OAKLAND UNIFIED SCHOOL DISTRICT
Office of the Superintendent

June 27, 2012

To: Board of Education

From: Tony Smith, Superintendent
             Maria Santos, Deputy Superintendent
             Susana Ramirez Director, State and Federal Compliance

Re: 2012/2013 CSSSP – Global Family Elementary School

Action Requested:

The Board of Education is requested to approve the 2012-2013 Community Schools Strategic Site Plan for Student Achievement for Global Family Elementary School.

Background:

In accordance with Education Code 64001, the Single Plan for Student Achievement shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the Consolidated Application, by the school council. The plans shall also be annually reviewed and approved by the governing board of the local education agency at a regularly scheduled meeting. The purpose of the Single Plan for Student Achievement is to coordinate all educational services at the school. The site plan shall address how funds provided to the school will be used to improve the academic performance of all pupils to the level of the performance goals, as established by the Academic Performance Index. (API).

Discussion:

The Single Plan for Student Achievement builds on a premise that students are capable of learning with effective instruction, includes school goals aligned with activities, provides analysis of student performance data, focuses on student achievement and academic intervention, implements high leverage school improvement actions, directs resources where they will most directly improve student achievement, ensures that all resources are aligned to serve identified student needs, and identifies parent involvement activities associated to student success.

Fiscal Impact:

The Programs listed below are reported in the Consolidated Application and allocated to school sites through the Single Plan for Student Achievement.

State Programs
- ➢   Economic Impact Aid/School Compensatory Education
- ➢   Economic Impact Aid/Limited English Proficient
- ➢   Quality Education Improvement Act (QEIA)
- ➢   School Improvement Grant (SIG)

Federal Programs
- ➢   Title I, Part A

Recommendation:

The Board of Education is requested to approve the 2012-2013 Community Strategic Site Plan application for Global Family Elementary School.

COMMUNITY SCHOOLS STRATEGIC SITE PLAN
Superintendent's Letter

Our efforts in the Oakland Unified School District (OUSD) are now clearly focused on serving all of our children in every neighborhood by providing high quality community schools where children, adults, and community thrive. We are committed to creating and sustaining a district of community schools capable of supporting the unique needs of each child while creating caring school communities that link every Oakland Neighborhood. We believe that each child in Oakland must be ready to succeed in college and careers that lead them to healthy and happy lives.

It is with these beliefs that we engage in creating a Full Service Community School District filled with Full Service Community Schools, in which schools act as resource and service hubs that connect with local partners to help build healthy and vibrant schools and communities.

In this spirit, we are launching a new Community Schools Strategic Site Plan. The Community School (CS) Strategic Site Plan is closely aligned with the larger organizational strategic plan, *Community Schools, Thriving Students* . In addition to satisfying compliance requirements and guiding the allocation of categorical funds, the CS Strategic Site Plan will be a multi-year road map for each school to become actualized as a Full Service Community School. This new school site plan has been developed by a team of cross-departmental leaders in OUSD under the advisement of principals and community leaders. All school communities will complete the CS Strategic Site Plan in 2011-2012 to contribute to the development of site priorities for the 2012-2015 school years.

The CS Strategic Site Plan will continue to be annually approved by School Site Councils and the OUSD Board of Directors.

To lead these efforts, each site will create a Community School Leadership Team, whose body will incorporate members of each site's School Site Council (including the principal, parents, teachers, staff), and in secondary schools, the team will also include a student member. Additionally, each school will recruit their afterschool partner, as well as another key community partner, to become members of the Community School Leadership Team. This leadership team will drive the development of the CS Strategic Site Plan for their school and will be supported through a collaborative engagement process. In addition to existing School Site Council meetings, the Community School Leadership Teams will attend district-wide retreat days and collaboratively engage the broader community.

We are excited about supporting every school community to collaborate in service of building Full Service Community Schools across Oakland. As leaders of a Full Service Community District, we are committed to providing the conditions for this critical work to happen. I thank you for your engagement, leadership, and commitment to supporting the development of community schools and thriving students across Oakland.

COMMUNITY SCHOOLS STRATEGIC SITE PLAN
Context & Vision

OUSD
VISION: All students will graduate from high school. As a result, they are caring, competent and critical thinkers, fully-informed, engaged and contributing citizens and prepare to succeed in college and career.

MISSION: Oakland Unified School District is becoming a Full Service Community District that serves the whole child, eliminates inequity, and provides each child with excellent teachers for every day.

GOAL AREAS:
Every student in the Oakland Unified School District will:

- Attend a SAFE, HEALTHY, and SUPPORTIVE SCHOOL - Oakland will become a full-service community district that will collaborate with civic and community partners to reduce violence in the community and schools thereby creating secure campuses where a culture of calm prevails.
- Learn the knowledge, skills, and abilities to be PREPARED for SUCCESS in COLLEGE and CAREERS when they graduate from high school, to ensure that they can read, write, speak, think critically and reason mathematically for post-secondary success.
- Have HIGH QUALITY and EFFFECTIVE INSTRUCTION with excellent teachers for every day of the school year.

The Oakland Unified School District will:

- Become a FULL SERVICE COMMUNITY DISTRICT that is in service of and fully supporting the success of community schools and thriving students.
- Be ACCOUNTABLE for HIGH QUALITY for its schools and in its work across the organization.

SCHOOL SITE
CONTEXT
Mission Statemente Global Family prepares students with the academic and social skills needed to meet the challenge of the 21st century. Students are encouraged to pursue higher education. Instruction is delivered in Spanis and English. Teachers engage students with problem sloving, critical thinking, and inquiry instruction. Global Family is committted to increase cultural sensitivity and awareness among our students. We are dedicated to the community and to the needs of our students. Decraraci?n de la misi?n La Escuela de la Familia Global prepara a los estudiantes academicamente y socialmente para enfrentar los retos del siglo 21. Accountable for Quality: Ensuring Thriving Students and Healthy Communities
Strategic Priority: The Accountability Plan

In June 2011, the OUSD Board of Education adopted our School Quality Standards. These standards include outcome standards that define for OUSD what "good" performance is. These are the standards we use to measure the extent to which our schools are ensuring that all of our students are thriving and likely to contribute to the health of our communities.

