- Update on OYV

Listening to Student Voice

Welcoming New Student Directors

LINH LE

My name is Linh Le and I am a senior at Oakland High. I was born in Vietnam but I have been raised in Oakland my whole life. I have served as President of All City Council for the past 3 years and I've always been an active leader since middle school. This year I proudly serve as one of your Student Directors. I want to make sure that young people are able to have an equitable education where they have the resources in order for them to thrive and succeed. But also making sure that student's voices are being uplifted, heard and valued.

Welcoming Student Directors

Natalie Gallegos Chavez

Hello everyone, my name is Natalie Gallegos. I am a first gen Mexican American student and daughter. My family is a big factor on why I choose to work so hard in life because I can make them proud. I am very thankful I was given the opportunity to serve as for a second term, as one of the student student directors for this school year, my goal is to make sure that students' voices are being heard and that we continue to get a seat at the table. I am not only representing and speaking for myself but I am also speaking and representing ACC, our students, and our community.

Welcome to the 2022-23 ACC GB

Congratulations to the 2022-23 All City Council Governing Board

UPDATE ON OAKLAND YOUTH VOTE (OYV)

Press Release from OYV Coalition

- OYV was passed in Nov 2020 by 67% of Oakland voters
- Oakland youth and the OYV coalition have:
 - Amplified the importance of civic engagement and youth democracy
 - Pre-registering over 480 youth voters across Oakland high schools
 - Co-developed a resolution (unanimously passed on June 2022) to support civics education & voter registration for OUSD students
 - Engaged over 1,400 high school students to develop a Student Justice Platform
 - Urged OUSD to hire consultants to support the implementation
- Alameda County Registrar of Voters failed to develop a plan that enables the City of Oakland to support eligible 16 and 17-year olds to vote in 2022.
- Implementation of OYV will now likely happen in Nov 2024
- Working as a coalition to determine how we will ensure youth voice is incorporated into the Nov 2022 elections
