Subject: Proposed Contract Renewal

Dear Mr. Dominguez:

School Facility Consultants ("SFC") is pleased to submit this proposal for a contract renewal for the 2017/18 fiscal year. Our current contract with the Oakland Unified School District ("District") expires on June 30, 2017. Now is the perfect time to evaluate State funding as Proposition 51, recently approved by voters, provides \$9 billion in State funding for facility projects.

For over ten years School Facility Consultants has assisted the Oakland Unified School District in maximizing the building program by pursuing both State and Federal funds. During this period the State Allocation Board has funded applications prepared and filed by SFC totaling almost \$184 million received by the District. In addition, the District has projects totaling over \$260,000 on the True Unfunded List. Over the last several years, SFC worked closely with the District to finalize a comprehensive funding plan for the La Escuelita Educational Complex, including the preparation, submittal, and unfunded approval through the State Allocation Board of four separate funding components totaling over \$34 million. SFC also worked closely with the District in the preparation and approval of three projects under the Seismic Mitigation Program resulting in the receipt of almost \$3 million in State funds.

SFC continues to work toward maximizing funding opportunities and actively pursuing funding applications on behalf of the District utilizing a variety of School Facility Programs, as well as updating and generating additional modernization and new construction eligibility. Currently, SFC is assisting the District in the pursuit of additional modernization projects, ongoing assistance with the preparation of reports required under the School Facility Program, preparation of a Developer Fee Justification Report, and assistance with the submittal of its Proposition 39 Energy Expenditure Plan.

I propose that SFC continue the services of the past year. The following list summarizes SFC's proposed services:

- Assist the District on an ongoing basis to determine and acquire State funding eligibility for new school construction, the modernization of existing school facilities and joint-use projects under the School Facility Program.

- Assist the District with the preparation and submittal of California Department of Education and State Allocation Board applications required for eligible new construction and modernization projects.
- Assist the District with accessing programs such as the Overcrowding Relief Grant and other new funding programs as applicable.
- Assist the District with accessing additional eligibility that may be generated through AB 1014.
- Participate in strategy meetings, as directed, with the District and other designated personnel.
- Prepare periodic funding updates, which identify capital resources available to the District.
- Assist the District with issues related to portable classroom replacement.
- Assist the District with miscellaneous funding issues including the timing of fund release requests.
- Assist the District with preparation of progress reports required under the School Facility Program.
- Assist the District with project close out services as necessary in response to Office of Public School Construction project audits.
- Assist the District with analysis of potential funding through the implementation of Proposition 39.
- Assist the District with the preparation and submittal of applications required to access available funding for eligible energy efficiency, conservation, and generation projects including Proposition 39 allocations.
- Assist the District with project tracking and accountability requirements for eligible Proposition 39 projects.

The rate for these services is \$185 per hour for consulting services and \$95 per hour for administrative services with the total contract amount not to exceed \$190,000. The fees shall cover all expenses incurred in Sacramento by SFC on behalf of the District. If it becomes necessary for a Consultant from SFC to visit the District, the District will pay for travel time at a rate of \$185 per hour. The District will also reimburse SFC for all necessary and pre-approved travel expenses.

We look forward to continuing SFC's relationship with you and the Oakland Unified School District. Please call me with any comments or concerns on this proposed contract.

Sincerely,

Alexander R. Murdoch
President