1. A quality school sets and achieves clear and measurable program goals and student learning objectives.
2. All students demonstrate progress on academic and social goals each year and across years.
3. All students achieve at similarly high rates and any gaps in achievement are substantially narrowing.
4. All students achieve at levels that compare positively with state and national averages and with similar schools.
5. All students demonstrate critical thinking skills and apply those skills towards solving complex tasks.
6. All students demonstrate skills in and knowledge of the arts and literature.
7. All students demonstrate an ability to understand and interact with people from different backgrounds.
8. All students achieve and maintain satisfactory physical health including diet, nutrition, exercise, and rest.
9. All students demonstrate the attributes and skills of emotional health and well-being.
10. All students demonstrate the skills, knowledge, and dispositions needed in the world of work.
11. All students demonstrate the skills, knowledge, and dispositions of engaged citizens.

OUSD schools will use these outcome standards to define and assess how they are developing toward quality Full Service Community Schools. School- level goals and metrics in the following sections should explicitly refer to these outcomes standards.

The School Accountability Plan

The individuals responsible for the implementation of the strategies outlined on this plan are the following: The Principal The Leadership Team The SSC/ELAC Curriculum Leads for ELA, ELD, SCience, Math

School Quality Indicator 1: Quality Learning Experiences for All Students

Strategic Priority A. Balanced Literacy & Literacy Across the Curriculum

School: Global Family School   **Principal:** REYNA DIAZ

School Quality Standards relevant to this Strategic Priority

A quality school...

- provides students with curriculum that is meaningful and challenging to them
- ensures that students know what they're learning, why they're learning it and how it can be applied
- ensures that all teaching is grounded in a clear, shared set of beliefs about how students learn best.
- provides and ensures equitable access to curriculum and courses that prepare all students for college
From OUSD Strategic Plan:

We want OUSD students to read, write, speak, and think critically for success in college and careers. We want Oakland students to relish reading, writing, and speaking and to become joyful, as well as competent, around literacy. To reach that goal, we need to develop a clear and common OUSD Literacy Framework. The beginning of our work will ensure that we assess reading levels of all students across the system. Additionally, we will approach literacy from a Response to Intervention Framework, ensuring that students have access to high-quality instruction and that higher tiers of support are provided when needed. OUSD must develop a PreK-12 core curriculum aligned to college and career ready standards and to the Common Core State Standards as they develop.

District-level Goals

1. Reach double digit growth, as measured by CST, for all students- with a focus on historically underserved students.
2. Move CST FBB students to Basic in one year (in two years for MS and HS)
3. Move/maintain CST Proficient and Advanced students
4. Accelerate reading by 1.5 additional grade levels for 3rd through 5th graders as measure by SRI to reach grade level standard (2 additional grade levels starting with 6th graders for MS, 3 additional grade levels starting with 9th graders for HS)
5. Student use of academic language and engagement with grade level content aligned to the Common Core Sate Standard will be increased from fall to spring as evidenced by principal observations.

School Federal and State Academic Achievement Goals:

School goal is to meet or surpass all Title I Part A Adequate Yearly Progress and California Department of Education Academic Performance Index targets.

CST/CMA ELA 2 Year Cohort Growth
- District (Grades 3-5): 45%
- Global Family (Grades 3-5): 37.01%

School Quality Indicator 1: Quality Learning Experiences for All Students

Strategic Priority B. Science, Technology, Engineering, Mathematics (STEM)

School: Global Family School   **Principal:** REYNA DIAZ

School Quality Standards relevant to this Strategic Priority

A quality school...

- provides students with curriculum that is meaningful and challenging to them
- ensures that students know what they're learning, why they're learning it and how it can be applied
- ensures that all teaching is grounded in a clear, shared set of beliefs about how students learn best.
- provides and ensures equitable access to curriculum and courses that prepare all students for college
From OUSD Strategic Plan:

In the past three years, students exhibited steady achievement gains in science and mathematics. More elementary teachers have scheduled science and math instruction into students' school day and are using the district-adopted materials with integrity. While we celebrate the academic gains in science and mathematics, we also recognize their inadequacy and unevenness when we delve deeper into the results for various student populations (e.g., African-American, Latino, English Language Learners), grade spans (middle and high school students) and schools. We are committed to accelerating science and mathematics gains and supporting robust teaching and learning. We plan not only to dramatically improve science and mathematics learning but also to create a deep understanding of Science, Technology, Engineering and Mathematics (STEM) careers and opportunities for linked learning, both in school and the workforce.
District-level Goals

1. Reach double digit growth, as measured by CST, for all students- with a focus on historically underserved students.
2. Move CST FBB students to Basic in one year.
3. Move/maintain CST Proficient and Advanced students
4. Increase by 10% the number of proficient and advanced students in CST science and by 15% English Language Learners and African American Males

School Federal and State Academic Achievement Goals:

School goal is to meet or surpass all Title I Part A Adequate Yearly Progress and California Department of Education Academic Performance Index targets.

School Quality Indicator 1: Quality Learning Experiences for All Students

Strategic Priority C. Transitions & Pathways PreK-12

School: Global Family School   **Principal:** REYNA DIAZ
School Quality Standards relevant to this Strategic Priority

A quality school...

- provides students with curriculum that is meaningful and challenging to them
- provides and ensures equitable access to curriculum and courses that prepare all students for college
- provides opportunities for students to learn career-related skills and to develop 21st century work habits.

From OUSD Strategic Plan:

Too many of OUSD's schools work in isolation and focus little attention on where students have been and where they are going. Early childhood programs need to be aligned to the K-5 continuum and expanded to serve more students. Principals at K-5 schools with early childhood programs will supervise the programs and help to integrate them into the school culture. We must develop transitional kindergarten programming to include curriculum and professional development. College and career readiness doesn't begin in high school. In OUSD, the elementary and middle school academic core must be aligned to what students must know, understand, and be able to do to succeed in college-preparatory courses in high school. Elementary and middle school communities in regions will collaborate to share best practices and to develop robust feeder options. Building on existing programs, OUSD will also seek additional funds to develop a comprehensive "Career Pathways" approach to preparing our young people to be successful in college and careers. In order to attract and hold students and families, we will use the FSCS model to create corridors, networking Pre-K through 12 schools in targeted areas in new and innovative ways.

CA Healthy Kids Survey Response Rate — District (Grade 5): 59%, Global Family (Grade 5): 62%. School Year: 2010-11

School Quality Indicator 1: Quality Learning Experiences for All Students

Strategic Priority D. College, Career & Workforce

School: Global Family School   **Principal:** REYNA DIAZ

School Quality Standards relevant to this Strategic Priority

A quality school...

