 Date: May 31, 2018

OVERVIEW & OBJECTIVE

Linked Learning High School Office staff have reviewed the 2018-19 Measure N Education Improvement Plans and applied a framework that looked at primarily 4 variables:

1. Implementing all phases of Linked Learning in the school
2. Quality of the Analysis and Plan
3. Alignment of Budget to the overall plan and outcomes
4. Information provided during questions and answer sessions

Schools with corrective actions required to their Measure N budget were informed of the corrective actions required and worked with Linked Learning High School Office staff to review, revise, and resubmit to the Measure N Commission. Schools who submitted revised Measure N budgets were reassessed to ensure compliance and final recommendations capture the revisions made by the school.
