**SECTION 1: Lead Agency Information**

Lead Agency Name: Safe Passages	Lead Agency Address: 250 Frank H. Ogawa Plaza; Suite 6306 Oakland, CA 94612	
Lead Agency Phone: 510-238-4914	Lead Agency Fax: 510-899-0192

**SECTION 2: Description and Rationale for selection of Lead Agency**

Please provide a narrative description of the agency that is managing the summer program. Describe the agency infrastructure and systems of support that will support your agency's successful implementation of summer programming.

Founded in 1995, Safe Passages was created as part of the five-city, ten year Urban Health Initiative funded by the Robert Wood Johnson Foundation. Over the last sixteen years, Safe Passages has helped government work together with community-based agencies, holding each other accountable, to redirect government and private resources to implement strategies proven to reduce youth violence and help level the playing field for the most vulnerable and marginalized students, families and communities in Alameda county.

Specific services developed and implemented in Oakland include, but are not limited to, afterschool academic and enrichment programs, youth development and leadership, case management, violence prevention, and interventions for high need youth. SP serves as the lead agency for the Elev8 Full Service Community Schools initiative in 5 school communities including Coliseum College Prep Academy (CCPA), United for Success (UFS), Madison, Roosevelt, and West Oakland Middle School leading efforts to build 5 school based health clinics, family resource centers and extended learning opportunities across all sites. In addition SP serves the lead afterschool agency for Brewer, Communities United Elementary School (CUES) CCPA, Frick, and UFS. The SP infrastructure includes a senior management team that has been working together for the past 8 years including the CEO; Deputy Director; CFO and Legislative and Public Relations Director. **SP assigns the following central office staff to lead our after school efforts.** Demetrie Broxton serves as our Full Service Community School Director. His duties include overseeing our AmeriCorps program, which is integrated within all of our afterschool programs. He serves as the central office lead for afterschool programs at Brewer and Frick. The SP central office afterschool lead at CUES, is currently assigned to the agency's Deputy Director; while programs at CCPA and UFS are led by the CEO. This staff supervise and coach the 5 after school coordinators assigned respectively to each school, conduct site observations and works with each to develop professional development plans tailored to meet their individual and organizational goals. Central office staff assigned to each school conduct monthly one on one meetings with assigned after school coordinators; and work directly with school administrators and coordinators to address implementation issues and concerns. In addition, Afterschool Coordinators meet centrally at SP 1/month. Afterschool Coordinators help recruit; train and supervise/coach after school instructors per school. SP also convenes professional development trainings for both afterschool program staff and instructors throughout the year. This infrastructure will carry over to the summer. SP central office staff and coordinators will continue to meet weekly, and will participate in all OUSD summer trainings and meetings, as required.

**SECTION 3: Lead Agency Mission**

Please describe your agency's mission. Describe how serving as a Summer Lead Agency for OUSD summer programs fits into your agency's mission, vision and/or goals.

The mission of Safe Passages (SP) is to advocate and serve children, youth, and families with a special emphasis on vulnerable populations. SP envisions a community where all young people have the opportunity to realize their full potential. To advance these aims SP developed a continuum of programs and services that serve the entire age continuum of children and youth birth through college. Safe Passages' strategies are culturally competent, tailored to the specific needs of the communities served, and demonstrate effectiveness in both qualitative and quantitative evaluations. Serving as a Summer Lead Agency for OUSD supports our vision, and mission to serve the hardest to reach and vulnerable populations; and our goal to level the playing field for marginalized youth and families. Further our work is aligned with OUSD's summer vision embodying the district's Full Service Community School strategy; and goals to create engaging and enriching learning environments that support student's academic, physical and social/emotional development and their college and career readiness.

**SECTION 4: Summer Program Quality Team**

Each summer lead agency is expected to have a Summer Program Quality Team comprised of key individuals who will lead your agency's summer program planning, and work in partnership with OUSD to ensure program quality. Please list the members of your agency's summer program quality team. This team should include 2-4 key stakeholders involved in the planning, implementation, and assessment of the summer program. In addition to the Summer Site Coordinator, team members may include an Agency Director, and key summer program staff. **Please designate a quality team leader with an asterisk (Example: Jamie Smith\*).** The team leader is considered to be the project liaison and will be the main person responsible for corresponding with OUSD and Partnership for Children and Youth staff.

