# Board Cover Memorandum

**To** Board of Education

**From** Kyla Johnson-Trammell, Superintendent  
Tara Gard, Chief Talent Officer

**Meeting Date** February 26, 2025

**Subject** Approval by the Board of Education of Resolution No. 2425-0082, to Eliminate Certificated Positions Due to a Reduction of Particular Kinds of Service

---

**Ask of the Board** Approve Resolution No. 2425-0082, to Eliminate Certificated Positions Due to a Reduction of Particular Kinds of Service

**Background** The District's fiscal reality is compounded by declining enrollment, uncertain one-time funding sources, and rising operational costs. To address the \$95 million budget deficit, the Board of Education previously approved the 2025-26 Budget Balancing Solutions to realign resources and position the District for long-term sustainability. These solutions include the difficult but necessary decision to reduce and/or eliminate certain classified employee positions due to a lack of funds and/or work. This step is essential to ensure the District remains solvent while continuing to serve its students and staff effectively.

Staff recommends the reduction and/or elimination of particular kinds of services provided by certificated employees due to declining enrollment, reduced or elimination of certain funds, ensuring the District's long-term fiscal health, and District program needs. The District must prepare to reduce and/or eliminate particular kinds of services provided by certificated employees at the end of the 2024-2025 school year. Accordingly, the District seeks to eliminate or reduce the services listed in Exhibit A to the attached Resolution No. 2425-0082 pursuant to Education Code section 44955.

**Discussion** Individuals may be laid off, if necessary, when the Governing Board has reduced particular kinds of services. Resolution No. 2425-0082 includes reference to Exhibit A which identifies positions to be eliminated due to a reduction of particular kinds of services. Under state law, school districts

must provide notice on or before March 15th to employees who are designated for layoff at the end of the 2024-25 school year. These individuals have the right to request a hearing to challenge the cause for layoff. The final decision and issuance of final layoff notices must occur before the 15th of May.

Education Code 44949 - "No later than March 15 and before an employee is given notice by the governing board that his or her services will not be required for the ensuing year for the reasons specified in Section 44955, the governing board and the employee shall be given written notice by the superintendent of the district or his or her designee that it has been recommended that the notice be given to the employee, and stating the reasons therefor."

Education Code 44955 - "No permanent employee shall be deprived of his or her position for causes other than those specified in Sections 44907 and 44923, and Sections 44932 to 44947, inclusive, and no probationary employee shall be deprived of his or her position for cause other than specified in Sections 44948 to 44949, inclusive."

The Education Code provides the specific reasons and methods to lay off certificated employees under Education Code 44949 and 44955. Reduction of particular kinds of services (PKS) and/or decline in average daily attendance (ADA) are the two methods generally used as a basis for a certificated layoff. A PKS layoff is when the Board of Education decides to eliminate or reduce programs, services or classes (i.e., counseling, nursing, foreign language).

The District has determined and identified the particular kinds of services (PKS) to be reduced or eliminated and the number of full time equivalent (FTE) or portion of one FTE to be reduced. Exhibit A to the attached resolution is the recommended reduction of services to take effect at the end of the 2024-2025 school year and specifically lists the positions to be eliminated, reduced, increased or added and the number of full time equivalent (FTE) positions. With the adoption of Resolution No. 2425-0082 staff will be directed to send notices to any certificated employees deemed to be affected by the elimination of positions that their services will not be required for the 2025-2026 school year and their employment will end or be reduced at the end of the 2024-2025 school year. Any necessary notices will be sent to the appropriate certificated employees in order to effectuate a reduction of the certificated staff consistent with the resolution.

Following adoption staff will continue to review and take into account any additional attrition to potentially further reduce the number of preliminary layoff notices.

**Fiscal Impact** Budget reductions needed to assist in addressing the District's declining enrollment, the elimination of certain funds, the District's fiscal health, and staffing needs.

**RESOLUTION  
OF THE  
BOARD OF EDUCATION  
OF THE  
OAKLAND UNIFIED SCHOOL DISTRICT  
Resolution No. 2425-0082**

Eliminate Certificated Positions  
Due to a Reduction of Particular Kinds of Service

---

**WHEREAS,** the Board of Education has determined that it shall be necessary to reduce or discontinue the particular kinds of services of the District as itemized in Exhibit "A" at the close of the current school year; and

**WHEREAS,** it shall be necessary to eliminate at the end of the 2024-2025 school year, and for the 2025-2026 school year, the employment of certain certificated employees of the District as a result of this reduction or discontinuance in particular kinds of services;

**NOW, THEREFORE, BE IT RESOLVED,** nothing herein shall be deemed to confer any status or rights upon temporary or categorically funded certificated employees beyond those specifically granted to them by statute. The Superintendent or designee is directed to send appropriate notices to all employees whose services shall be eliminated by virtue of this action, effective February 26, 2025.

**BE IT FURTHER RESOLVED,** the Board authorizes the Superintendent or her designee to:

- (1) send appropriate notices to all certificated employees whose positions are lost, reduced, or otherwise impacted by the foregoing elimination of positions, and
- (2) take all proper steps pursuant to Education Code to reduce and/or eliminate said positions;

**BE IT FURTHER RESOLVED,** the Board, in approving this Resolution, intends that the position results labeled in the column "FTE Net Change" be achieved; and

**BE IT FURTHER RESOLVED,** if new ongoing funds for 2025-26 are identified above projections as of the District's Second Interim Report, before the District's final budget is presented to the Board, the Board directs the Superintendent, first, to alert the Board and, then, to bring to the Board recommendations, that are feasible and consistent with Board Policies.
