Subject Report on the Status of the Voluntary Resolution Plan (VRP) (09-12-5001)

Background

In September of 2012, the District entered into a Voluntary Resolution Plan (the "VRP") with the Office for Civil Rights (OCR). Pursuant to the VRP, the District agreed to take steps to address disproportionate rates of discipline for African American students. The District is now in its third year of VRP implementation.

On September 30, 2014, the District submitted its second annual report to OCR. The report to the Board will provide a summary of the annual report.
