FROM THE DESK OF THE EXECUTIVE DIRECTOR

Fellow supporters of Oakland public schools,

As the following pages reflect, the Oakland Schools Foundation (OSF) carries into its tenth year a legacy of connecting Oakland public schools with the resources to support programs our students need most.

OSF's results – like the more than \$23 million we have helped raise for school programs since 2003 – speak for themselves, as do the factors that make this work critical for Oakland. Stark resource and opportunity gaps persist across our state, with California ranking near the bottom in per-student funding. What this means for students in Oakland's under-resourced schools is very real, and it is what drives our staff, every single day.

Entering our second decade as an education fund, we remain focused on our most important measure of success: accelerating student achievement in Oakland's highest-need communities. We help schools generate and manage resources that enrich learning by collaborating with schools on innovative and long-term strategies, and by partnering with the Oakland Unified School District to create equitable outcomes across the city.

I invite you to join us in this work. OSF's commitment to collaboration – with schools, the District, our supporters, and partners – is at the heart of our equity-based vision. I look forward to speaking with you about the information in this Annual Report and about the exciting work ahead of us.

In partnership,

Brian Stanley
Executive Director

OSF MISSION AND VISION

The Oakland Schools Foundation is a local education fund that secures and manages resources for Oakland public schools in order to support its vision of equity: that all students have the opportunity to achieve excellence.

Students at PLACE @ Prescott

“What OSF is doing for schools in the area of resource development, plus their flexibility and responsiveness around finance is so helpful. We identify what we need and they're able to respond to that. We cannot do this work without OSF.”

- Mark Triplett, Principal
Urban Promise Academy

Family Engagement and Leadership Initiative (FamELI)

Family Engagement Professional Learning Community

The OSF Family Engagement Professional Learning Community (PLC) is a cohort of school leaders representing 19 Oakland public schools that share a common aim to build meaningful school-family partnerships in service of student achievement.

Since 2007, the PLC has supported schools to develop strategies, practices, tools and resources that encourage partnerships between schools and families using an inquiry-based and participant-led model of professional learning. Participating schools receive funding to support staffing, curriculum, and materials. The ultimate objective of the FamELI PLC is to build strong cross-school collaboration in family engagement strategies and practices, and to develop effective school-family partnership programs that impact student achievement and community development.