- provides students with curriculum that is meaningful and challenging to them
- ensures that students know what they're learning, why they're learning it and how it can be applied
- provides and ensures equitable access to curriculum and courses that prepare all students for college
- provides opportunities for students to learn career-related skills and to develop 21st century work habits.

From OUSD Strategic Plan:

In order to make sure that more students graduate, and our graduates are ready for college and career, OUSD will make a significant investment in strategies, structures, and resources to implement core elements of the secondary reform. Career pathways will connect strong academics, Career Technical Education (CTE), work-based learning experiences and support services so that students are prepared for college and career success within the context of a specific, high demand industry sector. Building on the number of career pathways that exist in high schools now, we will increase the number of well-developed and effectively-implemented pathways, which include certificates linked to occupations. OUSD's "Career Pathways" approach will lead to a full range of postsecondary and career opportunities and keep all options open after high school.

1. Combined 4-& 5- year graduation rate will increase by 10%- with graduation rate based on 9th grade enrollment (HS only)
2. Increase by 15% the number of African-American Males and Latino Males who pass CAHSEE on the first attempt (HS only)
3. 80% of the ninth graders will complete 60 credits (HS only)

School Quality Indicator 1: Quality Learning Experiences for All Students

Strategic Priority E. Accelerating Students through Targeted Approaches* (Collaborative Teacher Inquiry/African American Male Achievement/Academic Language & Literacy/Focal 15/English Learners/Students with Disabilities/GATE)

School: Global Family School   **Principal:** REYNA DIAZ

School Quality Standards relevant to this Strategic Priority
A quality school...

- provides academic intervention and broader enrichment supports before, during, and after school

From OUSD Strategic Plan:
We need to close the achievement gap through targeted approaches, focusing on literacy development, African American Male Achievement, targeted inquiry, English Language Learners, Students with Disabilities, and Programs for Exceptional Children. The patterns of academic performance we see in our district, schools, and classrooms are evidence of a system that is horribly inadequate. We need to differentiate supports and strategies in order to accelerate achievement and address the disparities in educational and social outcomes for populations of students.

1. Increase the number of African American Male students on the honor roll by 15%

School Quality Indicator 1: Quality Learning Experiences for All Students

Strategic Priority F. Extending Learning Time

School: Global Family School   **Principal:** REYNA DIAZ

School Quality Standards relevant to this Strategic Priority
A quality school...

- provides academic intervention and broader enrichment supports before, during, and after school

From OUSD Strategic Plan:
We want each student to attend a school that offers a comprehensive and integrated approach to education in which the school acts as a hub of partnerships that organizes the resources within the community. We need to build extended learning opportunities whereby the school and community work together to break down barriers to learning and foster true, authentic collaborations in service of thriving students. We envision a system in which schools extend beyond the traditional school day ? offering students and families learning opportunities before and after school, on weekends, and during the summer.

School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

Strategic Priority A. School Culture (including Meaningful Student Engagement)

School: Global Family School   **Principal:** REYNA DIAZ

**School Quality Standards relevant to this Strategic Priority**

A quality school...

1. is a safe and healthy center of the community, open to community use before, during, and after the school day.
2. offers a coordinated and integrated system of academic and learning support services, provided by adults and youth.
3. identifies at-risk students and intervenes early, to help students and their parents develop concrete plans for the future.
4. creates an inclusive, welcoming and caring community, fostering communication that values individual/cultural differences.
5. defines learning standards for social and emotional development and implements strategies to teach those standards

From OUSD Strategic Plan:

Full Service Community Schools create a safe and supportive environment where students can thrive academically, socially, and emotionally. Schools offer a comprehensive and integrated approach to education that is founded on caring relationships and high expectations. Healthy school cultures include preventative, early intervention, and intensive services and supports accessible to all students. School-wide positive behavioral and academic supports are augmented by Tier 2 targeted intervention and Tier 3 individualized supports, which are monitored and coordinated through COST and SST. Schools create professional learning structures to support adults to learn the science and practice of teaching Social Emotional Learning (SEL) skills to increase the capacities of students to manage emotions, develop empathy and concern for others, establish positive relationships, make responsible decisions, and handle challenging situations effectively. A thriving school culture also encourages student leadership and motivational programs, such as expanded celebrations of student achievements.

School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

Strategic Priority B. Health & Wellness

School: Global Family School   **Principal:** REYNA DIAZ

**School Quality Standards relevant to this Strategic Priority**

A quality school...

1. offers a coordinated and integrated system of academic and learning support services, provided by adults and youth.
2. ensures that the physical environment of classrooms and the broader school campus supports teaching and learning.

From OUSD Strategic Plan:

A Full Service Community School serves the needs of the whole child, providing a range of Health & Wellness programs and services along a continuum from prevention to intervention. OUSD's Wellness Policy provides a framework for creating a physically healthy school environment where students have access to nutritious food, free drinking water, opportunities to be physically active and good indoor air quality. Quality physical education is provided for the required amount of time to all students. In addition, students' health and mental health needs are met on-site or through a robust referral system that connects students and families to community providers. A FSCS also provides health education (e.g., nutrition, gardening, reproductive health) and social-emotional learning (SEL) that is aligned with and supports the core curriculum. Families are engaged around supporting their children's health as well as their own. Staff wellness is seen as integral and is actively fostered.

School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

Strategic Priority C. Interrupting Chronic Absence (Attendance)

School: Global Family School   **Principal:** REYNA DIAZ

School Quality Standards relevant to this Strategic Priority
A quality school...

- offers a coordinated and integrated system of academic and learning support services, provided by adults and youth
- identifies at-risk students and intervenes early, to help students and their parents develop concrete plans for the future

From OUSD Strategic Plan:

Full Service Community Schools support attendance improvements as part of transforming educational outcomes for students. Chronic absence, defined as missing 10% or more school days for any reason, is a key indicator and area of focus in Full Service Community Schools. Chronic absence, which impacts one in seven Oakland students, is correlated with lowered reading outcomes and graduation rates. If our system begins addressing chronic absence at the Pre-K and K levels, we would see marked differences in student learning by 3rd grade.

