help from students and/ or instructor. Lastly, students encouraging each other to attempt to solve math problems or read literature rather than step back and wait for the answer.

We work with the school day by giving preference to children who are academically low e.g. due to illnesses and or constant absences, no matter the point in the school year.</p>		
<p>Satisfactory School Day Attendance: How many more Oakland children are attending school 95% or more?</p>	<p>We will first recruit children with poor school day attendance and create a reward system for attendance after school, such as awards and certificates. These attendance awards help both track and encourage perfect attendance. Children must attend school or they are not permitted to attend the after school program on that day.</p>	<p>We will observe a higher rate of attendance from participants who have previously been chronic absentees.</p>	<p>We will use attendance reports.</p>
<p>Job Skills/Career readiness: How many more students have meaningful internships and/or paying jobs?</p>

SECTION 4: Program Model and Lead Agency Selection

For 2012-2013, my site will operate the following program model:

- Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*
- Extended School Day:** *additional class periods added to the bell schedule during after school hours for students of a particular grade and/or all students of the school*
- Blended/Hybrid:** *combination of some extended day and some traditional after school programming*

Description and Rationale for Selection of Lead Agency

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development. Note: If school is managing program, site is considered to be the Lead Agency. In this case, describe how the hired After School Site Coordinator will support school plans for FSCS development.)

We partnered with YMCA of the East Bay due to their commitment to healthy children and families. The Y is the nation's leading nonprofit committed to strengthening communities through youth development, healthy living and social responsibilities. This dedication will provide our families with more information regarding programs for: fitness, wellness, healthy food options and other programming. The experience the Y brings will help us serve our families in our Full Service Community School model.

SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm *on every regular school day* for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.

Required # of Program Days your program will operate during School Year 2012-2013:	180 days required*
--	---------------------------

Projected Daily Attendance during School Year 2012-2013:	90 students

Program Schedule

Submit program schedule as an attachment, using the standard program schedule template.

** CDE allows programs to close for a maximum of 3 of these days during the school year for professional development.*

SECTION 6: Academics

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services, and increase their ability to support their student's learning and development.

Type of Activity	CSSSP goal(s) or school need supported by activity	Brief Description	Measurable Outcome	Alignment with school day family engagement / family literacy efforts or resources
Family reading night	Family engagement and family literacy	Children are read to by after school staff and day time staff and are given books while departing.	Families are more present at school and children read more at home.	
Lights on after school	Family engagement	The after school services are highlighted	We have members of the community visit school and are able to ask questions regarding after school services	

SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	Get attendance from attendance clerk
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Monthly awards and certificates

SECTION 10: Coordination with Other Service Providers
 In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?	<input type="checkbox"/> COST team (Coordination of Services Team) <input type="checkbox"/> SST (Student Study Team) <input type="checkbox"/> SSC (School Site Council) <input type="checkbox"/> ELT (Educational Leadership Team) PTA <input type="checkbox"/> Attendance Team/Workgroup <input type="checkbox"/> CSSSP (Community School Strategic Site Planning) team <input type="checkbox"/> School Culture/Climate Committee <input type="checkbox"/> Other (specify)
List key community partners whom you will actively collaborate with to accomplish the goals of your program.	VAAMP Oakland High School, EBAYC, Oakland Tech,

	Prescott Circus, Berkeley YWCA, BAYAC Americorps.
Identify other service providers and support personnel at your school (ie. school psychologist, School Based Health Center staff, counselor, mental health therapist, school nurse, parent liaison, etc.) whom you will actively collaborate with to accomplish the goals of your program. 2012-13 After School Enrollment Policy for Piedmont Avenue Elementary School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Children below benchmark	2012-2013 tests school year	
Children with 90% or less attendance	Attendance records for 2012-2013 school year	

Grade levels prioritized for programming: Grades 1-5

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD’s strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2012. Indicate how families will be notified of 2012-13 enrollment before the last day of school, June 16, 2012.)

