Re: 2013 - 2014 Community Schools Strategic Site Plan (CSSSP)

Action Requested:

The Board of Education is requested to approve the 2013-2014 Community Schools Strategic Site Plan for Student Achievement for Sankofa Elementary School.

Background:

In accordance with Education Code 64001, the Single Plan for Student Achievement (Community Schools Strategic Site Plan CSSSP) shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the Consolidated Application, by the School Site Council. The plans shall also be annually reviewed and approved by the governing board of the local education agency at a regularly scheduled meeting. The purpose of the Single Plan for Student Achievement is to coordinate all educational services at the school. The site plan shall address how funds provided to the school will be used to improve the academic performance of all pupils to the level of the performance goals, as established by the Academic Performance Index. (API).

Discussion:

The Community Schools Strategic Site Plan builds on a premise that students are capable of learning with effective instruction, includes school goals aligned with activities, provides analysis of student performance data, focuses on student achievement and academic intervention, implements high leverage school improvement actions, directs resources where they will most directly improve student achievement, ensures that all resources are aligned to serve identified student needs, and identifies parent involvement activities associated to student success.

Fiscal Impact:

The Programs listed below are reported in the Consolidated Application and allocated to school sites through the Community Schools Strategic Site Plan.

State Programs

- Economic Impact Aid/School Compensatory Education
- Economic Impact Aid/Limited English Proficient
- Quality Education Improvement Act (QEIA)
- School Improvement Grant (SIG)

Federal Programs

- Title I, Part A

Recommendation:

The Board of Education is requested to approve the 2013-2014 Community Strategic Site Plan for Sankofa Elementary School.

COMMUNITY SCHOOLS STRATEGIC SITE PLAN

Superintendent's Letter

Dear OUSD Staff, Parents, and Community Members:

On behalf of the OUSD leadership, thank you! In our second year of the Community School Strategic Site Plan (CSSSP or C3SP) process, let's celebrate our collaborative efforts in serving all children in every neighborhood by providing high quality community schools where children, adults, and community thrive. We are committed to creating and sustaining a district of community schools capable of supporting the unique needs of each child and to link caring school communities with Oakland neighborhoods across our city. We believe that each child in Oakland must be ready to succeed in college, community, and careers that lead them to healthy and happy lives. With these beliefs, we engage in creating a Full Service Community School District filled with Full Service Community Schools. Every school will act as a resource and service hub that connects with local partners to help build healthy and vibrant schools and communities.

Learning lessons from and building upon the first year's experiences, we continue to strive for alignment, effectiveness, and efficiency. The CSSSP is closely aligned with the larger organizational strategic plan, Community Schools, Thriving Students; but we must also synchronize with other school-based instruments such as the Western Association of Schools & Colleges (WASC) accreditation and our district's pioneering School Quality Review (SQR) process. In addition to satisfying compliance requirements and guiding the allocation of categorical funds, the CSSSP is a multi-year road map for each school to become actualized as a Full Service Community School. This new school site plan has been developed by a team of cross-departmental leaders in OUSD under the advisement of principals and community leaders. The 2011-2012 Community Schools Strategic Site Plans represented our first steps in the development of each site's priorities for the 2012-2015 school years. This next step for 2012-13 will represent the deepening, enhancing, and refinement of each school's groundwork.

Last year, each site created a Community School Leadership Team, incorporating members of the School Site Council (including English Language Advisory Council (ELAC), the principal, parents, teachers, staff), and in secondary schools, student member(s). Additionally, each school recruited their afterschool partner, as well as another key community partner, to become members of the Community School Leadership Team. This leadership team will continue to analyze data, enhance strategies, and drive the development of the CSSSP for their school and supported through a collaborative engagement process that utilizes the recently adopted Meaningful Family Engagement Standards (adopted by OUSD in Spring 2012). In our second year of implementation, we are excited about supporting every school community to collaborate in service of building Full Service Community Schools across Oakland. As leaders of a Full Service Community District, we are committed to providing the conditions for this critical work to happen. I thank you for your engagement, leadership, and commitment to supporting the development of community schools and thriving students across Oakland. Thank you!

COMMUNITY SCHOOLS STRATEGIC SITE PLAN

Context & Vision

OUSD

VISION: All students will graduate from high school. As a result, they are caring, competent and critical thinkers, fully-informed, engaged and contributing citizens and prepare to succeed in college and career.

MISSION: Oakland Unified School District is becoming a Full Service Community District that serves the whole child, eliminates inequity, and provides each child with excellent teachers for every day.

GOAL AREAS:

Every student in the Oakland Unified School District will:

- Attend a SAFE, HEALTHY, and SUPPORTIVE SCHOOL - Oakland will become a full-service community district that will collaborate with civic and community partners to reduce violence in the community and schools thereby creating secure campuses where a culture of calm prevails.
- Learn the knowledge, skills, and abilities to be PREPARED for SUCCESS in COLLEGE and CAREERS when they graduate from high school, to ensure that they can read, write, speak, think critically and reason mathematically for post-secondary success.
- Have HIGH QUALITY and EFFECTIVE INSTRUCTION with excellent teachers for every day of the school year.

The Oakland Unified School District will:

- Become a FULL SERVICE COMMUNITY DISTRICT that is in service of and fully supporting the success of community schools and thriving students.
- Be ACCOUNTABLE for HIGH QUALITY for its schools and in its work across the organization.

SCHOOL SITE CONTEXT

History - Sankofa Academy opened during the 2004-05 school year. Our school was founded as a K-8 New Small Autonomous School in an effort to alleviate overcrowding and underachievement in the Oakland Unified School District. - Sankofa is an Akan word that means "return and fetch it." The essence of Sankofa is to embody and understand the following: "We must go back and reclaim our past so we can move forward; so we understand why and how we came to be who we are today. - In 2007, Sankofa transitioned from a K-8 school to a K-5 elementary school. Sankofa currently offers Programs for Exceptional Children/SDC in grades Pre-K-5th (Autism) in addition to General Education classes in grades PreK-6. On December 14, 2012 the OUSD Board of Education unanimously voted to expand Sankofa to a PreK-8. - In 2006, Sankofa's Academic Performance Index (API) score was 578. Today the school boasts an API of 773, nearing the state goal of 800. Theory of Action In the spirit of high expectations for all students at Sankofa Academy we are fully committed to three foundational practices: Differentiation: Instruction and assessment is adapted to student needs. All teachers regularly plan for and apply varied approaches to connect instruction with student knowledge, learning styles, and cultural background. Data-Driven Continuous Improvement: Students, families, and community stakeholders are involved in data-driven continuous improvement efforts. Students frequently monitor and assess the quality of their work relative to the performance standards. Accelerated Intervention: Goals and strategies for intervention are individualized for each student. Placement criteria for services is clear and monitored. Services are coordinated effectively. Serve the Whole Child: Full-service community school that serves the needs of our students, families, and communities. Intentional, comprehensive instruction, services, programs, and partnerships that drive a safe, healthy, and supportive school that prepares students for success in college and beyond. Results African-American Students: API - In 2006, Sankofa's Academic Performance Index (API) score was 578. Today the school boasts an API of 750, nearing the state goal of 800. In 2011, our school grew 33 points, when compared to 2010 results. - In 2008, Sankofa's API score increased 156 points, one of the most dramatic improvements in the district. - With the one of the largest concentration