1. Reduce Chronic Absence (students missing 10% or more of the school year) to 5% or less
2. Increase Satisfactory Attendance (percentage of students attending 95% or more of school days) to 85%
3. Interrupt patterns of chronic absences and suspensions to reach a 98% attendance rate (ADA)
Average Daily Attendance (ADA)

School Year: 2010-11

School Quality Indicator 3: Learning Communities Focused on Continuous Improvement

Strategic Priority A. Building Capacity & Leadership (Professional Development/Learning Communities/Coaching/Staff Induction)

School: Global Family School   **Principal:** REYNA DIAZ

School Quality Standards relevant to this Strategic Priority
A quality school...

- makes sure that teachers work together in professional learning communities focused on student progress.
- ensures that staff regularly analyze multiple kinds of data about student performance and their experience of learning.
- provides professional development that models effective practices, promotes teacher leadership, and supports teachers to continuously improve their classroom practice.
- provides learning opportunities that build capacity of all stakeholders to give input, participate in, or lead key decisions.

From OUSD Strategic Plan:
We want to recruit, retain, and reward high-quality teachers, principals, and other leaders to ensure that all students learn to the best of their abilities. OUSD must become a highly-sought-after place of employment where educational leaders know they will be challenged and supported by colleagues, supervisors, and community members with high expectations. We need to develop aggressive strategies to recruit and retain the best and brightest talent in OUSD. Building on our developing frameworks for effective teaching and school leadership, and furthering the development and capacity of our teachers and principals through various forms of professional development will allow us to sustain effective teachers and leaders committed to Oakland's children.

1. Improve the conditions in schools to retain 80% of effective teachers

25

Do the teachers believe you can do a good job?

School Quality Indicator 4: Meaningful Student, Family, and Community Engagement/Partnerships

Strategic Priority A. Family & Community Engagement

School: Global Family School   **Principal:** REYNA DIAZ

School Quality Standards relevant to this Strategic Priority

A quality school...

- shares decision-making with its students, their families, and the community, as part of working together in partnership
- provides opportunities for families to understand what their child is learning; why they're learning it; what it looks like to perform well
- builds effective partnerships by using principles of student and family/community engagement

From OUSD Strategic Plan:

A quality Full Service Community School (FSCS) involves students, families, and the community in the decision-making process as a way to develop collaborative partnerships. A FSCS works with families as partners to understand how the student is progressing and participating in school. Additionally, a Full Service Community School establishes and aligns partnerships with community-based organizations, civic and business partners to strengthen the academic, social-emotional and health outcomes for students and families.

1. 75% or more of parents and guardians are regularly offered trainings and opportunities to actively participate in the academic and social development of their student(s).

School Quality Indicator 5: Effective School Leadership & Resource Management

Strategic Priority A. Strategic Operational Practices

School: Global Family School   **Principal:** REYNA DIAZ

School Quality Standards relevant to this Strategic Priority

A quality school...

- creates and sustains equitable conditions for learning and advocates for interrupting patterns of inequities.
- guides and supports the development of quality instruction across the school.
- collaboratively develops outcomes, monitors progress, and fosters a culture of accountability.
- develops systems and allocates resources in support of the school's vision.
- is distributed, through professional learning communities, collaborative planning teams, and select individuals.

From OUSD Strategic Plan:

We need Full Service Community Leaders for OUSD classrooms, schools, regions and the central office. These leaders have to juggle many tasks: they need to manage operations effectively, they need to become highly effective instructional leaders, and they need to build relationships and strategic collaborations with parents and community members. Leaders will need to assess their own levels of expertise with leadership practices, operations, instruction and community engagement and work together to share tools, knowledge and strategies in these areas to accelerate everyone's capacity to deliver on the promise of high quality effective instruction and Full Service Community Schools.

Title I School Parental Involvement Policy   2012 - 2013

All Title I schools will develop a written Title I parental involvement policy with input from and distribution to all Title I parents to include a description of the means for carrying out the following Title I parental involvement requirements.

Involvement of Parents in the Title I Program
Global Family agrees to implement the following statutory requirements:

- Will convene an annual Title I meeting to perform the following:
  1. Inform parents of their schools participation in the Title I Program.
  2. Explain the requirements of the Title 1 Program.
  3. Explain the parents' right to be involved in an organized, ongoing, and timely way, in the planning review, and improvement of its Title I Program.
  4. The parents' right to participate in the development of the District's Title 1 Plan. All parents are invited to Back to School Night. Title I meeting is done first before parents visit the classrooms. Usually done in the 3rd week in September, from 5 to 7 p.m.

- Offer a flexible number of meetings for parents. After surveying parents, parent meetings happen right after school starts on the 2nd Thursday of the month.

- Involve parents of Title I students in an organized, ongoing, and timely way in the planning, review, and improvement of its Title I programs and the Title I parent Involvement Policy. We cover it on monthly basis, the second Thursday of the month.

- Provides parents of Title I students with timely information about Title I programs. Parents receive information via monthly school newsletters and monthly meetings.

- Provides parents of Title I students with an explanation of the curriculum, assessments, and proficiency levels students are expected to meet. Information is giving to parents during Back to School Night, monthly meetings, and 3 teacher/parent/student conferences.

- Provides parents of Title I students, if requested, with opportunities for regular meetings to participate in decisions relating to the education of their children. We get input from parents during our monthly meeting, the SSC takes parents input into consideration when finalizing decisions relating to students education.

School-Parent Compact

Global Family has jointly developed with and distributed to parents of Title I students a School-Parent Compact that outlines how parents, the school staff, and students will share the responsibility for improved student academic achievement. It also describes how the school and parents will develop a partnership to help children reach proficiency on the California content standards.

Building Parent Capacity for Involvement
Global Family engages parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, and build capacity for parent involvement, it does the following:

- Assists Title I parents in understanding academic content standards, assessments, and how to monitor and improve the achievement of their children.
    1) The State of California's academic content standards
    2) The State of California's student academic achievement standards
    3) The State of California's and Oakland Unified School District's academic assessments, including alternate assessments
    4) Academic proficiency levels students are expected to achieve
    5) How to monitor their child's progress

(Briefly describe or bullet how this happens at your school.)

