Summary for Board Memo and Board Agenda – Must accurately align with scope of work below.

A contract between OUSD and OSF (Oakland, CA) for the latter to continue with the creation and implementation of a Family Resource Center at UFSA which will support parent involvement in creating academic success for students. The work will include training parents and teachers, collaborating with teachers and integrating family-engagement practices into the operation of the school. UFSA will also participate in OSF's group of similar schools who are developing and improving family engagement practices. The period of this contract is 11/01/2011 through 06/14/2011, with a not-to-exceed amount of \$104,000.00.

SCOPE OF WORK

Oakland Schools Foundation will provide a maximum of 1,763.00 hours of services at a rate of \$ 58.99 per hour for a total not to exceed \$104,000.00. Services are anticipated to begin on 11/01/2011 and end on 06/14/2012.

See attached detailed scope of work.

2. Specific Outcomes: What are the expected outcomes from the services of this Contract? Be specific. For example, as a result of the service(s): 1) How many more Oakland children are graduating from high school? 2) How many more Oakland children are attending school 95% or more? 3) How many more students have meaningful internships and/or paying jobs? 4) How many more Oakland children have access to, and use, the health services they need? Provide details of program participation (Students will...) and measurable outcomes (Participants will be able to...). NOT THE GOALS OF THE SITE OR DEPARTMENT.

As a result of this work: (1) parents will understand what their children are expected to do to be successful at UFSA; (2) parents will understand what role they can play in advancing their children's success and will participate actively in helping improve student success at UFSA; (3) teachers will collaborate with parents to support student improvement; (4) the school leader will promote collaboration among teachers, parents, and the school's Family Resource Center to support student success and will learn from other leaders in Oakland about how to improve this collaboration over time; and (5) student achievement will improve and students will report that they feel supported in their academic improvement.

Research shows that family engagement supports student success in school and beyond. When families are engaged, students have improved rates of homework completion and quality, better attendance and behavior, greater academic achievement, and increased graduation rates. OSF will manage a Family Resource Center (FRC) at the UFSA campus in conjunction with OSF's Family Engagement and Leadership Initiative (FamELI) Program. OSF's FamELI Program convenes cohorts of schools in Professional Learning Communities to share and develop practices for partnering with families in student learning. The Program supports schools to staff programs, share knowledge and practices, develop partnerships, create tools, and build the systems and structures necessary to successfully partner with families. The ultimate objective of FamELI is to build strong cross-school collaboration in family engagement strategies and practices, and to develop effective school-family partnership programs that positively impact student achievement. Since 2007, OSF's FamELI Program has served over 3,000 students each year, and has raised over 1 million dollars to support school-based school-family partnership programming. The average API for OSF FamELI schools is 763, and 89 percent of participating schools have an API above 700. Three of these schools have an API above the state goal of 800. FRC staff at UFSA will participate in the FamELI Program Professional Learning Communities along with school leaders from ten other OUSD schools.