of African-American students across all elementary schools in the District, Sankofa Academy outpaced OUSD's average API for African-American students by 74 points in 2010. This growth continued in 2011 where Sankofa's African-American cohort performed at 61% in math and 43% in ELA. CST - In 2009, our California Standards Test (CST) scores had double-digit percentage-point growth into the Proficient and Advanced categories in both ELA and Math. Benchmark Assessments - 2010-11 benchmark data shows the largest increases in performance for 2nd-5th grade since the inception of the school. -In 2012, our API grew to 773. Sankofa Academy had the largest growth in the district for ELA at 12.2%. Sankofa met all AYP target and staved off PI 2 status. -2012 CST African-American out-performed all other sub groups in Math at 62% PROV/ADV. Teaching and Learning - Continuity of structure, skill-based instruction, culturally responsive curriculum, rigor and care.

VISION

At Sankofa Academy we will ensure that every student becomes a strong critical thinker who is a positive leader in our local and global community. Sankofa Academy emphasizes student empowerment and academic achievement. All our students are empowered to master literacy, numeracy, science, social studies, and technology. Through community-based projects, exhibitions, and arts-integrated lessons, we ensure that our students can demonstrate mastery of grade-level standards in a variety of ways. This is imperative in order for them to be competitive in an ever growing global economy. Guiding Principles - Respectful Individuals - Our students develop their character by learning to be Respectful Individuals. We explicitly teach and model being kind and polite, appreciating others, using conflict resolution skills to solve problems, and teamwork. - Responsible Leaders - We focus on student empowerment by showing students how to use their many skills and talents to contribute positively to their classroom, their family and their community. Through hands-on learning activities, arts-integrated lessons and projects, and opportunities to demonstrate what they know and can do, students become responsible for their own learning. - Reflective Achievers - At Sankofa Academy, we believe that every child can achieve at high levels when families and school staff work closely together. Teachers keep a sharp focus on the skills that are required at each grade level, and work with families and the Extended Day program to provide interventions for students who need extra help.

Accountable for Quality: Ensuring Thriving Students and Healthy Communities

Strategic Priority: The Accountability Plan

In June 2011, the OUSD Board of Education adopted our School Quality Standards. These standards include outcome standards that define for OUSD what "good" performance is. These are the standards we use to measure the extent to which our schools are ensuring that all of our students are thriving and likely to contribute to the health of our communities.

1. A quality school sets and achieves clear and measurable program goals and student learning objectives.
2. All students demonstrate progress on academic and social goals each year and across years.
3. All students achieve at similarly high rates and any gaps in achievement are substantially narrowing.
4. All students achieve at levels that compare positively with state and national averages and with similar schools.
5. All students demonstrate critical thinking skills and apply those skills towards solving complex tasks.
6. All students demonstrate skills in and knowledge of the arts and literature.
7. All students demonstrate an ability to understand and interact with people from different backgrounds.
8. All students achieve and maintain satisfactory physical health including diet, nutrition, exercise, and rest.
9. All students demonstrate the attributes and skills of emotional health and well-being.
10. All students demonstrate the skills, knowledge, and dispositions needed in the world of work.
11. All students demonstrate the skills, knowledge, and dispositions of engaged citizens.

OUSD schools will use these outcome standards to define and assess how they are developing toward quality Full Service Community Schools. School-level goals and metrics in the following sections should explicitly refer to these outcomes standards.

The School Accountability Plan

Grades: Pre-K-6 -2012-2013 Enrollment: 350 -Free/Reduced Lunch: 83% -Special Education: 11% -English Language Learners: 8% Enrollment by Ethnicity 2012: -African-American: 72% -Latino: 10% -Asian: 3% -Filipino: 4% -White: 2% -Multiple/No response: 9% Successes: -In 2012, our API grew to 773. Sankofa Academy had the largest growth in the district for ELA at 12.2%. Sankofa met all AYP target and staved off PI 2 status. -In 2011-2012 50% of our students scored proficient/advanced in ELA on CST; 59% of students scored proficient/advanced in math -In 2012 increased enrollment from 245 to 350 PreK-6 -Fall 2012 launched 6th grade expansion (29 students in 'legacy class') -On December 14, 2011 the OUSD School Board voted unanimously to expand Sankofa Academy to grow into a PreK-8 beginning in the 2012-2013 school-year -In 2010-2011 38% of our students scored proficient/advanced in ELA on CST; 59% of students scored proficient/advanced in math -In 2011, our API grew to 750 -In 2009-2010 39% of our students scored proficient/advanced in ELA on CST; 56% of students scored proficient/advanced in math -In 2010, our API remained at 717 -Due to the consecutive two year academic gains Sankofa Academy was removed from Program Improvement (PI) status in 2009 -In 2008-2009, 63% of students scored proficient or above on the Mid-Year Benchmark in mathematics -In 2008 28% of our students scored proficient/advanced in ELA on CST; 42% of students scored proficient/advanced in math -In 2008, our API increased 156 points to 691 consequetively Challenges: -Eventhough, we experienced growth in API of 773 from 750 (23 point increase)the school entered PI 1 status in 2011 -We opened our new school in 2005 with six grades and thus did not have the opportunity to "grow" our school from the bottom -In fall of 2007, we transitioned from a K-8 school to a K-5 elementary school and the decision to make this transition occurred in May 2007, resulting in a very small student population (118 students) -In 2008, only 28% of students in grades 2-5 scored proficient or above on the Mid-Year Benchmark in English Language Arts Accelerators will support the Theory of Action and will support in monitoring CSSSP goals: -More than 98% of our students participate in the Extended Day Program, receiving additional academic support from tutors. -Teachers work in the Extended Day Program, providing additional instruction and intervention -Through the use of TSAs and Interventionists position was created, providing 'pull-out' and 'push-in' support for struggling students scoring below and approaching on district benchmark assessments and Far Below and Below Basic on the CST -Lincoln Child Center (LCC) became a on-site MEDI-Cal provider counseling to students in need of emotional support from a licensed therapist -COST(COST) meets weekly as a body that includes RSP teacher, counselor from (LCC), LCC staff, and principal to review and support students who have had emotional and/or behavioral difficulties in school -Student Study Team (SST) meets weekly as a body that includes parent/family, classroom teacher, RSP teacher, counselor from (LCC), and principal to review and support students who have had academic and/or behavioral difficulties in school -Utilized funds to provide additional support from Instructional Assistant and substitute

teachers to provide targeted, small-group instruction -45 mentors from UC Berkeley work one-on-one with students in grades 4-6, providing additional academic and socio-emotional support -UC Build work one-on-one with students in grades 1-6, providing additional academic support -Temple Sinai volunteers work one-on-one with students in grades K-6, providing additional academic support -Experience Corps Tutors work one-on-one with students and/or small groups, whole class in grades K-6, providing additional academic support