- Provides materials and training to help Title I Program Parents work with their children to improve their children's academic achievement. *We have presenters from La Clínica de la Raza that provide 24 workshops per year on parenting skills including how to schedule students' evening to ensure students do their homework. Parents attend ELD, and interne classes provided by the After School Program Coordinator. We have La Plaza Comunitaria in collaboration with the Mexican Consulate in San Francisco and the Department of Education of Mexico where parents can finish up to the 9th grade of education free of charge on the internet as well as literacy classes.*

- Educates staff, with the assistance of Title I parents, on the value of parent contributions and how to work with parents as equal partners. Our teachers provide parent workshops twice a year on what students are learning and how parents can extend their children learning at home.

- Coordinates and integrates the Title I Program Parental Involvement activities with other activities that encourage and support parents to more fully participate in the education of their children. Our teachers provide parent workshops twice a year on what students are learning and how parents can extend their children learning at home.

- Distributes to Title I Program parents, in a timely way, program information related to school and parent programs, meetings, and other activities in a form and language that the parents understand. Our monthly school letter is written in English and Spanish to inform parents about all the events for the month.

- Provides support, during regularly meetings, for parental activities requested by Title I Program parents. A translater is always ready to translate during our parent meetings. The information goes home in both Spanish and English.

Accessibility

- Provide opportunities for all Title I parents to participate, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. This includes providing information and school reports in a form and language parents understand. All parents are welcomed. Our school has a great number of newcomers, migrant students, and all parents are welcomed, encouraged to attend, and their culture is respected.

Adoption

This School Parental Involvement Policy has been developed jointly with, and agreed upon with, parents of children participating in Title 1, Part A Programs, as evidenced by publicly selecting SSC members during public meetings.

This policy was adopted by the Global Family School Site Council on March 1, 2012 and will be in effect for the 2012-13 School Year. The school will distribute this policy to all parents of participating Title 1, Part A, children. It will be made available to the local community. The Global Family 's notification to parents of this policy will be in an understandable uniform format and, to the extent practicable, provided in a language the parents can understand.

Global Family Elementary School Compact

It is important that families and schools work together to help students achieve high academic standards. Through a process that included teachers, families, students and community representatives, the following are agreed upon roles and responsibilities that we as partners will carry out to support student success in school and life.

Staff Pledge:

I agree to carry out the following responsibilities to the best of my ability:

- Provide high-quality curriculum and instruction.
- Endeavor to motivate my students to learn.
- Have high expectations and help every child to develop a love of learning.
- Communicate regularly with families about student progress through conferences, parent-teacher meetings, progress reports, and other available means.
- Provide reasonable opportunities for parents to volunteer and participate in their child's class, and to observe classroom activities.
- Provide a warm, safe, and caring learning environment.
- Provide meaningful, daily homework assignments to reinforce and extend learning (30 minutes for grades 1-3 and 60 minutes for grades 4-5).
- Participate in professional development opportunities that improve teaching and learning and support the formation of partnerships with families and the community.
- Actively participate in collaborative decision making and consistently work with families and my school colleagues to make schools accessible and welcoming places for families which help each student achieve the school's high academic standards.
- Respect the school, students, staff and families.

Student Pledge:

I agree to carry out the following responsibilities to the best of my ability:

- Come to school ready to learn and work hard.
- Bring necessary materials, completed assignments and homework.
- Know and follow school and class rules.
- Ask for help when I need it.
- Communicate regularly with my parents and teachers about school experiences so that they can help me to be successful in school.
- Limit my TV watching and instead study or read every day after school.
- Respect the school, classmates, staff and families.

Family/Parent Pledge:

I agree to carry out the following responsibilities to the best of my ability:

- Provide a quiet time and place for homework and monitor TV viewing.
- Read to my child or encourage my child to read every day (20 minutes K-3, and 30 minutes for grades 4-5).
- Communicate with the teacher or the school when I have a concern.
- Ensure that my child attends school every day, gets adequate sleep, regular medical attention and proper nutrition.
- Regularly monitor my child's progress in school.

- Participate at school in activities such as school decision making, volunteering and/or attending parent-teacher conferences.
- Communicate the importance of education and learning to my child.
- Respect the school, staff, students, and families.

1. Instructional Program

1.1 The school/district provides the current* State Board of Education (SBE)-adopted basic core instructional programs and materials in Reading/Language Arts (RLA)/English language development (ELD), including ancillary materials for universal access. These programs are implemented as designed and documented to be in daily use in every classroom with materials for every student.

* As a result of ABX4 2, the SBE RLA/ELD 2008 and Mathematics 2007 adoptions and the previous SBE adoptions will meet the standard of "current."

Full implementation means that all students, including English learners (ELs), students with disabilities (SWDs), students with learning difficulties, and advanced learners in all grade levels, are provided the current SBE-adopted basic core instructional program materials in RLA/ELD. These materials are implemented daily as designed to support the needs of all students.

- At all levels, teachers use the adopted basic core and program ancillary materials designed for universal access/differentiated instruction to meet the needs of students, including strategic learners.
- All SBE-adopted programs have been designed with additional ancillary materials including intensive vocabulary instructional support kindergarten through grade three (K-3), and reading intervention kits (grades one through three) that are to be used with and beyond the basic program. The ancillary materials are used for universal access. Universal access is a term that describes differentiated instruction that meets the needs of all students, including ELs, students with reading difficulties, students with disabilities (SWDs), and advanced learners.
- Some SWDs may need special modifications and/or accommodations of curriculum or instruction, as specified in their Individualized Education Plan (IEP), to enable them to participate successfully in a basic core classroom.

1. Instructional Program	1.3 The school/district provides the current* SBE-adopted RLA/ELD intensive intervention programs and materials in grades four through eight. These programs are implemented as designed and documented to be in daily use in every intervention classroom with materials for every identified student. * As a result of ABX4 2, the SBE RLA/ELD 2008 and Mathematics 2007 adoptions and the previous SBE adoptions will meet the standard of "current."	Full implementation means that all students identified as needing intensive intervention in grade four through eight, including ELs and SWDs, who are two or more years below grade level are provided the current* SBE-adopted intensive intervention materials that provide accelerated instruction at the students' assessed level of need. These materials are implemented daily as designed. • Intervention programs are stand-alone, intensive RLA programs that have been designed to accelerate student learning two grade levels for every year of instruction. • The programs should position students to progress rapidly toward successful reentry into the basic program at their appropriate grade level. Students who reenter the basic program may need an additional strategic support. • Districts are either using the SBE-adopted intensive intervention program from the SBE-adopted 2002 list or Programs 4 or 5 from the 2008 list.	(see detail below)