**SECTION 5: Summer Program Quality Learning Community Meetings, Trainings, and Professional Development**

Summer Lead Agency partners will be expected to participate in three strands of summer professional development provided by OUSD in collaboration with Partnership for Children and Youth (PCY):

Strand 1: Summer Learning Community meetings will occur on a monthly basis (January-October 2014) for all summer lead agency directors and site coordinators. These required meetings will support agencies and program sites in planning, implementation, technical assistance, and evaluation of summer programs. The Summer Learning Community meeting schedule will be distributed to selected summer lead agency partners in December.

Strand 2: Line staff trainings for summer program staff: OUSD will leverage district and community resources to provide approximately 15 – 18 hours of additional summer training focused on topics such as high quality summer STEM, physical activity, and enrichment. A schedule of trainings for summer program staff will be provided by March, and trainings will occur between April – June. Summer program staff will be required to attend these summer trainings. (Bechtel Summer STEM projects will also have up to an additional 16 hours of STEM training, in addition to these line staff trainings)

Strand 3: Summer Conferences: PCY will host two important summer conferences that summer lead agencies should plan to attend. These conferences are free, and agencies will need to register staff directly through the Partnership for Children and Youth website ([www.partnerforchildren.org](http://www.partnerforchildren.org)).

- January 10: Summer Leadership Conference for Agency Directors and Site Coordinators
- May 9: Summer Conference for program staff

**Assurances: (please initial each item)**

I understand that as a Summer Lead Agency partner, our Summer Site Coordinator(s) and agency director will be required to participate in a monthly Summer Learning Community, co-facilitated by Partnership for Children and Youth and OUSD.

I understand that each of my summer program staff members will be required to attend 15 – 18 hours of training that will build their capacity to implement high quality summer enrichment and academic programming.

I will allocate summer contracted funds and in-kind agency funds, as needed, to ensure that my staff attend all required summer meetings and trainings detailed above.

I am applying to be a summer lead agency partner because my agency has capacity to deliver high quality summer enrichment and academic programming to OUSD students. In addition to the meetings and trainings listed above, my agency will provide our summer staff with adequate youth development training, planning time, coaching, and support before summer begins and over the course of the four-week summer program so that staff can deliver high quality services to students. My agency is committed to strengthening the youth development practices of our summer staff.

**Agency Professional Development Plans**

Please detail below your agency's own professional development plans and schedule for summer staff.

Safe Passages provides extensive support, training and professional development opportunities to staff utilizing several methods and venues. Staff support is provided via regular site visits, one-on-one coaching and planning sessions to ensure that staff feel prepared and confident to meet the needs of the school community and are up-to-date with the most current information related to serving children and youth. Training is provided throughout the year on relevant topics (such as best/promising practices in youth development, mandated reporting, Youth Program Quality Assessment, evaluating program quality, and family engagement) and led by veteran Safe Passages staff and local content experts. SP staff also participates in the district's After School Professional Learning Communities and will continue to participate in all meetings and training related to summer school. SP central office assigned Leads will meet with afterschool coordinators on a weekly basis, conduct site visits and meet with summer school administrators at each site to ensure alignment with OUSD and site based summer goals.

**Applying learning from After School Professional Learning Communities (PLCs):**

Discuss how your agency will utilize knowledge and resources you are gaining from participation in current after school professional learning communities (ie. Building Intentional Communities, Science learning community, etc.) to help shape summer program and curriculum plans.

SP staff is committed to working with OUSD central office, including the After School Program office and school site communities, as we have done throughout our tenure. As a Summer Lead Agency partner for an OUSD Summer Program "Hub", you will be responsible for recruiting summer program participants from all the feeder schools that will feed into your summer hub (potentially 1-3 other schools in addition to the host site where the summer program will take place).