School Quality Indicator 1: Quality Learning Experiences for All Students

Strategic Priority A. Balanced Literacy & Literacy Across the Curriculum

School: Sankofa Academy

Principal: MONIQUE BRINSON

From OUSD Strategic Plan:

We want OUSD students to read, write, speak, and think critically for success in college and careers. We want Oakland students to relish reading, writing, and speaking and to become joyful, as well as competent, around literacy. To reach that goal, we need to develop a clear and common OUSD Literacy Framework. The beginning of our work will ensure that we assess reading levels of all students across the system. Additionally, we will approach literacy from a Response to Intervention Framework, ensuring that students have access to high-quality instruction and that higher tiers of support are provided when needed. OUSD must develop a PreK-12 core curriculum aligned to college and career ready standards and to the Common Core State Standards as they develop.

District-level Goals

1. Reach double digit growth, as measured by CST, for all students- with a focus on historically underserved students.
2. Move CST FBB students to Basic in one year (in two years for MS and HS)
3. Move/maintain CST Proficient and Advanced students
4. Accelerate reading by 1.5 additional grade levels for 3rd through 5th graders as measure by SRI to reach grade level standard (2 additional grade levels starting with 6th graders for MS, 3 additional grade levels starting with 9th graders for HS)
5. Student use of academic language and engagement with grade level content aligned to the Common Core Sate Standard will be increased from fall to spring as evidenced by principal observations.

School Federal and State Academic Achievement Goals:

School goal is to meet or surpass all Title I Part A Adequate Yearly Progress and California Department of Education Academic Performance Index targets.

School Data

- With an API of 542 in 2007 Sankofa Academy has made steady gains on the CST, in 2011 had an API of 750, and in 2012 increased API 23 points to 773. Sankofa Academy had the largest gains in the district in 2012 in ELA at 12.2%.
- Sankofa Academy's API rose 156 points in 2008, and now stands at 773 nearing the statewide goal of 800. Sankofa Academy was selected for the 2012-2013 school year as a Balance Approach to Literacy (BAL) Cohort school.

Data Analysis

- In 2012 (ELA) CST, the overall percentage of students who scored PRO/ADV was 50% up from 38% in 2011. The 4th Grade cohort performed at 72% in 2012 with greatest gains from second through fifth grade (15.8% increase from 2011).
- In 2012 (ELA) CST 52% African-Americans and 25% Latino/a students scored PRO/ADV. Students with Disabilities scored 40% PRO/ADV. There is a significant achievement gap between our significant sub groups.
- In 2012 (ELA) CST a decrease in 2nd Grade (-17%), 3rd Grade (-2%), and 5th Grade (-21%) of students performing Far Below Basic and Below Basic. However, there was an increase in the 4th grade of students performing FBB and BB (8%) in 2012.
- The CST data and other assessment measures shows the longer we have students the better they perform on informal and formal assessments (our greatest gains are from the 4th and 5th grade cohorts.)
- To continue gains that we have made as we expand to a Pre-K-8 we must institutionalize 'Best Instructional Practices' to continue academic proficiency/mastery in all classrooms and across all grades.

Theory of Action

- Differentiation: Instruction and assessment is adapted to student needs. All teachers regularly plan for and apply varied approaches to connect instruction with student knowledge, learning styles, and cultural background.
- Data-Driven Continuous Improvement: Students, families, and community stakeholders are involved in data-driven continuous improvement efforts. Students frequently monitor and assess the quality of their work relative to the performance standards.
- Accelerated Intervention: Goals and strategies for intervention are individualized for each student. Placement criteria for services is clear and monitored. Services are coordinated effectively.
- Serve the Whole Child: Full-service community school that serves the needs of our students, families, and communities. Intentional, comprehensive instruction, services, programs, and partnerships that drive a safe, healthy, and supportive school.
- Outcomes for All- ELL Redesignation at 33% is greater than district performance at 13%. Even though our multilingual students are a smaller sub-group; SA EL students performed PRO/ADV in ELA at 43% (+42.9%) and PRO/ADV in Math 57% (+17.1%).

School Quality Indicator 1: Quality Learning Experiences for All Students

Strategic Priority B. Science, Technology, Engineering, Mathematics (STEM)

School: Sankofa Academy

Principal: MONIQUE BRINSON

From OUSD Strategic Plan:

In the past three years, students exhibited steady achievement gains in science and mathematics. More elementary teachers have scheduled science and math instruction into students' school day and are using the district-adopted materials with integrity. While we celebrate the academic gains in science and mathematics, we also recognize their inadequacy and unevenness when we delve deeper into the results for various student populations (e.g., African-American, Latino, English Language Learners), grade spans (middle and high school students) and schools. We are committed to accelerating science and mathematics gains and supporting robust teaching and learning. We plan not only to dramatically improve science and mathematics learning but also to create a deep understanding of Science, Technology, Engineering and Mathematics (STEM) careers and opportunities for linked learning, both in school and the workforce.

District-level Goals

1. Reach double digit growth, as measured by CST, for all students- with a focus on historically underserved students.
2. Move CST FBB students to Basic in one year.
3. Move/maintain CST Proficient and Advanced students
4. Increase by 10% the number of proficient and advanced students in CST science and by 15% English Language Learners and African American Males

School Federal and State Academic Achievement Goals:

School goal is to meet or surpass all Title I Part A Adequate Yearly Progress and California Department of Education Academic Performance Index targets.