1. Instructional Program	1.6 The school/district provides the 2007 SBE-adopted Algebra Readiness program and materials, including ancillary materials for universal access. This program is implemented as designed and documented to be in daily use for identified grade eight intensive intervention students needing specialized instruction to acquire the pre-algebraic skills and concepts necessary to succeed in Algebra I. Districts using the 2001 SBE adoptions: Students who have been assessed and identified as needing intensive mathematics intervention should be provided additional time and support using the ancillary materials from the adopted program.	Full implementation means that all students in grade eight, including identified ELs, SWDs, and students with learning difficulties needing specialized instruction to acquire the pre-algebraic skills and concepts necessary to succeed in Algebra I, are appropriately assessed and provided the 2008 SBE-adopted instructional program and materials in Algebra Readiness. These materials are provided to all identified students and implemented daily as designed. • The Algebra Readiness program is a one-period, stand-alone, intervention program to prepare students to enter into grade-level Algebra I core classroom, supported by an additional class of strategic support the following school year. • Some SWDs placed in an Algebra Readiness course may need special modifications and/or accommodations of curriculum or instruction, as specified in their IEP, to enable them to participate successfully in this classroom.

| 2. Instructional Time | 2.2 The school/district complies with and monitors daily implementation of additional instructional time within the school day for students identified for strategic support in RLA, using the current SBE-adopted basic core program ancillary materials.

• Kindergarten through grade six: 30 minutes
• Grades six through eight: 30-45 minutes (or up to 1 period) additional strategic support at each grade level linked to a grade-level core course. | Full implementation of strategic support means that the school schedule allocates sufficient additional instructional time beyond the basic core program to support identified strategic students, including ELs, SWDs and students with learning difficulties. The district/ school uses assessments and placement criteria to determine the instructional needs of strategic students and the intensity of support offered to these students.
• This time is given priority and protected from interruptions
• Students identified in need of strategic support are defined as students demonstrating proficiency in reading/English language-arts standards no more than two years below grade level.
• All SBE-adopted programs have been designed with additional ancillary materials including intensive vocabulary instructional support (kindergarten through grade three), and reading intervention kits (grades one through three) that are to be used with and beyond the basic program and designed to provide extra support for struggling readers and ELs.
• This instructional time does not replace the additional 30-60 minutes of ELD to build students' language proficiency.
• For grades six through eight, strategic learners are assessed and need additional instructional time beyond the core.
  – For high-priority strategic students, the support is a strategic period in addition to the basic core program to pre/re-teach concepts and skills taught in the grade-level course.
  – Some strategic students may have occasional trouble within the day-to-day core English-language arts instruction. These students may not need additional strategic time beyond the core period. In this case, | (see key components table below) | | | |

Academic Program Survey—Elementary School Level

Essential Program Component	Objective	Criteria and Clarifications	Implementation Status and Key Components

2. Instructional Time	2.6 The school/district complies with and monitors daily implementation of additional instructional time within the school day for kindergarten through grade eight students identified for strategic intervention support in mathematics, using the current SBE-adopted basic core ancillary program mathematics materials.
	• Kindergarten through grade six: 15-30 minutes
	• Grades six and seven: 30-60 minutes (or up to one period) additional strategic support at each grade level linked to a grade-level core course.
	• Grade eight: 30-60 minutes (or up to one period) additional strategic support linked to the grade-level Algebra I course.
		Full implementation means that the school schedule allocates sufficient additional time to support identified strategic students, including ELs, SWDs, and students with learning difficulties. The district uses assessments and placement criteria to determine the instructional needs of strategic students and the intensity of support offered to these students.
		• For grades six and seven, strategic students are defined as demonstrating proficiency of mathematics standards within two grade levels and are unable to master grade-level standards.
		• For grades six and seven, strategic students are assessed and need additional instructional time beyond the core.
		  − For high-priority strategic students, the support is an additional time/period to pre/re-teach concepts and skills taught in the grade level course.
		  − Some grade six and seven strategic students may have occasional trouble within day-to-day grade-level standards instruction. These students may not need additional strategic time beyond the core instruction/period. In this case, teachers are to provide these students additional targeted differentiated instruction using the core ancillary materials to support their achievement of grade-level skills and concepts in their core mathematics classroom.
		• For grade eight, strategic students demonstrate proficiency at or above the seventh grade mathematics standards but are unable to master Algebra I standards.
		• For grade eight, strategic learners are assessed and need additional instructional time beyond the core.
		  − For high-priority strategic students, the support is an additional period to pre/re-teach concepts and skills

Academic Program Survey—Elementary School Level

Essential Program Component	Objective	Criteria and Clarifications	Implementation Status and Key Components
2. Instructional Time	2.7 The school/district complies with and monitors implementation of instructional time for the current SBE-adopted mathematics intervention materials for identified intensive intervention students needing specialized instruction to acquire the mathematics skills and concepts necessary to meet grade-level mathematics standards. • Grades four through six: 15-30 minutes. • Grades six and seven: 30-60 minutes (or up to one period) additional support linked to a grade-level core course) when additional intervention support is needed. For districts using the 2007 SBE-adoption: • Grade eight: One period of Algebra Readiness daily for identified intervention students.	Full implementation means that the school's schedule allocates sufficient instructional time for students identified as needing intensive intervention to acquire the grade-level or pre-algebraic skills and concepts necessary to succeed in Algebra I. The district/school uses assessments and placement criteria to determine the instructional needs of intensive intervention students. • For grades four through seven, students needing intensive intervention are defined as demonstrating proficiency of mathematics standards below two grade levels and are unable to master grade-level standards. • For grade eight, mathematics intensive intervention students are defined as those who are achieving below seventh-grade mathematics standards. These students are appropriately assessed and placed in a SBE-adopted Algebra Readiness instructional program. **For districts using the 2008 SBE-adoption:** • The SBE-adopted grades four through seven intensive intervention materials are not designed as a curriculum to replace basic core instruction. The intensive intervention materials are to be used when additional intervention support is needed. • For grade eight, the Algebra Readiness program is a one-period, stand-alone, intensive program to prepare students to enter into the grade-level Algebra I core classroom supported by an additional class of strategic support the following school year. **For districts using the 2001 SBE adoptions:** • Students who have been assessed and identified as needing intensive mathematics intervention should be provided additional time and support using the ancillary materials from the adopted program.	**Implementation Status and Key Components** Review and identify which key components apply. 3. Lesson Pacing Guide	3.1 The school/district prepares, distributes, and monitors the use of an annual district instructional/ assessment pacing guide documented to be in use for each grade level (kindergarten through grade eight) for the current SBE-adopted RLA/ELD and intensive intervention programs in order for all teachers to follow a common sequence of instruction and assessment.	Full implementation means that the annual district instructional/assessment pacing guides are in dally use to fully implement the current SBE-adopted RLA/ELD and intensive intervention programs by grade level and/or program level (and by tracks if in a year-round school). • Use of the pacing guide ensures that all students receive a common sequence of grade-level instruction and common assessments. Data analysis of common assessments in teacher collaboration informs instructional planning and decision-making. • The core course pacing guide is the foundational pacing guide for the strategic support class. The strategic support teacher uses the core course pacing guide and intensifies the focus on key standards ensuring: 1) an alignment to the grade-level RLA/ELD content being taught; 2) the use of the adopted basic core program ancillary materials; 3) time for pre/re-teaching; and 4) time to address specific skill needs of students.