**Beginning in April 2014, Safe Passages will reach out to feeder schools and begin with the After School Program Coordinators, Principals, and 5<sup>th</sup> grade teachers (for Middle School programming) at each of the schools to notify them of the summer program available at each of the Safe Passages led HUB sites. We will also begin contacting the lead agencies to find out who their high need students are in order to ensure we are serving the highest need students first. In order to ensure equitable enrollment, Safe Passages will provide an equal number of slots for students from all feeder schools.**

**SECTION 9: Summer Line Staff Information** (if known at this time)

## Statement of Qualifications Agency Description

Founded in 1995, Safe Passages was created as part of the five-city, ten-year Urban Health Initiative (UHI) funded by the Robert Wood Johnson Foundation. Over the last sixteen years, Safe Passages has helped government work together with community-based agencies, holding each other accountable, to redirect government and private resources to implement strategies proven to reduce youth violence and help level the playing field for the most vulnerable and marginalized students, families and communities in Alameda county. These strategies, along a continuum of services from birth through college and career include: Early Childhood, School-Linked Services, Juvenile Justice and College to Career. Safe Passages leverages our history and deep capacity in partnership with school communities to implement afterschool programs.

The organization focused on three main strategies: Early Childhood, Middle School Strategy and Juvenile Justice. The Safe Passages Middle School Strategy was a multi-pronged approach to creating positive school climates and providing students and their families the support needed to be successful in school and life. From the beginning, afterschool programming was one of the five prongs of the strategy. Initially, the seven highest need middle schools were selected as partners in 2000 to implement the strategy: Frick, Havenscourt (CCPA) and Calvin Simmons (UFSA) were all part of the first cohort of implementation schools.

The partnership withstood the test of time, surviving many changes in personnel, leadership, and the economy. Over the years, Safe Passages facilitated the development of the Coordination of Services Team (COST) system, case management and mental health services for students and parents, school based health centers at some target schools and afterschool programs. Several models developed by Safe Passages, like COST, were adopted by OUSD and replicated across the school district. Several of the Safe Passages schools, including those schools where Safe Passages serves as the lead afterschool agency are leading schools in OUSD's Full Service Community Schools Initiative.

Safe Passages partnerships with the school communities that are the focus of these contracts embody 13 years of partnership. Within those thirteen years of partnership, Safe Passages has collaborated with dozens of community based partners and independent contractors. Currently, Safe Passages partners with 45 public and private agencies to implement the Elev8 Full Service Community Schools Initiative. Safe Passages partners with school communities in Oakland and San Lorenzo to implement quality programs.

As a result of these partnerships, hundreds of students and families are served each year at target schools. Safe Passages has also successfully led the implementation of Elev8, a \$25 million initiative at five middle schools in Oakland. Finally, Safe Passages has leveraged millions of dollars for services for Oakland youth and families.

The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. **Memorandum of Understanding 2013 – 2014  
Between Oakland Unified School District and  
Safe Passages**

---

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with Safe Passages ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 232/Coliseum College Prep Academy under the following grants:

- After School Education and Safety Program ("ASESP")
- California Department of Education ("CDE") 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC)
- Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21<sup>st</sup> CCLC funds.
- Private grants

2. **Term of MOU.** The term of this MOU shall be July 1, 2013 to August 29, 2014 and may be extended by written agreement of both parties.

3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.

4. **Compensation.** The ASESP and 21<sup>st</sup> CCLC grant award amount for 232/Coliseum College Prep Academy is \$100,650.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.

4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21<sup>st</sup> CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21<sup>st</sup> CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2013-2014")

4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21<sup>ST</sup> CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's

performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

**4.2.2. Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).

**4.3. OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21<sup>st</sup> Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.

**4.4. AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21<sup>st</sup> Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21<sup>st</sup> CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21<sup>st</sup> CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21<sup>st</sup> CCLC programs.

**4.5. Program Budget.** Due to result-based budgeting, the grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2013-2014 and will not exceed \$100,650.00 in accordance with Exhibit B ("ASEP/21<sup>st</sup> CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2013-14").