Data Analysis

- In 2012 (Math) CST, the overall percentage of students who scored PRO/ADV was 59%. The 4th Grade performed at 80% in 2012 (13.8% decrease from 2011). The 5th Grade performed 73% in 2012 (13% increase from 2011).
- In 2012 (Math) CST 62% African-Americans males and 60% Latino students scored PRO/ADV. Students with Disabilities scored 30% PRO/ADV. There is a smaller achievement gap between our significant sub groups.
- In 2012 (Math) CST total percentage for FBB and BB in 2011 was 24%.
- Our greatest informal assessment gains continue to be from the 2nd, 4th, and 5th grade cohorts. Formal assessment gains continue to be from the 4th and 5th grades.
- A greater focus on the performance of 3rd grade students is imperative. They have the least amount of growth in the 2nd-5th testing cohort on both formal and informal assessment measures.

Theory of Action

- Differentiation: Instruction and assessment is adapted to student needs. All teachers regularly plan for and apply varied approaches to connect instruction with student knowledge, learning styles, and cultural background.

Strategic Priority C. Transitions & Pathways PreK-12

School: Sankofa Academy

Principal: MONIQUE BRINSON

From OUSD Strategic Plan:

Too many of OUSD's schools work in isolation and focus little attention on where students have been and where they are going. Early childhood programs need to be aligned to the K-5 continuum and expanded to serve more students. Principals at K-5 schools with early childhood programs will supervise the programs and help to integrate them into the school culture. We must develop transitional kindergarten programming to include curriculum and professional development. College and career readiness doesn't begin in high school. In OUSD, the elementary and middle school academic core must be aligned to what students must know, understand, and be able to do to succeed in college-preparatory courses in high school. Elementary and middle school communities in regions will collaborate to share best practices and to develop robust feeder options. Building on existing programs, OUSD will also seek additional funds to develop a comprehensive "Career Pathways" approach to preparing our young people to be successful in college and careers. In order to attract and hold students and families, we will use the FSCS model to create corridors, networking Pre-K through 12 schools in targeted areas in new and innovative ways.

School Quality Standards relevant to this Strategic Priority

A quality school...

- provides students with curriculum that is meaningful and challenging to them [2011-2012: Developing]
- provides and ensures equitable access to curriculum and courses that prepare all students for college [2011-2012: Not Applicable]

School Data

- Students in most classrooms are learning significant grade level academic content. Class routines maximize instructional time for content learning. Classroom routines train students in academic, "school behaviors", getting started as soon as class starts and working through to the very end, maintaining focus on academic work whether it is whole group, small group, partner, or individual, notes from a teacher lesson, reading silently, etc.
- Behavioral expectations in most classrooms and in Morning Circle are made explicit and are quickly, consistently, and effectively reinforced. These behaviors support the focused, safe, academic work students do in most classrooms. Students are being exposed to academic language and content specific vocabulary. Teachers push all students to learn grade level vocabulary words by teaching them, checking for understanding, having students practice using the words in speaking and writing in PreK-7.

Data Analysis

- 2012 SQR Findings- Across the school, curriculum is made meaningful and challenging. In 94% of classroom observations, students connected prior knowledge/skills/experiences to the new learning.
- 2012 SQR Findings- In 69% of classroom observations, students used some combination of remembering, understanding, applying, and analyzing. In 13% of classroom observations, students used higher order thinking skills of evaluation and creation.
- 2012 SQR Findings- In most classrooms, there is a sense of urgency about learning and an academic push to prepare all students. In 71% of classroom observations, 85% or more of students were consistently engaged in the learning. ?h
- 2012 SQR Findings- During and observation of Sustained Silent Reading, every single student appeared to read for the entire time, even as the teacher pulled students one by one to do quick assessments and reading coaching with them.
- 2012 SQR Findings- Parents report that "students strive to impress staff and be a part of the school community."

Theory of Action

- Differentiation: Instruction and assessment is adapted to student needs. All teachers regularly plan for and apply varied approaches to connect instruction

with student knowledge, learning styles, and cultural background.

- Data-Driven Continuous Improvement: Students, families, and community stakeholders are involved in data-driven continuous improvement efforts. Students frequently monitor and assess the quality of their work relative to the performance standards.
- Accelerated Intervention: Goals and strategies for intervention are individualized for each student. Placement criteria for services is clear and monitored. Services are coordinated effectively.
- Serve the Whole Child: Full-service community school that serves the needs of our students, families, and communities. Intentional, comprehensive instruction, services, programs, and partnerships that drive a safe, healthy, and supportive school.

Strategic Priority D. College, Career & Workforce

School: Sankofa Academy

Principal: MONIQUE BRINSON

From OUSD Strategic Plan:

In order to make sure that more students graduate, and our graduates are ready for college and career, OUSD will make a significant investment in strategies, structures, and resources to implement core elements of the secondary reform. Career pathways will connect strong academics, Career Technical Education (CTE), work-based learning experiences and support services so that students are prepared for college and career success within the context of a specific, high demand industry sector. Building on the number of career pathways that exist in high schools now, we will increase the number of well-developed and effectively-implemented pathways, which include certificates linked to occupations. OUSD's "Career Pathways" approach will lead to a full range of postsecondary and career opportunities and keep all options open after high school.

1. Combined 4-& 5- year graduation rate will increase by 10%- with graduation rate based on 9th grade enrollment (HS only)
2. Increase by 15% the number of African-American Males and Latino Males who pass CAHSEE on the first attempt (HS only)
3. 80% of the ninth graders will complete 60 credits (HS only)

Strategic Priority E. Accelerating Students through Targeted Approaches* (Collaborative Teacher Inquiry/African American Male Achievement/Academic Language & Literacy/Focal 15/English Learners/Students with Disabilities/GATE)

School: Sankofa Academy

Principal: MONIQUE BRINSON

From OUSD Strategic Plan:

We need to close the achievement gap through targeted approaches, focusing on literacy development, African American Male Achievement, targeted inquiry, English Language Learners, Students with Disabilities, and Programs for Exceptional Children. The patterns of academic performance we see in our district, schools, and classrooms are evidence of a system that is horribly inadequate. We need to differentiate supports and strategies in order to accelerate achievement and address the disparities in educational and social outcomes for populations of students.

1. Increase the number of African American Male students on the honor roll by 15%

Strategic Priority F. Extending Learning Time

School: Sankofa Academy

Principal: MONIQUE BRINSON

From OUSD Strategic Plan:

We want each student to attend a school that offers a comprehensive and integrated approach to education in which the school acts as a hub of partnerships that organizes the resources within the community. We need to build extended learning opportunities whereby the school and community work together to break down barriers to learning and foster true, authentic collaborations in service of thriving students. We envision a system in which schools extend beyond the traditional school day ? offering students and families learning opportunities before and after school, on weekends, and during the summer.