4. School Administrator Instructional Leadership Training	4.1 The district provides the principal and vice-principal(s) with a 40-hour administrative training, Module I in leadership, support and monitoring needed for the full implementation of the current SBE-adopted RLA/ELD basic core and intervention program materials through a knowledgeable, experienced provider. The district also validates that each administrator completes a 40-hour structured practicum based on the implementation of the RLA/ELD instructional materials and the Essential Program Components (EPCs).

This requirement is fulfilled when the administrator(s) completes this 40-hour administrator training and 40-hours of structured practicum in the current district-adopted RLA/ELD or intensive reading intervention program. | Full implementation means the district validates that the principal and vice-principal(s) have completed the 40-hour administrative training in the current SBE-adopted RLA/ELD core or intervention program materials and 40-hours of structured practicum. The 40-hours of training provided by a knowledgeable, experienced provider will include at least 32-hours of training in the following:
• The current RLA/ELD core or intensive reading intervention materials.
• The ancillary materials available to differentiate instruction for ELs and SWDs, advanced/benchmark and struggling strategic learners;
• Curriculum Framework language and the academic content standards addressed in the materials; and
• The use of the instructional/assessment pacing guide.

The remaining eight hours focus on the following:
• Leadership strategies to support and monitor the use of a variety of formative and summative assessments including state, placement and common standards-based curriculum embedded and benchmark assessments, to determine student placement/exit, ongoing progress monitoring and program effectiveness;
• Structured teacher collaboration time to analyze and use assessment data to inform classroom and school-wide practices; | 4.1 | **4** **100%** | 3 At least 75% | 2 At least 50% | 1 Less than 50% |

Key Components

Coaches/content experts/specialists:
_____ Type of instructional assistance.
_____ Works primarily in classrooms.

Describe type of classroom/teacher assistance regularly provided to teachers: 3 Hrs of PLC/month

Describe criteria used for identifying and providing coaching support: 3 Hrs of PLC/month

Monitoring Coaching System
____**x**__ Principal structures/monitors instructional assistance services.

Trained Coaches/ Content Experts/Specialists
_____ Completed SBE-adopted materials-based training (identify which program[s]).
_____ Completed ELPD.

Describe type of training/ support planned and/or provided for coaches/content experts/specialists: 3 Hrs. of grade level collaboration.

7. Student Achievement Monitoring System	7.1 The school/district uses an ongoing assessment and monitoring system that provides timely data from common assessments based on the current SBE-adopted RLA/ELD and intensive intervention programs. Student achievement results from assessments (i.e., entry-level placement and/or diagnostic; progress monitoring, including frequent formative and curriculum-embedded; and summative assessments) are used to inform teachers and principals on student placement, diagnosis, progress, and effectiveness of instruction.	Full implementation means that the district provides and supports an easily accessible electronic data management system, and the school is uniformly administering, scoring, analyzing, and using student achievement data from entry-level and/or diagnostic assessments, progress monitoring assessments (including frequent formative and curriculum-embedded assessments), and summative assessments on a timely basis. • The data from these assessments are disaggregated and used to determine student placement and/or diagnosis of readiness for grade-level, standards-based instruction, monitor ongoing student progress, identify individual student needs, inform decisions regarding classroom and school wide instructional practices, and determine effectiveness of instructional practices and implementation of the adopted programs. • For the ongoing monitoring system, data collection (including electronic) is used, and teachers are trained to disaggregate and analyze student data to assist with identifying patterns of performance and modifying instruction to meet the needs of all students, including ELs and SWDs. • Common curriculum embedded/formative assessments are given at least every six to eight weeks to monitor student progress, but more frequent formative assessments will assist teachers to collaborate and identify more immediate student needs.					

Objective	Fully	Substantially	Partially	Minimally
7.1	4 100%	3 At least 75%	2 At least 50%	1 Less than 50%

Key Components

Ongoing Assessment and Monitoring System
_____X___ District supported electronic data management system.
_____X___ District-wide reporting and analysis of assessment results.
_____X___ School-wide reporting and analysis of assessment results.
_____X___ Timely data from assessments available to and easily accessible by administrators and teachers.
_____X___ Common curriculum embedded/formative assessments in use school-wide.

Training on Accessing and Using Electronic Data System
_____X___ Staff trained on using and accessing data from the electronic data system.

Academic Program Survey—Elementary School Level

			Using Formative Assessment Results _____X_ Common curriculum embedded/formative assessments administered frequently. _____X_School-wide assessment calendar developed and used. _____X_ Professional development provided for administrators and teachers on data analysis and data-informed instruction.

7. Student Achievement Monitoring System

7.2 The school/district uses an ongoing assessment and monitoring system that provides timely data from common assessments based on the current SBE-adopted basic core mathematics and intensive intervention programs. Student achievement results from assessments (i.e., entry-level diagnostic; progress monitoring, including frequent formative and curriculum-embedded; and summative assessments) are used to inform teachers and principals on student placement, diagnosis, progress, and effectiveness of instruction.

.

Full implementation means that the district provides and supports an easily accessible electronic data management system, and the school is uniformly administering, scoring, analyzing, and using student achievement data from entry-level and/or diagnostic assessments, and progress monitoring assessments (including frequent formative and curriculum-embedded assessments) and summative assessments on a timely basis.