**4.6. Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

**4.7. Program Fees.** The intent of the ASEP and 21<sup>st</sup> CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. **State 3 – 4 primary goals of the After School Program and intended impacts for participating students.**

1. Youth who participate in the Safe Passages Afterschool Program will improve and strengthen their academic skills. The Afterschool Program Coordinator with the support of the Program Assistant and Academic Instructors will track and monitor the academic progress of enrolled youth on a regular basis using benchmark and other assessments. Data from the assessments will be used in cycles of inquiry to monitor the effectiveness of academic interventions and to re-evaluate and reconfigure flexible groups in order to provide personalized learning and balanced literacy to students that attend the afterschool program.
2. The Safe Passages Afterschool Program will provide innovative and engaging enrichment activities that will support the academic, social, and emotional development of enrolled youth.
3. The Safe Passages Afterschool Program will develop a strong collaborative partnership with clear and consistent lines of communication between the lead agency team members, parents, and school site staff to ensure the Safe Passages Afterschool Program maintains a consistent high quality program that will support the healthy development of all enrolled youth.
4. The Safe Passages Afterschool Program will engage all participating youth in processes that build their self-efficacy. In order to facilitate these students' efficacious feelings of accomplishment and success, youth will showcase their work to others during the year at school events and the Safe Passages Afterschool Showcase/Portfolio Presentation.

#### SECTION 4: Program Model and Lead Agency Selection

For 2013-2014, my site will operate the following program model:

- Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*  
 **Extended School Day:** *additional class periods added to the bell schedule during after school hours for students of a particular grade and/or all students of the school*  
 **Blended/Hybrid:** *combination of some extended day and some traditional after school programming*

#### Description and Rationale for Selection of Lead Agency

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

In alignment with the spirit of the OUSD Strategic Plan, the Safe Passages Afterschool Program partnership with the school community is a "true, authentic collaboration" that supports the goals of a thriving student community. Among other goals, Safe Passages Afterschool program supports the school's Full Service Community School Quality Indicator 1 goal – to provide quality learning experiences for students by ensuring that students are provided a quality extended day program. The program also furthers the efforts to support broader enrichment goals beyond academic

intervention with youth leadership opportunities, sports, creative opportunities for artistic expression, such as art, music, and dance. In addition, the program supports the goal of balanced literacy and targeted intervention by providing targeted intervention to students through the COST process and in the one hour of academic programming each day. Safe Passages uses the SRI and Benchmark data to personalize instruction during intervention sessions.

**SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE**

In order to remain in compliance and meet minimum funding requirements, the after-school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm on every regular school day for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.

Required # of Program Days your program will operate during School Year 2013-2014: 180 days	180 days required*
Projected Daily Attendance during School Year 2013-2014:	120

**Program Schedule**

Submit program schedule as an attachment, using the standard program schedule template.

*\* CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates.*

**SECTION 6: Academics**

Your site should plan to offer a range of academic supports including:

- 1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring

Other possible supports may include computer lab, library exploration, project-based learning, coordination with SES tutoring.

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program.

### SECTION 7: ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Enrichment activities and physical activity/recreation are required components of the ASES and 21<sup>st</sup> Century grants. Enrichment activities should provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, arts learning, and student engagement.

**SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY**  
 After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities

Family literacy is a required component of all 21<sup>st</sup> Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development.

Type of Activity	CSSSP goal(s) or school need supported by activity	Brief Description	Measurable Outcome	Alignment with school day, family engagement / family literacy efforts or resources
Student/Family Recruitment at Registration	Provide a quality Extended Learning Program.	Site Coordinators communicate with families at school registration to ensure 100% program enrollment.	100% of slots for the Afterschool Program are filled at the start of the year, and a waiting list for the program is maintained and kept current.	Integration with the school's registration efforts allows the Site Coordinator to connect with every family at the school to inform them of the afterschool program offerings.
Communicate regularly with families to ensure student success	Build effective partnerships with families	Program staff communicates regularly with families regarding student progress.	100% of students' families of enrolled in afterschool will communicate with an afterschool staff person 3-10 times a year.	Afterschool communication with families supports the schools efforts to raise attendance and to partner with families in their child's education.
Student Showcases	Creating a welcoming, caring student community where differences are celebrated	Students showcase their work to families and community members.	100% of students enrolled in afterschool will create pieces for and invite family members to attend showcases of work.	Showcases of student work in afterschool align with the school effort to maintain a culture that supports student progress and structures for acknowledgement and to build student and family ownership of learning.