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
May 10- June 6	After school registration forms available and returned	Noah Lopes
June 6- June 8	Parents orientations	Noah Lopes
June 11- June 13	Acceptance letters go home	Noah Lopes
June 14	Letters mailed home to students not present to receive letters at school	Noah Lopes

Important dates to include in your timeline:

- April – June: Spring enrollment for 2012-13 programs. ***Schools that are receiving students from School Closures must also outreach to these new families in the Spring, so that they also have a fair chance to participate in the After School program at their new school.***
- Families will be notified of 2012-13 after school enrollment before the last day of school, June 15, 2012.
- After school programs begin on 1st Day of school, with enrollment at a minimum 75% capacity.
- August – September: New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by September 30, 2012.
- All programs must maintain waitlists after program slots are filled.

Academic Liaison/Quality Support Coach

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Academic Liaison (now called “Quality Support Coach”) is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program’s *Assess – Plan – Improve* program quality improvement cycle by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, priorities, curriculum, pedagogy, and data.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards

The Academic Liaison/Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Academic Liaison/Quality Support Coach role from the OUSD After School Programs Office. The After School Programs Office will provide specific deliverables aligned with the key job duties listed above. The required budget allocation for this position is \$2,500 for the year, equivalent to 83 hrs/year at a Paid-In-Service contract rate of \$30.12/hour.

- Other individual (please specify in detail): _____

If known, please specify the name of the person who will fill the Academic Liaison role, and identify his/her role in the school: Dana Graham

b) Some schools are challenged in finding a qualified individual on staff who can fulfill the Academic Liaison/Quality

Support Coach role. In this case, the OUSD After School Programs Office will work actively to try to find an OUSD coach to match with the school. Please mark:

My school needs support in finding an individual who can effectively fulfill the role of Academic Liaison/Quality Support Coach. Yes No

Teachers on Extended Contract for Direct Service

In addition to an Academic Liaison/Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as after school intervention, support with programs like Achieve 3000 or Fast Forward, and academic enrichment.

Please list specific after school classes/activities that will be facilitated by teachers paid on extended contract.

Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$23.16/hr (per OEA contract). After school grant funds can be utilized for this direct service work. Beginning in 2013-14, the Academic Liaison/Quality Support Coach cannot provide direct service to students. The Academic Liaison is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$30.12 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract.

ADDITIONAL INSURED PROVISION

L. Additional Insureds

SECTION II - WHO IS AN INSURED is amended as follows:

1. If coverage for newly acquired or formed organizations is not otherwise excluded from this

Coverage Part, Paragraph **3.a.** is deleted in its entirety and replaced by the following:

a. Coverage under this provision is afforded until the end of the policy period. **2.** Each of the following is also an insured:

a. Medical Directors and Administrators - Your medical directors and administrators, but only while acting within the scope of and during the course of their duties as such. Such duties do not include the furnishing or failure to furnish professional services of any physician or psychiatrist in the treatment of a patient.

b. Managers and Supervisors - Your managers and supervisors are also insureds, but only with respect to their duties as your managers and supervisors. Managers and supervisors who are your "employees" are also insureds for "bodily injury" to a co-"employee" while in the course of his or her employment by you or performing duties related to the conduct of your business.

This provision does not change Item 2.a.(1)(a) as it applies to managers of a limited liability company.

c. Broadened Named Insured - Any organization and subsidiary thereof which you control and actively manage on the effective date of this Coverage Part. However, coverage does not apply to any organization or subsidiary not named in the Declarations as Named Insured, if they are also insured under another similar policy, but for its termination or the exhaustion of its limits of insurance.

d. Funding Source - Any person or organization with respect to their liability arising out of:

(1) Their financial control of you; or

(2) Premises they own, maintain or control while you lease or occupy these premises.

