To: Board of Education
From: Devin Dillon, Interim Superintendent

Subject: Professional Service Contract

Board Action Requested and Recommendation: Approval by the Board of Education of a Professional Services Contract between the District and Oakland Public Education Fund, Oakland, CA, for the latter to provide: This contract will partially fund a partnership with the Media Enerprise Alliance (MEA), a non-profit program fically sponsored by the Oakland Public Education Fund and based at the KDOL-TV studio, to provide media programming and classes to MetWest students during the school day and provide media support to MetWest teachers and staff.

MEA will hire, train, and supervise a media artist in residence to provide media classes to MetWest students, including semester long classes in video production and photography. The MEA teaching artist

Background:
 (A one paragraph explanation of why the consultant's services are needed.)

For the last several years MEA has worked with MetWest to develop a media arts program for students which offers instruction in video production, photography, and other media skills. By employing an MEA media artist in residence on campus, we have been able to offer media arts elective class options duing the school day (which have been very popular with students) and to support the production of videos and educational media for MetWest Live, our weekly town hall meeting with the whole student body.

In previous years this partnership was funded by a grant that MEA applied for and received from the Oakland Cultural Funding program. However, this year this funding was not received. Over the last several years we have seen the tremendous impact that these media classes have had for students taking MEA's classes-- and the integral role that MEA plays in producing the MetWest Live program, a huge part of our efforts to build a positive school culture. In order to preserve and continue the work we need to invest in the program in order to ensure that these oppportunities can continue to be provided to MetWest students.

Discussion:
 (QUANTIFY what is being purchased.)

This contract will partially fund a partnership with the Media Enerprise Alliance (MEA), a non-profit program fically sponsored by the Oakland Public Education Fund and based at the KDOL-TV studio, to provide media programming and classes to MetWest students during the school day and provide media support to MetWest teachers and staff.

MEA will hire, train, and supervise a media artist in residence to provide media classes to MetWest students, including semester long classes in video production ad photography. The MEA teaching artist will also support and co-teach MetWest Live, the youth leadership class that puts on the weekly town hall meeting for the entire school body. In this capacity the teaching artist will help students produce video and other media for presentation to the entire school and help plan the content of MetWest Live programming.

MEA will provide curriculum and support for media classes offered. It will also employ the teaching artist and undergo all fingerprint clearances and background checks necessary for the teaching artist to provide services at MetWest.

The MEA teaching artist will follow a weekly teaching schedule (teaching video production from 10:10-11:10, photography and design 11:15-12:15, and MetWest Live 1:00-2:00) on Mondays, Wednesdays, and Fridays.