**SECTION 9: Chronic Absence Action Plan**  
 Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory

attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

*In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.*

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	By analyzing previous school-day attendance data at the start of the school year, the school site coordinator, in collaboration with the site leadership team and COST, will identify students' at risk of chronic absenteeism whose families they will invite to enroll their students in afterschool at the school wide registration session.
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	The Site Coordinator or other program staff will contact families daily if their child is enrolled but does not attend the afterschool program. The importance of program attendance will be discussed with families in all correspondence.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	The Site Coordinator, in collaboration with site leadership, will utilize the Coordination of Services Team meeting to intervene for increased attendance.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	The Afterschool Program will highlight students with perfect attendance with certificates at the end of each quarter.

#### **SECTION 10: Transforming School Culture and Climate**

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What strategy/strategies is your school utilizing to transform school culture and climate?

PBIS (Positive Behavioral Interventions and Support)

Restorative Justice

Social and Emotional Learning

Bullying Prevention

Other: (please specify) \_\_\_\_\_

b) How will the school and lead agency partner work together to ensure that the after school program is aligned and supporting these efforts, and helping to transform school culture and climate?

Afterschool Coordinators will continuously communicate with both extended day and regular day instructors. Coordinators will help facilitate communication between morning and afternoon instructors to ensure the program is integrated and services are coordinated for students and families.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development circles, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

The Safe Passages Afterschool Program supports these OUSD efforts to ensure equity in behavioral practices, maximize every students' school engagement, social-emotional well-being, and academic success by: (1) using culturally competent instructional strategies, (2) incorporating critical pedagogy and youth participatory action research (YPAR) as curricular foundations for resiliency, transformation, and student engagement, (3) training staff and students in cultural asset instruction, cultural asset mapping, and related counter-narrative resiliency strategies, and by (4) building upon a strong youth development framework with sufficient alternative to exclusionary discipline practices.

#### **SECTION 11: Coordination with Other Service Providers**

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?

- COST team (Coordination of Services Team)  
 SST (Student Study Team)  
 SSC (School Site Council)  
 ELT (Educational Leadership Team)  
 PTA  
 Attendance Team/Workgroup  
 CSSSP (Community School Strategic Site Planning) team

	<input type="checkbox"/> School Culture/Climate Committee <input type="checkbox"/> Other (specify)
List key community partners whom you will actively collaborate with to accomplish the goals of your program.	<p>Safe Passages has a long history of aligning extended day with school and OUSD goal and site administration. Safe Passages has engaged and will continue to engage site administration on the programmatic layout of after school to ensure that the transition from morning to afternoon is seamless. After school coordinators will monitor and facilitate this programmatic transition on a daily basis.</p> <p>Finally, Coordinators will create an afterschool bulletin board centrally located at the school with program information and updates. All instructors can check the bulletin board for daily updates.</p>
List all subcontractors who will be paid to deliver after school services.	R.E.A.L. Choices will lead anti-violence and gang prevention enrichment groups on select Fridays.
Identify other service providers and support personnel at your school (ie. school psychologist, School Based Health Center staff, counselor, mental health therapist, school nurse, parent liaison, etc.) whom you will actively collaborate with to accomplish the goals of your program.	Students, parents, school staff, Principal, OUSD AS Program Office, and other CBO and public partners implementing afterschool programming, COST coordinator, school counselor, Clinical Case Manager, mental health therapist, parent engagement staff, and School Based Health Center Staff as available.

### 2013-14 After School Enrollment Policy for CCPA Middle School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21<sup>st</sup> Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

**Target Population:** (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
English Language Learners	CELDT	
Students who scored BB or FBB the most recent CST.	CST Scores	
Students who earned below a 2.5 AGPA during the previous marking period	Student data in Aeries	

**Grade levels prioritized for programming: 6-8**

*Note: The ASES and 21<sup>st</sup> CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)*

**Additional Notes:**

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

**Enrollment Process and Timeline:** (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2013. Indicate how families will be notified of 2013-14 enrollment before the last day of school, June 13, 2013.)