School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

Strategic Priority A. School Culture (including Meaningful Student Engagement)

School: Sankofa Academy

Principal: MONIQUE BRINSON

From OUSD Strategic Plan:

Full Service Community Schools create a safe and supportive environment where students can thrive academically, socially, and emotionally. Schools offer a comprehensive and integrated approach to education that is founded on caring relationships and high expectations. Healthy school cultures include preventative, early intervention, and intensive services and supports accessible to all students. School-wide positive behavioral and academic supports are augmented by Tier 2 targeted intervention and Tier 3 individualized supports, which are monitored and coordinated through COST and SST. Schools create professional learning structures to support adults to learn the science and practice of teaching Social Emotional Learning (SEL) skills to increase the capacities of students to manage emotions, develop empathy and concern for others, establish positive relationships, make responsible decisions, and handle challenging situations effectively. A thriving school culture also encourages student leadership and motivational programs, such as expanded celebrations of student achievements.

District-level Goals

- Reduce Disciplinary Hearing Process referrals by 20%

School Safety Plan Goals

Goal 1: To reduce student conflict/s physical altercations by 50%.

- Strategy 1.1: Use Positive Behavior Intervention and Supports (PBIS) for school-wide discipline and use Second Step curricula PreK-7 to promote strategies for positive conflict resolution.
- Strategy 1.2: Use PBIS Office Referral reflection and PBIS Student Reflection to facilitate progressive discipline model, and call, and speak to a family prior to suspension.

Goal 2: Increase student engagement and attachment to school; reduce student conflicts especially on the playground.

- Strategy 2.1: Use school-wide morning 'Community Circle', 'Community Meeting', and 6th and 7th Grade Advisories to discuss school rules, guiding principles, discipline, and behavior expectations.
- Strategy 2.2: PreK-7 implementation of Second Step, 'Buddy Classrooms' for short time-outs, and using the 'Stillness Center'/Detention Hall for more severe behaviors during lunch and recess time.

School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

Strategic Priority B. Health & Wellness

School: Sankofa Academy

Principal: MONIQUE BRINSON

From OUSD Strategic Plan:

A Full Service Community School serves the needs of the whole child, providing a range of Health & Wellness programs and services along a continuum from prevention to intervention. OUSD's Wellness Policy provides a framework for creating a physically healthy school environment where students have access to nutritious food, free drinking water, opportunities to be physically active and good indoor air quality. Quality physical education is provided for the required amount of time to all students. In addition, students' health and mental health needs are met on-site or through a robust referral system that connects students and families to community providers. A FSCS also provides health education (e.g., nutrition, gardening, reproductive health) and social-emotional learning (SEL) that is aligned with and supports the core curriculum. Families are engaged around supporting their children's health as well as their own. Staff wellness is seen as integral and is actively fostered.

School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

Strategic Priority C. Interrupting Chronic Absence (Attendance)

School: Sankofa Academy

Principal: MONIQUE BRINSON

From OUSD Strategic Plan:

Full Service Community Schools support attendance improvements as part of transforming educational outcomes for students. Chronic absence, defined as missing 10% or more school days for any reason, is a key indicator and area of focus in Full Service Community Schools. Chronic absence, which impacts one in seven Oakland students, is correlated with lowered reading outcomes and graduation rates. If our system begins addressing chronic absence at the Pre-K and K levels, we would see marked differences in student learning by 3rd grade.

1. Reduce Chronic Absence (students missing 10% or more of the school year) to 5% or less
2. Increase Satisfactory Attendance (percentage of students attending 95% or more of school days) to 85%
3. Interrupt patterns of chronic absences and suspensions to reach a 98% attendance rate (ADA)

School Quality Standards relevant to this Strategic Priority

A quality school...

- offers a coordinated and integrated system of academic and learning support services, provided by adults and youth [\[2011-2012: Sustaining\]](#)
- identifies at-risk students and intervenes early, to help students and their parents develop concrete plans for the future [\[2011-2012: Sustaining\]](#)

Theory of Action

- Serve the Whole Child: Full-service community school that serves the needs of our students, families, and communities. Intentional, comprehensive instruction, services, programs, and partnerships that drive a safe, healthy, and supportive school.
- If we consistently utilize the ABI attendance system to monitor student attendance, and if we put in place an Attendance Committee including the COST coordinator, attendance clerk, school therapist, and the principal
- If we met on biweekly basis to review student attendance data and strategize on individualized intervention, including home visits, parent conferences, conduct student-led conferences to help teachers build strong relationships with students
- And find out the root causes of the absences, then students will feel motivated and inspired to come to school consistently

School Quality Indicator 3: Learning Communities Focused on Continuous Improvement

Strategic Priority A. Building Capacity & Leadership (Professional Development/Learning Communities/Coaching/Staff Induction)

School: Sankofa Academy

Principal: MONIQUE BRINSON

From OUSD Strategic Plan:

We want to recruit, retain, and reward high-quality teachers, principals, and other leaders to ensure that all students learn to the best of their abilities. OUSD must become a highly-sought-after place of employment where educational leaders know they will be challenged and supported by colleagues, supervisors, and community members with high expectations. We need to develop aggressive strategies to recruit and retain the best and brightest talent in OUSD. Building on our developing frameworks for effective teaching and school leadership, and furthering the development and capacity of our teachers and principals through various forms of professional development will allow us to sustain effective teachers and leaders committed to Oakland's children.

1. Improve the conditions in schools to retain 80% of effective teachers

School Quality Standards relevant to this Strategic Priority

A quality school...

- provides learning opportunities that build capacity of all stakeholders to give input, participate in, or lead key decisions.
- makes sure that teachers work together in professional learning communities focused on student progress [[2011-2012: Developing](#)]
- ensures that staff regularly analyze multiple kinds of data about student performance and their experience of learning [[2011-2012: Sustaining](#)]
- provides professional development that models effective practices, promotes teacher leadership, and supports teachers to continuously improve their classroom practice [[2011-2012: Sustaining](#)]

Survey - Professional Learning

School Data

- 2012 SQR Findings- There is time built into the weekly schedule for teachers to work individually or in teams or groups on curriculum and data (Wednesdays from 1:15 to 2:45pm). There is an expectation that all meetings have an agenda and evaluation for each meeting is in place. There is a teacher leader whose role is to be the eyes/ears for the needs and concerns of the staff around professional development. Teachers involve themselves in data inquiry (data summits).
- 2012 SQR Findings- Curricula mapping takes place during collaboration time. Discussion about student work is included in the topics of whole group collaboration. A teacher shared during a focus group, "when a teacher is passionate about her pedagogy, there's never enough time [to collaborate]. This exemplifies how the majority of staff feels about collaboration.