This insurance does not apply to structural alterations, new construction and demolition operations performed by or for that person or organization.

e. Home Care Providers - At the first Named Insured's option, any person or organization under your direct supervision and control while providing for you private home respite or foster home care for the developmentally disabled.

f. Managers, Landlords, or Lessors of Premises - Any person or organization with respect to their liability arising out of the ownership, maintenance or use of that part of the premises leased or rented to you subject to the following additional exclusions:

This insurance does not apply to:

- (1) Any "occurrence" which takes place after you cease to be a tenant in that premises; or
- (2) Structural alterations, new construction or demolition operations performed by or on behalf of that person or organization.

g. Lessor of Leased Equipment - Automatic Status When Required in Lease Agreement With You - Any person or organization from whom you lease equipment when you and such person or organization have agreed in writing in a contract or agreement that such person or organization is to be added as an additional insured on your policy. Such person or

organization is an insured only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" caused, in whole or in part, by your maintenance, operation or use of equipment leased to you by such person or organization.

A person's or organization's status as an additional insured under this endorsement ends when their contract or agreement with you for such leased equipment ends.

With respect to the insurance afforded to these additional insureds, this insurance does not apply to any "occurrence" which takes place after the equipment lease expires.

h. Grantors of Permits - Any state or political subdivision granting you a permit in connection with your premises subject to the following additional provision:

- (1) This insurance applies only with respect to the following hazards for which the state or political subdivision has issued a permit in connection with the premises you own, rent or control and to which this insurance applies:
 - (a) The existence, maintenance, repair, construction, erection, or removal of advertising signs, awnings, canopies, cellar entrances, coal holes, driveways, manholes, marquees, hoist away openings, sidewalk vaults, street banners or decorations and similar exposures;
 - (b) The construction, erection, or removal of elevators; or
 - (c) The ownership, maintenance, or use of any elevators covered by this insurance.

i. Vendors - Only with respect to "bodily injury" or "property damage" arising out of "your products" which are distributed or sold in the regular course of the vendor's business, subject to the following additional exclusions:

- (1) The insurance afforded the vendor does not apply to:

- (a) "Bodily injury" or "property damage" for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement;
 - (b) Any express warranty unauthorized by you;
 - (c) Any physical or chemical change in the product made intentionally by the vendor;
 - (d) Repackaging, except when unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container;
 - (e) Any failure to make such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products;
 - (f) Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with the sale of the product;
 - (g) Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor; or
 - (h) "Bodily injury" or "property damage" arising out of the sole negligence of the vendor for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:
 - (i) The exceptions contained in Sub-paragraphs (d) or (f); or
 - (ii) Such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products.
- (2) This insurance does not apply to any insured person or organization, from whom you have acquired such products, or any ingredient, part or container, entering into, accompanying or containing.
- j. **Franchisor** – Any person or organization with respect to their liability as the grantor of a franchise to you.
 - k. **As Required by Contract** - Any person or organization where required by a written contract executed prior to the occurrence of a loss. Such person or organization is an additional insured for "bodily injury," "property damage" or "personal and advertising injury" but only for liability arising out of the negligence of the named insured. The limits of insurance applicable to these additional insureds are the lesser of the policy limits or those limits specified in a contract or agreement. These limits are included within and not in addition to the limits of insurance shown in the Declarations
 - l. **Owners, Lessees or Contractors** - Any person or organization, but only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" caused, in whole or in part, by:
 - (1) Your acts or omissions; or
 - (2) The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured when required by a contract.

With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

- (a) All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
- (b) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

m. State or Political Subdivisions - Any state or political subdivision as required, subject to the following provisions:

- (1) This insurance applies only with respect to operations performed by you or on your behalf for which the state or political subdivision has issued a permit, and is required by contract.
- (2) This insurance does not apply to:
 - (a) "Bodily injury," "property damage" or "personal and advertising injury" arising out of operations performed for the state or municipality; or
 - (b) "Bodily injury" or "property damage" included within the "products-completed operations hazard."