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
May 2013	12-13 participants will have the opportunity to re-enroll.	After School Coordinator, after school staff, school site staff, and parents.
Spring & Summer 2013	Outreach and enrollment of new students and rising 6 <sup>th</sup> graders during summer school, summer mailings, and orientation events.	After School Coordinator, after school staff, school site staff, and parents.

**Important dates to include in your timeline:**

- April – June: Spring enrollment for 2013-14 programs.
- Families will be notified of 2013-14 after school enrollment before the last day of school, June 13, 2013.
- After school programs begin on 1<sup>st</sup> Day of school, with enrollment at a minimum 75% capacity.
- August – September: New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by September 30, 2013.
- All programs must maintain waitlists after program slots are filled.

### Academic Liaison/Quality Support Coach

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Academic Liaison (now called "Quality Support Coach") is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program's *Assess – Plan – Improve* program quality improvement cycle by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, priorities, curriculum, pedagogy, and data.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards

The Academic Liaison/Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Academic Liaison/Quality Support Coach role from the OUSD After School Programs Office. The After School Programs Office will provide specific deliverables aligned with the key job duties listed above. The required budget allocation for this position is \$2,500 for the year, equivalent to 83 hrs/year at a Paid-In-Service contract rate of \$30.12/hour.

#### Academic Liaison/Quality Support Coaching Planning

**Teachers on Extended Contract for Direct Service**

In addition to an Academic Liaison/Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as after school intervention, support with programs like Achieve 3000 or Fast Forward, and academic enrichment.

**Please list specific after school classes/activities that will be facilitated by teachers paid on extended contract.**  
*Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$23.16/hr (per OEA contract). After school grant funds can be utilized for this direct service work. Beginning in 2013-14, the Academic Liaison/Quality Support Coach cannot provide direct service to students. The Academic Liaison is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$30.12 for their staff capacity-building services. WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

**Waiver and Release of Liability.** In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

**Assumption of Risk.** I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

**Indemnity Agreement.** In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

**Severability.** I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

**Minor Participants.** If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

## Statement of Qualifications Agency Description

Founded in 1995, Safe Passages was created as part of the five-city, ten-year Urban Health Initiative (UHI) funded by the Robert Wood Johnson Foundation. Over the last sixteen years, Safe Passages has helped government work together with community-based agencies, holding each other accountable, to redirect government and private resources to implement strategies proven to reduce youth violence and help level the playing field for the most vulnerable and marginalized students, families and communities in Alameda county. These strategies, along a continuum of services from birth through college and career include: Early Childhood, School-Linked Services, Juvenile Justice and College to Career. Safe Passages leverages our history and deep capacity in partnership with school communities to implement afterschool programs.

The organization focused on three main strategies: Early Childhood, Middle School Strategy and Juvenile Justice. The Safe Passages Middle School Strategy was a multi-pronged approach to creating positive school climates and providing students and their families the support needed to be successful in school and life. From the beginning, afterschool programming was one of the five prongs of the strategy. Initially, the seven highest need middle schools were selected as partners in 2000 to implement the strategy: Frick, Havenscourt (CCPA) and Calvin Simmons (UFSA) were all part of the first cohort of implementation schools.

The partnership withstood the test of time, surviving many changes in personnel, leadership, and the economy. Over the years, Safe Passages facilitated the development of the Coordination of Services Team (COST) system, case management and mental health services for students and parents, school based health centers at some target schools and afterschool programs. Several models developed by Safe Passages, like COST, were adopted by OUSD and replicated across the school district. Several of the Safe Passages schools, including those schools where Safe Passages serves as the lead afterschool agency are leading schools in OUSD's Full Service Community Schools Initiative.

Safe Passages partnerships with the school communities that are the focus of these contracts embody 13 years of partnership. Within those thirteen years of partnership, Safe Passages has collaborated with dozens of community based partners and independent contractors. Currently, Safe Passages partners with 45 public and private agencies to implement the Elev8 Full Service Community Schools Initiative. Safe Passages partners with school communities in Oakland and San Lorenzo to implement quality programs.

As a result of these partnerships, hundreds of students and families are served each year at target schools. Safe Passages has also successfully led the implementation of Elev8, a \$25 million initiative at five middle schools in Oakland. Finally, Safe Passages has leveraged millions of dollars for services for Oakland youth and families.