- The data from these assessments are disaggregated and used to determine student placement and/or diagnosis of readiness for grade-level, standards-based instruction, monitor ongoing student progress, identify individual student needs, inform decisions regarding classroom and school wide instructional practices, and determine effectiveness of instructional practices and implementation of the adopted programs.
- For the ongoing monitoring system, data collection (including electronic) is used, and teachers are trained to disaggregate and analyze student data to assist with identifying patterns of performance and modifying instruction to meet the needs of all students, including ELs and SWDs.
- Common formative assessments are given at least every six to eight weeks to monitor student progress, but more frequent formative assessments will assist teachers to collaborate and identify more immediate student needs.

Academic Program Survey—Elementary School Level

Essential Program Component	Objective	Criteria and Clarifications	Implementation Status and Key Components Review and identify which key components apply. Circle the most appropriate rating.				

Essential Program Component	Objective	Criteria and Clarifications	Objective	**Fully**	Substantially	Partially	Minimally
8. Monthly Collaboration by Grade Level or Program Level for Teachers Facilitated by the Principal	8.1 The school/district facilitates and supports a one-hour structured collaboration meeting (preferably two) per month in order for teachers to analyze, discuss, and utilize the results of the school/district assessment system to guide student placement, instructional planning and delivery, and progress monitoring, within the current SBE-adopted RLA/ELD programs.	Full implementation means that the school/district, through the principal or designee, uniformly provides and supports structured opportunities to collaborate monthly on a continuous and frequent basis (preferably at least twice a month) for all teachers of reading and language arts, including strategic and intensive intervention, special education, and ELD teachers. • Teachers are trained in collaboration meeting protocols. • Collaboration meetings frequently include using and analyzing timely results from the common school/district assessments: 　− Entry-level placement and/or diagnostic; 　− Progress monitoring, including frequent formative and curriculum-embedded; and 　− Summative benchmark assessments. • Collaborative discussions are centered on strengthening the implementation of the adopted instructional programs, lesson design, and delivery, including the use of research-based strategies, to support the mastery of content standards for all students, including ELs and SWDs.	8.1	**4 100%**	3 At least 75%	2 At least 50%	1 Less than 50%

Key Components

Scheduled Structured Collaboration Meetings
____2___ Number per month.
_____X___ All teachers including strategic, intensive intervention, special education, and ELD teachers participate.
_____X___ Meetings are structured; protocols/tools are developed and used.
___X_____ Training for collaboration meeting protocols provided to teachers.
____X____ Professional development provided for administrators and teachers on data analysis and data-informed instruction.
_____X___ Professional development provided for administrators and teachers on setting specific and measurable student achievement goals at school and classroom levels.

Collaborative Meeting Discussion Content
___X___ Using and analyzing timely student common assessment results from all students.
___X___ Strengthening program implementation.
___X___ Designing and improving lessons and instruction.
____X__ Identifying research-based strategies to support specific skill needs of all students.

8. Monthly Collaboration by Grade Level or Program Level for Teachers Facilitated by the Principal	8.2 The school/district facilitates and supports one-hour structured collaboration meeting (preferably two) per month in order for subject matter/course-level teachers to analyze, discuss, and utilize the results of the school/district assessment system to guide student placement, instructional planning and delivery, and progress monitoring within the current adopted mathematics programs, including Algebra I and Algebra Readiness.	Full implementation means that the school/district, through the principal or designee, uniformly provides and supports structured opportunities to collaborate monthly on a continuous and frequent basis (preferably at least twice monthly) for all teachers of mathematics, including strategic and intensive intervention, special education, and ELD teachers.
		• Teachers are trained in collaboration meeting protocols.
		• Collaboration meetings frequently include using and analyzing timely results from the common school/district assessments:
		  – Entry-level placement and/or diagnostic;
		  – Progress monitoring, including frequent formative and curriculum-embedded assessments; and
		  – Summative benchmark assessments.
		• Collaborative discussions are centered on strengthening the implementation of the adopted instructional programs, lesson design and delivery, including the use of research-based strategies, to support the mastery of content standards for all students, including ELs and SWDs.
			Objective	**Fully**	Substantially	Partially	Minimally

Second sub-table for Implementation Status:

Objective	**Fully**	Substantially	Partially	Minimally
8.2	**4** **100%**	3 At least 75%	2 At least 50%	1 Less than 50%

Key Components

Scheduled Structured Collaboration Meetings:
___1___ Number per month.
__X____ All teachers including strategic, intensive intervention, special education, and ELD teachers participate.
____X___ Meetings are structured; protocols/tools are developed and used.
____X__ Training for collaboration meeting protocols provided to teachers.
__X____ Professional development provided for administrators and teachers on data analysis and data-informed instruction.
___X___ Professional development provided for administrators and teachers on setting specific and measurable student achievement goals at school and classroom levels.

Collaborative Meeting Discussion Content
____X__ Using and analyzing timely student common assessment results from all students.
____X__ Strengthening program implementation.
____X__ Designing and improving lessons and instruction.
____X__ Identifying research-based strategies to support specific skill needs of all students.

Essential Program Component	Objective	Criteria and Clarifications	Implementation Status and Key Components Review and identify which key components apply. Circle the most appropriate rating.				
9. Fiscal Support	9.1 The school/district's general and categorical funds are coordinated, prioritized, and allocated to align with the full implementation of the EPCs in RLA/ELD and the Single Plan for Student Achievement (SPSA).	Full implementation means that the allocation and coordination of district and school site general and categorical funds to support implementation of the EPCs in RLA, and ELD, are aligned and prioritized in the SPSA. • The SPSA is aligned with the goals and activities in the LEA Plan. • The district, working in conjunction with the school, provides ongoing support, fiscal and in-kind resources to implement fully and sustain the strategic priorities identified by the school/district in the APS, and applied in the SPSA. • The district requires that SPSA expenditures detail EPC alignment. • District general and categorical budgets and LEA Plan demonstrate on-going commitment to continue support for EPC-related school reform.	Objective	**Fully**	Substantially	Partially	Minimally

Second part of the Implementation table and Key Components:

Objective	Fully	Substantially	Partially	Minimally
9.1	**4** **100%**	3 At least 75%	2 At least 50%	1 Less than 50%

Key Components

Allocation of Funds

____X____ District and site categorical and general funding are aligned to support EPC implementation.

Coordination of Funds

____X__ The SPSA aligns to the goals and activities in the LEA Plan.