Data Analysis

- 2012 SQR Findings- Experience Corps (intervention program focused on K-3 Literacy through mentoring) volunteers collaborate with General Ed teachers through their scheduled mid-year review when they talk about how students are progressing.
- 2012 SQR Findings- After school program communicates with teachers daily regarding the needs of students. During these check-ins- teachers identify who needs extra attention and reviews homework.
- 2012 SQR Findings- Per teacher interview, this is well established and carried by teachers at the school. "It helps to see what tracks students are on and show where the gaps could be for a student or the kinds of questions that they miss."
- Sankofa has a strong culture of looking at data and of adjusting teaching to address the gaps identified by the data. Teachers look together at CST data, DIBELS data, OUSD benchmark data, and SRI reading lexile scores.
- Implementation of Data Summits: Teachers analyze assessment data together several times a year with the explicit purpose of determining student groupings, interventions needed, and areas of re-teaching.

Theory of Action

- Differentiation: Instruction and assessment is adapted to student needs. All teachers regularly plan for and apply varied approaches to connect instruction with student knowledge, learning styles, and cultural background.

School Quality Indicator 4: Meaningful Student, Family, and Community Engagement/Partnerships

Strategic Priority A. Family & Community Engagement

School: Sankofa Academy

Principal: MONIQUE BRINSON

From OUSD Strategic Plan:

A quality Full Service Community School (FSCS) involves students, families, and the community in the decision-making process as a way to develop collaborative partnerships. A FSCS works with families as partners to understand how the student is progressing and participating in school. Additionally, a Full Service Community School establishes and aligns partnerships with community-based organizations, civic and business partners to strengthen the academic, social-emotional and health outcomes for students and families.

1. 75% or more of parents and guardians are regularly offered trainings and opportunities to actively participate in the academic and social development of their student(s).

School Quality Standards relevant to this Strategic Priority

A quality school...

- shares decision-making with its students, their families, and the community, as part of working together in partnership [\[2011-2012: Developing\]](#)
- provides opportunities for families to understand what their child is learning; why they're learning it; what it looks like to perform well [\[2011-2012: Developing\]](#)
- builds effective partnerships by using principles of student and family/community engagement [\[2011-2012: Not Applicable\]](#)

Survey - Welcoming

School Data

- There are many opportunities for parents and students to participate in decision making at the school. School Site Council brings parents, teachers, staff, and principal together to make decisions about budget and program. Student Council brings 3rd-6th graders together to take leadership on activities that are important to them. United Sankofa ? Is a Parent Teacher Organization, that educate and organize parents to support classrooms and the school community.
- The school's School Site Council (SSC) has a solid active group of parents who are knowledgeable about the school. They are ready to advocate for their school and seek the resources the school needs. Topics during SSC include: budget overviews, test data, intervention program, expansion issues, facilities and programmatic concerns due to the expansion plans. Parents have a chance to participate in the planning and raise their concerns about the expansion plans.

Theory of Action

- Serve the Whole Child: Full-service community school that serves the needs of our students, families, and communities. Intentional, comprehensive instruction, services, programs, and partnerships that drive a safe, healthy, and supportive school.

School Quality Indicator 5: Effective School Leadership & Resource Management

Strategic Priority A. Strategic Operational Practices

School: Sankofa Academy

Principal: MONIQUE BRINSON

From OUSD Strategic Plan:

We need Full Service Community Leaders for OUSD classrooms, schools, regions and the central office. These leaders have to juggle many tasks: they need to manage operations effectively, they need to become highly effective instructional leaders, and they need to build relationships and strategic collaborations with parents and community members. Leaders will need to assess their own levels of expertise with leadership practices, operations, instruction and community engagement and work together to share tools, knowledge and strategies in these areas to accelerate everyone's capacity to deliver on the promise of high quality effective instruction and Full Service Community Schools.

Sankofa Academy Parental Involvement Policy

Part 1. General Expectations

Sankofa Academy agrees to implement the following statutory requirements:

- The school will jointly develop with parents, distribute to parents of participating children, a School Parent Involvement Policy that school and parents of participating children agree on.
- The school will notify parents about the School Parental Involvement Policy in an understandable and uniform format and, the extent practicable, will distribute this policy to parents in a language the parents can understand.
- The school will make the School Parental Involvement Policy available to the local community.
- The school will periodically update the School Parental Involvement Policy to meet the changing needs of parents and the school
- The school will adopt the school's Home-School compact as a component of its School Parental Involvement Policy.
- The school agrees to be governed by the following statutory definition of parental involvement, and will carry out programs, activities and procedures in accordance with this definition:

Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring-

- That parents play an integral role in assisting their child's learning
- That parents are encouraged to be actively involved in their child's education at school
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child
- The carrying out of other activities, such as those described in section 1118 of the ESEA

Part 2. Description of How the School will implement required School Parental Involvement Policy Components

- 1) Sankofa Academy will take the following actions to involve parents in the joint development and joint agreement of its School Parental involvement Policy and its schoolwide plan, if applicable, in an organized, ongoing, and timely way under section 1118(b) of the ESEA:

Home School Compact and Parent Involvement Policy
Sankofa Academy – Parent/Family Home-School
Compact

Sankofa Academy and the parents/families of the students agree that this compact outlines how the parents, entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State of California's high academic standards.

This School-Parent Compact is in effect during the 2011-2012 school year.

School Responsibilities - Sankofa Academy will:

1) Provide high-quality curriculum and instruction in a supportive and effective learning environment that enable the participating students to meet the State of California's student academic achievement standards as follows:

- *Maintain classrooms that are engaging and conducive to learning*
- *Provide at least 2 hours of standards-based instruction in literacy, and at least 1 hour of standards-based instruction in mathematics daily*
- *Use instructional strategies to accommodate the learning styles of diverse learners*
- *Provide intervention and additional support for struggling students*
- *Demonstrate and emphasize the Sankofa Academy guiding principles*
- *Work collaboratively with staff in the Extended Day program to meet student needs*

2) Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the individual child's achievement.

Parent-teacher conferences are held at the end of each trimester. All families are invited to attend at least two conferences (first and third trimester), with the second trimester conferences focused on those students in need of the most support to achieve academic goals.

3) Provide parents with frequent reports on their children's progress.

The school will provide report cards to parents at the end of each trimester (November, March, and June). In addition, teachers will maintain regular (at least monthly) informal communication with families about student progress.

4) Provide parents reasonable access to staff.

All staff members are available to meet with families daily. Parents may schedule appointments with staff members before school, after school, or on their preparation period. Staff are expected to respond to messages/request for conferences from parents/families within 24 hours.

5. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities.

Parents/families are always welcome to observe classroom activities at any time. Regular communication between teachers and parents outlines additional times and ways that parents may volunteer and participate in the classroom. Monthly school-wide family events and Parent/Family Leadership Committee meetings are scheduled to provide additional opportunities for parent/family involvement at the school.

Parent Responsibilities –

We, as parents will support our children's learning in the following ways:

- *Monitoring attendance, ensuring students attend school daily and on time*
- *Supporting students' need to be healthy by ensuring an early bedtime, nutritious meals and snack, and regular exercise*
- *Monitoring amount of television viewing time*
- *Make sure homework is completed and review progress reports from teachers*
- *Attend all conferences, exhibitions, and parent meetings*
- *Enforce the school uniform policy*
- *Promoting positive use of child's out of school time*

Student Responsibilities –

We, as students, will share the responsibility to improve our academic achievement and achieve the State of California's academic standards. We will:

- *Come to school on time everyday, ready to learn*
- *Follow all school and classroom rules and procedures*
- *Do all my class work and homework every day*
- *Work hard every day to achieve excellence*
- *Ask for help when I need it*
- *Read for at least 30 minutes every day outside of school*
- *Demonstrate the Sankofa Academy guiding principles*
- *Wear the school uniform colors daily*

Home School Compact and Parent Involvement Policy
Sankofa Academy – Parent/Family Home-School
Compact

Sankofa Academy and the parents/families of the students agree that this compact outlines how the parents, entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State of California's high academic standards.

This School-Parent Compact is in effect during the 2011-2012 school year.

School Responsibilities - Sankofa Academy will:

1) Provide high-quality curriculum and instruction in a supportive and effective learning environment that enable the participating students to meet the State of California's student academic achievement standards as follows:

- *Maintain classrooms that are engaging and conducive to learning*
- *Provide at least 2 hours of standards-based instruction in literacy, and at least 1 hour of standards-based instruction in mathematics daily*
- *Use instructional strategies to accommodate the learning styles of diverse learners*
- *Provide intervention and additional support for struggling students*
- *Demonstrate and emphasize the Sankofa Academy guiding principles*
- *Work collaboratively with staff in the Extended Day program to meet student needs*

2) Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the individual child's achievement.

Parent-teacher conferences are held at the end of each trimester. All families are invited to attend at least two conferences (first and third trimester), with the second trimester conferences focused on those students in need of the most support to achieve academic goals.

3) Provide parents with frequent reports on their children's progress.

The school will provide report cards to parents at the end of each trimester (November, March, and June). In addition, teachers will maintain regular (at least monthly) informal communication with families about student progress.

4) Provide parents reasonable access to staff.

All staff members are available to meet with families daily. Parents may schedule appointments with staff members before school, after school, or on their preparation period. Staff are expected to respond to messages/request for conferences from parents/families within 24 hours.

5. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities.

Parents/families are always welcome to observe classroom activities at any time. Regular communication between teachers and parents outlines additional times and ways that parents may volunteer and participate in the classroom. Monthly school-wide family events and Parent/Family Leadership Committee meetings are scheduled to provide additional opportunities for parent/family involvement at the school.

Parent Responsibilities –

We, as parents will support our children's learning in the following ways:

Sankofa Academy Parental/Family Involvement Policy

Part 1. General Expectations

Sankofa Academy agrees to implement the following statutory requirements:

- The school will jointly develop with parents/families, distribute to parents of participating children, a School Parent Involvement Policy that school and parents of participating children agree on.
- The school will notify parents/families about the School Parental/Family Involvement Policy in an understandable and uniform format and, the extent practicable, will distribute this policy to parents in a language the parents can understand.
- The school will make the School Parental/Family Involvement Policy available to the local community.
- The school will periodically update the School Parental/Family Involvement Policy to meet the changing needs of parents and the school
- The school will adopt the school's Home-School compact as a component of its School Parental/Family Involvement Policy.
- The school agrees to be governed by the following statutory definition of parental involvement, and will carry out programs, activities and procedures in accordance with this definition:

Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring-

- That parents play an integral role in assisting their child's learning
- That parents are encouraged to be actively involved in their child's education at school
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child
- The carrying out of other activities, such as those described in section 1118 of the ESEA

Part 2. Description of How the School will implement required School Parental Involvement Policy Components

- 1) *Sankofa Academy* will take the following actions to involve parents in the joint development and joint agreement of its School

Parental/Family Involvement Policy and its school-wide plan, if applicable, in an organized, ongoing, and timely way under section 1118(b) of the ESEA:

We hold regular meetings (monthly School Site Council Meetings, and Annual Title I Meeting) to disseminate Title I information to families and to gather their input on:

- student achievement data
- Family Involvement Policy
- Family-School Compact
- Teacher Status
- School goals and Priorities

2) *Sankofa Academy* will take the following actions to distribute to parents of participating children and the local community, the School Parental Involvement Policy:

- distribute in take-home packets and newsletters
- distribute in start-of-school registration packets
- post on school bulletin boards
- share during monthly family events

3) *Sankofa Academy* will update periodically its School Parental Involvement Policy to meet the changing needs of parents and the school:

- Based on family surveys and other data collected in family meetings, the SSC will make revisions to the Family Involvement Policy and Site Plan as needed. Reviews of Family Involvement Policy will occur at least once per trimester.

4) *Sankofa Academy* will convene an annual meeting to inform parents of the following:

- That their child's school participates in Title 1
- About the requirements of Title 1
- Of their rights to be involved
- Of their right to participate in the development of the District's Title 1 Plan
- About their school's participation in Title 1
- Families will be notified of the meeting via newsletter, take-home flyers, announcements at "Community Circle," "Community Meeting," and monthly family events, and phone calls. Refreshments and child care will be available at the evening meeting.

