Kindergarten Readiness and Supportive Transitions

In Fall 2018 we launched the new TK/K Transition forms and scaled for Fall 2019

- Shared with Kinder and TK teachers
- Direct referrals to COST Teams
- Completed by PreK teacher and are designed to provide background information about the child, best ways to communicate with the family & successful teaching strategies; ensuring a smooth transition
- Shared (Late July) electronically via site specific google folders with principals/CSM's, indicated by the Kinder/TK teachers name and student's name.