5) *Sankofa Academy* will hold a flexible number of meetings at varying times, and will provide transportation, child care, and/or home visits,

paid for with Title 1 funding as long as these services relate to parental involvement:

- Our family meetings are held at a variety of times that are conducive to families – we have opportunities in the morning (before, or just after, the start of school), in the early afternoon, in the evening and on Saturdays.
 - Our teachers and staff participate in Home Visits
 - We coordinate many family meetings with other events, such as student arts performances
 - We provide refreshments and child care
- 6) *Sankofa Academy* will provide information about Title 1 programs to parents of participation children in a timely manner:
- Monthly newsletters
 - Weekly take-home flyers
 - Postings in the school
 - Phone calls
- 7) *Sankofa Academy* will provide to parents/families of participating children a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure students progress, and the proficiency levels students are expected to meet:
- At Back to School Night and Open House, teachers formally present their academic program
 - Student work on bulletin boards reflects a detailed explanation of the standard being taught and students' current levels of performance
 - At monthly family events, families may participate in activities carefully aligned to the classroom academic program
 - In the monthly newsletter, teachers outline the specific academic goals they are pursuing in that month
- 8) *Sankofa Academy* will provide parents of participating children if requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible:
- Invitations published in newsletters
 - Invitation re-iterated at monthly Family Friday event
 - Family-School Meetings and Conferences
- 9) *Sankofa Academy* will submit to the district any parent comments if the school-wide plan (SWP) under section (1114)(b)(2) is not satisfactory to parents of the participating children:

- Written notification will be sent to the Network Executive Officer with a plan for addressing the unsatisfactory portions of the plan

Part 3. Shared Responsibilities for High Student Academic Achievement

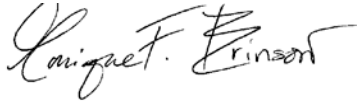

- 1) *Sankofa Academy* will build the school's and parents' capacity for strong parental involvement, in order to ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, through the following activities specifically described below:
 - Effective School Site Council, trained in data-analysis and strategic planning and monitoring
 - Effective PTA/FTA
 - Volunteer opportunities for families to support the school

2. Instructional Time	2.7 The school/district provides adequate instructional time in the locally-adopted mathematics intervention materials for identified intensive intervention students needing specialized instruction to acquire the mathematics skills and concepts necessary to meet grade-level mathematics standards.	Full implementation means that the school's schedule allocates adequate instructional time for students identified as needing intensive intervention to acquire the grade-level or pre-algebraic skills and concepts necessary to succeed in Algebra I. The district/school uses assessments and placement criteria to determine the instructional needs of intensive intervention students. <ul style="list-style-type: none"> For grades four through seven, students needing intensive intervention are defined as demonstrating proficiency of mathematics standards below two grade levels but unable to master grade-level standards. For grade eight, mathematics intensive intervention students are defined as those who are achieving below seventh-grade mathematics standards. 6. Ongoing Instructional Assistance and Support for Teachers	6.2 The school/district provides instructional assistance and ongoing support to all teachers of mathematics, including strategic and intensive intervention teachers. Some possible options include trained coaches, content experts, and specialists who are knowledgeable about the locally-adopted program and work inside the classrooms to support teachers and deepen their knowledge about the content and the delivery of instruction.	<p>Full implementation means that the school/district provides all mathematics and intervention teachers ongoing, targeted support through content experts, coaches, specialists, or other teacher support personnel with subject matter expertise. The content experts, coaches, and specialists who work primarily in the classroom assist with the full and skillful implementation of the district's current locally-adopted, standards-aligned instructional programs and/or CCSS-aligned programs in mathematics to improve student achievement.</p> <ul style="list-style-type: none"> The ongoing instructional assistance includes ensuring that all teachers are trained to an advanced level on research-based practices and instructional delivery through onsite professional development and demonstration lessons, including observation and feedback for next steps. Support includes assisting teachers with planning and preparation, teacher collaboration, student goal setting, progress monitoring, data analysis, intervention placement and monitoring, and strategies for instructing intervention students, ELs, SWDs, benchmark, and advanced learners. The coaches/content experts are trained in and knowledgeable about the current, locally-adopted program and/or CCSS-aligned programs and are provided ongoing professional development and support to assist them in strengthening the instructional practices of teachers. 7. Student Achievement Monitoring System	7.1 The school/district uses an ongoing assessment and monitoring system that provides timely data from common assessments based on the locally-adopted, standards-aligned RLA/ELD, intensive intervention, and any CCSS-aligned programs used in the school/district. Student achievement results from assessments (i.e., entry-level placement and/or diagnostic; progress monitoring, including frequent formative and curriculum-embedded; and summative assessments) are used to inform teachers and principals about student placement, diagnosis, progress, and effectiveness of instruction.	Full implementation means that the district provides and supports an easily accessible electronic data management system, and the school is uniformly administering, scoring, analyzing, and using student achievement data from entry-level and/or diagnostic assessments, progress monitoring assessments (including frequent formative and curriculum-embedded assessments), and summative assessments on a timely basis. <ul style="list-style-type: none"> The data from these assessments are disaggregated and used to determine student placement and/or diagnosis of readiness for grade-level, standards-aligned instruction, monitor ongoing student progress, identify individual student needs, inform decisions regarding classroom and school wide instructional practices, and determine effectiveness of instructional practices and implementation of the locally-adopted programs. For the ongoing monitoring system, data collection (including electronic) is used, and teachers are trained to disaggregate and analyze student data to assist with identifying patterns of performance and modifying instruction to meet the needs of all students, including ELs and SWDs. Common curriculum embedded/formative assessments are given at least every six to eight weeks to monitor student progress, but more frequent formative assessments will assist teachers to collaborate and identify more immediate student needs. 	<table border="1"> <thead> <tr> <th>Objective</th> <th>4 Fully 100%</th> <th>3 Substantially At least 75%</th> <th>2 Partially At least 50%</th> <th>1 Minimally Less than 50%</th> </tr> </thead> <tbody> <tr> <td>7.1</td> <td style="border: 2px solid yellow; border-radius: 50%; text-align: center;">4 100%</td> <td></td> <td></td> <td></td> </tr> </tbody> </table> <p>Key Components</p> <p>Ongoing Assessment and Monitoring System</p> <p><input checked="" type="checkbox"/> District supported electronic data management system.</p> <p><input checked="" type="checkbox"/> District-wide reporting and analysis of assessment results.</p> <p><input checked="" type="checkbox"/> School-wide reporting and analysis of assessment results.</p> <p><input checked="" type="checkbox"/> Timely data from assessments available to and easily accessible by administrators and teachers.</p> <p><input checked="" type="checkbox"/> Common curriculum embedded/formative assessments in use school-wide.</p> <p>Training on Accessing and Using Electronic Data System</p> <p><input checked="" type="checkbox"/> Staff trained on using and accessing data from the electronic data system.</p> <p>Using Formative Assessment Results</p> <p><input checked="" type="checkbox"/> Common curriculum embedded/formative assessments administered frequently.</p> <p><input checked="" type="checkbox"/> School-wide assessment calendar developed and used.</p> <p><input checked="" type="checkbox"/> Professional development provided for administrators and teachers on data analysis and data-informed instruction.</p>	Objective	4 Fully 100%	3 Substantially At least 75%	2 Partially At least 50%	1 Minimally Less than 50%	7.1	4 100%
